A Year With The Owls Begins Like This . . .

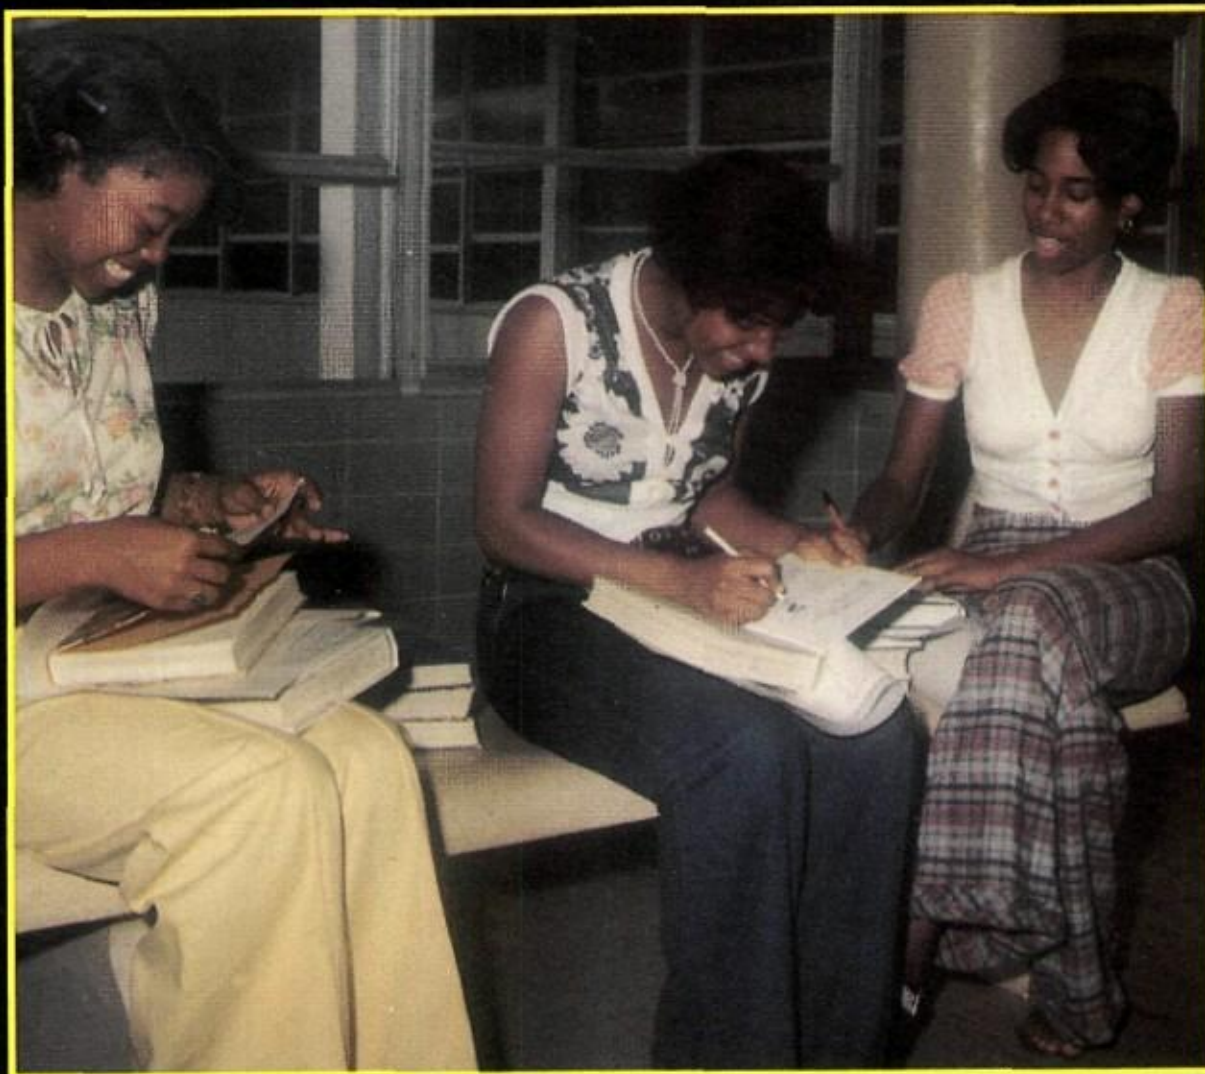

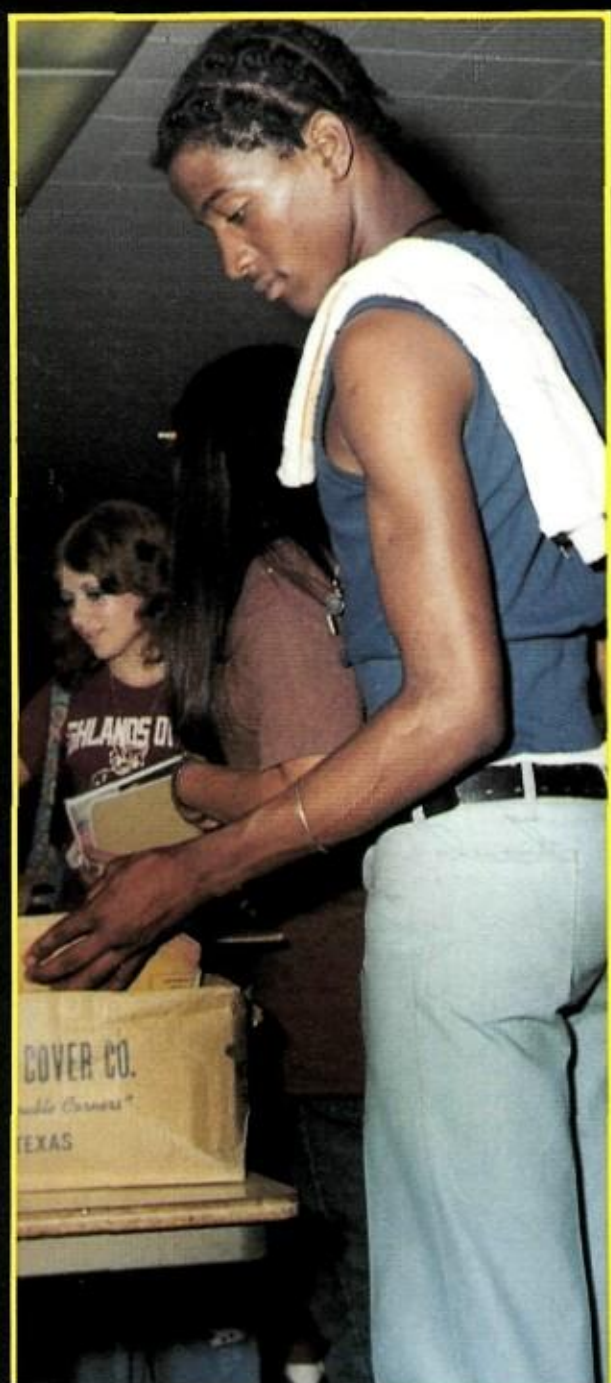

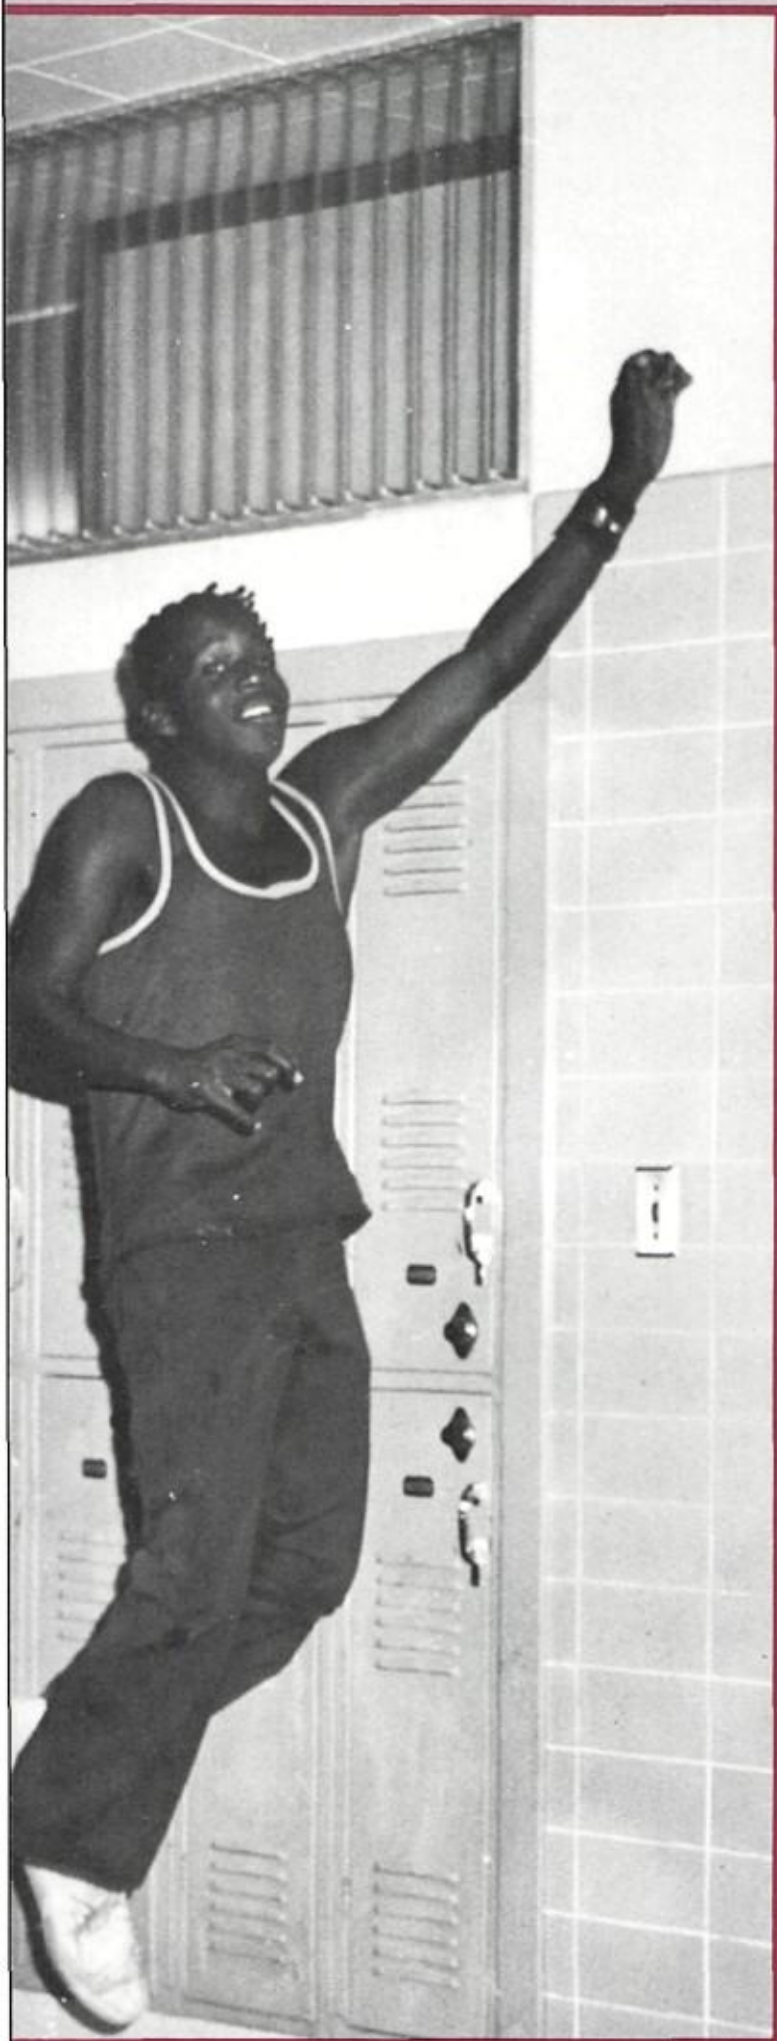

A year with the Owls begins with everyone getting things set for the coming year.

A year is marked with assemblies and speeches, getting books and searching for the right class, reestablishing old friendships and creating new, and wondering how hard or how easy your teachers are going to be.

The most important aspect of beginning a school year is just that — it's a beginning. A new and fresh start that is filled with optimism that everything is going to be just a little better than last year. That's what it's all about, making the new year just a little better than the last.

The Big **Maroon** Owls Are

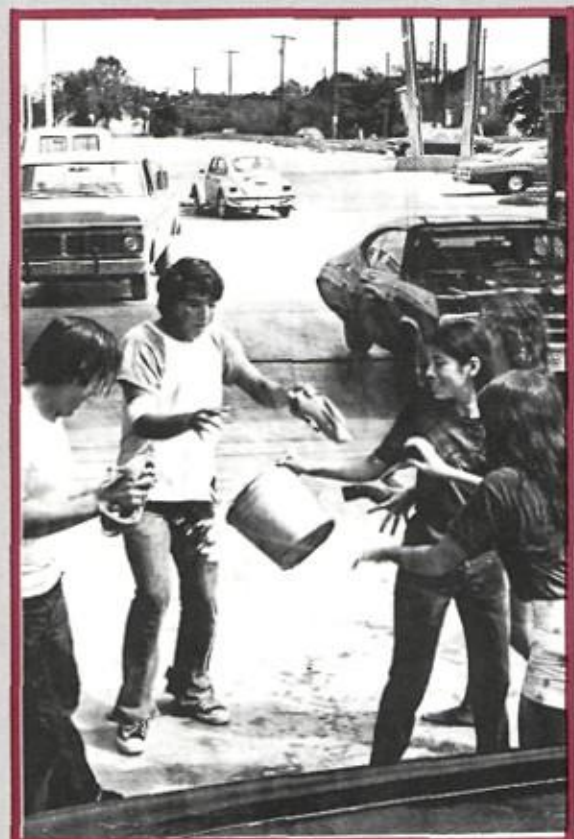

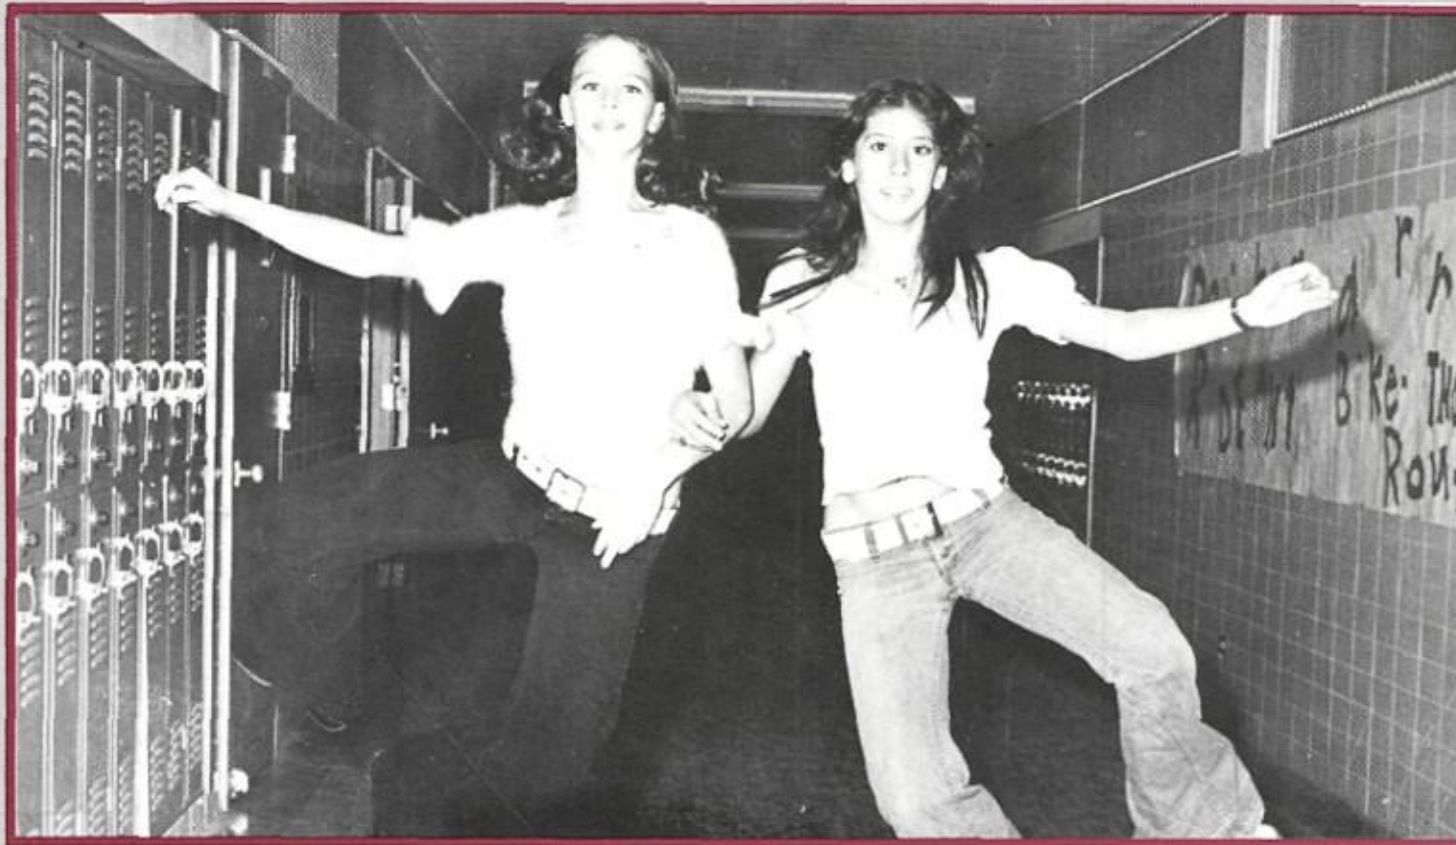

Silly, Happy And Lighthearted

Many aspects make up an HHS Owl. One of the most prominent character traits of the Owls is their lighthearted nature. The Owls are happy and are always proving it.

Throughout the year, there are

spectacles of lightheartedness that are a sight for the eyes to behold. It's just our nature to be happy and to show it. It's no put on — it's just the Owl way!

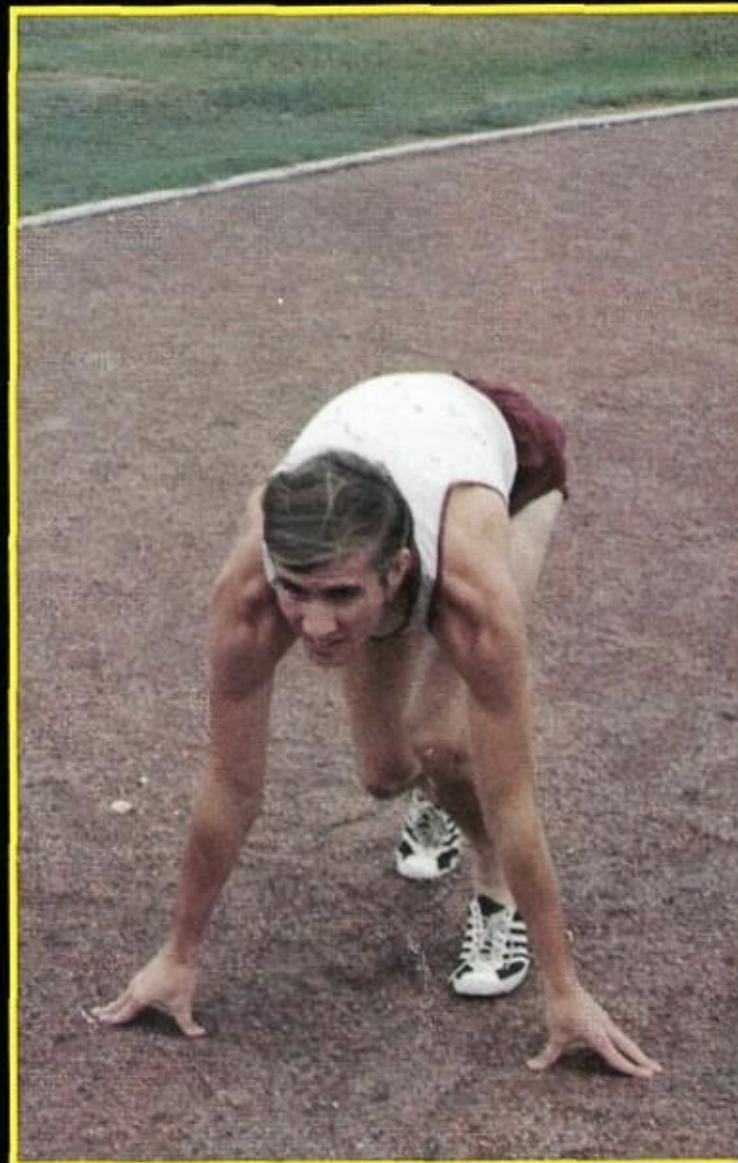

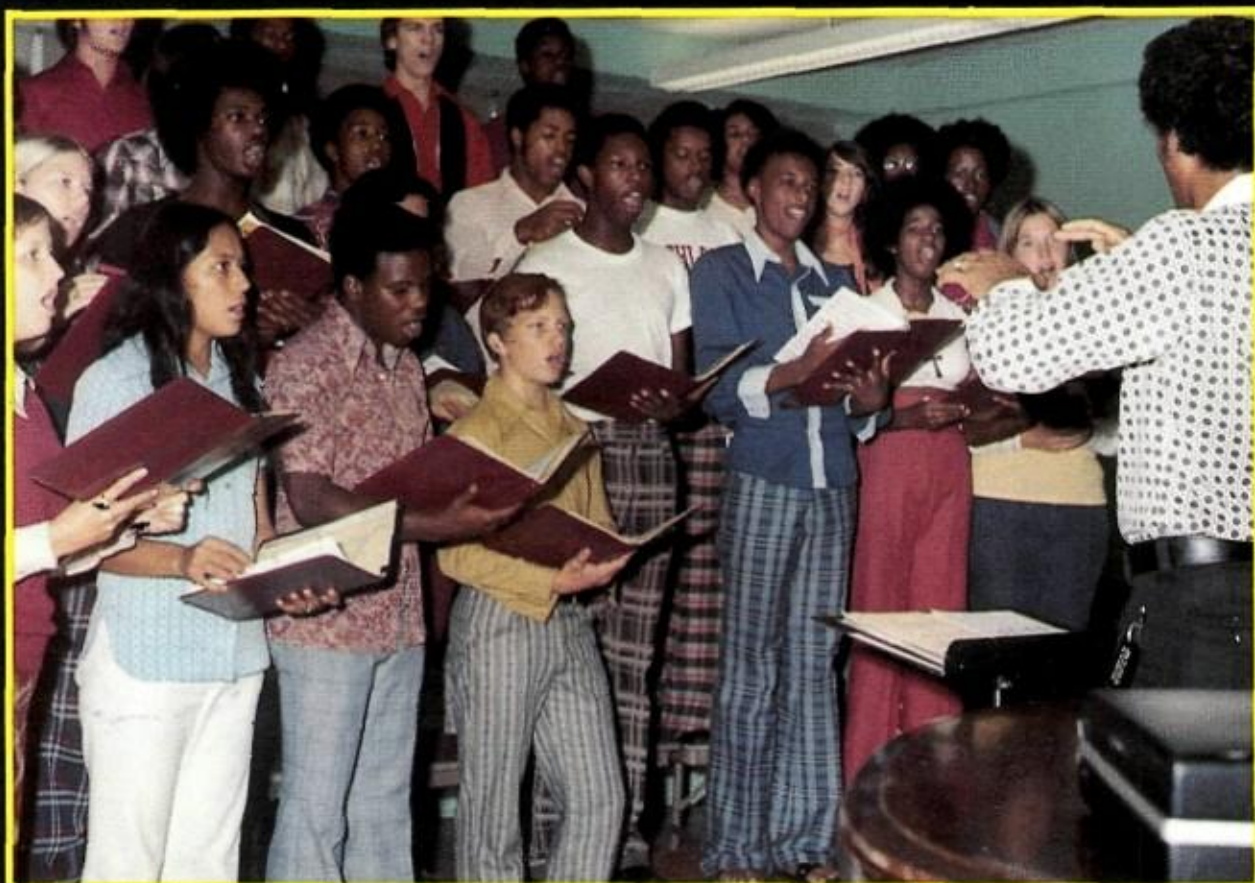

Dedication, Hard Work
And Many Long Hours
Make An H.H.S. Owl

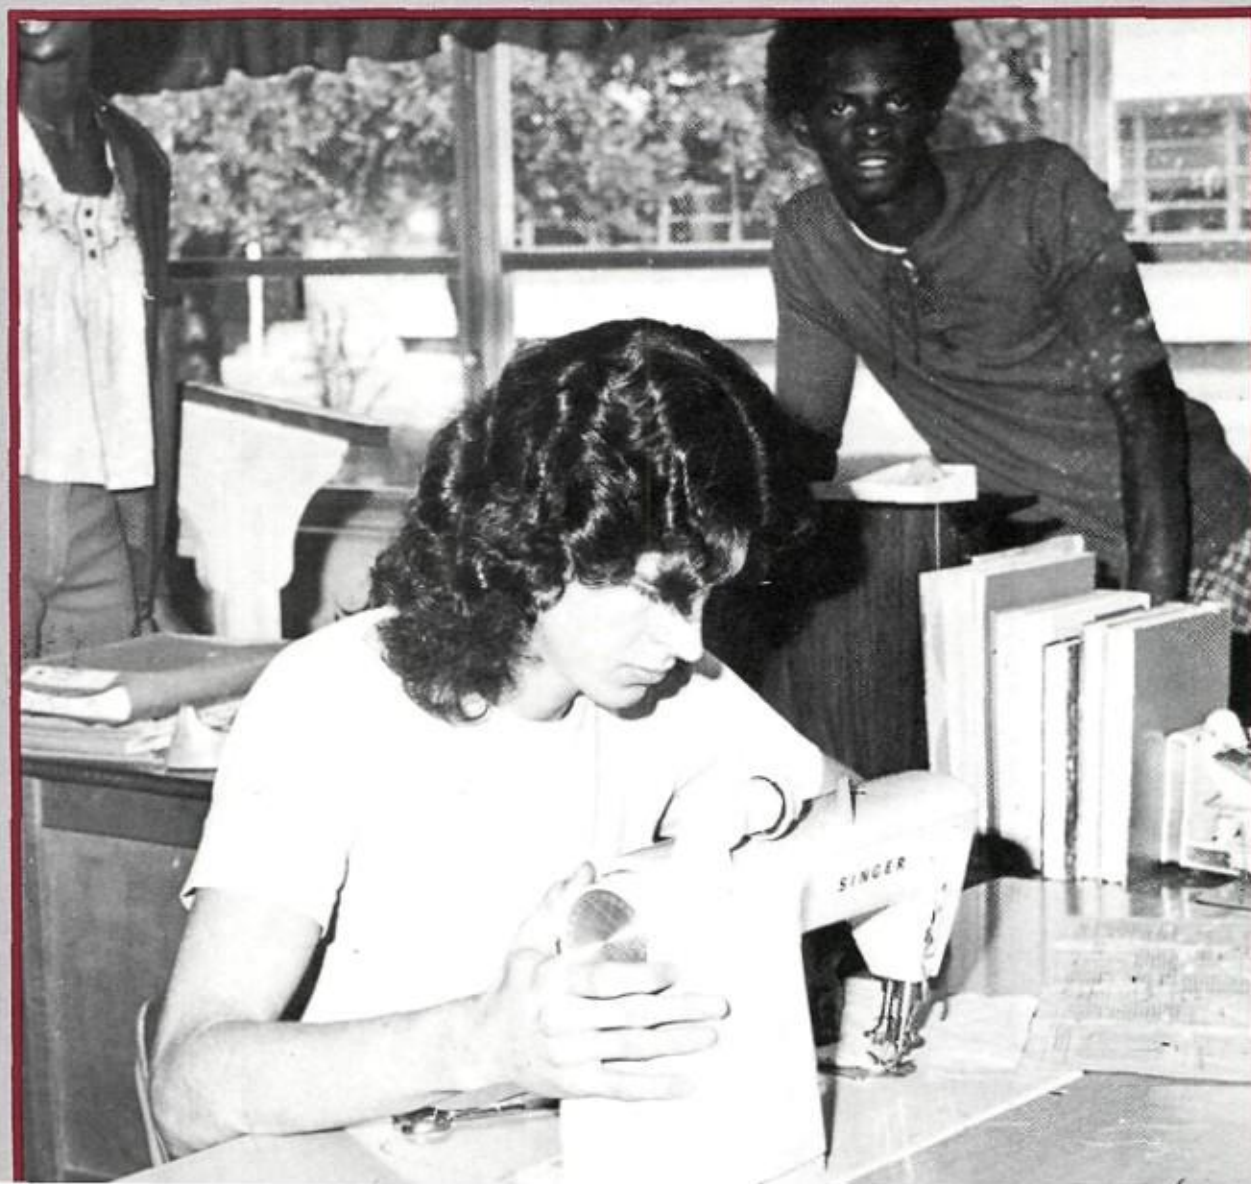

Another important character trait of the Highlands Owl is his dedication. Everywhere you look, someone is striving for a goal with the purpose of bettering our school. The year is full of examples of this kind of dedication and hard work which is an intricate part of the Owls life. The Owls work hard to do what they set out or they just don't do it!

Owls Experience Learning In Ways

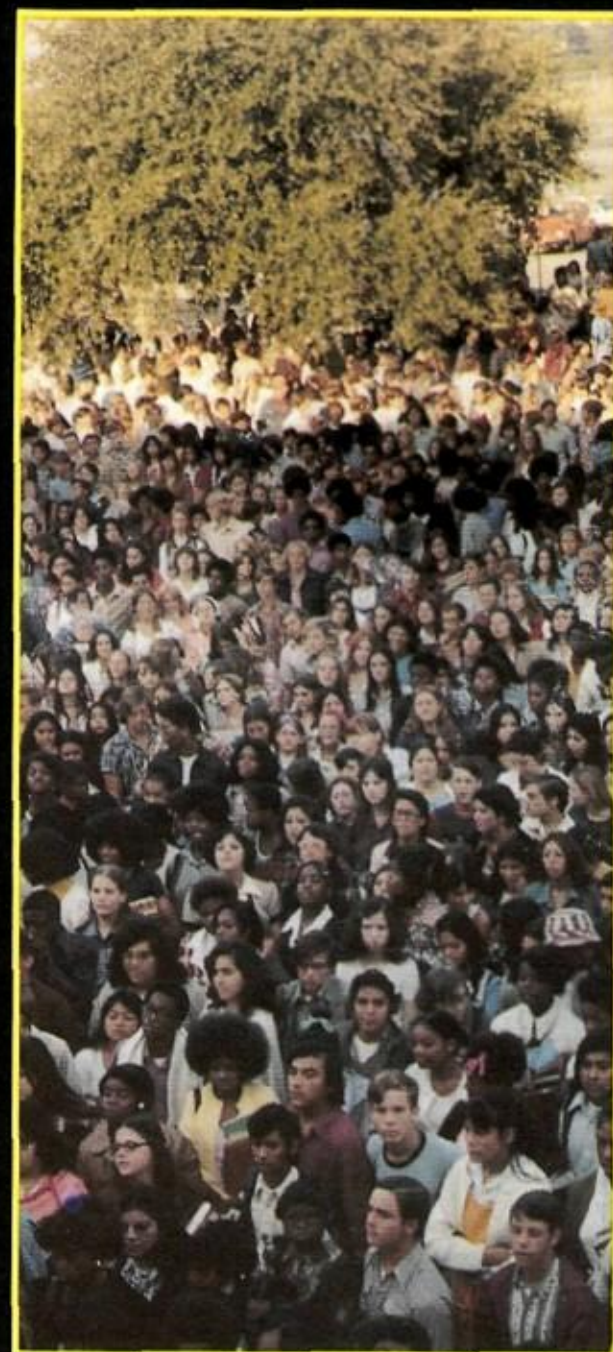

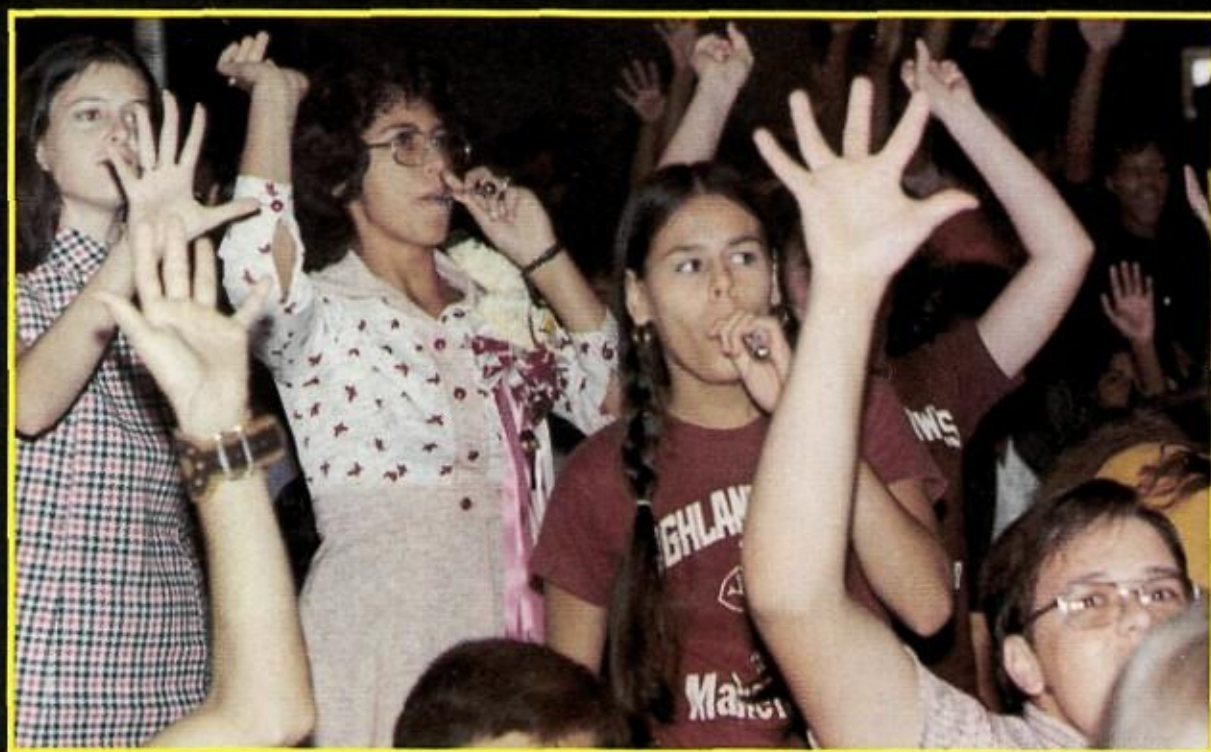

Different And Meaningful

Highlands High School has pride in itself by offering to its students the best possible curriculum. This insures that not only do the Owls get the best possible education and preparation for the adult world, but also so we will not be burdened by courses that are like a pill to take — dreadful!

HHS offers courses which initiate students' anticipation for our school day to begin. It's no wonder you see students talking about the activities they are experiencing in their classes.

Owls Will Never Forget . . .

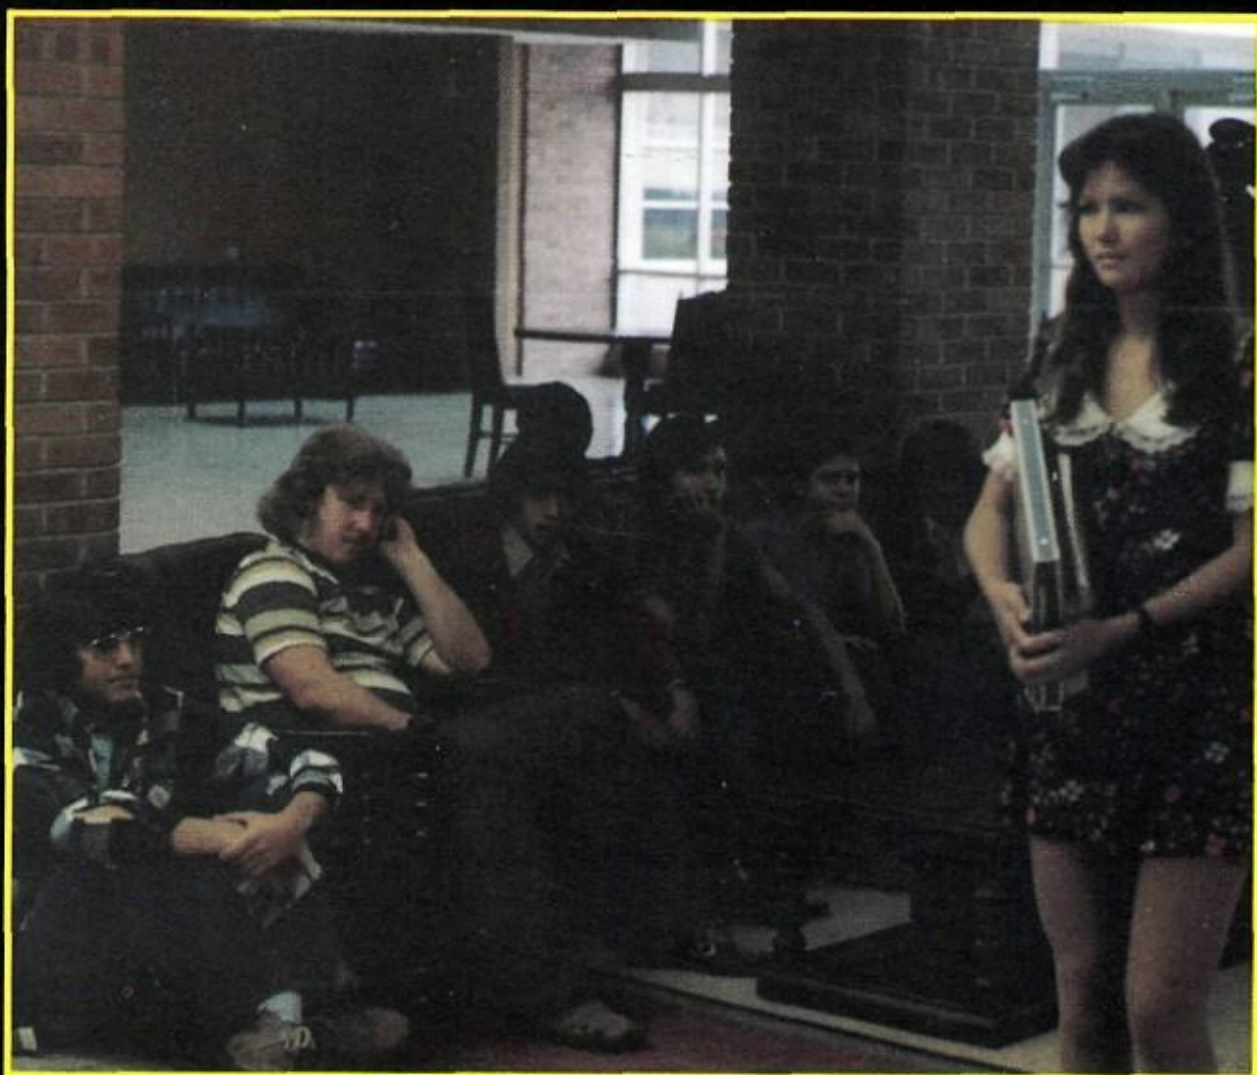

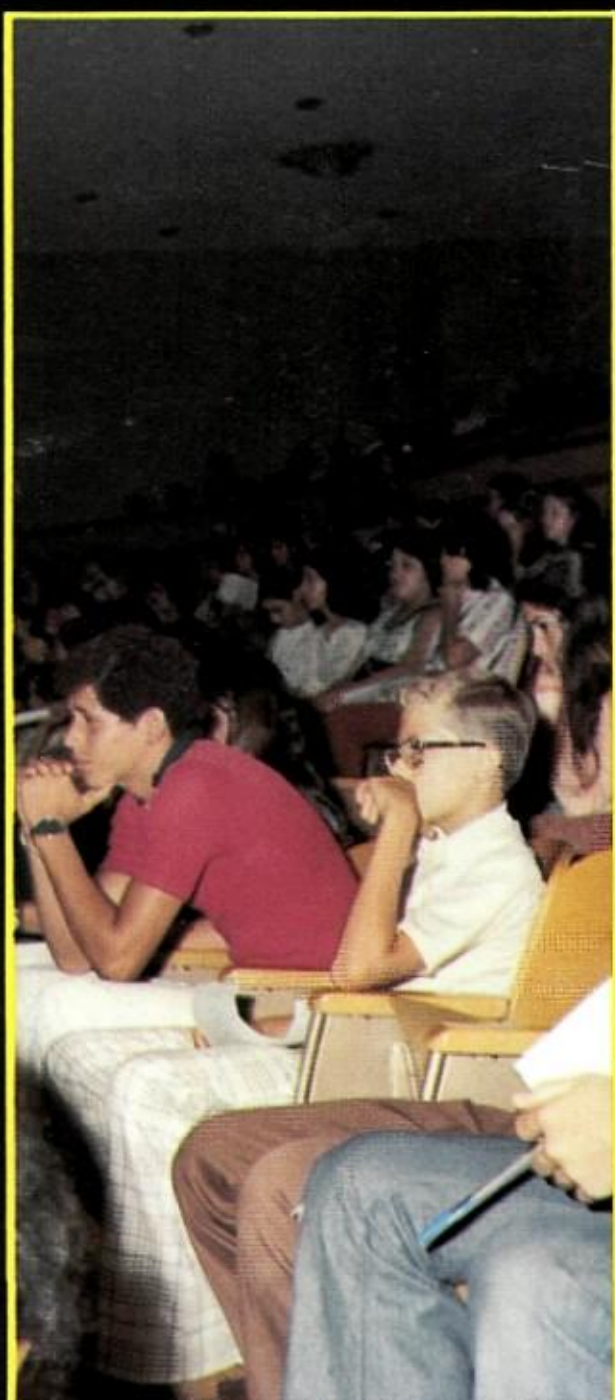

HHS Owls are not only very wise but they have long memories, which are always haunting them. Everywhere you go, you stumble upon someone hashing over previous experiences.

Around Highlands, campus events are taking place daily that will stick in our minds. It could be the most ordinary occurrence, nonetheless, we'll never forget them.

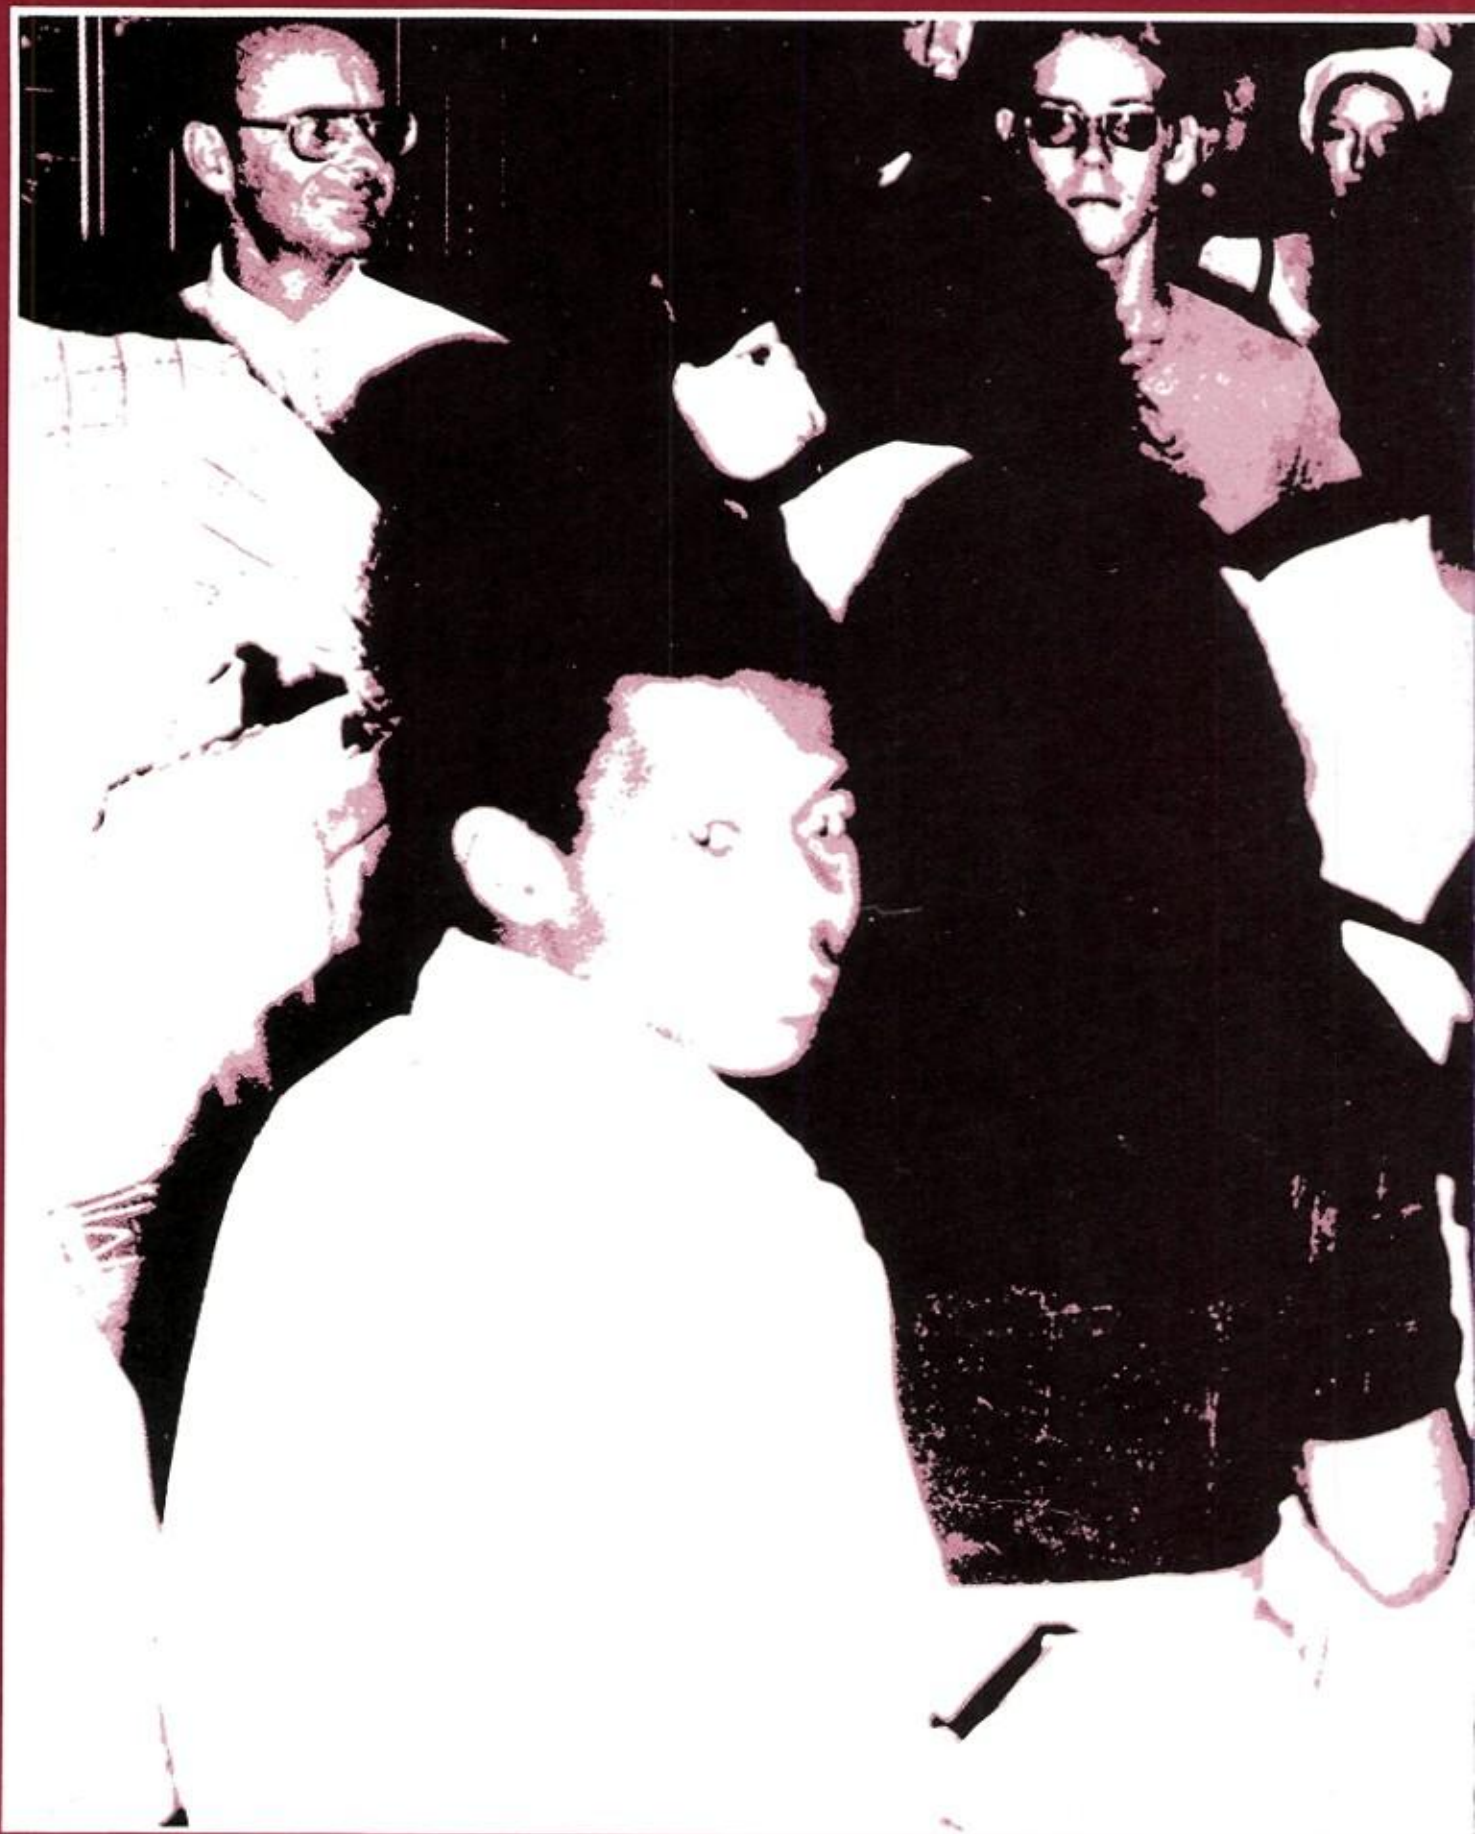

Things like having to stand in those long lines to wait for food, sitting around laughing with your friends, or attending pep rallies and games. These events are all part of the daily routine of the Owls life.

Owls lead exciting existences and consequently we have many memories to hold near our hearts.

LIFE ON CAMPUS

What's Going On Around Campus

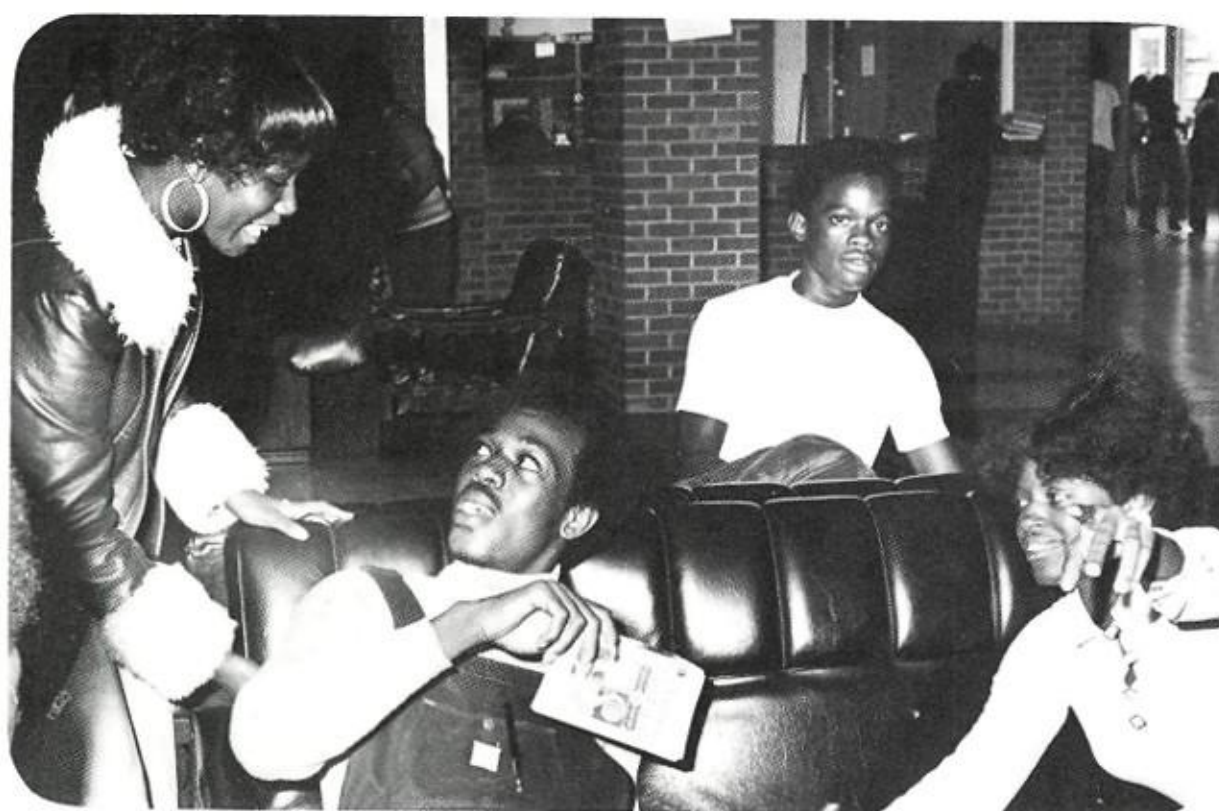

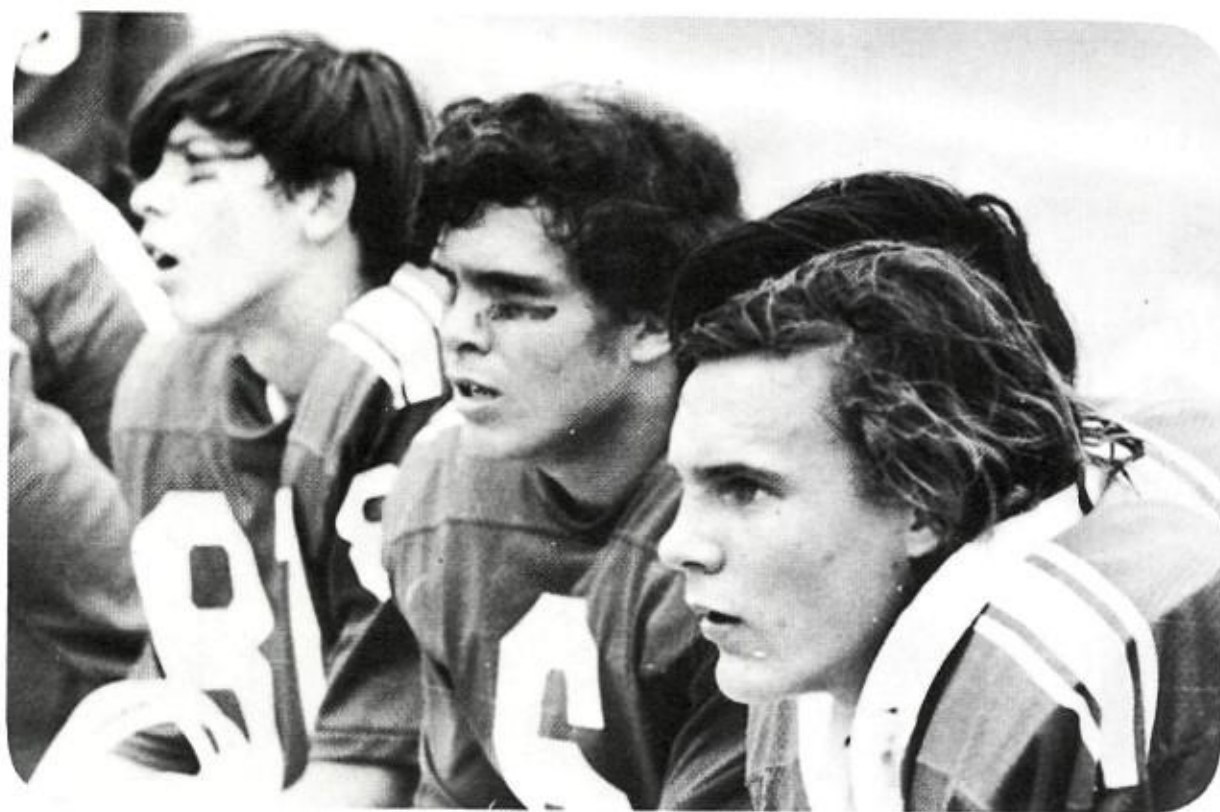

That Makes Us So Great!

A variety of things go on around Highlands. We're always on the move, learning, experiencing and accepting life the way it is. This year is no exception. We're bigger and better than ever. This section is just a brief glance back at what has happened during the 74-75 school year at Highlands.

The Grooves And Moves Of Highlands

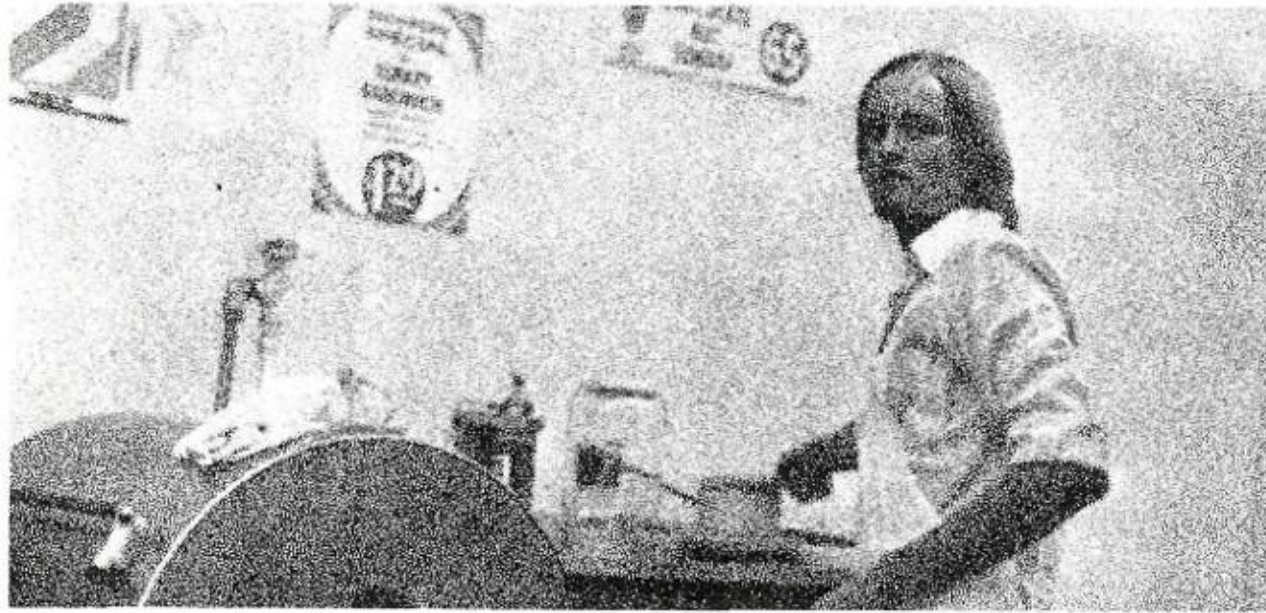

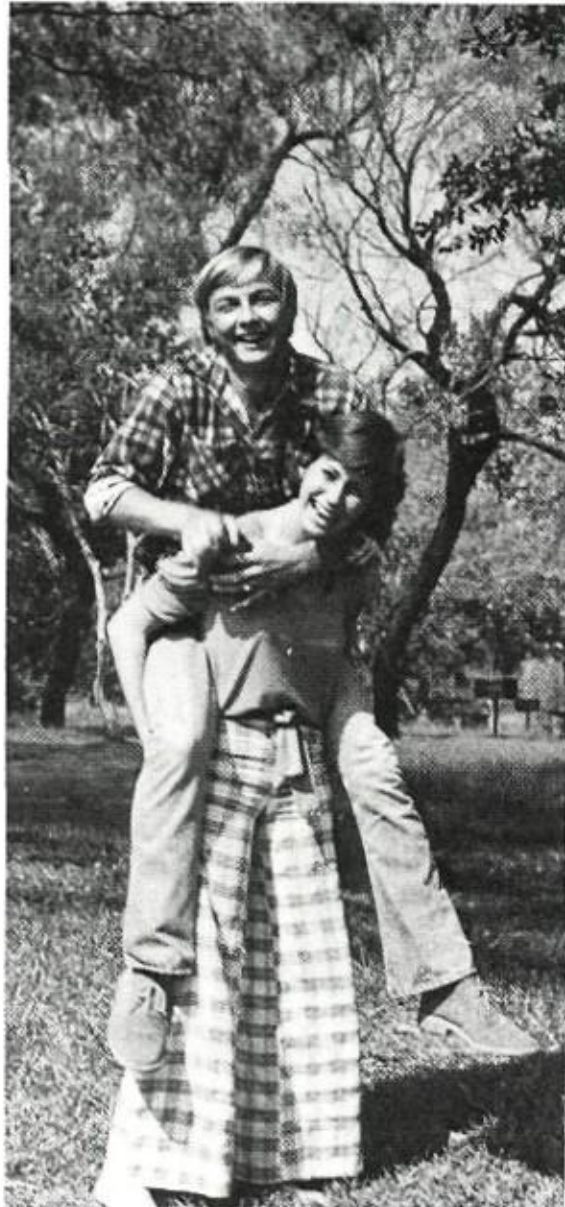

Highlands is a great melting pot of people and their ideas. It takes all kinds of people and the way they feel about things to make our school as fascinating as it is.

Some people have such hobbies as football or bullriding. Some like to wear the latest fashions and some have their own style of dance.

No matter what we do we combine to make Highlands the great culturing center of our school lives.

Outside Of School: That's Where The Action Is

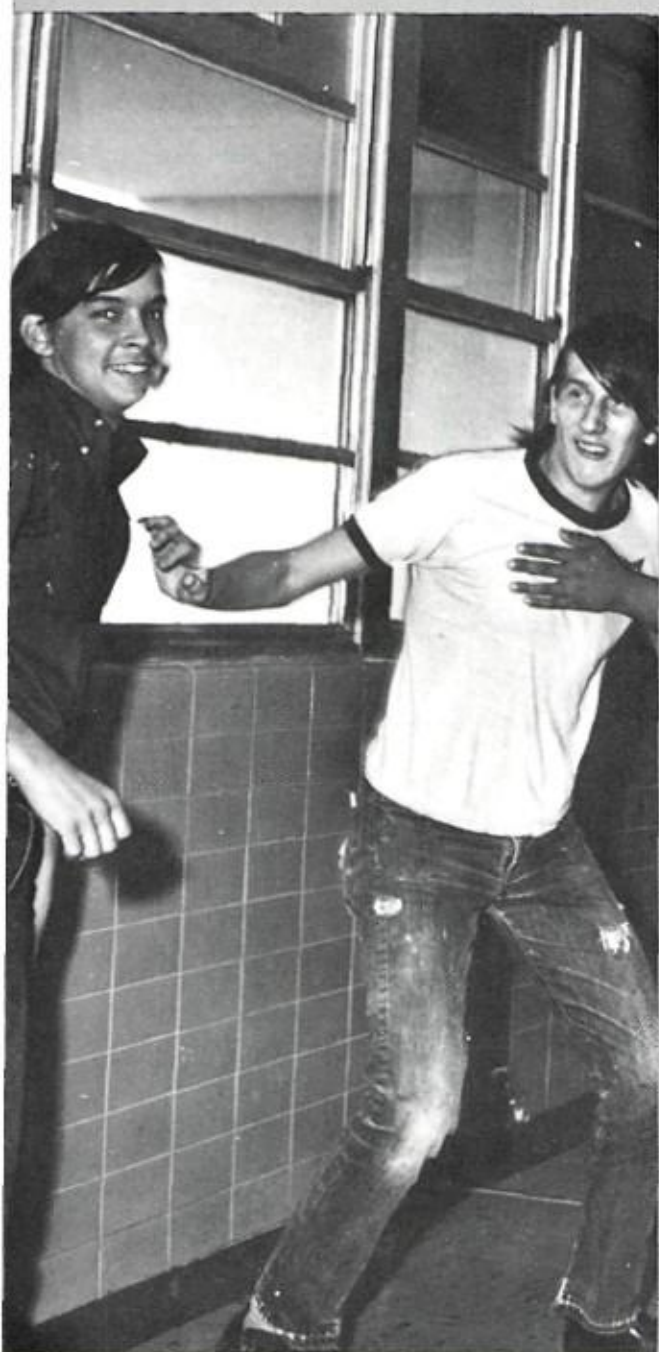

To a Highlands student, school is not all that involves their life. There's always an outside activity for everyone depending on what kind of person you are and what interests you most. Whether it's a part-time job, hitting your local foosball center, or getting out in the open on a bike or riding a horse, you'll always live up to your own expectations. There's always something to do as a group or as an individual. These things make Highlands people very special.

Familiar Sights And Sounds We Won't Forget

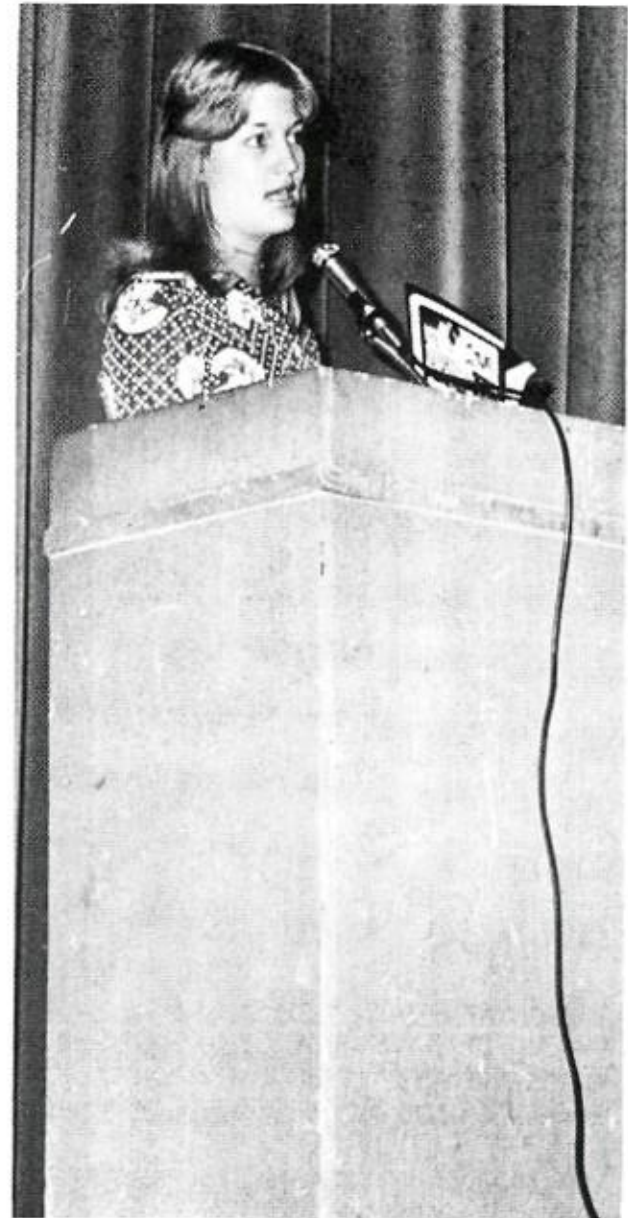

As students of Highlands High School there will always be special moments and friends we'll never forget. The good times at lunch, in between classes, our favorite teachers, and our best friends are just a few of the things that will remain in our minds and hearts forever.

OPPOSITE PAGE TOP: Cheering crowds at games are a part of school that will always carry special memories through your life. BOTTOM: A familiar sight that people won't forget is the intent enthusiasm shown on the faces of band members. THIS PAGE UPPER LEFT: Dawn Ragsdale will always remember these halls she has walked many times. UPPER RIGHT: These football players have stood in this spot numerable times. LOWER LEFT: James Walls and Kenny Strey; A familiar sight we sometimes see are little disagreements as James and Kenny demonstrate. LOWER RIGHT: Windell Harvey, as you can tell, has eaten and enjoyed all our hot meals Highlands provides.

Sweet and its been fun having you in Science
Good luck and God Bless you

A Once In A Lifetime Investment:

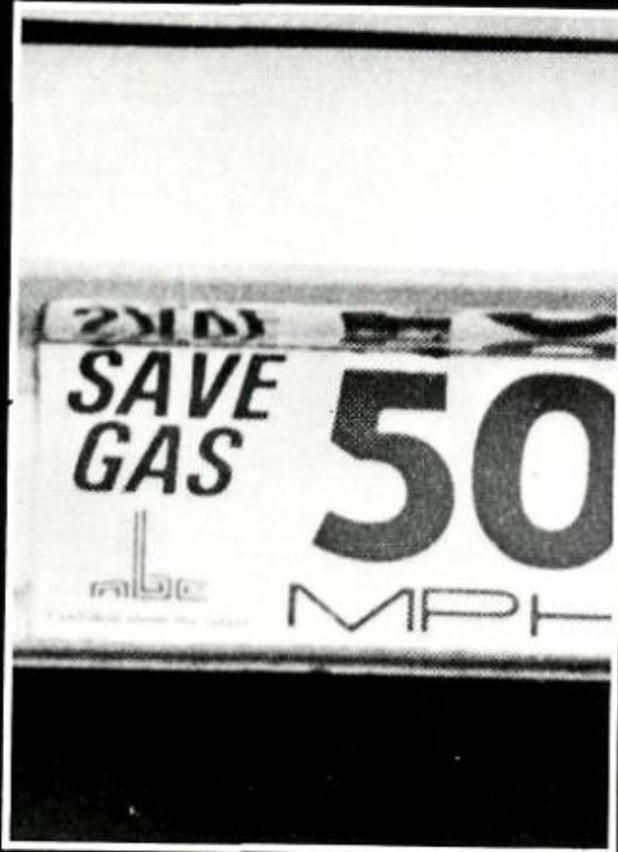

Ordering Your Yearbook

On October 1, 1974 the Owl Brigadoon staff gave four assemblies to the student body to convince them to buy a yearbook. They were made an offer they could not refuse. This is a once in a lifetime opportunity for all students because this was the only day in which students could order yearbooks. The student body was entertained by the presentation of skits that depicted the importance of ordering a yearbook. There was also a slide show presented to show what would be in everyone's yearbook. All in all, the assemblies made the sales campaign successful.

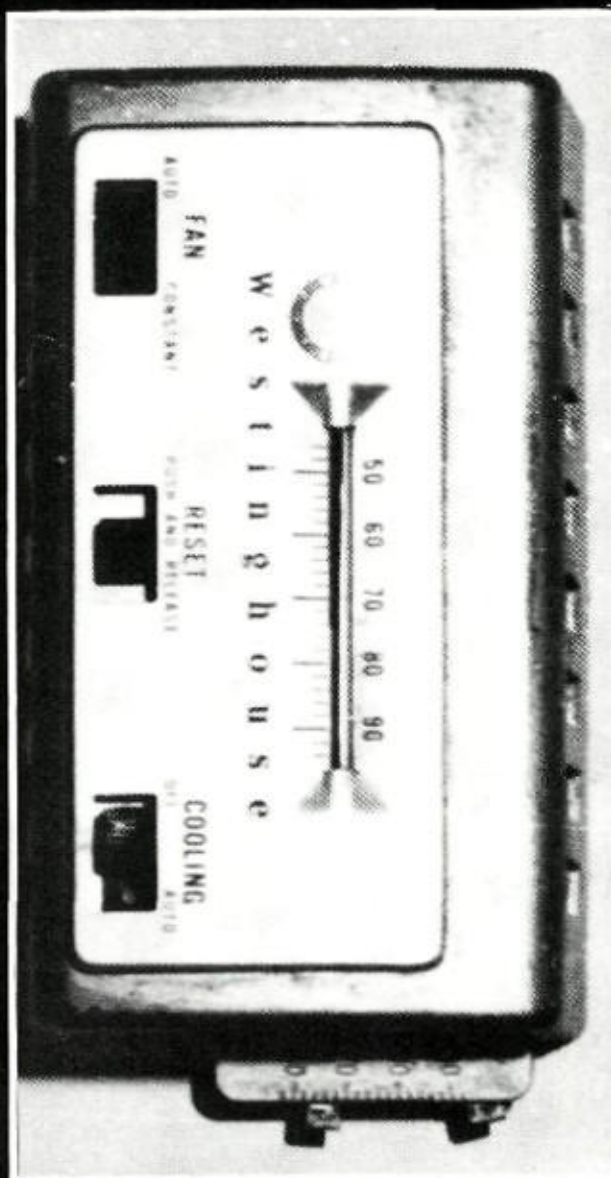

The Energy Crisis Doesn't Stop The Owls

Because We're Always On The Move

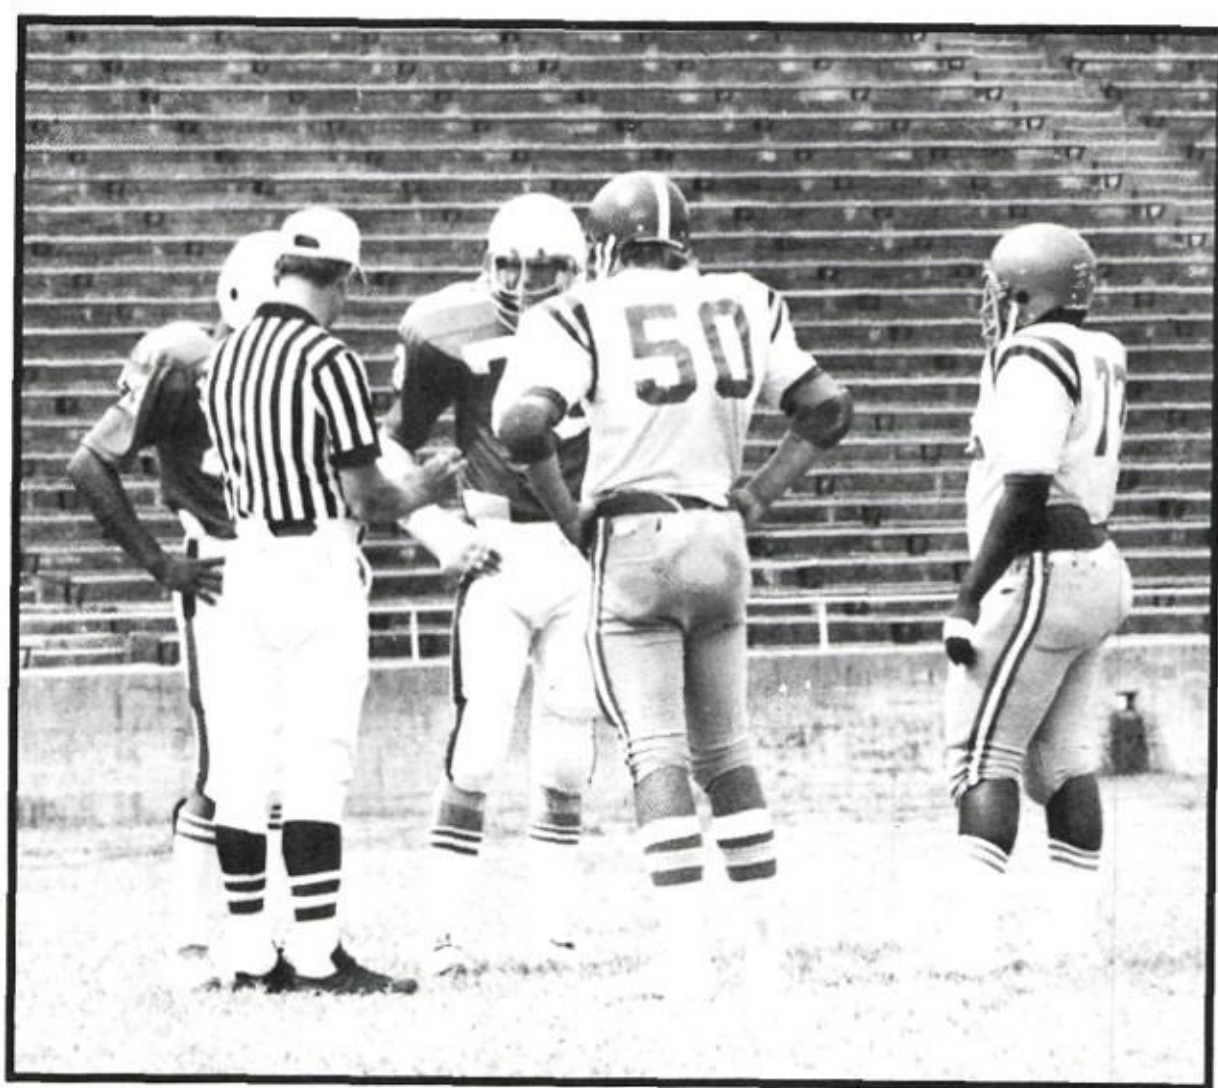

In our world today, we have an energy crisis going on. It affects everyone in one way or another, but it doesn't stop us here at Highlands. With our spirit, pride and loyalty devoted to our school, we join together to create a burst of energy that cannot be split apart. Pictured here on these two pages are some examples of how Highlands' students have learned to cope and live with the crisis.

Owls Blast Past The Rockets For

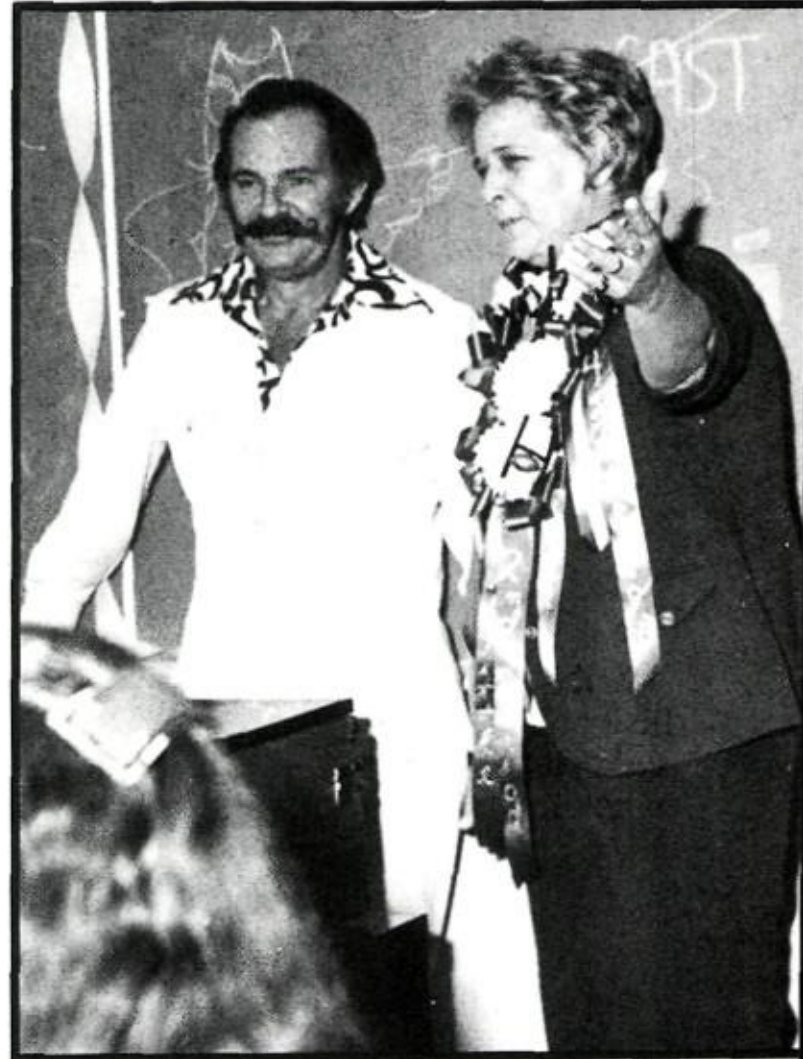

This year our spirit week was held on October 14 through 19.

The week was spent with various activities in which students participated to show their spirit. One of these days was called nostalgia day in which the students came to school dressed in outfits depicting the 1950's.

Several other activities were planned for the week to build up the students' spirit to prepare them for the Highlands vs. Judson game. The spirit wasn't heightened in vain as the Owls blasted past the Rockets for the grand finale of spirit week.

The Grand Finale Of Spirit Week

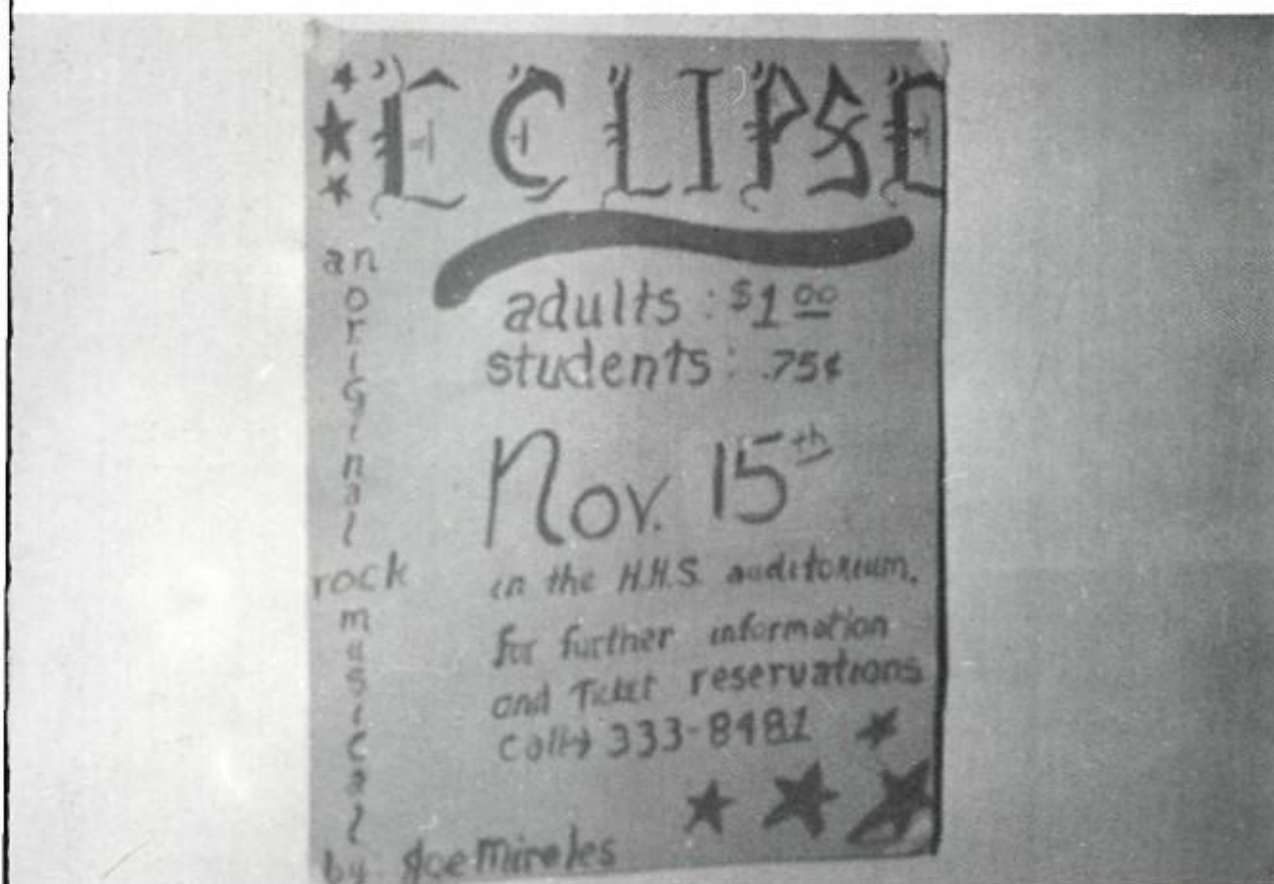

Amplified Version Spreads The Good Word

On December 12, the students of Highlands High School were treated with a concert assembly. The group presented was called Amplified Version. This show was sponsored by the Campus Life Youth for Christ. The group performed an assortment of music aimed to bring the idea of brotherly love to fellow students. The group consisted of seven very talented musicians and singers. The student body was charged a price of 50¢ to attend the concert. The program was well enjoyed and a worthwhile experience for those who attended.

Eclipse: A Play In Part With Death

Each year with the Owls is punctuated with many activities presented to the students for their enjoyment. One of these was "Eclipse," an original play written by Joe Mireles, and presented by the members of Highland Players and Thespians on November 15.

This play dealt with the many aspects of death and affected each individual differently in accordance with the type of person they are.

There were two showings of the play; a matinee in the afternoon for the students and an evening presentation for the community.

Eclipse was only one of the many activities available to the Owls that brought them enjoyment.

As the result of the Highlands Fighting Owl victories and district title, the student body drew together in an effort to bring spirit and pride to towering heights.

The main event that proceeded the Highlands vs. Churchill game was a bonfire, that was held on November 29 in the unpaved parking lot at the school.

The bonfire contained many varieties of wood which was topped by a sign which read "Burn Churchill." As the bonfire was lighted, the name Churchill was ablaze signifying the burning of our opponents.

With the complete pile ablaze, the students' spirit and pride rose to heights with the fastly spreading flames. It was but one of the many activities that climaxed our successful football season.

A Common Goal Among Students:

Education

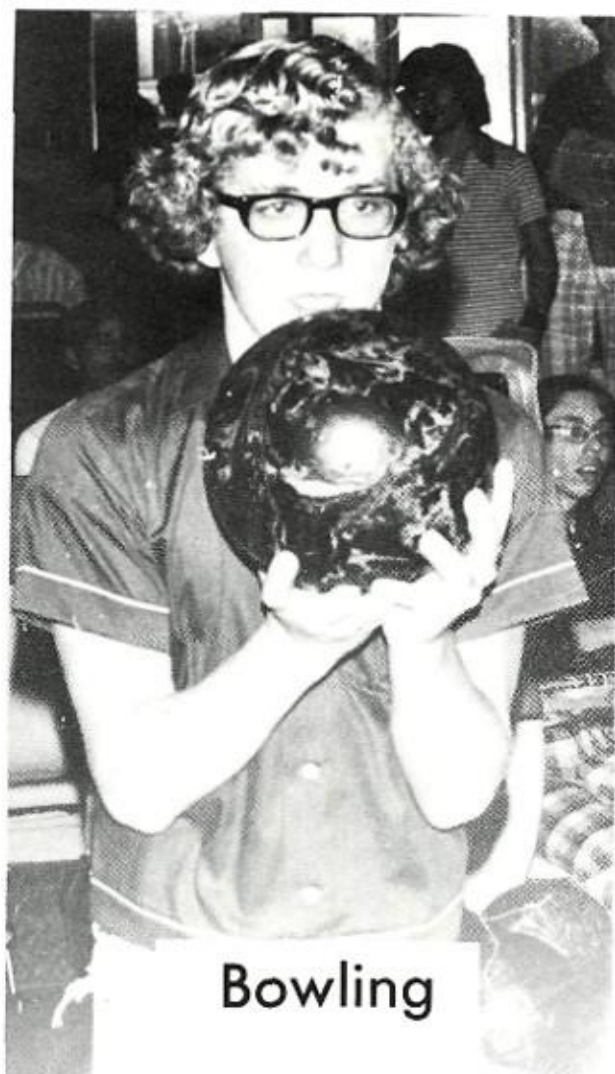

It's a known fact that a year with the Owls wouldn't be complete without all students striving for their common goal; attaining a good education. We're here at Highlands not only because we need to be, but so that we can mature in our thoughts and ideas.

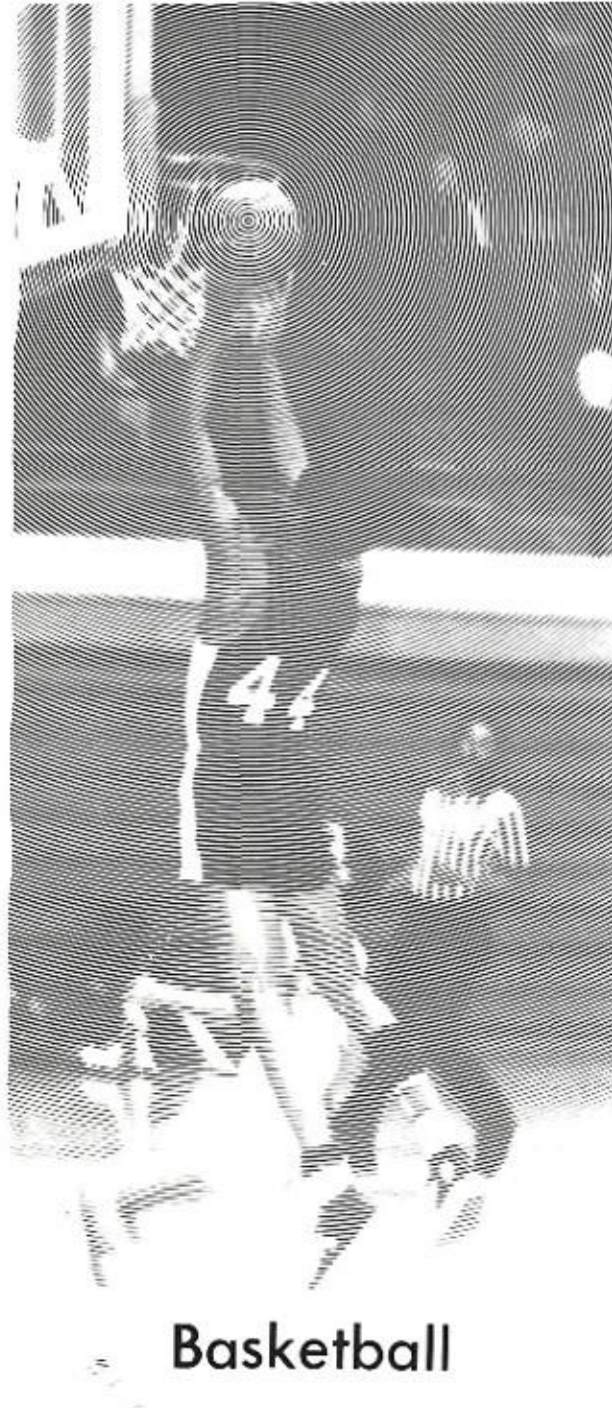

The future years would be but an empty void if the main purpose of learning isn't fulfilled to the fullest. If it wasn't for our education, we would be without the experience and know-how necessary to face the adult world.

Academics holds a large part of the time spent here, but we have side-line activities that contribute to molding our personalities. Such things as sports, clubs and organizations are involved in the big world of education — the world in which we are part.

Sports:

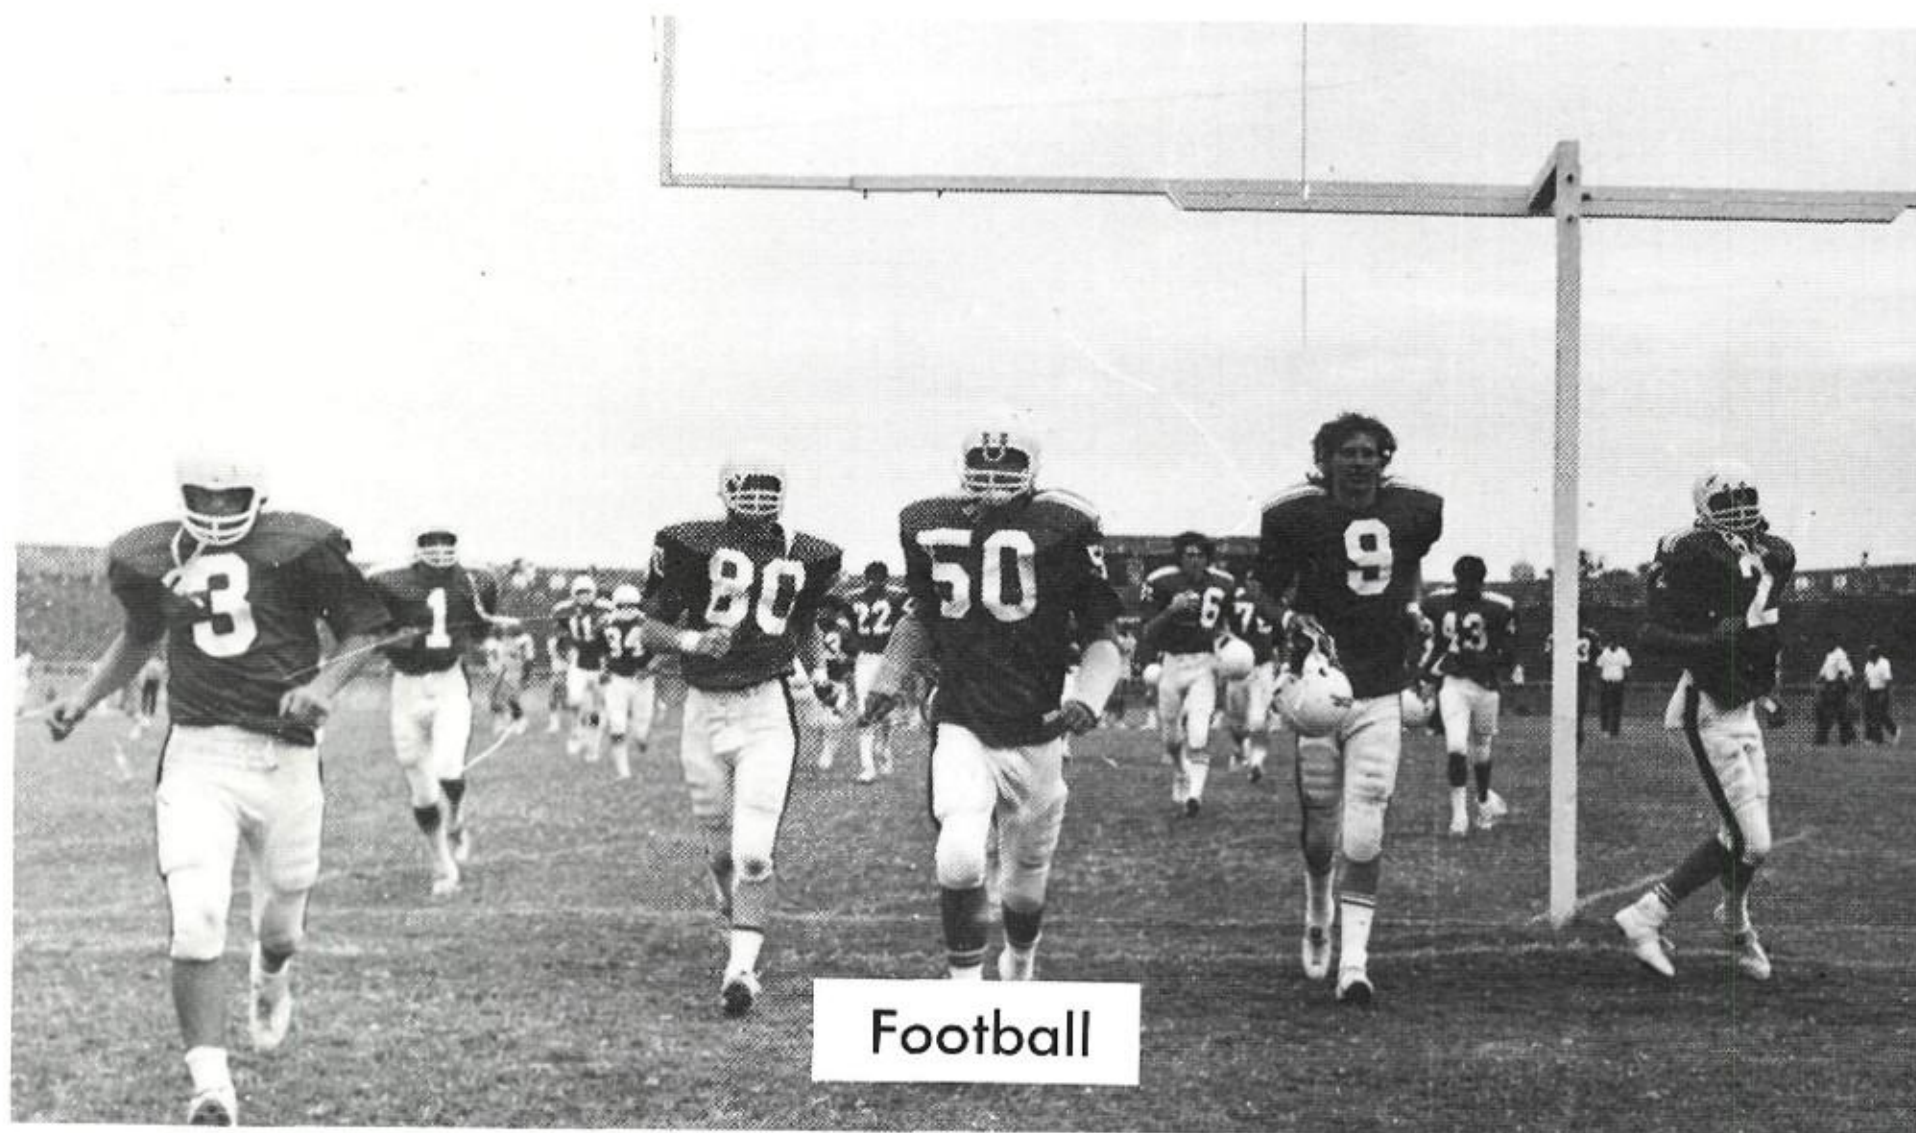

Bowling

Basketball

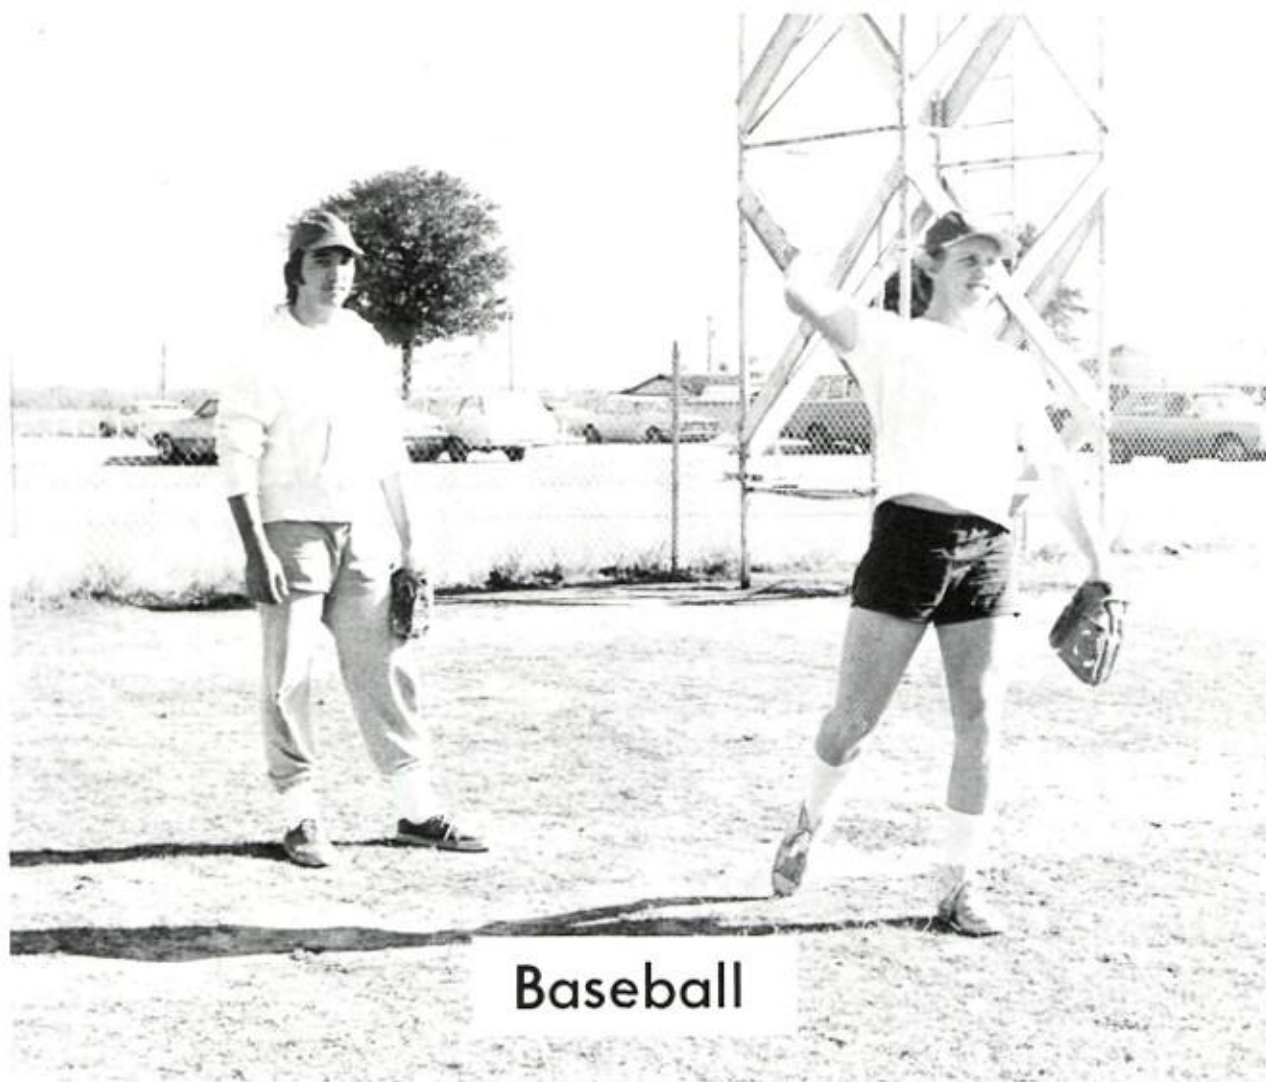

Golf

Football

A Widely Varied Activity

Baseball

One of our main activities that involves most of our students in one way or another is sports.

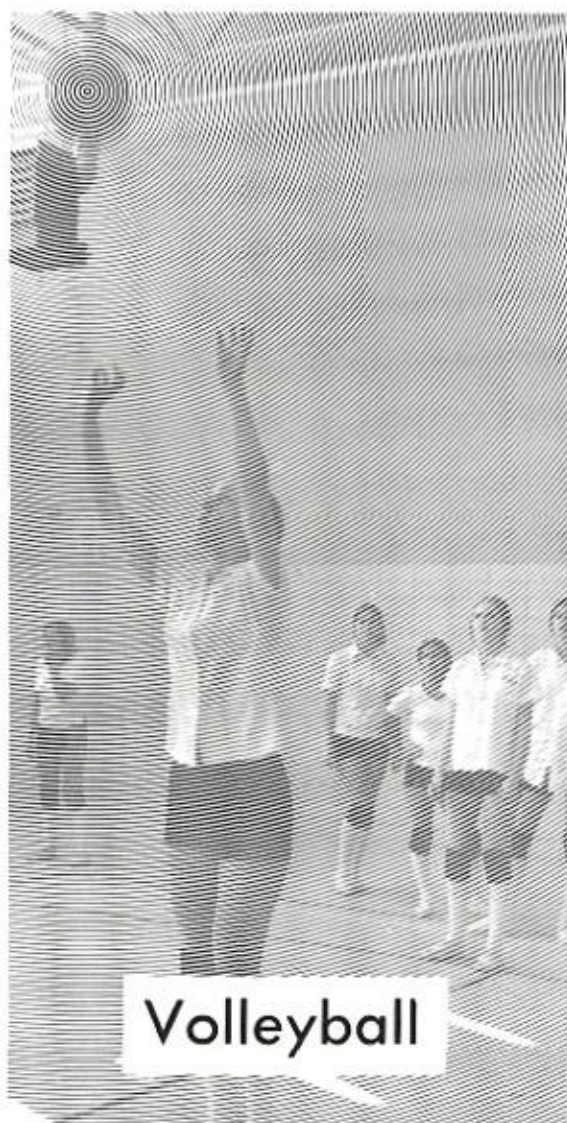

Here at Highlands, we have a wide variety of sports for all our active students, both male and female.

We have golf, football, tennis, bowling and many others that appeal to the sports-minded person. Not only is sports a rewarding activity for the involved students, but is a very worthwhile activity for the person watching from the sidelines.

Sports is conducive to building up school spirit and pride in those who not only participate, but in those who support the team. This is due to the fact that Highlands has a winning tradition. This fills students with an enthusiasm that makes them proud to be a part of Highlands.

What Makes H.H.S. So Special?

Mike

As the year goes on and students experience the many ups and downs of our hectic way of life here at school, students sometimes stop and reflect upon what it is that makes H.H.S. so special.

People and what they do; that's the key to the secret of our success in being great. We have many different ethnic backgrounds here at

Highlands that join together, in force, to make our school great.

Different people from a variety of backgrounds lend the school a special something that can't be bettered anywhere. It's a simple answer to a complex question: just being the Owls and doing it our way is what makes our school so special.

Christmas Season Brings

When Christmas time rolls in around us here at H.H.S., a certain change of atmosphere comes over all of us. Lots of activities are planned inside and out of school. One was a student assembly, in which the A band and choir performed. Also a Christmas Prom was held at the River Room in the Convention Center on the 20th of December. Shopping, Caroling, visiting and Christmas baking also play a large part in the holiday season until we ring in the New Year. But no matter what, Christmas and New Year never fail to bring good cheer to all of us.

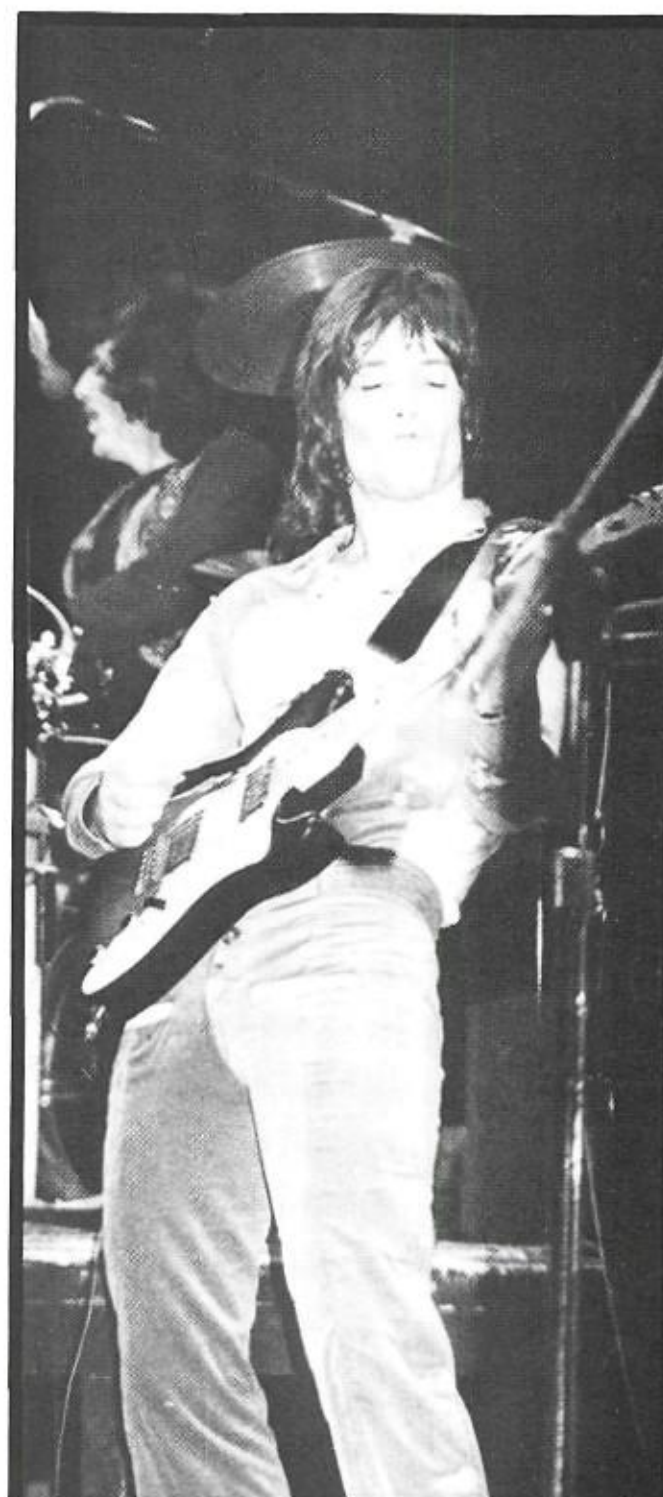

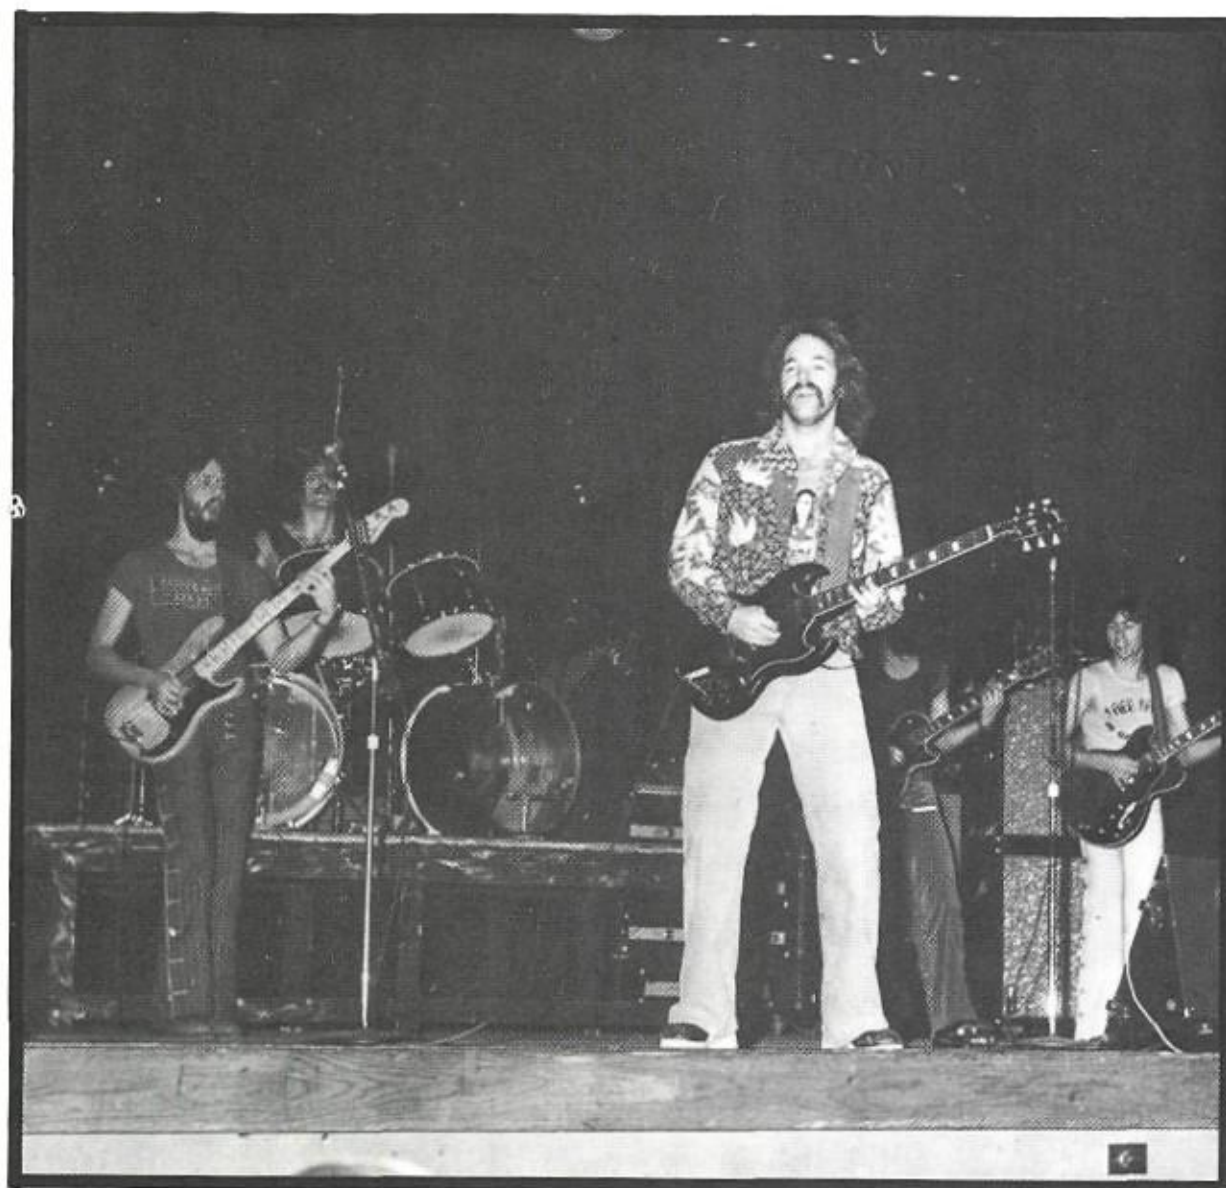

Holiday Cheer To Students

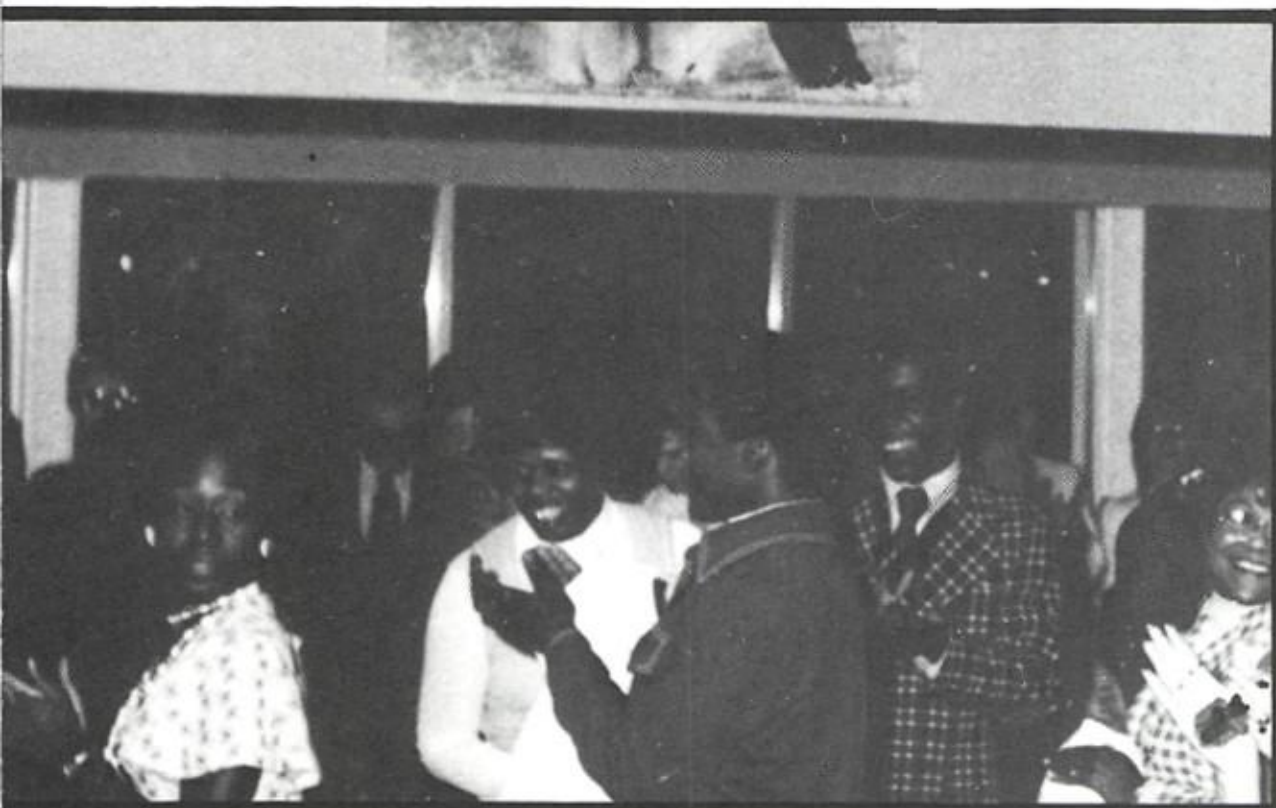

'Free Fare' Provided Owl Student Body With Concerts

Another feature that came to Highlands this year was a concert performed by a group called Free Fare from St. Petersburg, Florida. They were brought to our school by our Student Government.

The first of two performances was held on January 9, at an assembly program for the students' enjoyment. The second was held on the evening of January 14.

One Last Salute For Champs

This year a banquet was held to honor the achievements of our 1974-'75 mighty fighting Owl team. The celebration was held at the scenic Pecan Valley Country Club on January 16.

The evening began with an introduction of the special guests and speakers. A hearty meal was enjoyed by all who attended and speeches given by special guests and important people followed.

Speakers of the presentation consisted of: Mr. George Mahan, Principal; Head-Coach Paul Martin; Coach Lyman Davis; Head-Coach at S.M.U., Dave Smith; Co-Captains, Elvis Hartsfield and Mike Ferman and Brigade President, Jill Owensby.

Special guests included Marvin Gustafuson, Athletic Director — S.A.I.S.D., who is the former Churchill Head-Coach; Assistant Athletic Directors, Jim Hieser and Henry Carroll; S.M.U. Assistant Coach John Farrar; School Board Members, Jerry Dietert and Thomas Gaffney; Express and News Sportscaster, John Hines and Rick Lozano — Channel 12 Sportscaster.

All in all, the Owls truly deserved this honor and it was gladly given to them. Thanks again Owls.

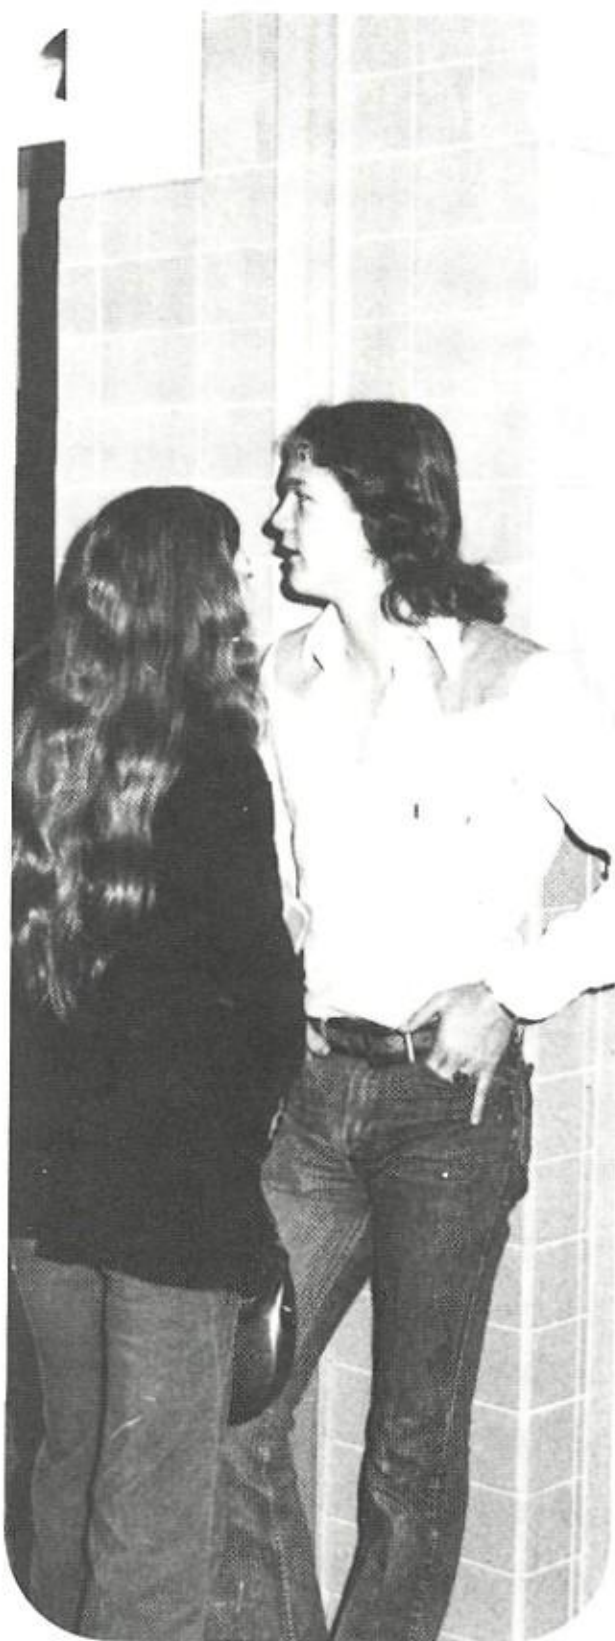

My Friend

My friend, I am not what I seem. Seeming is but a garment I wear — a care-woven garment that protects me from thy questionings and thee from my negligence.

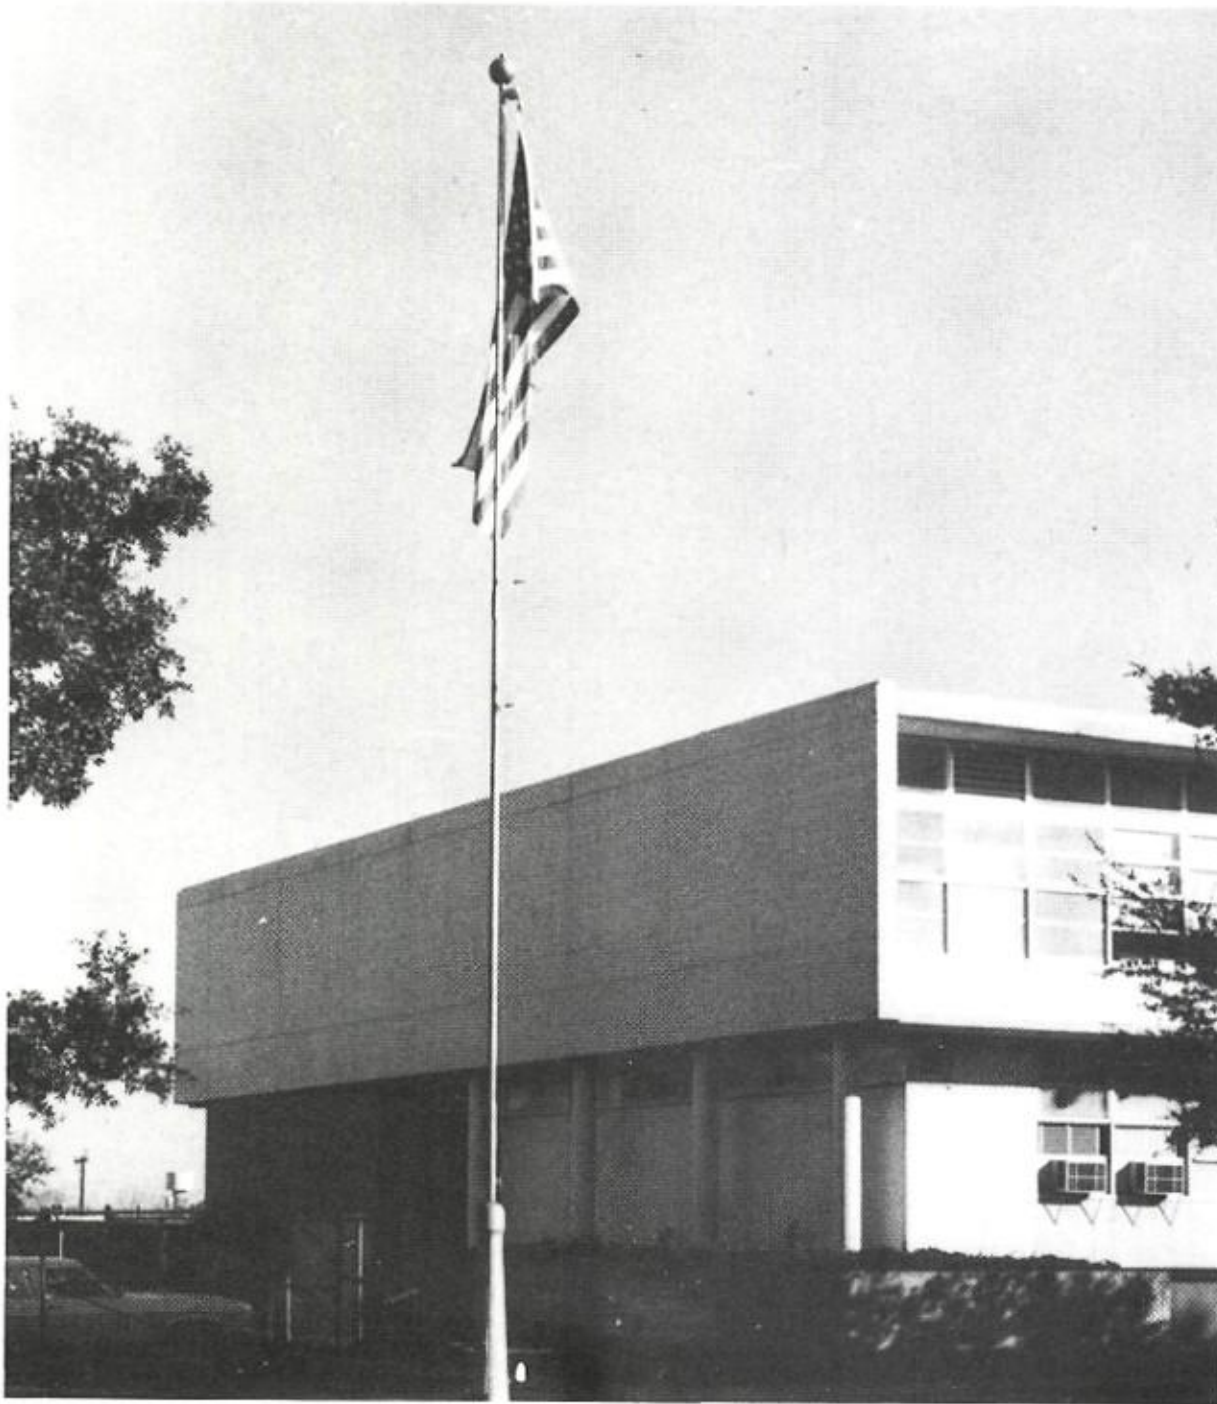

The "L" in me, my friend, dwells in the house of silence, and therein it shall remain forevermore, unperceived, unapproachable.

I would not have thee believe in what I say nor trust in what I do — for my words are naught but thy own thoughts in sound and my deeds thy hopes in action.

When thou sayest, "The wind bloweth eastward," I say, "Aye, it doth blow eastward," for I would not have thee know that my mind doth not dwell upon the wind but upon the sea. — KHLIL GIBRAN

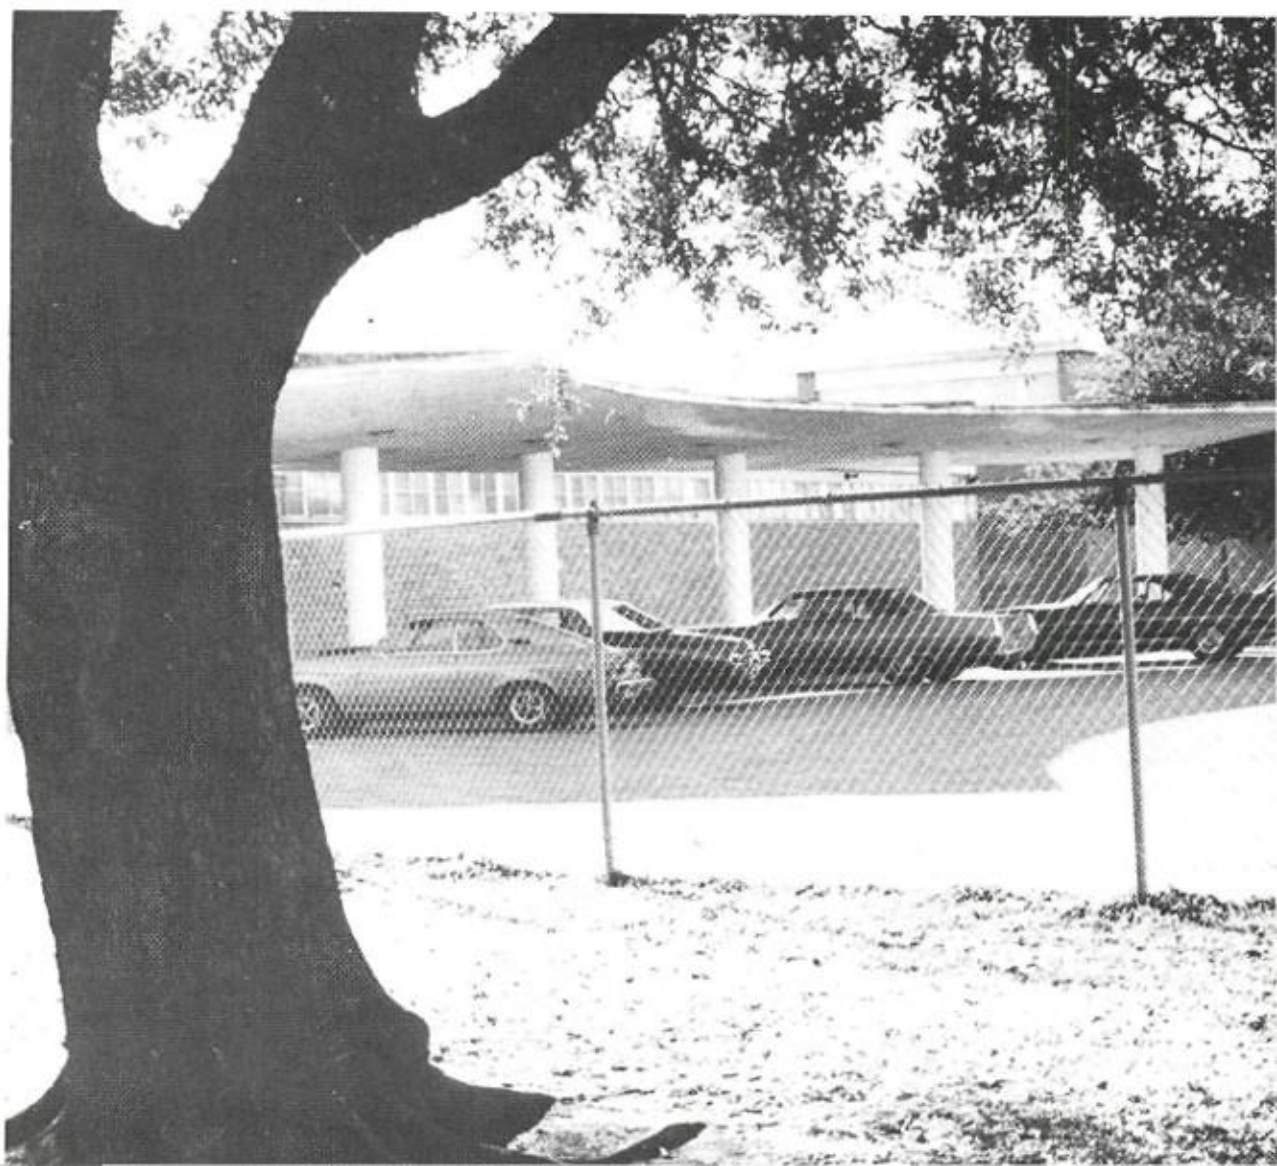

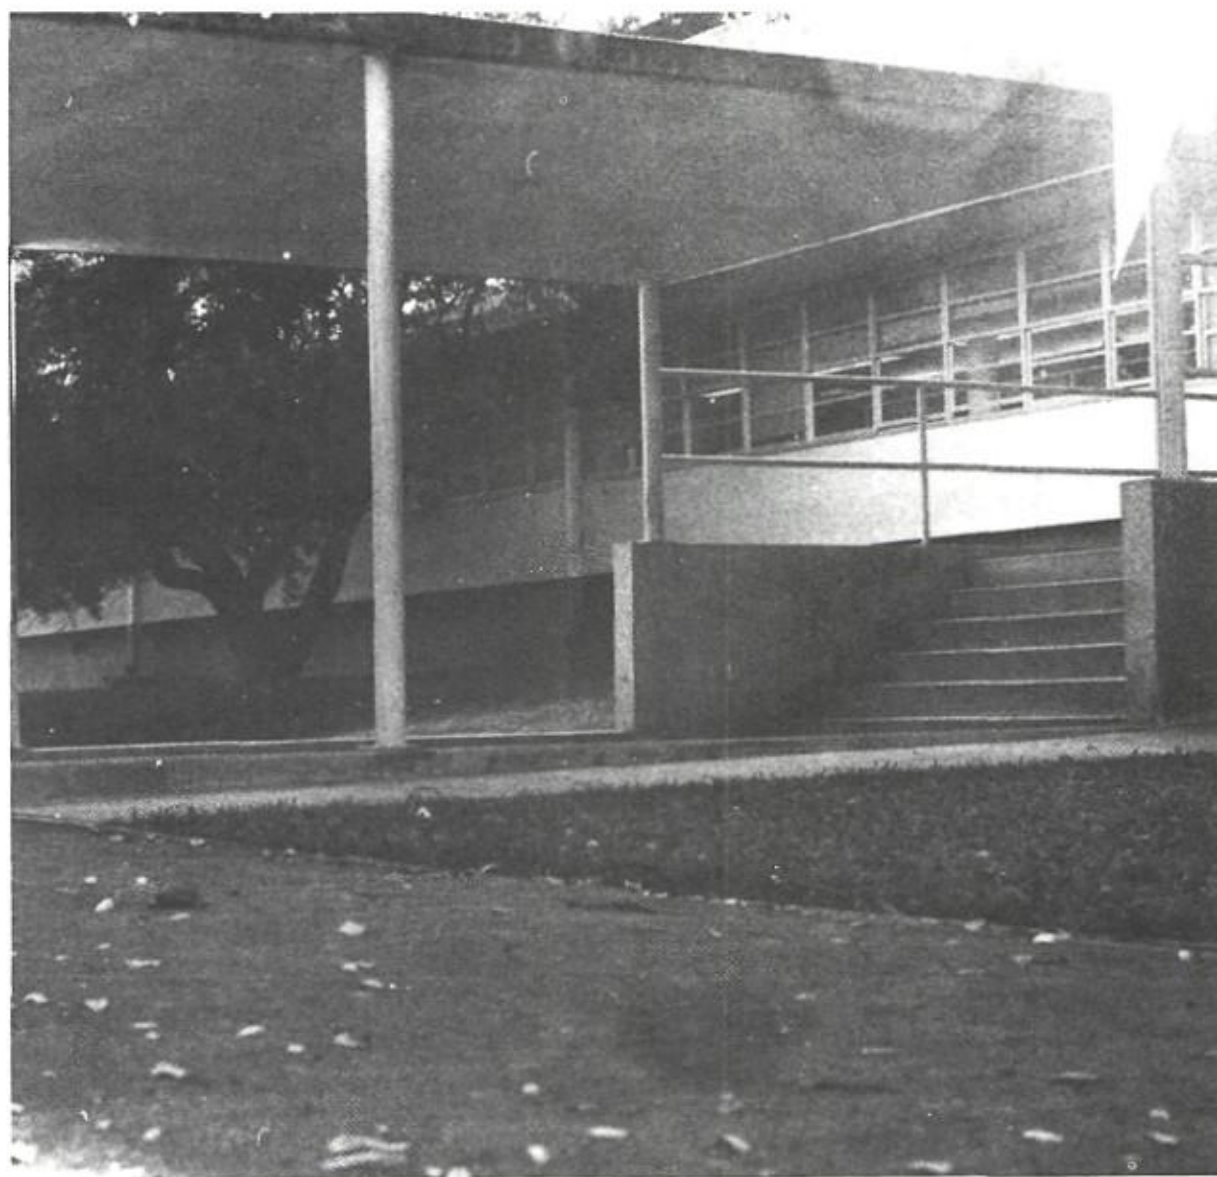

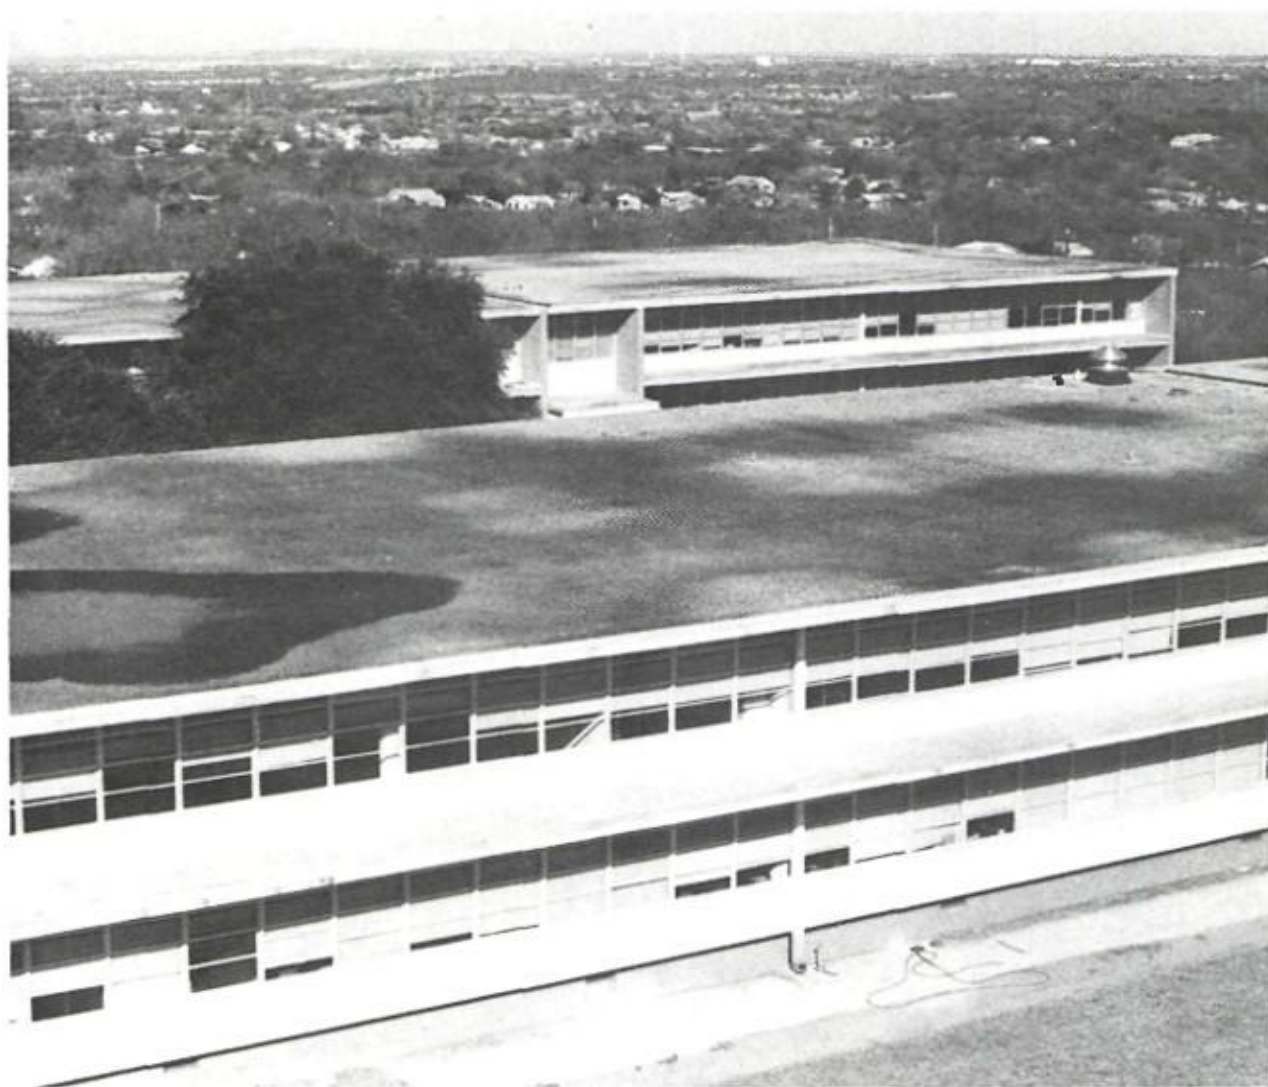

Here stands the basis of our education; beautiful and proud in what it stands for. Covering 23 acres of land, these monumental structures provide the necessary equipment for the future of our lives past the time when we leave the gates for the final time.

From the first day of the ninth grade to our graduation day, these buildings provide the chance of experiencing both bad and good times during the most formative years of our lives.

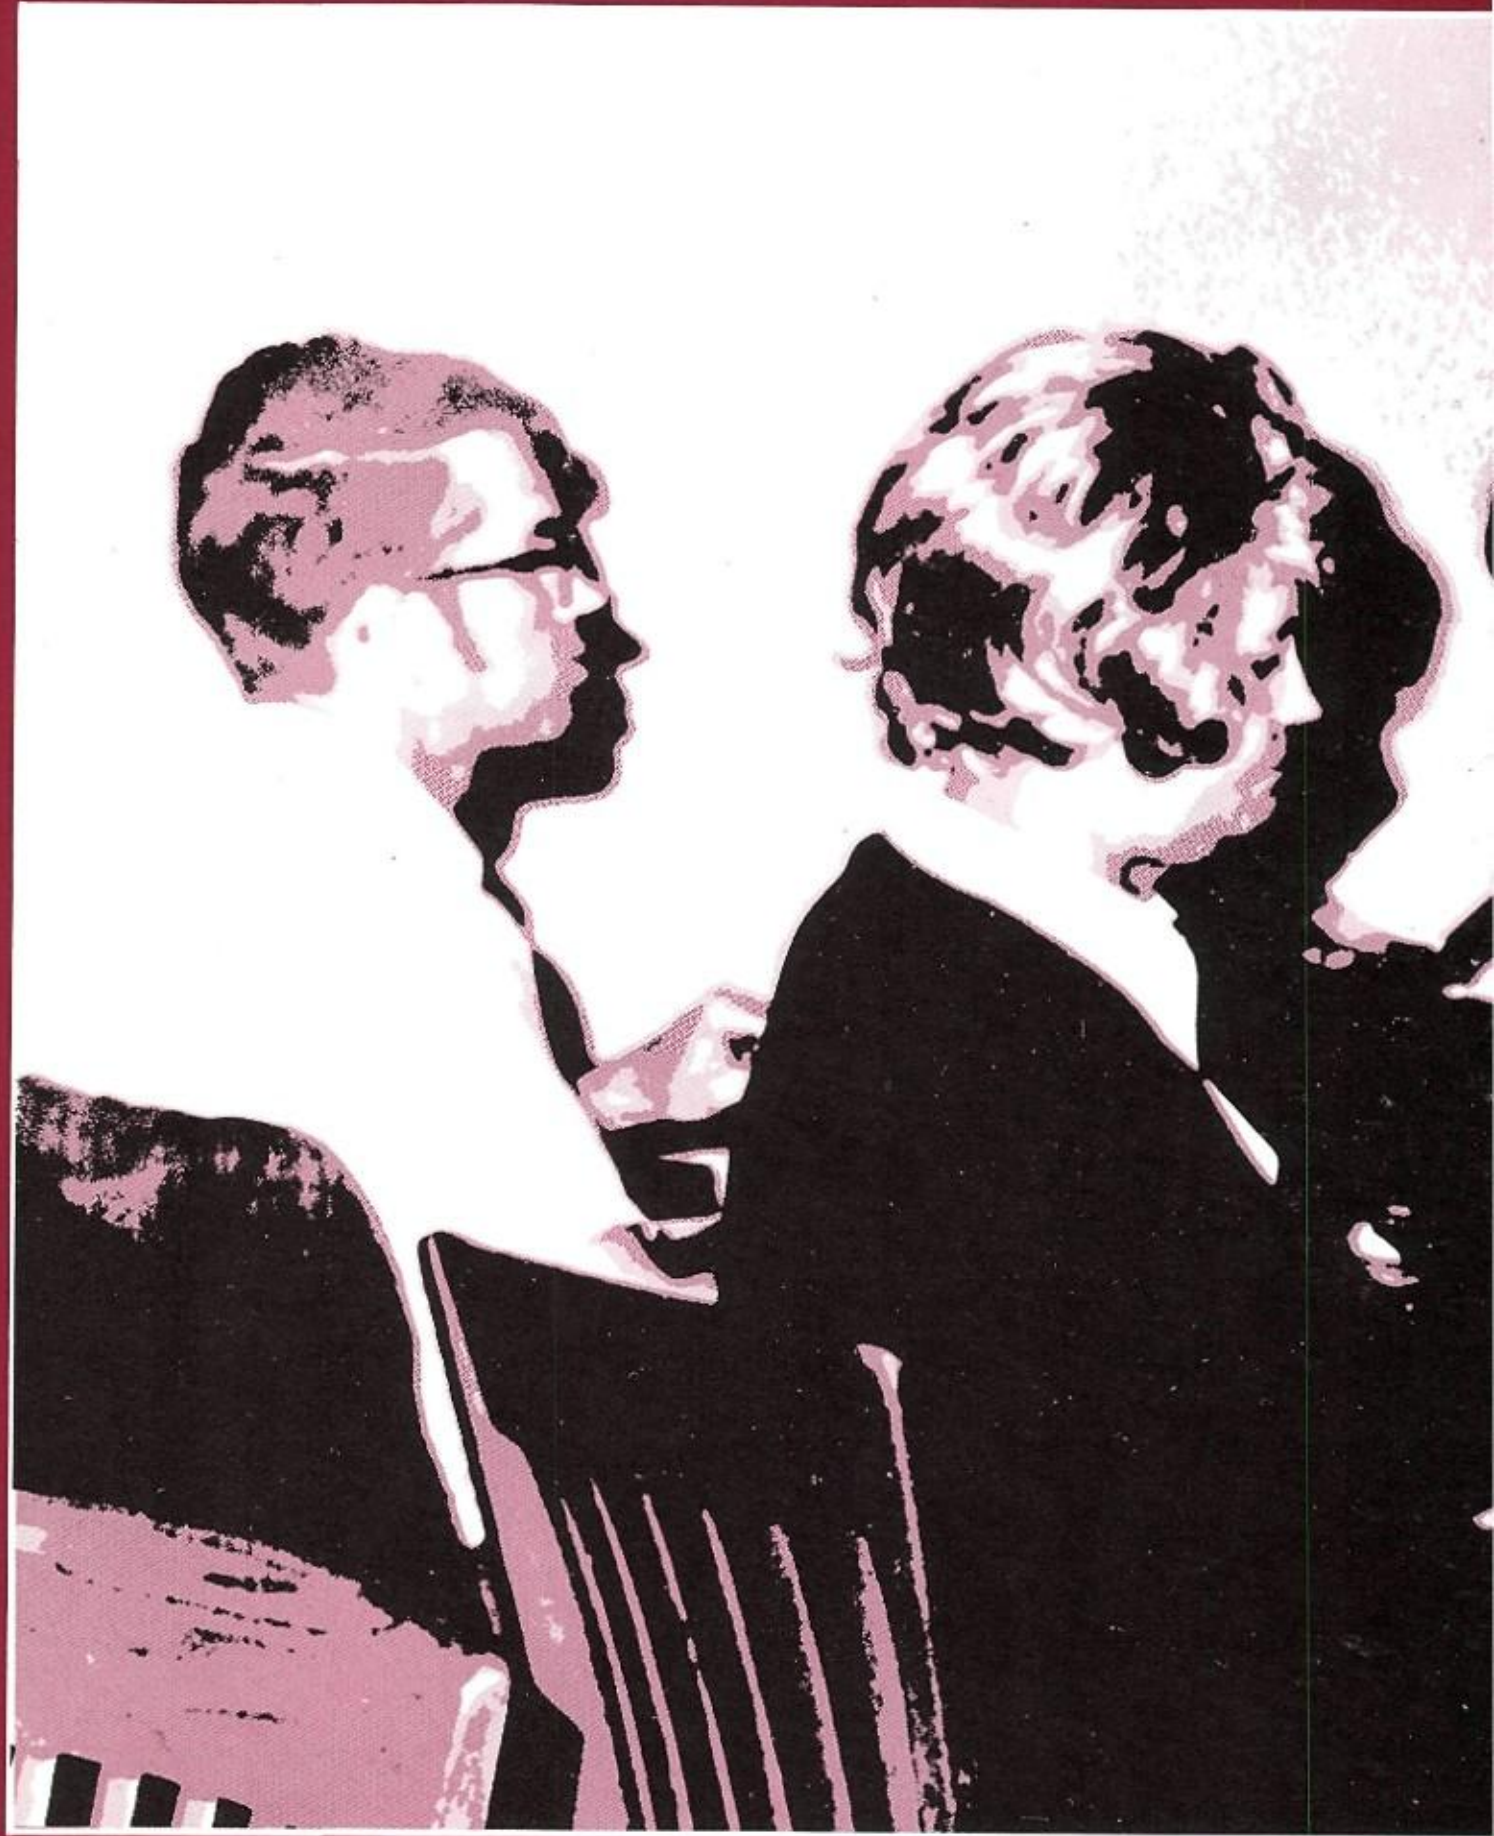

To some, they only appear as brick and concrete, but to those that know the true meaning of scholastic achievement they are more than just four walls.

History: A Story Of The Past

History is a very important part of our education. We discover how our country began and the problems she faced when she was young. Our history teachers at Highlands are aware of what's going on right now as well as what happened years ago. This helps make history a very interesting part of our education.

Senior Owls Fly By Night

Senior Owls partake of various activities during the evening hours, such as: TOP RIGHT: Darrell Williams and Vikki Conner taking in a popular show. TOP LEFT: Paul Conners riding around trying to find out what everyone else is doing tonight. ABOVE: Patsy Knight and Karen Titzman grab a bite to eat at Frontier. LEFT: Melissa Farr and Debbie Doolittle go cruisin' around town.

The Spirit Is Alive With

Seniors really show their spirit by participating in many activities throughout the year. Some are organized and supervised while others just happen.

Some acts of spirit are displayed within the classroom, on the campus, in senior works, and just about anywhere a Highlands High School Senior is found. Football season really brings out Senior pride and loyalty during the pep rallies and at games, where seniors yell, pop balloons, wave signs and scatter confetti over the heads of all persons standing in the vicinity.

Spirit Week was a great success for seniors in which they won the plaque for having the Best Decorated Hall and the Spirit Stick for the week.

Senior Spirit is outstanding and everlasting.

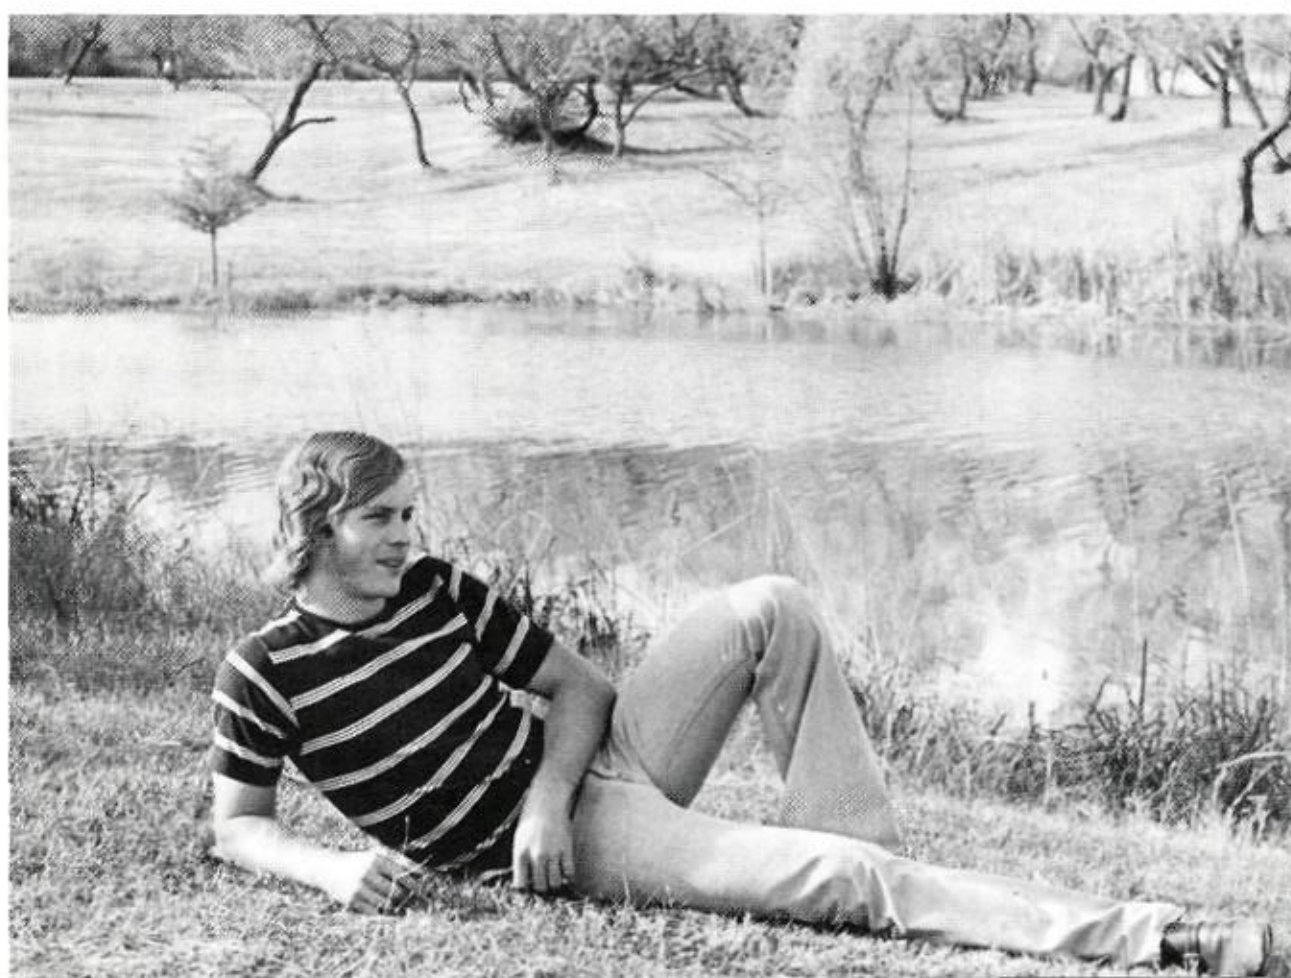

The Class Of "75"

Facial Expressions Relate Stories That Need No Explanation

Senior expressions can be seen all over the Highlands High School campus. They show the feelings of Seniors during the course of the day. Some of these expressions may include looks over puzzling problems, relief that the day is over, difficult times with experiments, hard studying, relaxation, everyday run of the mill goofing off and far off thoughts.

Senior Owls Make Their Presence Known

Owls can be seen just about everywhere in the halls of Highlands High School. Seniors also show that they are proud to be associated with our great mascot.

UPPER LEFT: Karen Haby with a sequined owl shirt.

UPPER RIGHT: Owls exhibited in Mrs. Gilliam's office who is also known as College Prep Counselor for Seniors.

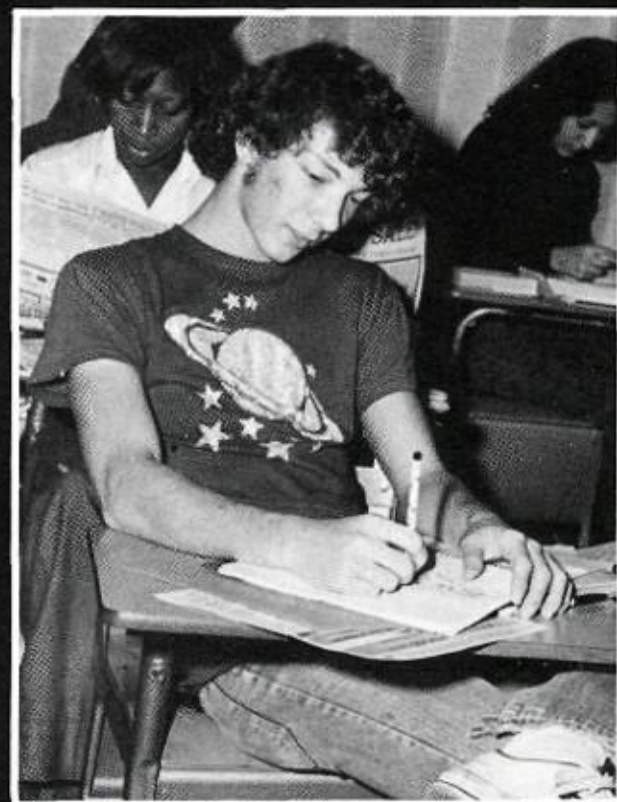

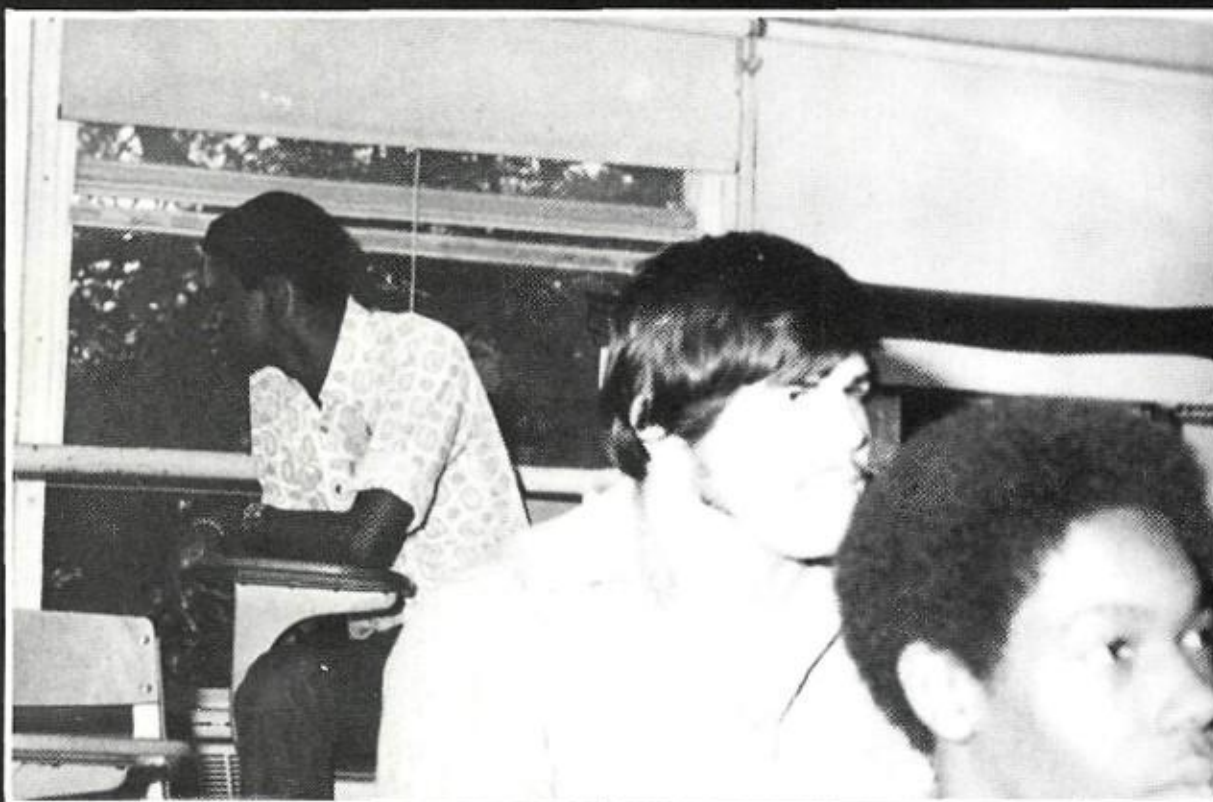

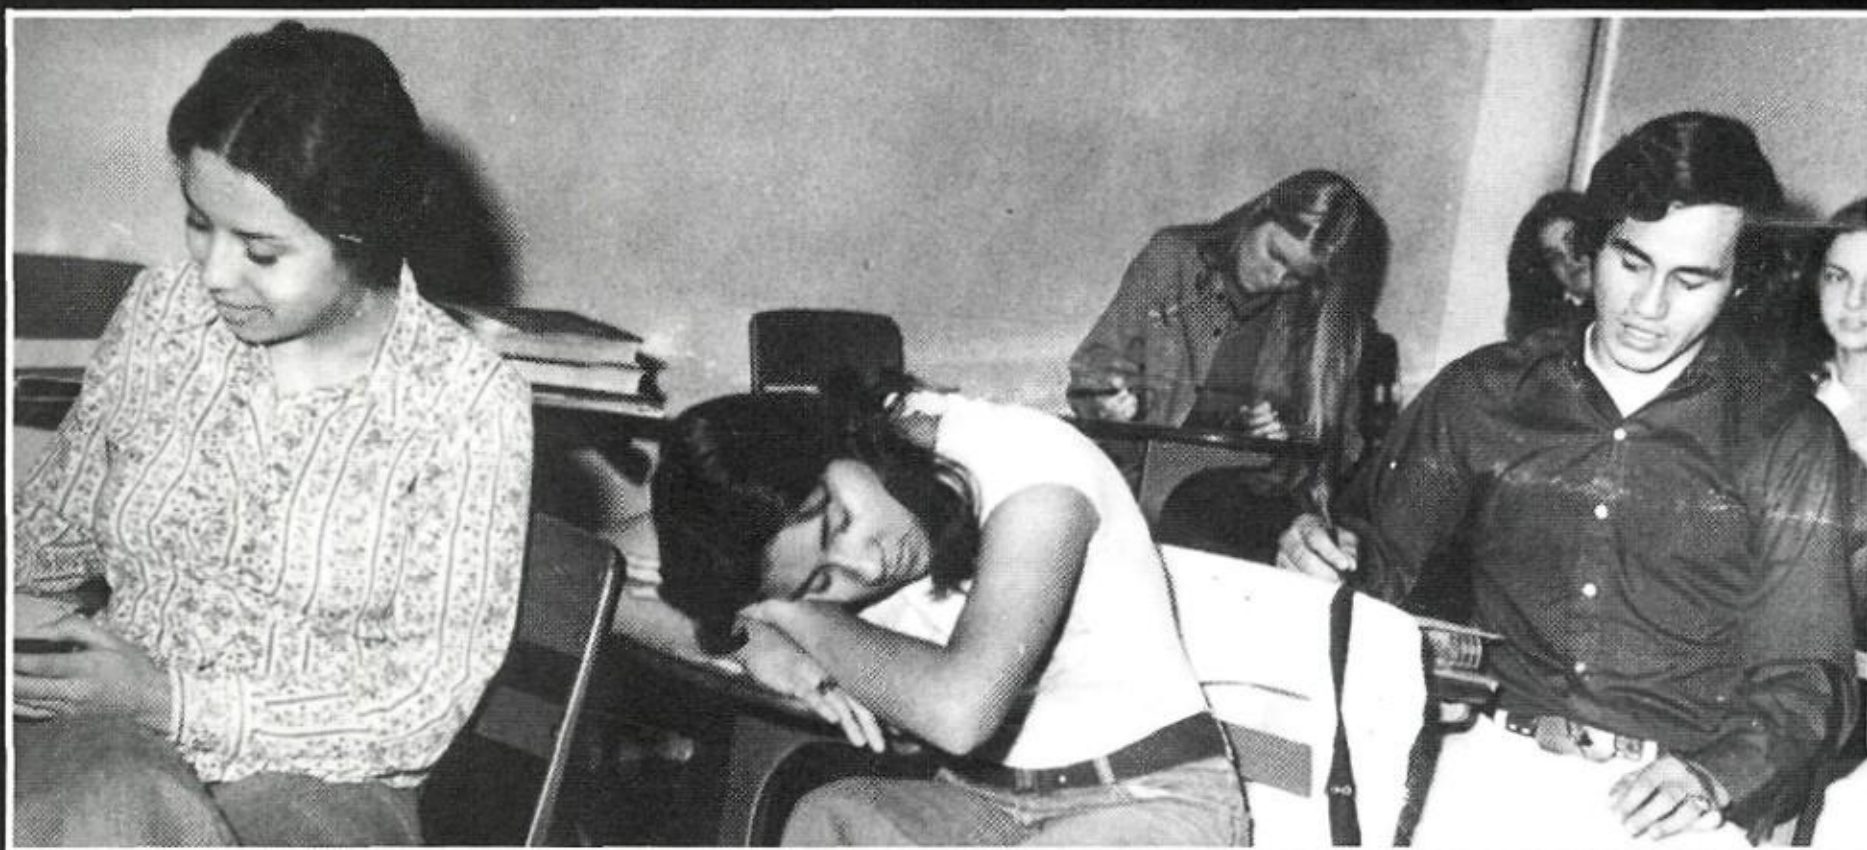

MIDDLE LEFT: Julie Clark proudly carries the great school mascot.

MIDDLE: Alex Carpenter, Felix Lara, and Susan Belle pose with "Amish."

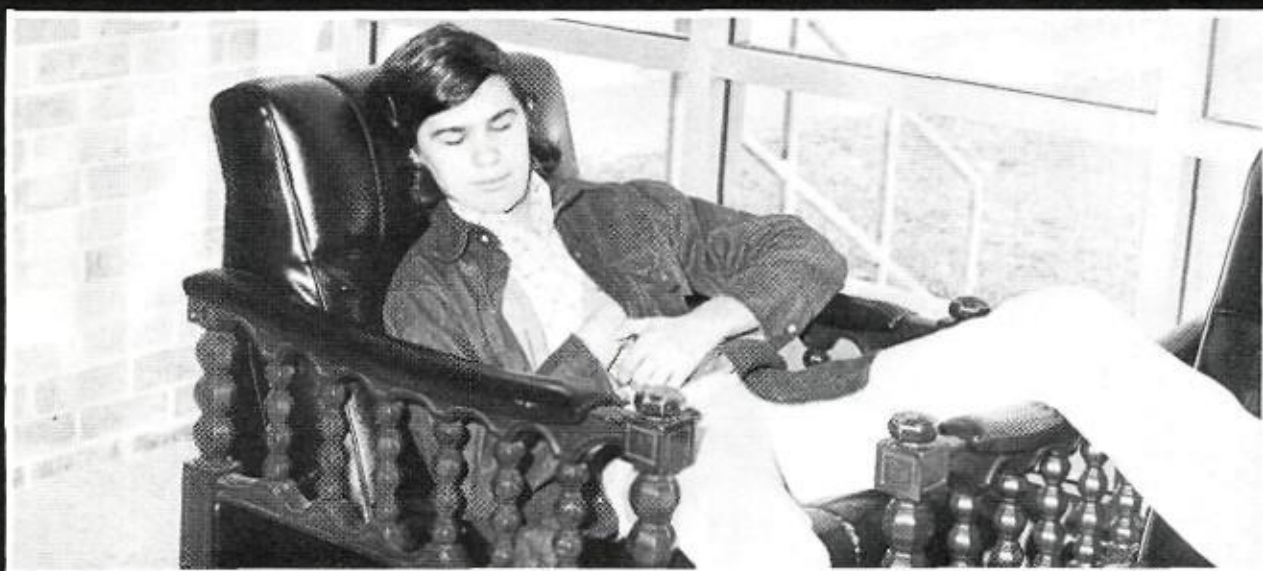

MIDDLE RIGHT: Willie Canady reads the wise words of a Highlands Owl.

LOWER LEFT: Donnie Steinbach poses with a Senior owl posted on Mrs. Heston's door.

Senioritis Is Reaching

Senioritis is the disease which usually infects all Seniors at one time or another towards the end of the school year. TOP: Esther Ramez naps during English. MIDDLE LEFT: James Brooks is more interested in the goings on outside. MIDDLE RIGHT: Steve Pierce takes Government notes in the form of doodles. RIGHT: Raymond Baird sees logs in the Student Lounge.

Epidemic Proportions

TOP LEFT: Senioritis has definitely infested Mike Peterson as he takes to the banister rather than the stairs. TOP RIGHT: Jimmy Wells gives himself a complete examination in searching for signs of Senioritis. LEFT: Senioritis also brings about the many attempts of Seniors to skip class, but Scott Clark finds it a little difficult to succeed when Mr. Rehman captures him. ABOVE: Eric Williams has been hit hard by the Senioritis Epidemic as he rides down the street to show how he is really on top as a member of the "Class of 75."

A Kaleidoscope Of Activities

Senior activities, as do many other activities, keep Seniors busy and on the go throughout the 1975 school year.

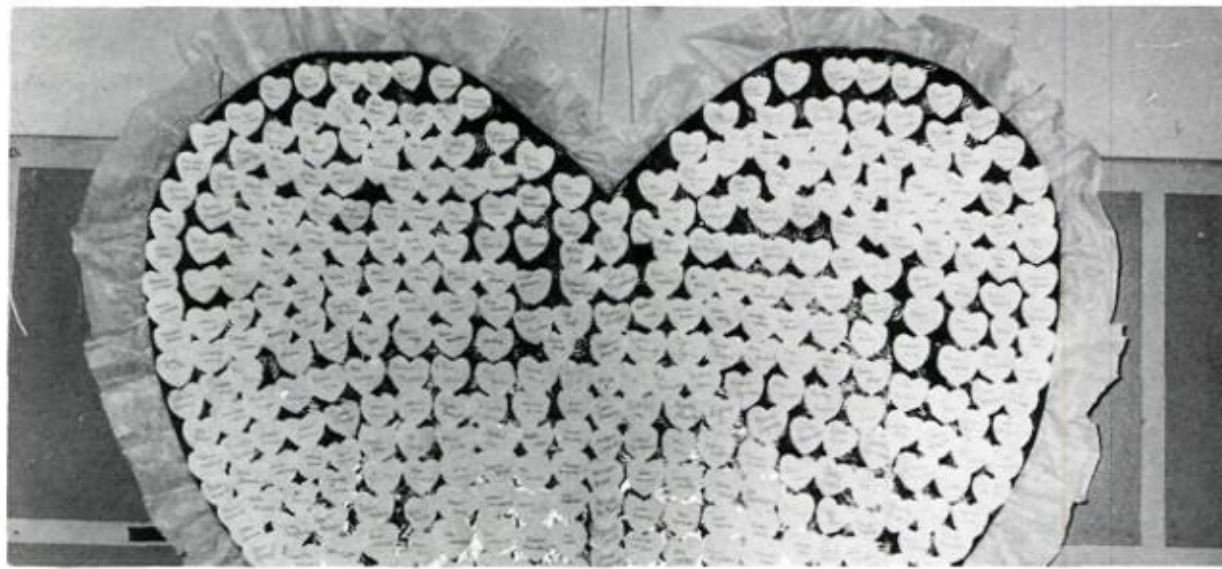

Senior participation in football as well as many other sports, provides various opportunities for Seniors to become involved.

Studying is also an important part of Highlands Seniors in preparing for their future, not only after graduation, but before as well. Many Seniors are exempt from their second and third quarter exams because of their hard work, studying, and regular attendance.

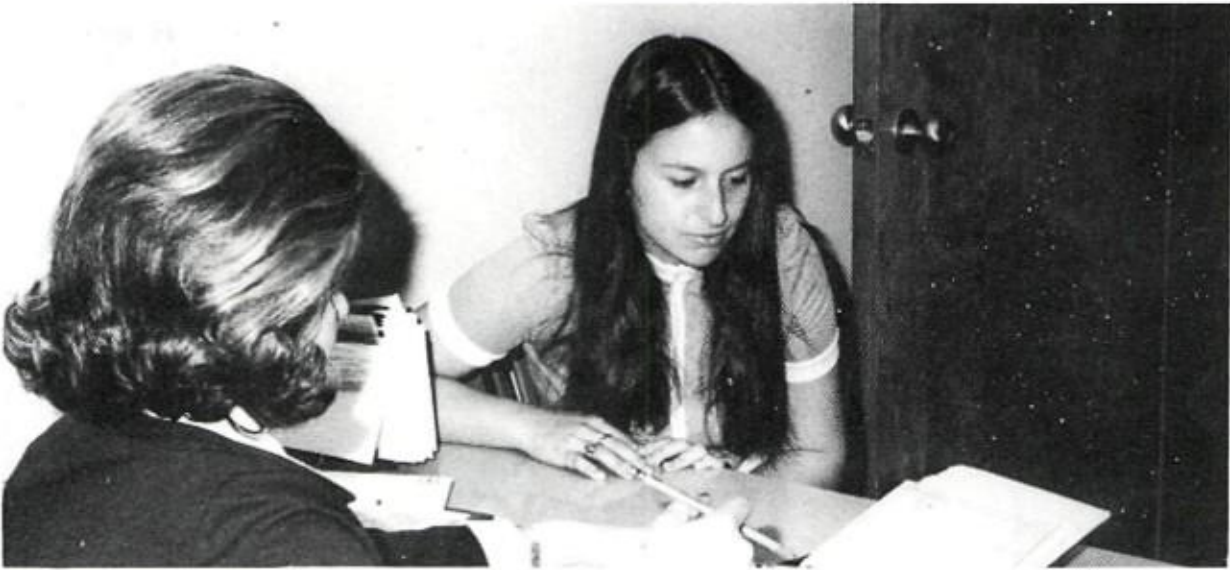

Another concern for seniors is the ever popular term paper. This project is usually assigned in the second quarter and plays a major role in the passing of English.

As a Senior, you are faced with what you'll do in 1976, such as finding a job or going to college. Planning after-graduation activities is extremely time consuming. There are job applications and the many forms and letters you will be sending and receiving from colleges as to what your decision will be.

It's not all work though. Many of the more enjoyable activities include the Senior Pep Rally with Johnny Moore as guest, the Spirit drawing (where Cara Menck won a football autographed by all the Varsity football players), winning the first place plaque for our hall during Spirit Week, and Seniors sponsoring a carnation sale for Valentine's followed by a Valentine's dance. It was broadcasted live over KONO with Jim Wood as Disc Jockey. Most exciting was near the end when seniors went to Six Flags, ordered graduation invitations, took cap and gown pictures, and measured for cap and gowns. The grand finale was the last walk for Highlands — graduation.

Juniors Swing Through Another

This year the Junior class planned a lot of activities. To start off the year they had a record hop. They also had a poster party and decorated the hall for spirit week. The Junior-Senior Christmas Prom was held at the River Room on December 20, 1974. They ordered their senior rings this year and planned to have a ring turning party when they received them. The year was ended with a class picnic.

RIGHT: Mr. Don Gadberry and Mr. Alvin Roesler, class sponsors, are ready to keep things swinging. BELOW: This year the Junior class decorated their hall for spirit week and this is a result of their work.

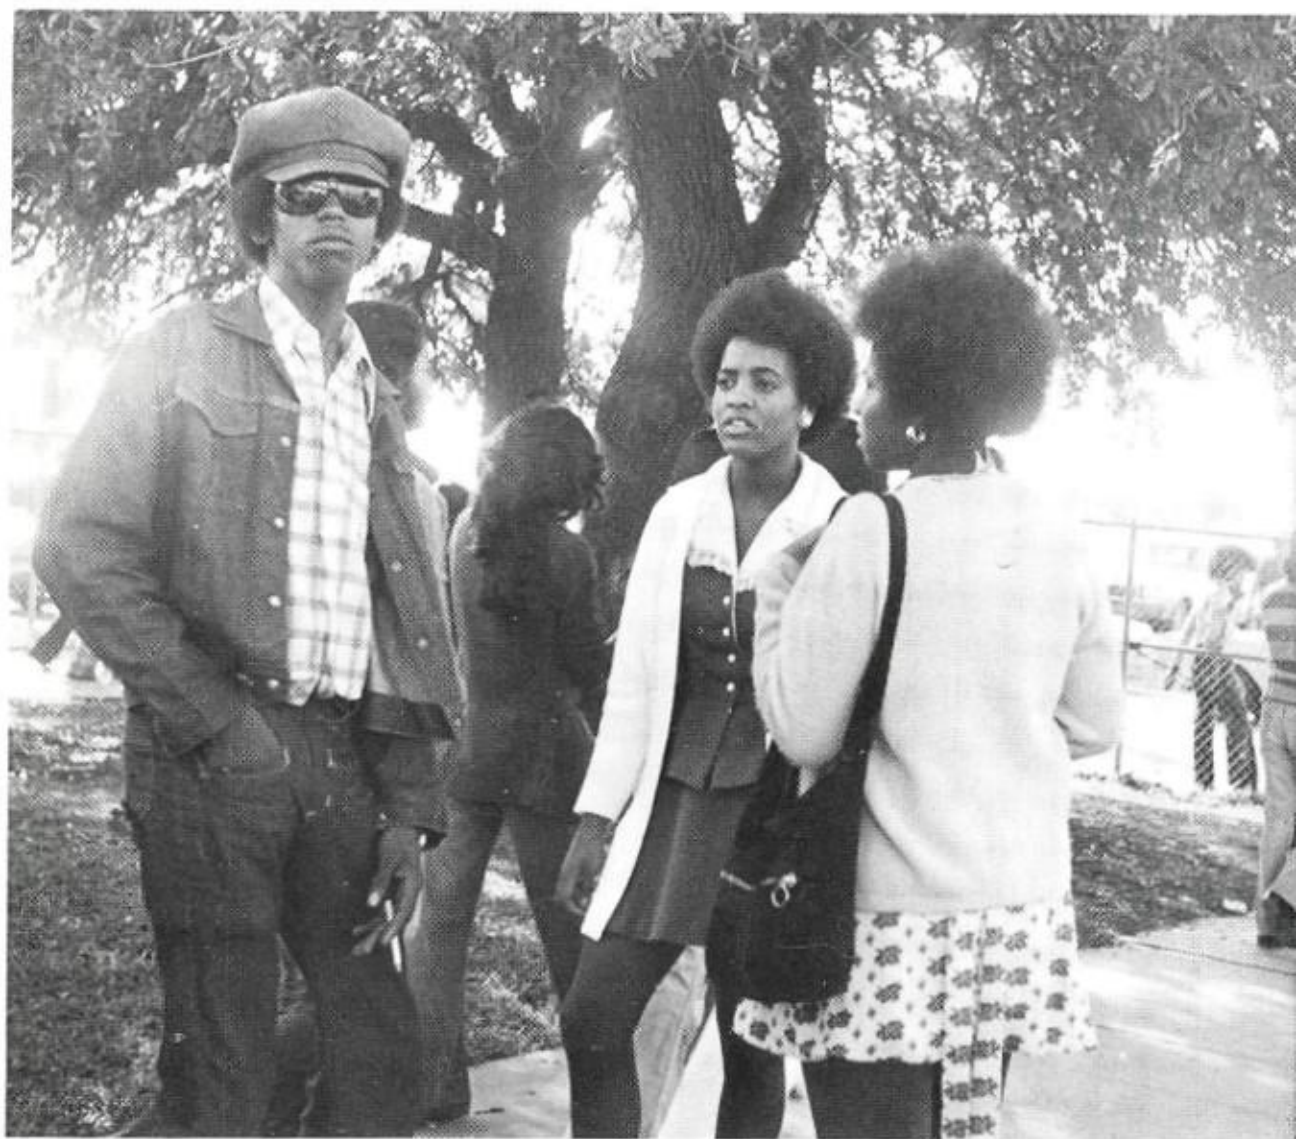

Great Year At Highlands!

ABOVE LEFT: Martine Vetter and her date Tom seem to be enjoying the tunes of the 50's by the look on the faces. ABOVE RIGHT: All of the swings were being used so Judy Anderson shares hers with Vicky Lambert. BELOW: For Janet Sawyer and Peni Purcell, recreational activities can really be swinging.

Time Is Found Before, During, And

After School, For Socializing

OPPOSITE PAGE TOP LEFT: Eddie Sanchez spends his time before school talking to his friends. TOP RIGHT: After school, people usually gather around in groups and talk to each other. BELOW LEFT: This year's Bus Strike was a burden on many students and Anita Cantu looks around in the parking lot to see if she can find someone to take her home. BOTTOM RIGHT: These people stand in the front of the main entrance to wait for a ride. ABOVE RIGHT: Mark Robertson leaves the Band Hall after school to go and talk with his friends. ABOVE LEFT: Jeffery Phillips talks to Ralph while they wait for the bell to ring during resource. MIDDLE: Vivian King sits on the brick wall in front of the main entrance and socializes with her friends after school. BOTTOM: Student-Government sold Balloons after school for a Bi-District game and many Juniors bought them.

Juniors Enjoy After School Activities

This year during spirit week, many different things were planned for the student body. This year there was a pep rally at McCreless. They also sold Balloons for a Bi-District game. This year Student Government tried to boost up school spirit and the junior class became involved with their spirit.

ABOVE: In the crowd of people at the Pep Rally at McCreless, you are sure to find Juniors. MIDDLE: This year Balloons were sold and spirited Juniors were around to buy them. BELOW: At one of their class dances, Donnie Burton, Patti Hyatt, and Holly Dietert took time out to talk to one another.

Things Juniors Do Before And During Class

TOP LEFT: Toni Sekula goes to her locker for her books between classes. TOP RIGHT: Tami Wright and Mike Pizzini seem to be surprised by the look on their faces. BOTTOM LEFT: This is what it usually looks like at the top of the staircase during passing periods. BOTTOM RIGHT: Karen McCarter grins because she knows that the tardy bell has already rung.

Places You Might Find A Junior

BELOW: Vivian King and Sandy Cook look closely at the assignment on the board. RIGHT: These students listen close to the instructions given by their teacher. LOWER RIGHT: Liz Dixon, Gary Green and Ernie Phrampus can usually be found standing in front of room 116 before third period talking to their friends.

Juniors Experience "Dreams Of Christmas"

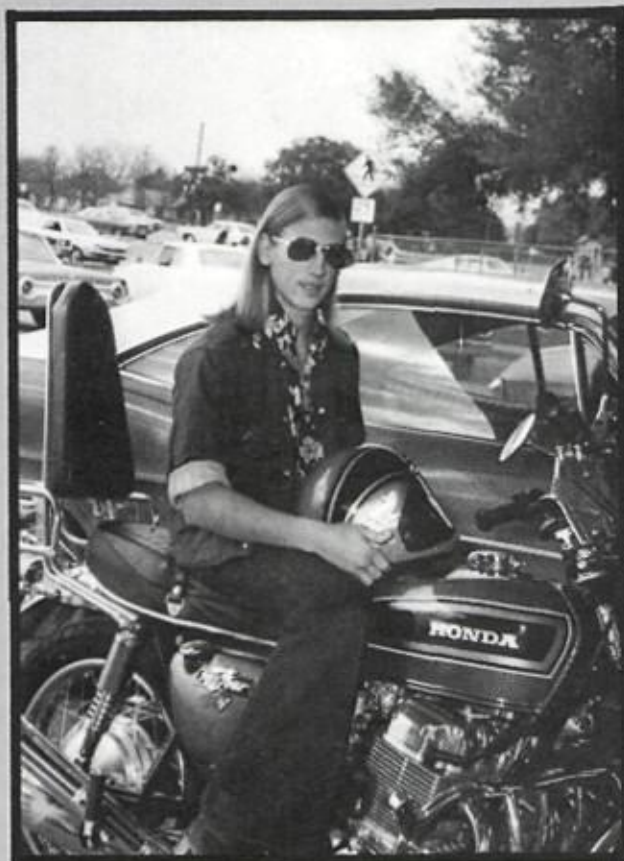

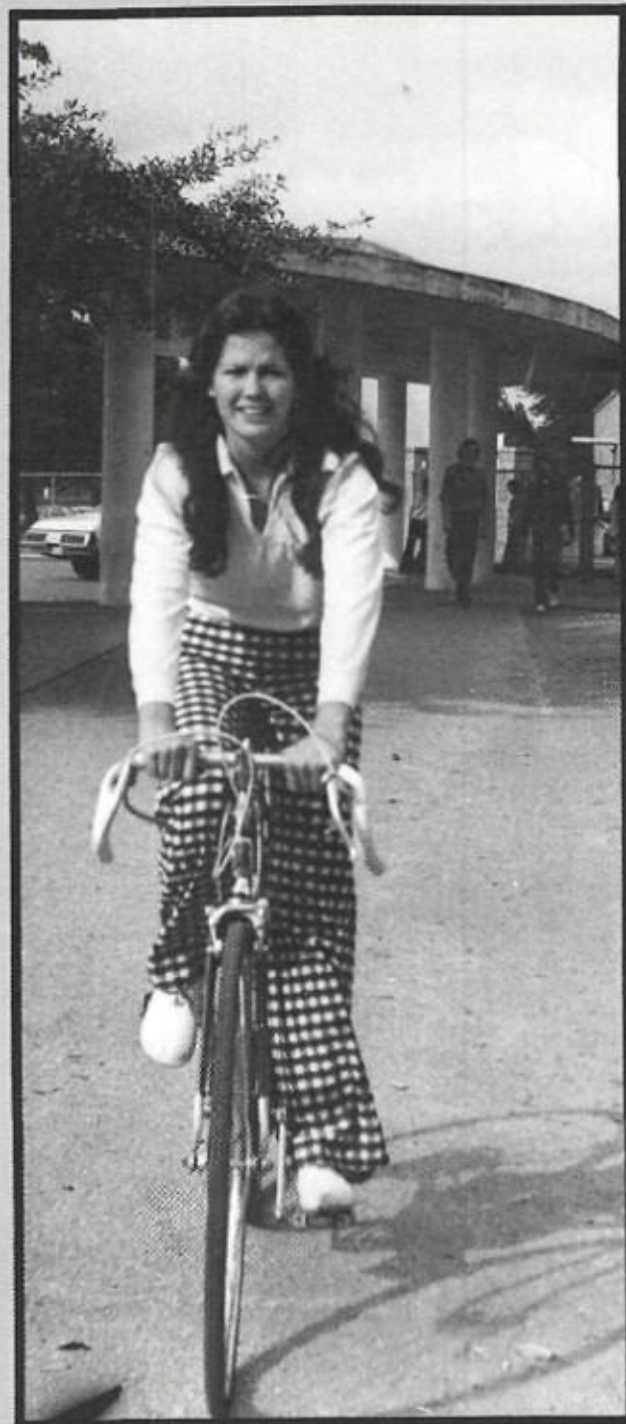

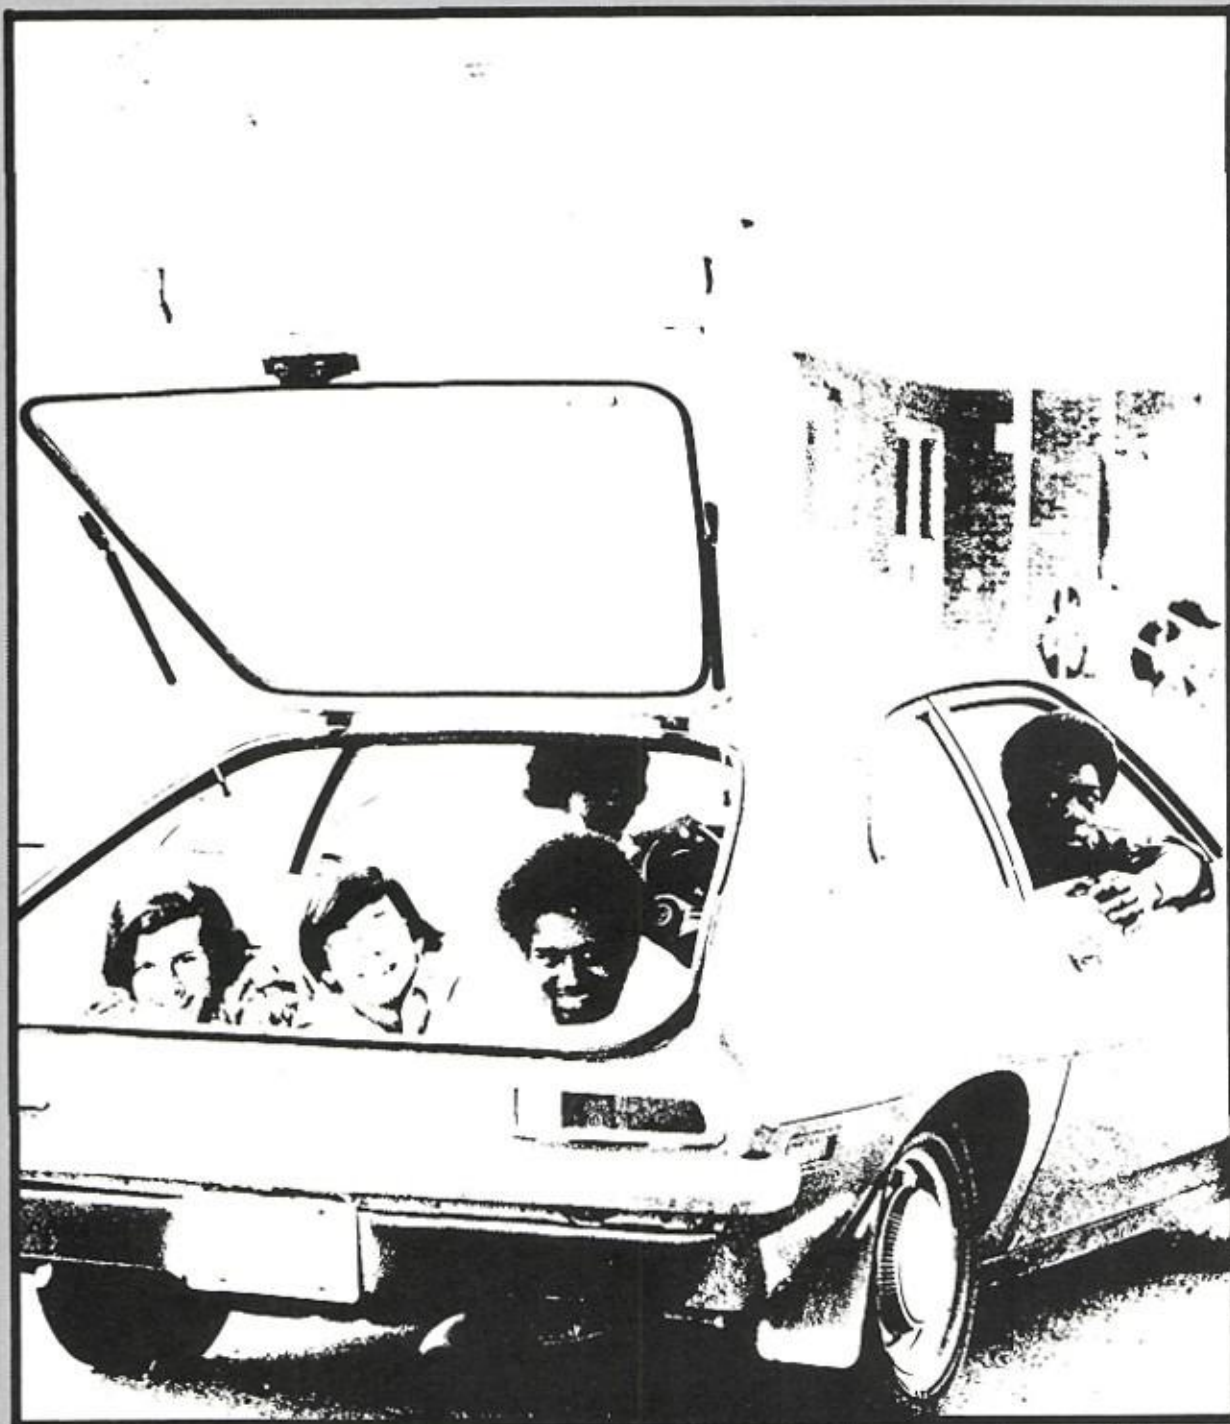

The Junior-Senior Prom was held on December 20, 1974 at the River Room. Decorations were provided by the Junior class officers. At intermission the Senior officers received roses from the Junior class officers. There was also a dance, with "Step-child" performing. The theme was "Dreams of Christmas."

TOP LEFT: This is a picture taken of "Step-child" during the dance. TOP RIGHT: Mr. and Mrs. Al Gavagan danced while they chaperoned the prom. CENTER: Donald Burton and Diane Speer watch the program given at the prom. BOTTOM: Tonye Cox and her date, James Miller, enjoyed watching their friends dance.

Juniors Find Different Ways Of

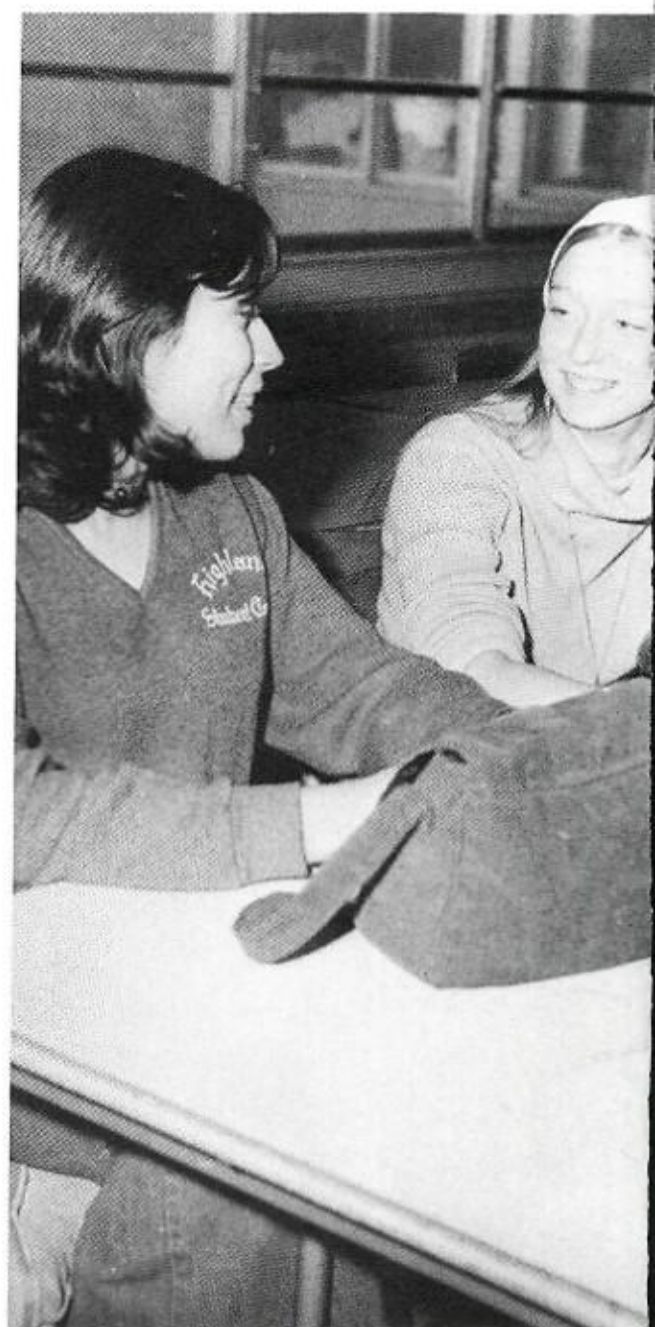

Transportation To And From School

There's Always Time For Laughter

TOP: Marla Almina doesn't seem to know what's so funny. FAR LEFT: Janet Sawyer enjoys lunch with a laugh. BOTTOM MIDDLE: Betty Paredes tries to teach Lynette Moss how to bump. BOTTOM RIGHT: Diane Garcia and Wanda Reitbauer were caught laughing together before school in the cafeteria.

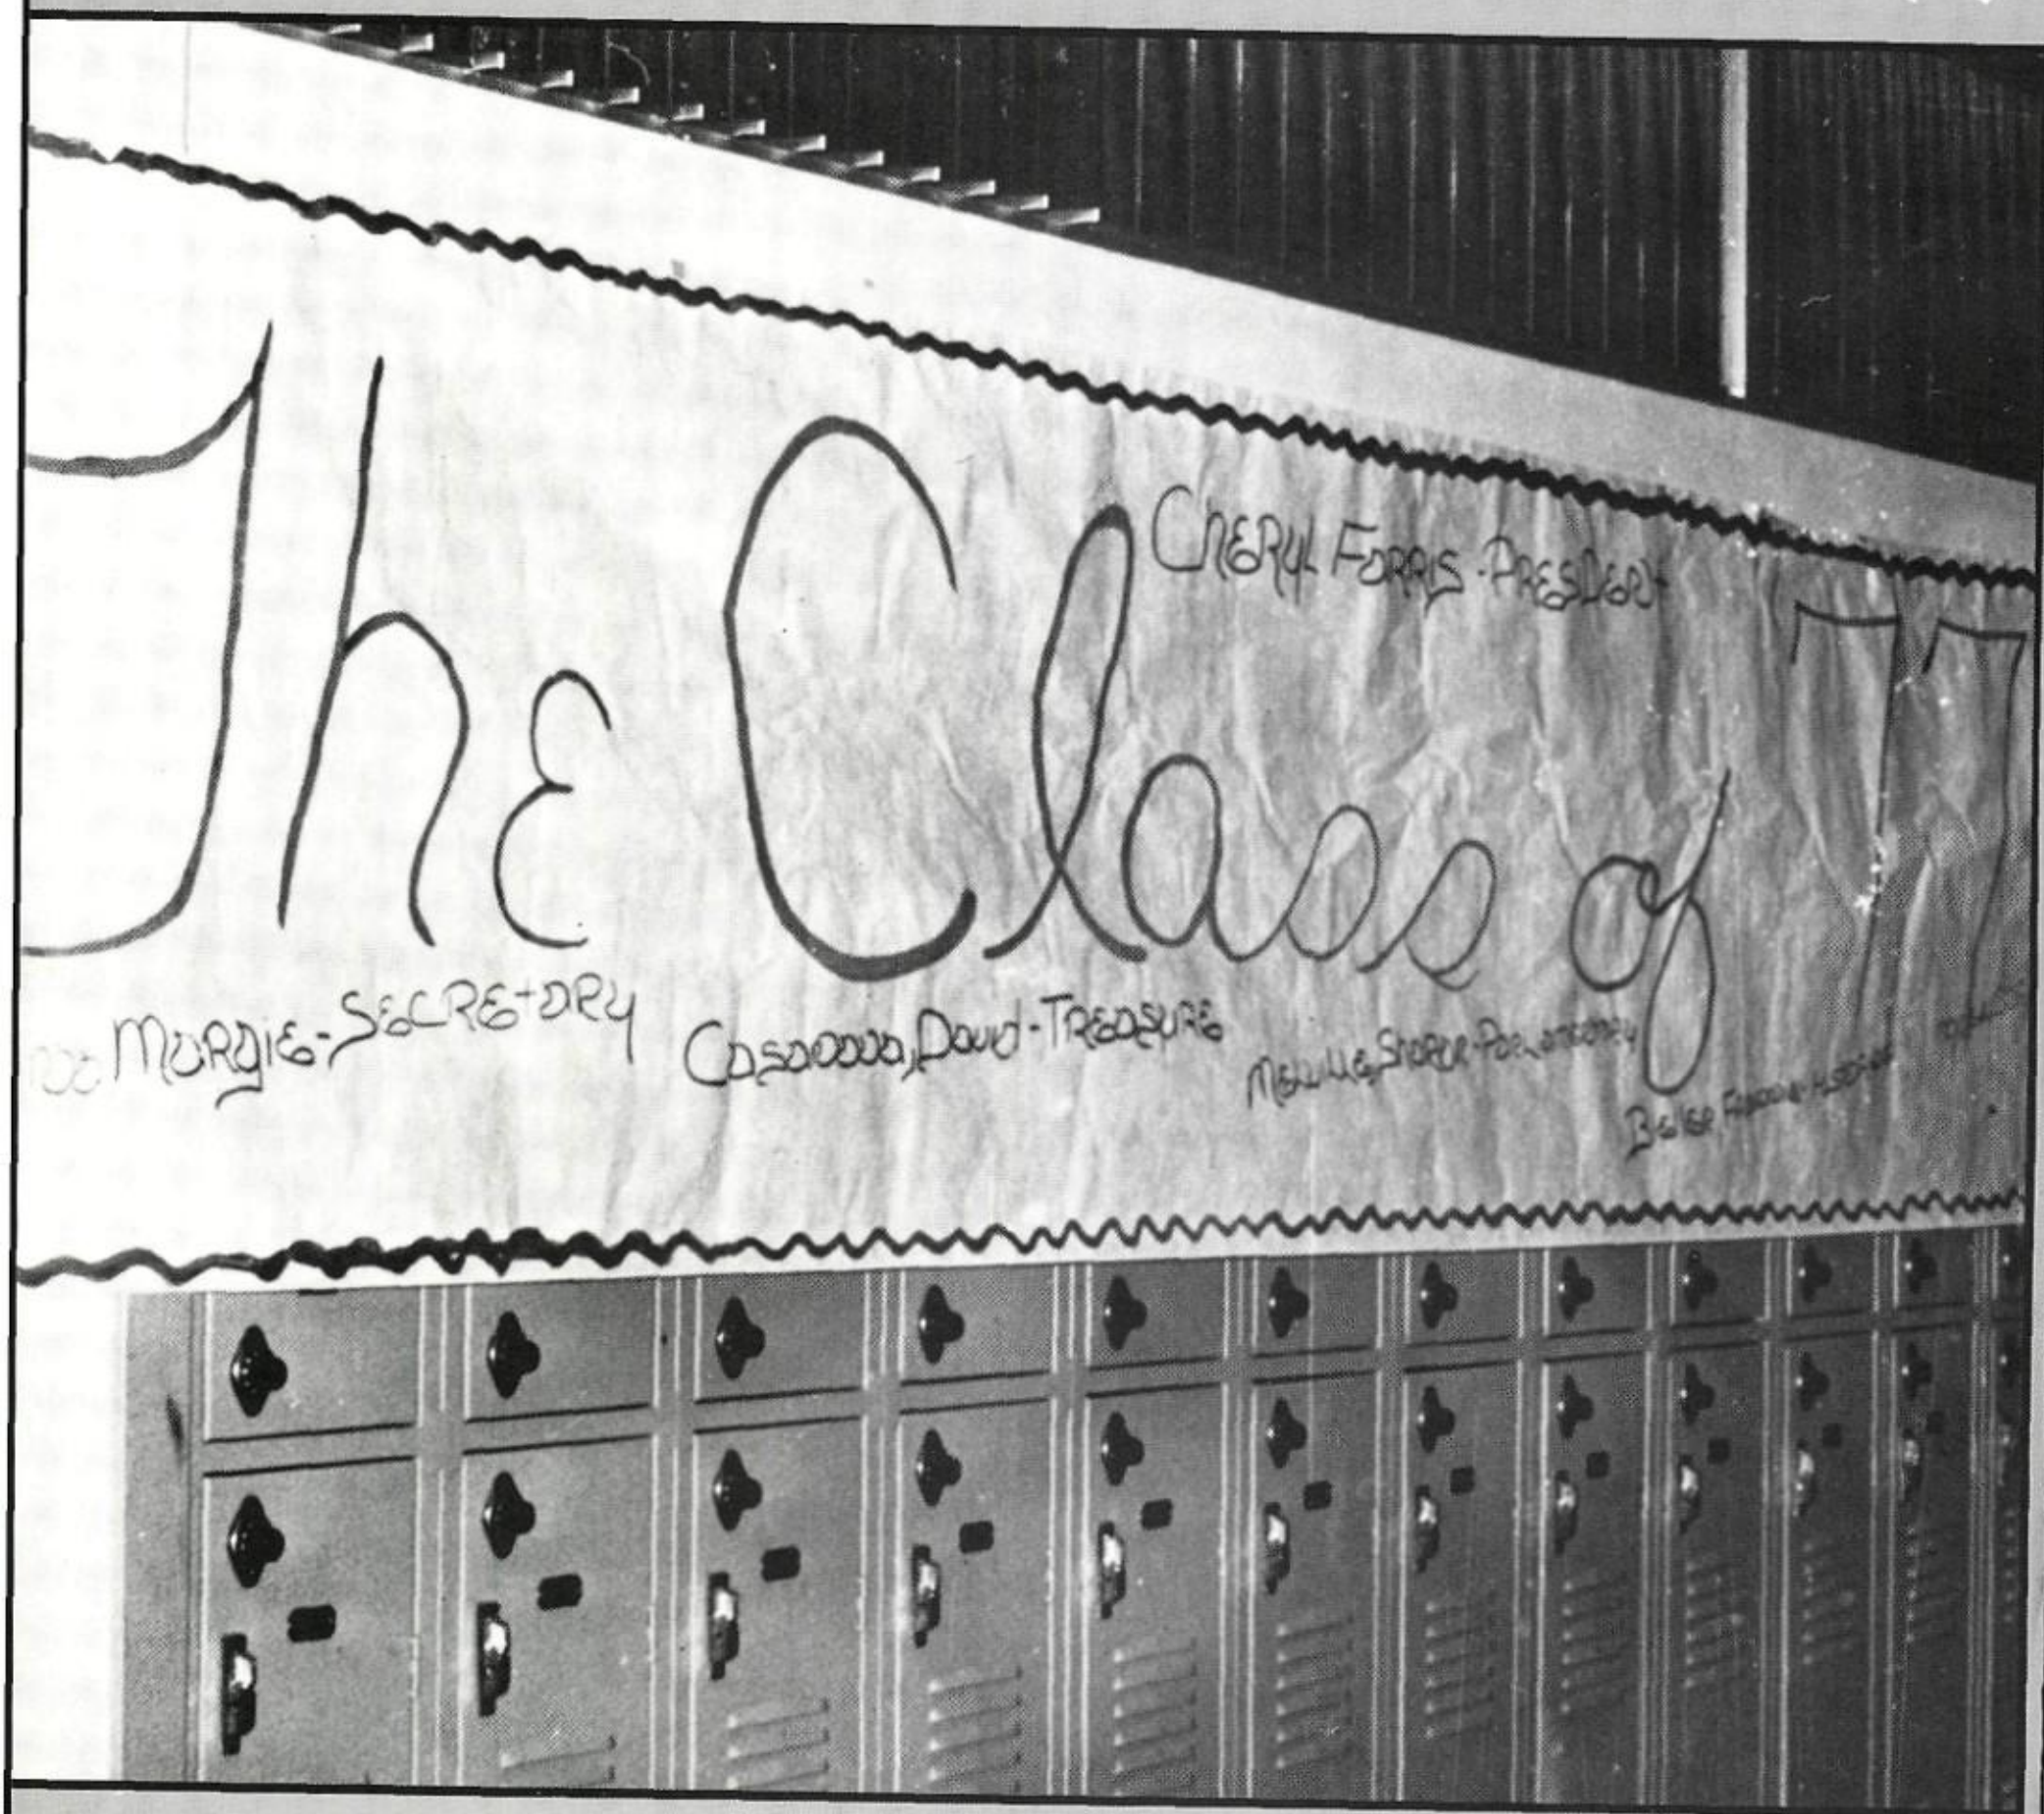

Juniors Take Classes To Prepare For Future

TOP LEFT: Mr. Dan Brandt, Record Keeping teacher, helps Maria Godinas where she made a mistake. TOP RIGHT: Pete Guadaro takes time out for a drink of water before class. BOTTOM RIGHT: Irma Morales reads carefully over her work. MIDDLE LEFT: Cheryl Gilmeau seems to work hard in recordkeeping.

Going Through A Great Year

Bill,

I've enjoyed knowing you all these years. You're a brain so keep it up. Once you think about it, you have to admit that we've had a pretty good freshman year. I can already see that we're gonna be the best seniors ever!! Good luck in everything you do but I already know that you'll succeed. May God bless you & always keep you safe in his hands.

Love always,
Patti Cochran

Getting Involved In New Activities

Many freshmen find that belonging to a club or organization can be helpful in adjusting to high school life while providing new activities.

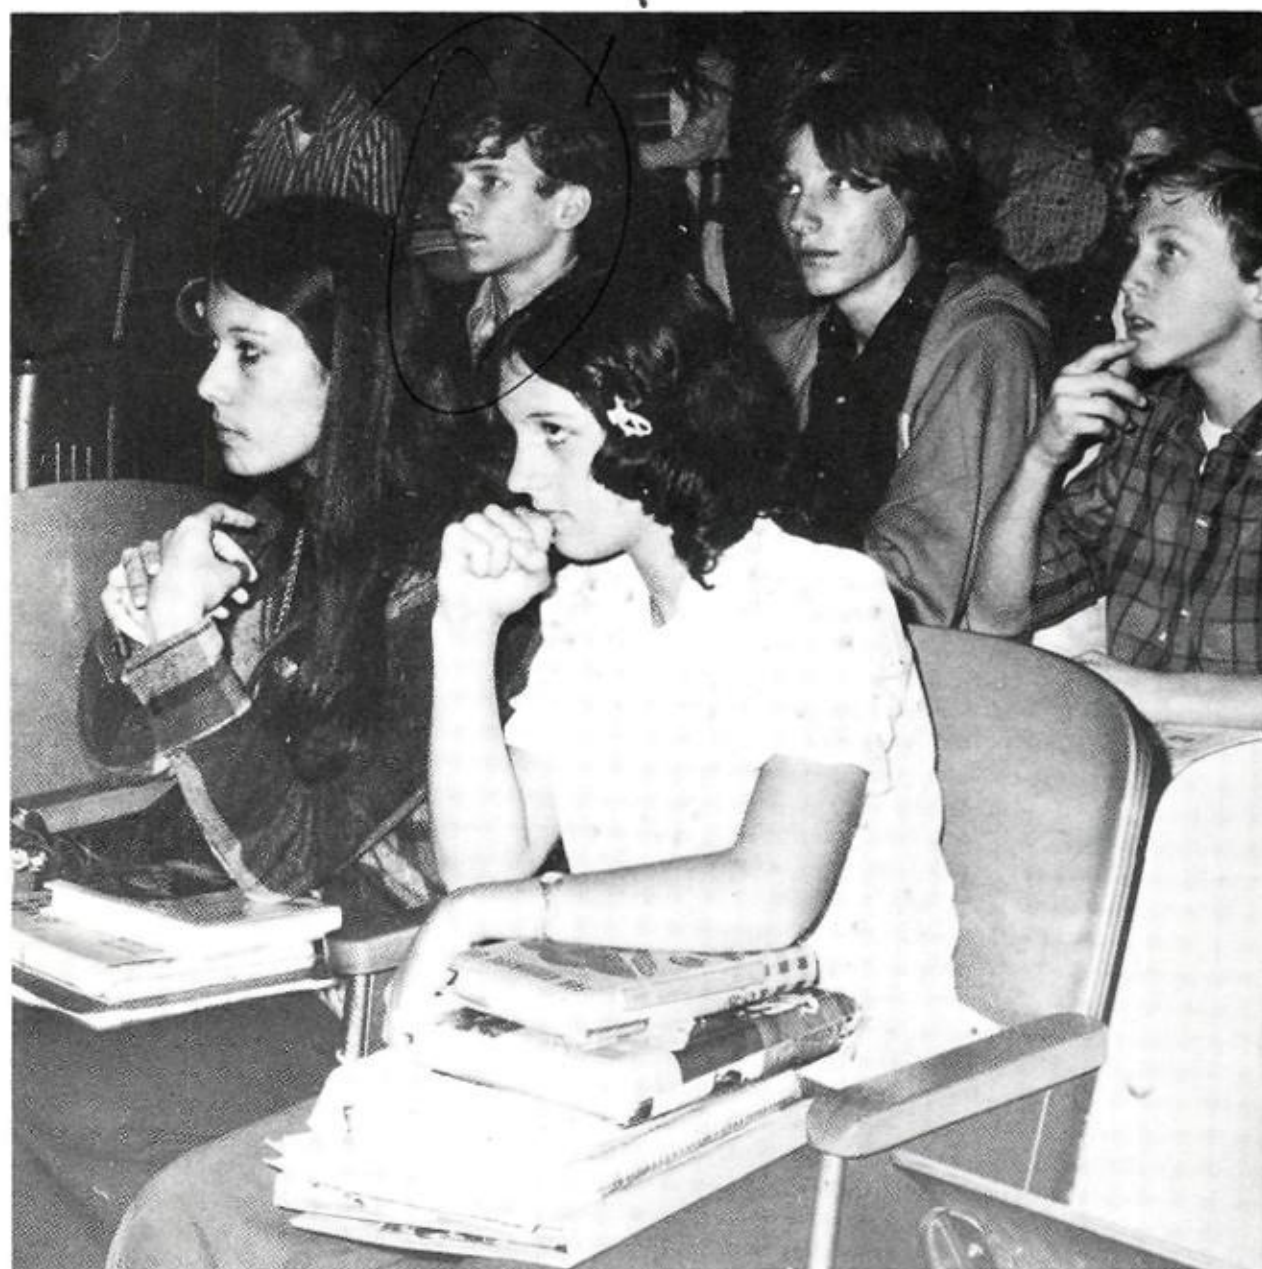

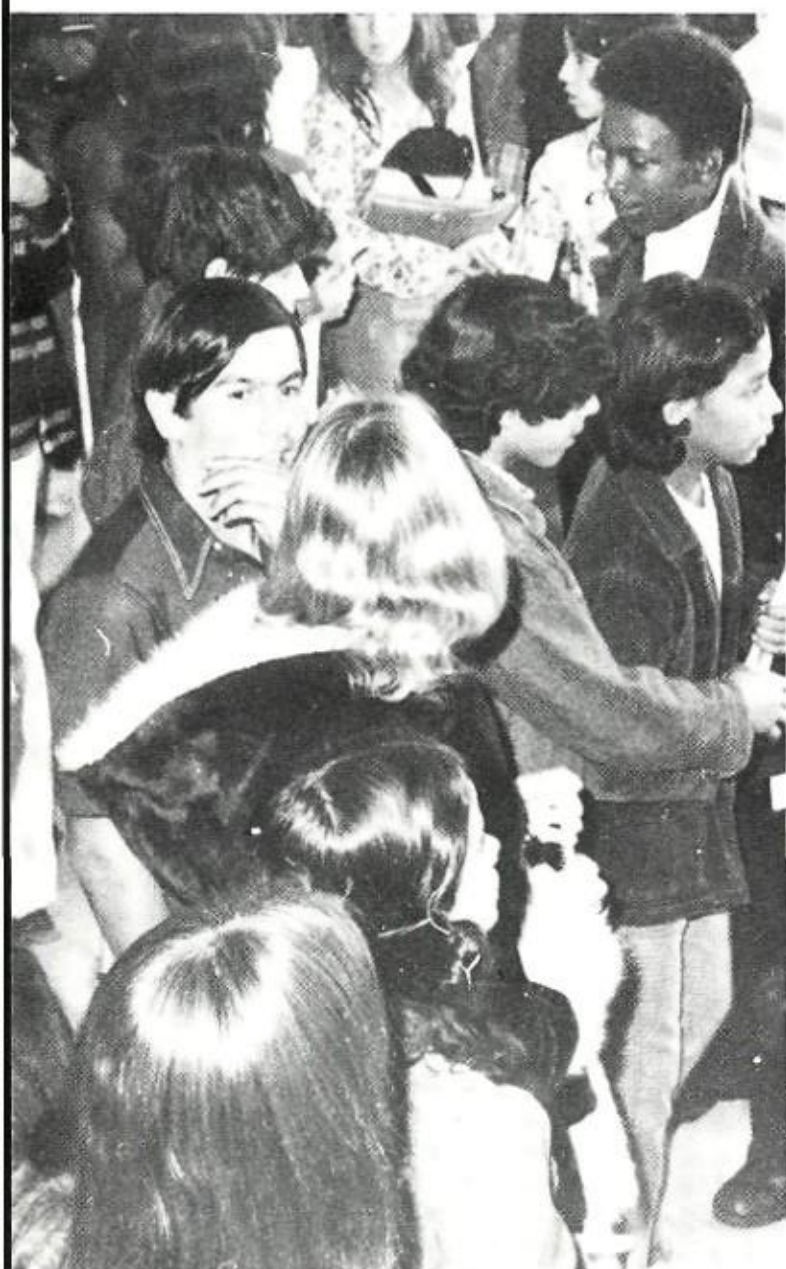

TOP: Candidates for class offices are presented at a class meeting. FAR LEFT: Many freshmen girls join the Brigade. RIGHT: Melvin Chandler finds that bowling is his "thing."

In their first year as high school students, the freshmen find that although many things are very different, some things never change — joking with friends, fighting the crowds during passing periods, and deciding which candidate to vote for. The faces are new, but the feelings and expressions are as unchanging as life itself.

TOP: There's nothing like a friendly joke to brighten up the day. LEFT: Has this freshman forgotten where his class is? LOWER RIGHT: Interested freshmen listen closely to the candidates' speeches.

Their Expressions Show Their Various Moods

Showing Spirit, Pride, And Eagerness

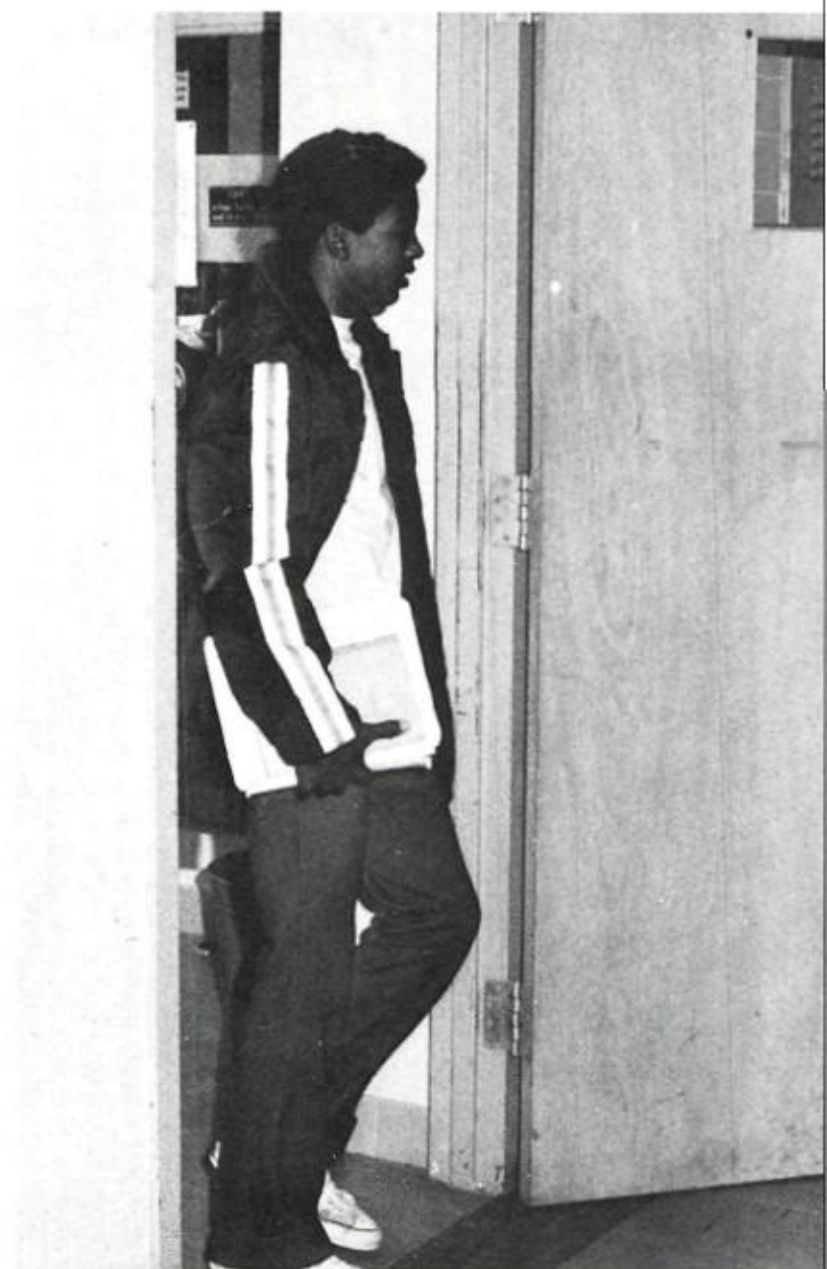

UPPER LEFT: Angela Horton, Rachel Davila, Jeannette Trimnall, and Nana Grobe get into the spirit of Nostalgia. UPPER RIGHT: Bernadette Mutchler shows her spirit by dressing up on Nostalgia Day. FAR LEFT: Band freshmen obey the seniors during their week of initiation. FAR RIGHT: Justina Tardy helps make streamers for the Freshman Hall.

TOP: Kim Bergh, Diane Aguilar, Debbie Stuart, and Linda Caranza take time to share a little gossip. BOTTOM: Sometimes a teacher gets more than she expected when she asks for questions! OPPOSITE PAGE, TOP: The Brigade Choir included many freshmen girls. CENTER RIGHT: Edward Wheeler, Vickie Nolan, and Kevin Wells trek to class. FAR RIGHT: Michael knows when it's time to get movin'.

OWLS WHO'S WHO

EDITOR:
WANDA LANGLEY

The Wise Owls Show Who's Who

The Owls' Who's Who is a Section that was started last year, which recognizes Highlands top students in scholastics and their service to the school.

Out of 300 students nominated, fifty-eight were selected to be in the Owls' Who's Who this year. They were chosen on the basis of their achievements and contributions to Highlands during their 1974-75 school year.

Each grade level was evaluated among themselves, with the top thirty seniors selected, the top twelve juniors were selected, and the same procedure was followed for the sophomores and freshmen and eight of each were selected.

These students are not only involved in the activities here at Highlands such as Athletics, Band, Brigade, and Publications, but they also are willing to give of their time and energy to help bring our student body closer together. By working together they set an example that is hard to beat.

They can be proud of their accomplishments at HHS, and as these accomplishments turn into memories, they want them to be everlasting.

All fifty-eight of these outstanding students are to be saluted. The 1975 Brigadoon wishes to congratulate them in hopes that this fine tradition will remain in their hearts, because they are the mainstay of Highlands.

Cathy Ahrens

Cathy, a senior, is the treasurer of Student Government. She's on the Varsity volleyball team and a member of the German Club. Not only is she a member of the National Honor Society and the Sigma Epsilon Society, but she is also an Honor Graduate. During her off-class, she is a student assistant for Mr. Butler.

Judy, who is a junior, is a Brigade dance team member. She is the Junior Class secretary, and she is an honorary member of Chem-Bi-Phy. Judy is the Sophomore-Freshman Editor of the Brigadoon. Highlands 3-0 In Non-District . . .

The Mighty Highlands Owls got everything together in their first game of the season to drop the S.F. Austin Maroons 40-7 with an awesome ground attack.

Halfback Benny Goodwin and fullback Shelton Harris led the way for the Owls on the ground for a total of 212 yards and three touchdowns.

Goodwin opened up the bright lights on the scoreboard in the first quarter to put the Owls in the lead for good. He scored again on a long run of 62 yards in the third period. Shelton Harris opened up the second quarter running attack on a 32 yard scamper. Halfback Duane Haynes threw an option pass to Richard Mudd for an 85 yard T.D. and Mike St. Clair ended the Owls offensive

attack in the final period on a seven yard burst.

Highlands played a brilliant defensive game by intercepting three passes along with a quick fumble recovery.

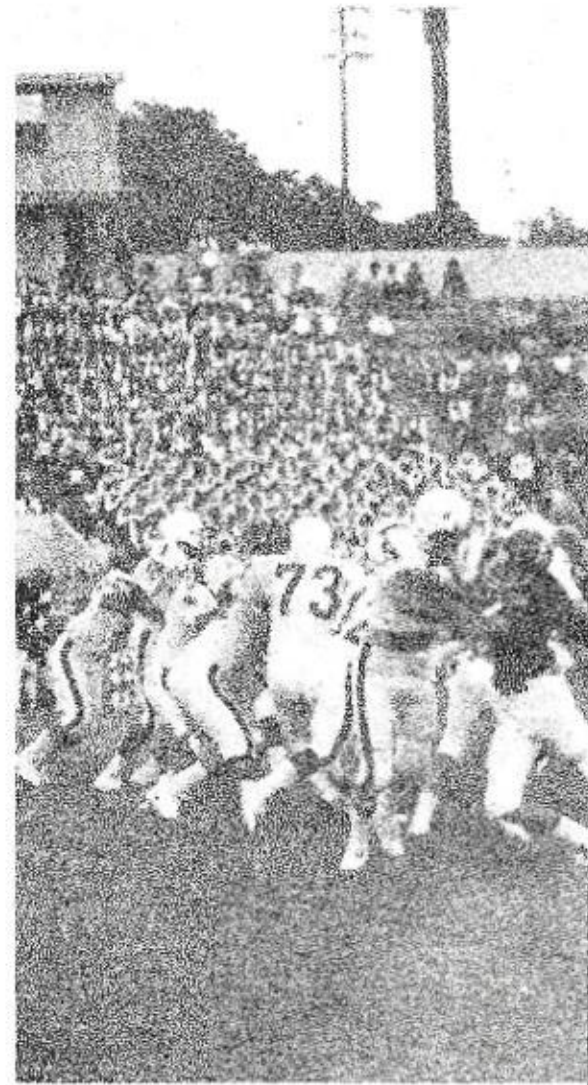

In the second quarter, Jim Matheny added a little spice to the game when he ran back a 35 yard pass interception and then dunked the football over the goal post using his basketball talents.

TOP RIGHT: Jim Matheny plays a perfect defensive end.

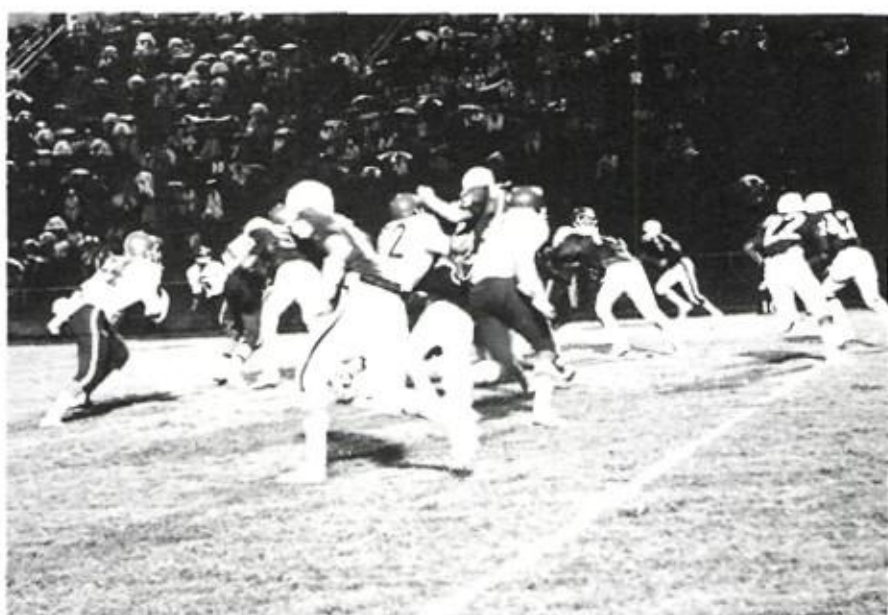

BELOW: Elvis Hartsfield can't decide what to do with the football.

MIDDLE RIGHT: Leland Carver storms from his tight end spot to sack Austin's quarterback.

BOTTOM RIGHT: Bob Young was put out of commission in the Churchill scrimmage with a broken leg.

. . . Number One In S.A., Second In State

Highlands fought a knockdown drag out defensive battle in a steady downpour to drown the Jefferson Mustangs 6-0.

The Owls played a strong offensive game totaling 173 yards on the ground and only 33 yards in a slight aerial attack. The only score came in the latter ticks of the fourth quarter with the help of two unsportsmanlike conduct penalties on Jeff. Highlands put together a 70 yard scoring drive with Elvis Hartsfield setting up and Shelton Harris banging over from the one yard line.

The Owl defense played to perfection holding the ponies to only 87 yards on the wet turf. Several key defensive plays by the Owls held the Mustangs from scoring. John Colby stopped a

deep drive by Jeff late in the fourth quarter with an interception that put the game on ice for the Owls.

The Owls romped through the second quarter for four touchdowns to upend the Jay Mustangs 28-13.

Highlands put together a scoring drive that began late in the first quarter that covered 84 yards and 15 plays ending with an 11 yard touchdown romp by halfback Benny Goodwin. He scored again on the Owls next possession going over the right side from 14 yards out.

A perfect onside kick ended up in Mike St.Clair's arms and Highlands ball on the Jay 46 yardline. Jim Matheny took a 29 yard pass to the two and Shelton Harris banged it over for six

points.

The Owls put together a 52 yard drive and Elvis Hartsfield sneaked over from the one with 1:00 left in the half.

Highlands defensive game was almost perfect holding the Mustangs on key drives and let them score only twice, once in the first quarter and held them until late in the fourth period.

The Mighty Owls went into district with 3 wins and 0 losses and the distinction of being rated **NUMBER ONE** in San Antonio and **SECOND** in state.

Owls Dehorn Unicorns In District Opener

Highlands' offensive unit played a faultless game as they stomped the New Braunfels Unicorns in their district opener 48-18.

Benny Goodwin opened up on the first play of the Owls first possession around right end for 82 yards and six points. Minutes later, Elvis Hartsfield marched the Owls downfield 56 yards, then he himself marched over from the five yard line. On the first play of the second quarter, Hartsfield went to the air and found John Colby for 42 yards and a T.D.

After a touchdown by the Unicorns, Hartsfield again marched the offensive unit upfield and scored from 15 yards out. Before the second period ended, Benny Goodwin took an option play around right end 20 yards for a T.D. and Hartsfield hit Robert Escobedo with a 68 yard bullet and 6 points to end the first half. Escobedo ended the Owls scoring in the third period with a 51 yard touchdown pass from Hartsfield. The Owls totaled 596 yards, 270 on the ground and 326 in a perfect aerial game.

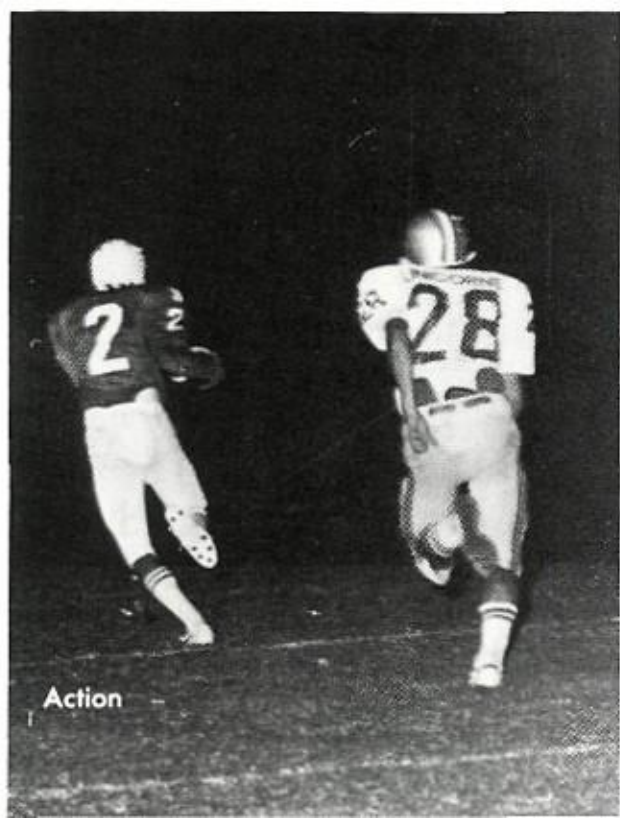

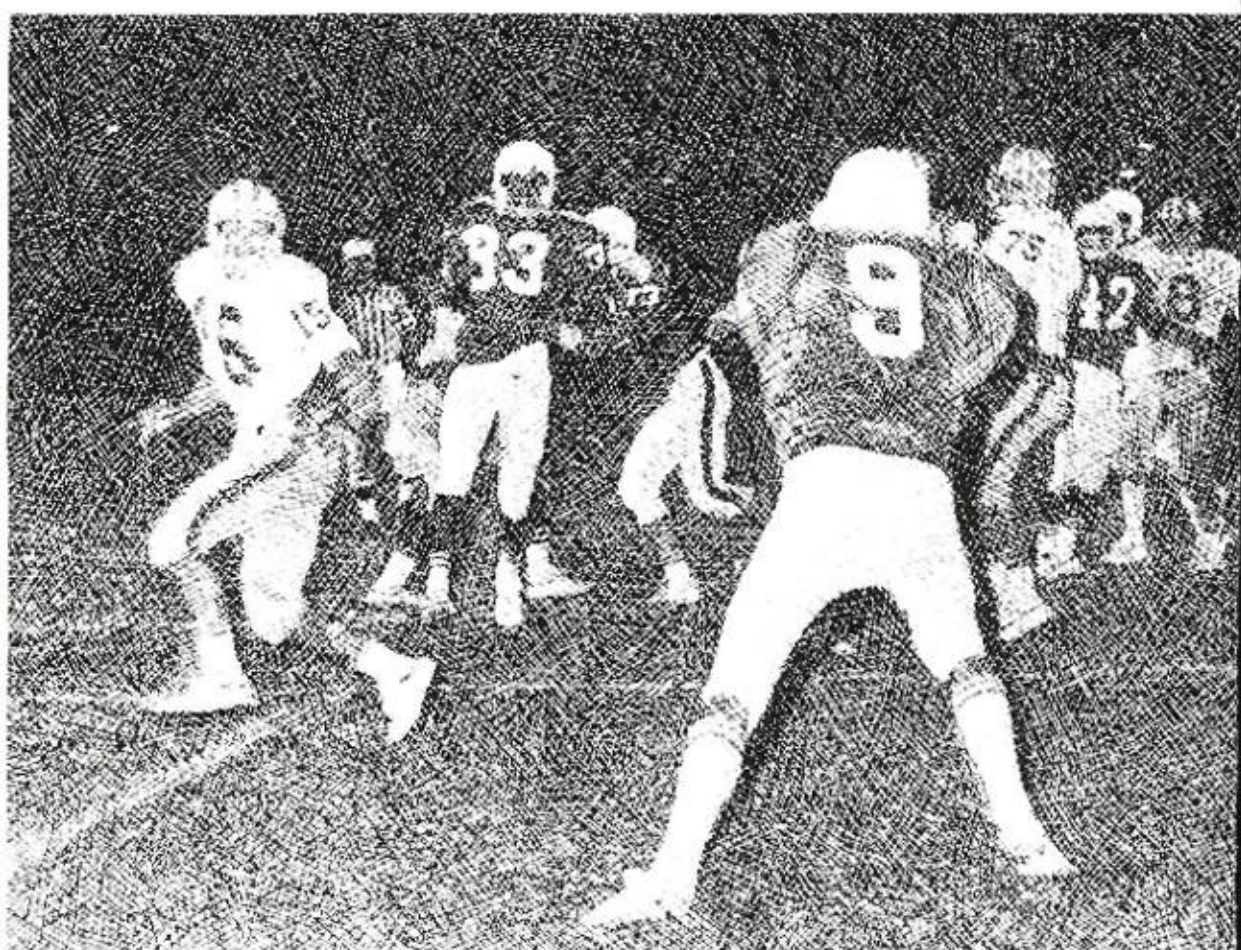

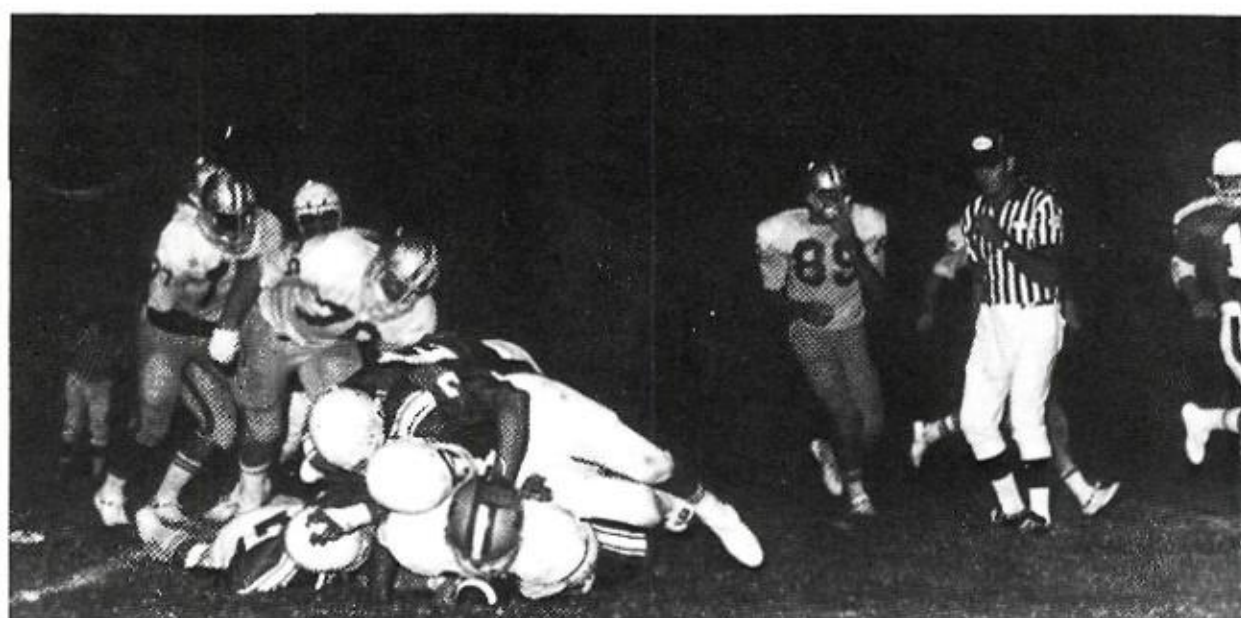

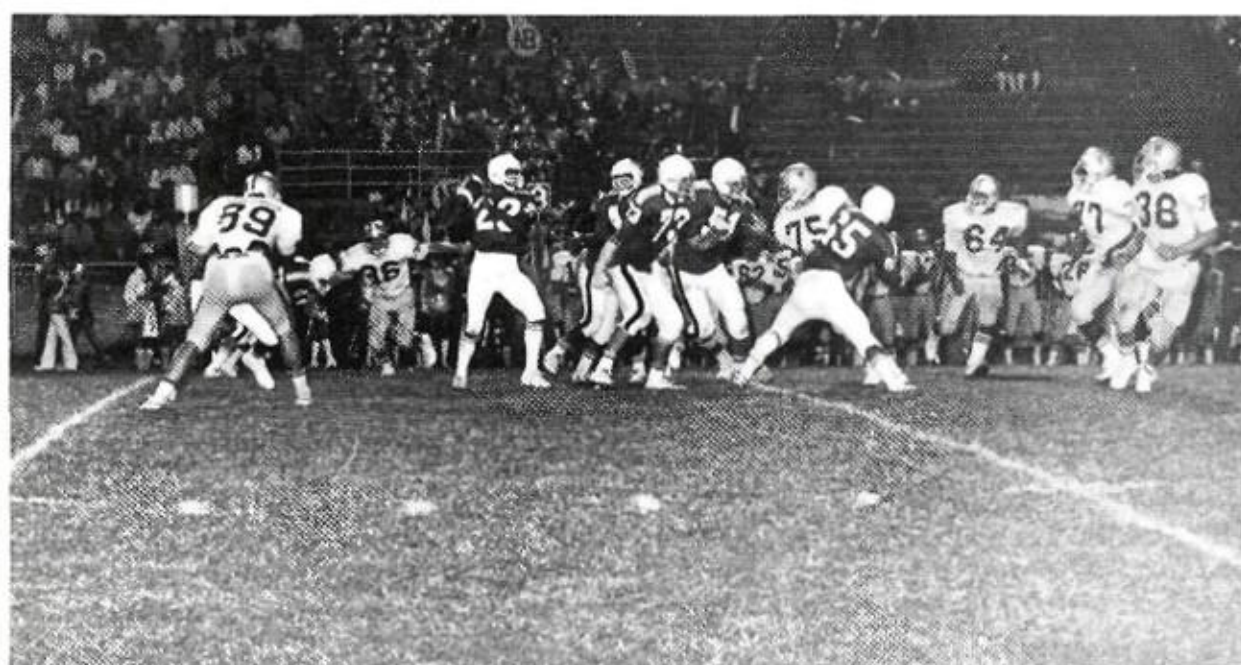

The Owl defense held the Unicorns for the most part allowing only 18 points and 327 yards total.

BELOW: Bobby Escobedo sprints for a long jaunt to the goal line.

Highlands Tie Bulls In Heartbreaker

Highlands could not get their defensive forces together in the second half but played an otherwise superb game as they tied a heartbreaker to the MacArthur Brahmas 14-14.

The Owl offense worked a hard fought ground game for two scores, but fumbled away the ball several times deep in Mac territory to end scoring drives.

The first score for Highlands came with only seconds left in the first half. With no time outs, the Owls pushed to the Brahma five yard line as the Mac defense held strong. With only one second on the clock, Hartsfield went over right tackle untouched to end the half.

On the second play of the second half, Mike Fermin latched on to the pigskin when Mac fumbled on its own 42 yard line. A key pass reception by Jim Matheny set up the score. Hartsfield was seemingly stopped at the four yard line, only to lateral to Benny Goodwin who scampered over the white line for six points.

The Owls led MacArthur in the penetrations 4-2 but tied them on the scoreboard none the less to stand 1-0-1 in district play.

TOP LEFT: Benny Goodwin turns the corner for long yardage.

BOTTOM LEFT: Highlands heads for the goal line.

BOTTOM RIGHT: A Mac player breaks loose from the Owl pack.

The Owls Soared Thru Spirit Week . . .

Highlands played nearly every man on the team in a moon shot against the Judson Rockets 45-6.

The Owls scored 42 of their 45 points in the first half taking the rest of the afternoon off letting the defensive unit do their thing. Quarterback Elvis Hartsfield put his arm into action hitting 15 of 26 passes for 308 yards and three touchdowns. Jim Matheny caught two T.D.'s of 49 and 13 yards in the first and second quarter, respectively, and Mel Castro added to the total with a 14 yard T.D. catch in the second period. Hartsfield also added to his credit a one yard plunge along with John Colby's punt return of 82 yards to tally 28 points and end the first quarter.

Shelton Harris was the game's leading rusher surprisingly enough with 69 yards in only two carries

. . . Blasting The Rockets Out Of Orbit

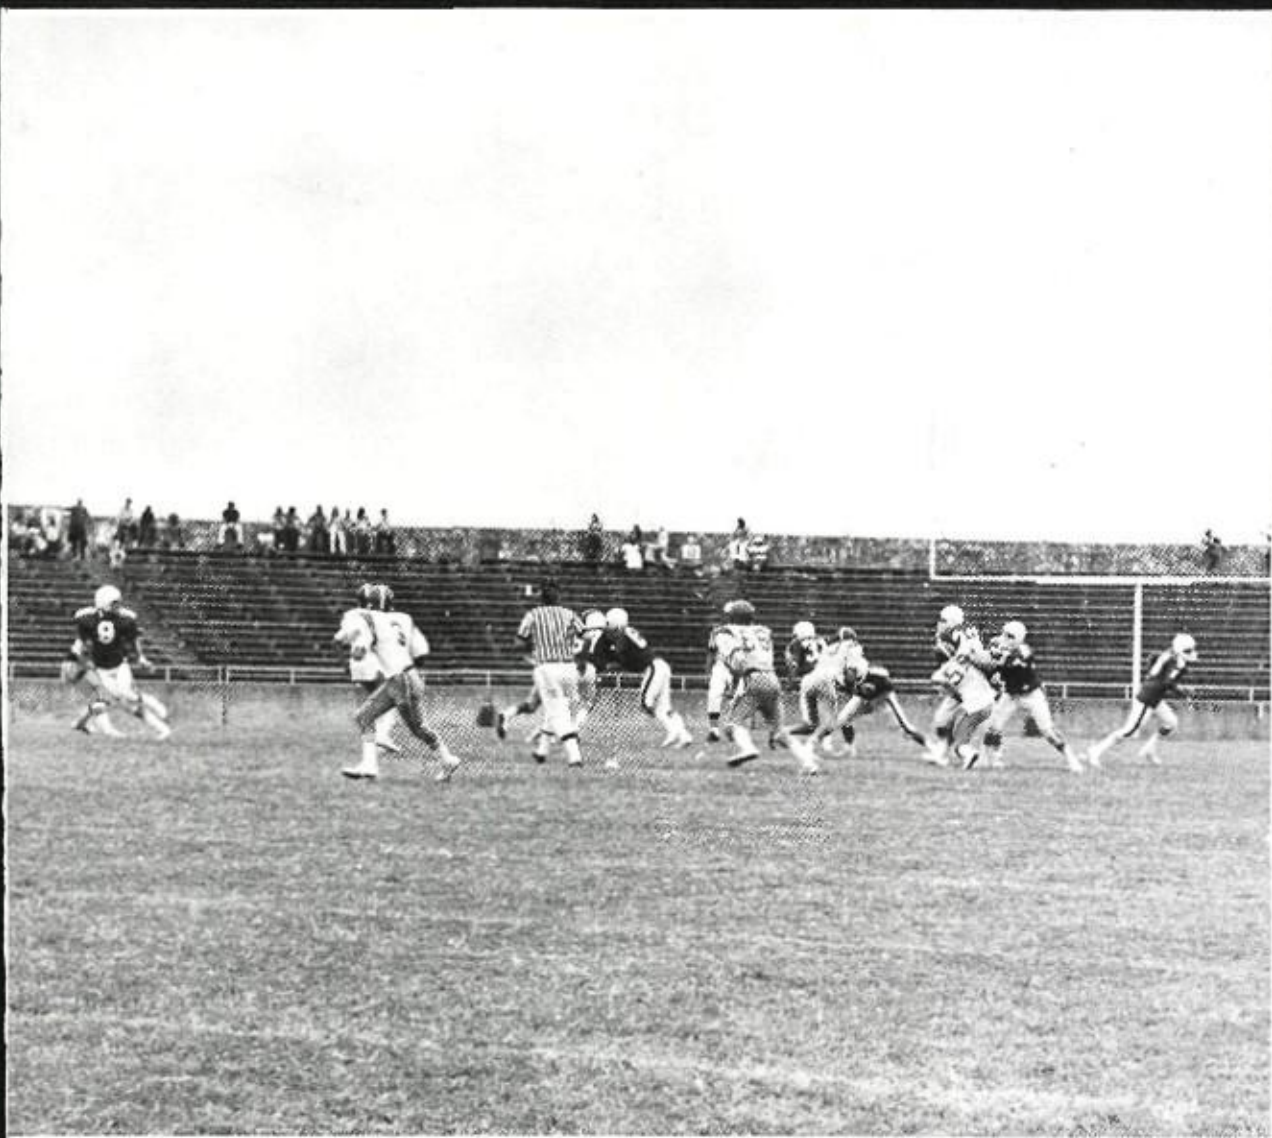

with the leather and air. Harris never broke stride up the middle in the second period and raced 64 yards for the final Owl T.D. Two other apparent Owl touchdowns were erased because of penalties.

Coach Paul Martin "ended the scoring" in the second half as he had the team try for field goals instead of easy walk-ins over the white line. Early in the third period, with a first and goal from the Rocket one yard line, Mike Cordaro tried a 16 yard field goal that failed along with a 27 yard try that failed under such conditions. Cordaro finally succeeded in the final quarter with a 21 yard boot that split the uprights.

Highlands defensive game was more than par as they held Judson to only one T.D. The Highlands bench looked obscene as its first string defensive unit sat and slept out the game.

The Machine took the game in stride for better contests to come and upped their district 3-0-1.

ABOVE PICTURES: The Mighty Owl line held strong on both offense and defense. They allowed Judson only one touchdown and pushed the Rockets back into a normal orbit of less than 200 yards.

Owls Scalp Rival Indians

The Mighty Owl defense played a ferocious and superb football game as they stomped the Sam Houston Cherokees 22-0.

Highlands passed its way clear of the Cherokee defense, but the three Owl T.D.'s came on the ground in each of the first three quarters. Each drive in the first half consisted of only four plays good for 45 and 44 yards respectively. Shelton Harris and Benny Goodwin led the ground game and accounted for two of the Owl scores with quarterback Elvis Hartsfield scoring last in the third quarter.

The Owl defense led the charge as they dethrottled the Indians and held

them to only 110 total offensive yards. Richard Mudd and John Colby wiped out Sam Houston scoring drives with key interceptions, Colby's coming with only 49 seconds remaining in the contest.

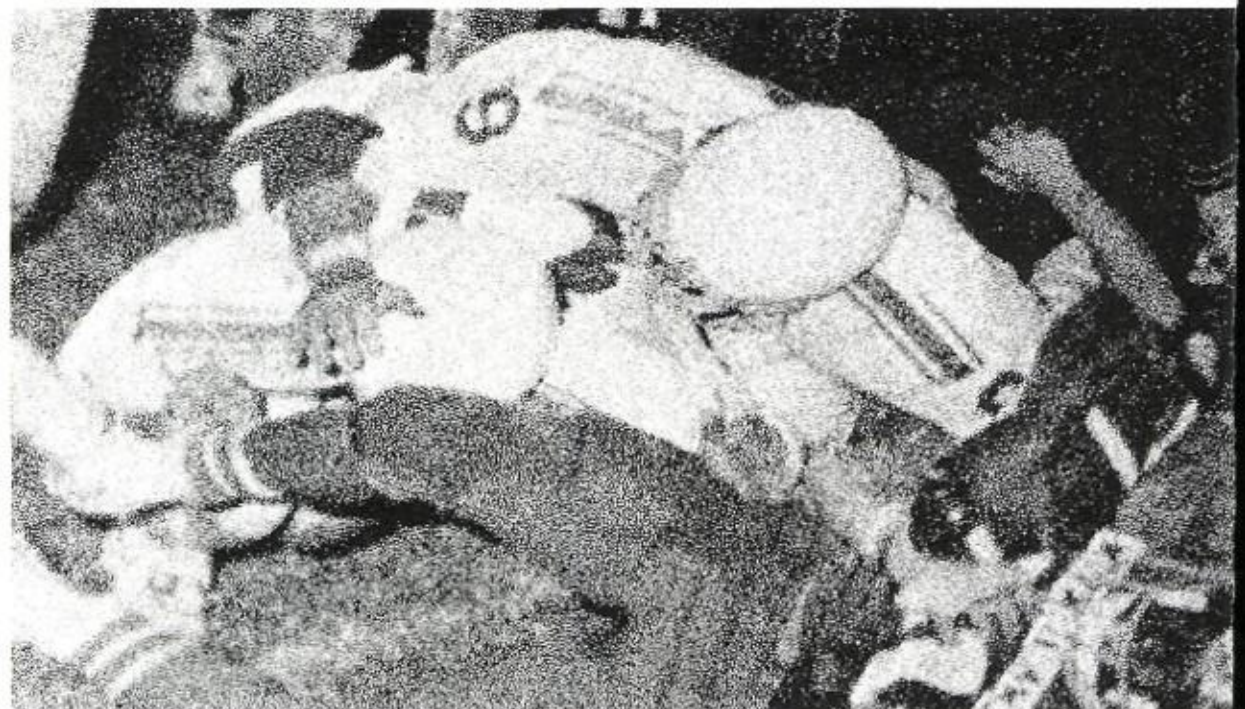

The victory lifted Highlands to a 3-0-1 district slate, only a half game behind district leading San Marcos.

MIDDLE LEFT: Benny Goodwin being pulled down by a Cherokee defender.

MIDDLE RIGHT: John Colby doesn't get through with the pigskin.

BOTTOM RIGHT: "Jimbo" Matheny assists on a crucial play.

Teddy Lost His Muddy Stick 15-0

Highlands captured a share of the district lead by blanking the Roosevelt Rough Riders on a soggy field at Alamo Stadium 15-0.

The Owls rallied twice in the second period to put the game away for keeps. Benny Goodwin ate up the turf as he gained 80 yards and a four-yard quick burst for a touchdown. Shelton Harris matched Goodwin with 81 yards on the ground to add to the Owl attack. The other score came on a 37-yard pass from Hartsfield to John Colby. Mike Cordaro kicked the first extra point and Richard Mudd threw a two-point conversion to Goodwin.

The game was all defense as tackles Wendell Brooks and Mike Fermin, along with John Colby paced Highlands into giving the battered Rough Riders a total of only 136 yards. Colby stopped Roosevelt drives with three key interceptions and superb defensive efforts throughout the game.

The Owls now have a 7-0-1 record, with only the Mac game leaving a dent in the Highlands efforts thus far.

TOP LEFT: Shelton Harris takes a handoff and looks for daylight.

TOP RIGHT: Wonder who's got the ball on another Owl sweep.

Owls Immune To Rattler's Venom

The Mighty Maroon and White clinched at least a tie for the district lead and a sure playoff berth by crushing the San Marcos Rattlers' hopes on a cold, misty night 50-9.

Quarterback Elvis Hartsfield paced the Owls with 318 yards passing, 66 yards on the ground of his own, and three touchdowns. Halfback Duane Haynes saw his first real action as he proved himself with two short bursts for touchdowns, and halfback Benny Goodwin, led by a wall of blockers, scampered 72 yards on a screen play for a T.D. Shelton Harris also got in on the action by scoring the first quarter ending touchdown. Mike Cordaro and his toe connected for four extra points and Hartsfield, Castro, Mudd, and

Matheny connected for two, two-point conversions. All together the Owl offense rolled up 508 yards for a stout night's work.

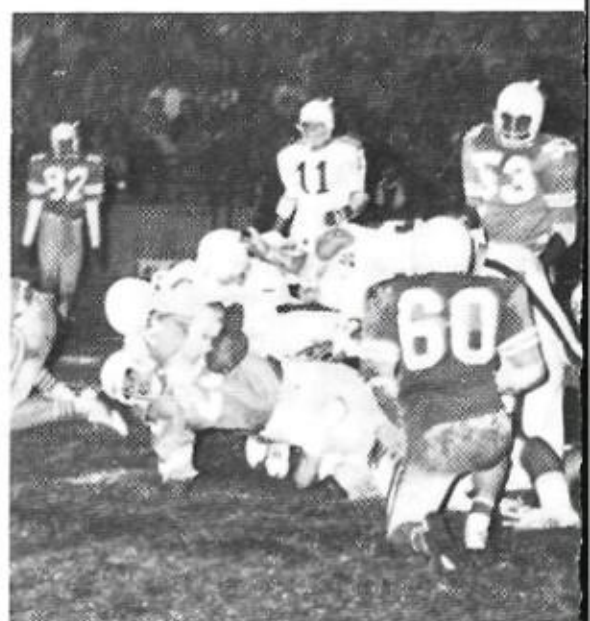

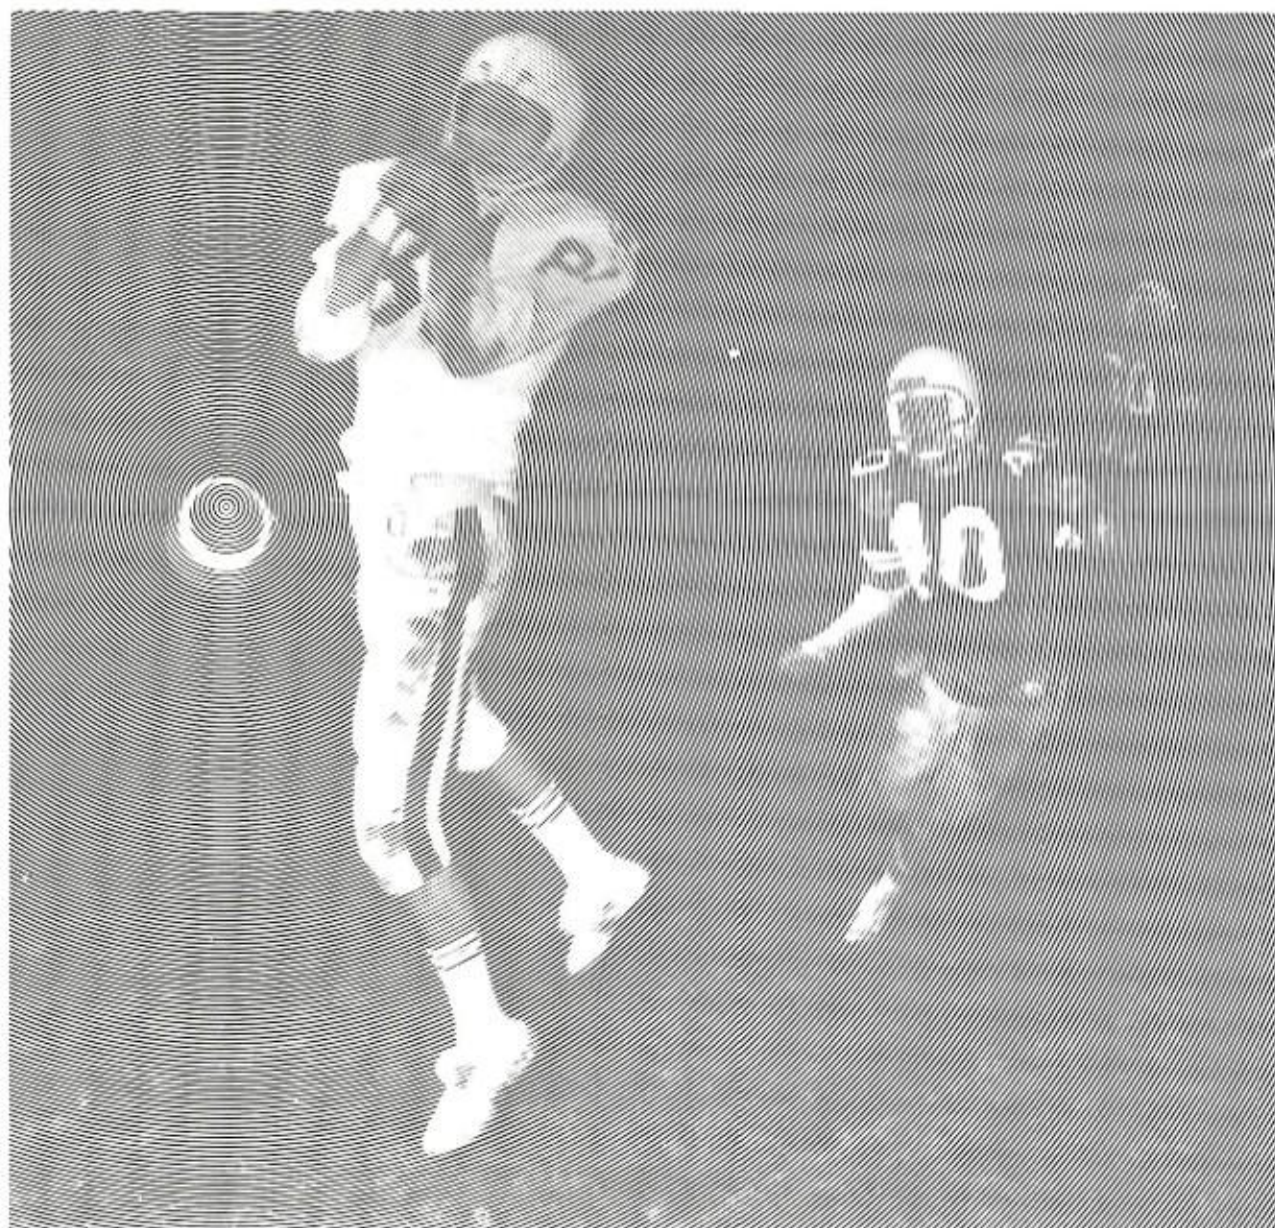

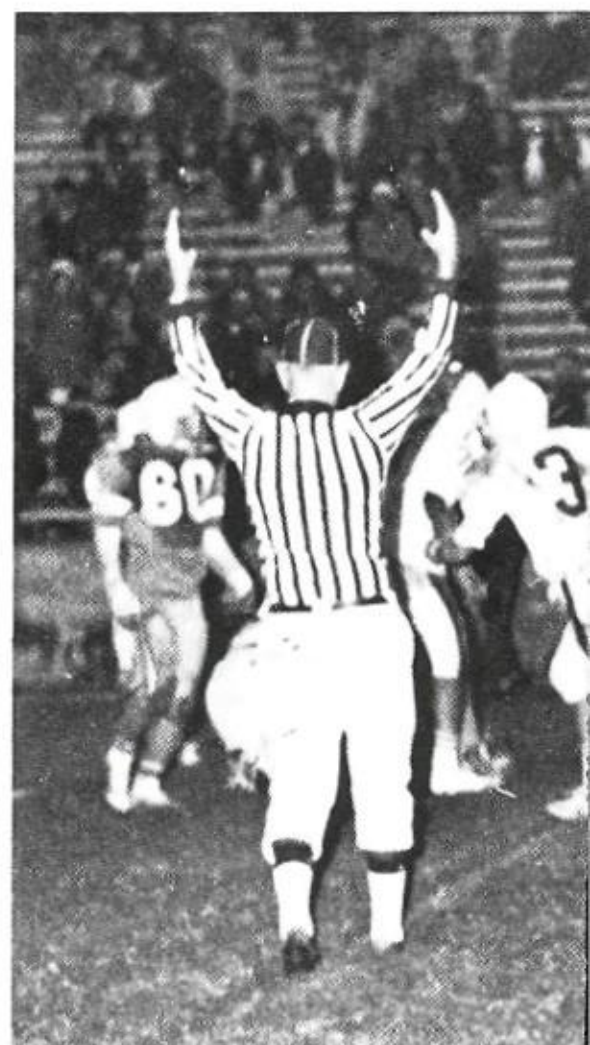

The Owl defense allowed the Snakes only a fieldgoal as they recovered Mark Mize's fumble in the endzone. On that play, with Richard Mudd and Brad Winkler as backs, Mize took the snap from Leland Carver and lateraled to Mudd only to have the ball land five yards short of its mark.

RIGHT: A symbol the Owls enjoyed all year.

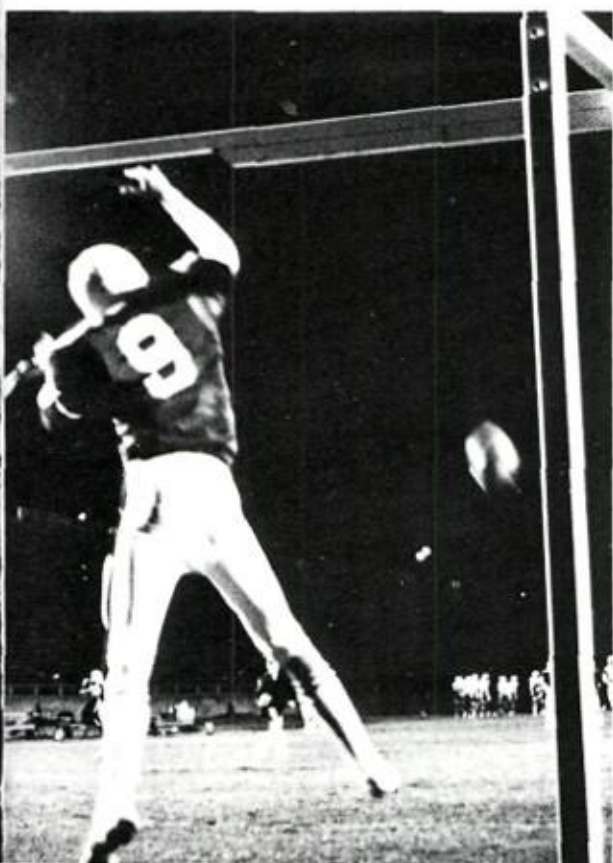

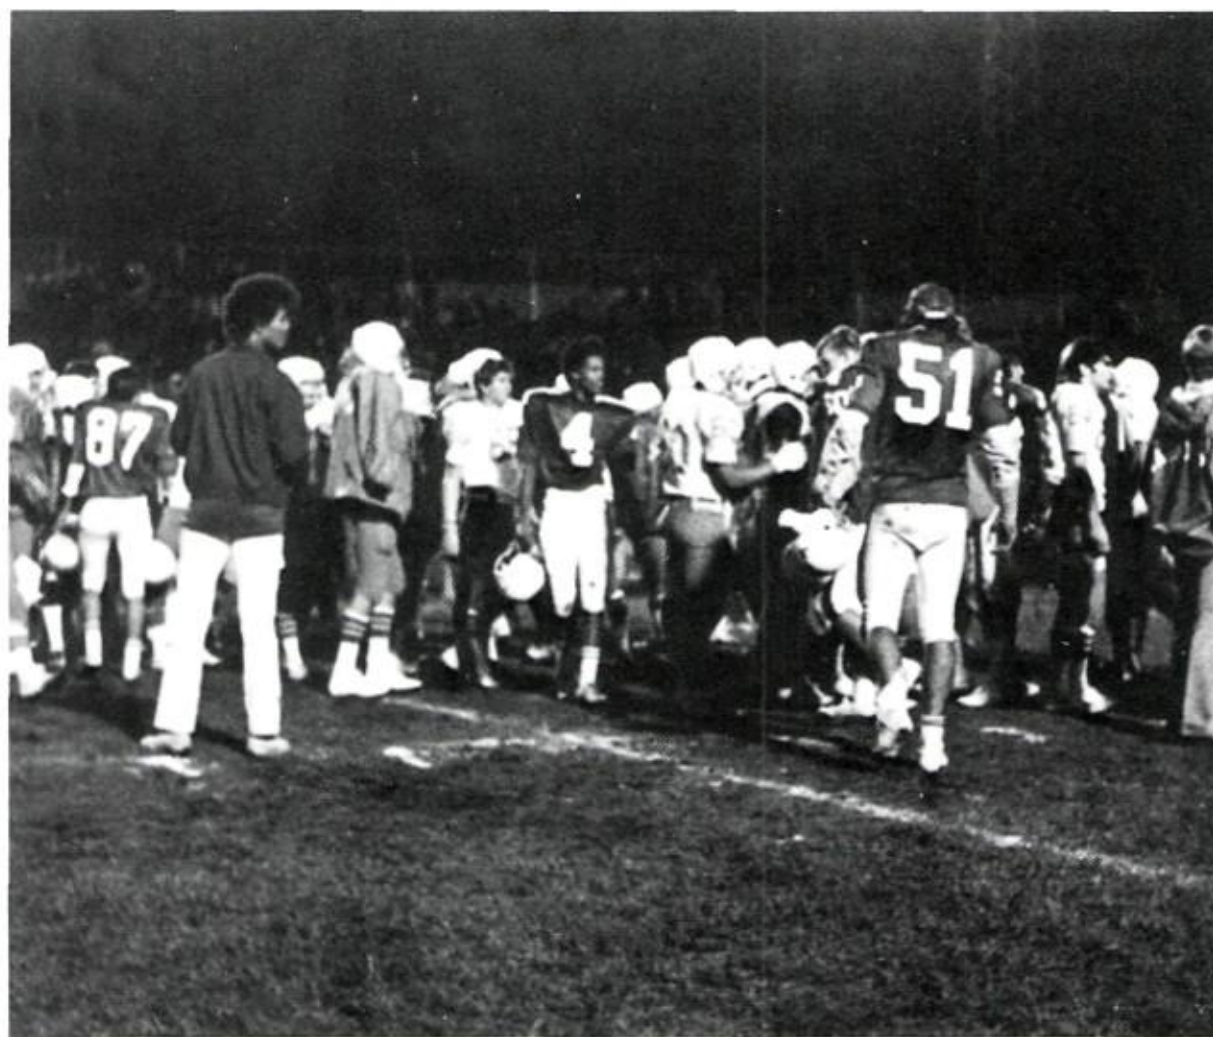

BELOW: Mel Castro wishes it would come back.

MIDDLE RIGHT: The Rattlers get burned on another Owl burst.

BOTTOM RIGHT: Mize, Matheny, Fermen, Wengler, and Escobedo pay tribute to the flag before the kickoff.

Chute Never Opens For Matadors

Highlands 1974 season went into the record books as they ended the season undefeated for the first time in Owl history by defeating the Seguin Matadors 25-7.

The Owls put it all together after a tough first quarter and dominated Seguin with a superb defensive and a capitalizing offensive unit.

Defensive back Richard Mudd led the Machine with three key interceptions, two in the Owl endzone and one on the Highlands three yard line. Willie Zoltz also intercepted a Matador pass and Charley Nystrom recovered a Seguin fumble to cripple their offensive efforts. A totally revitalized Owl line stopped David Brothers after a sluggish first quarter

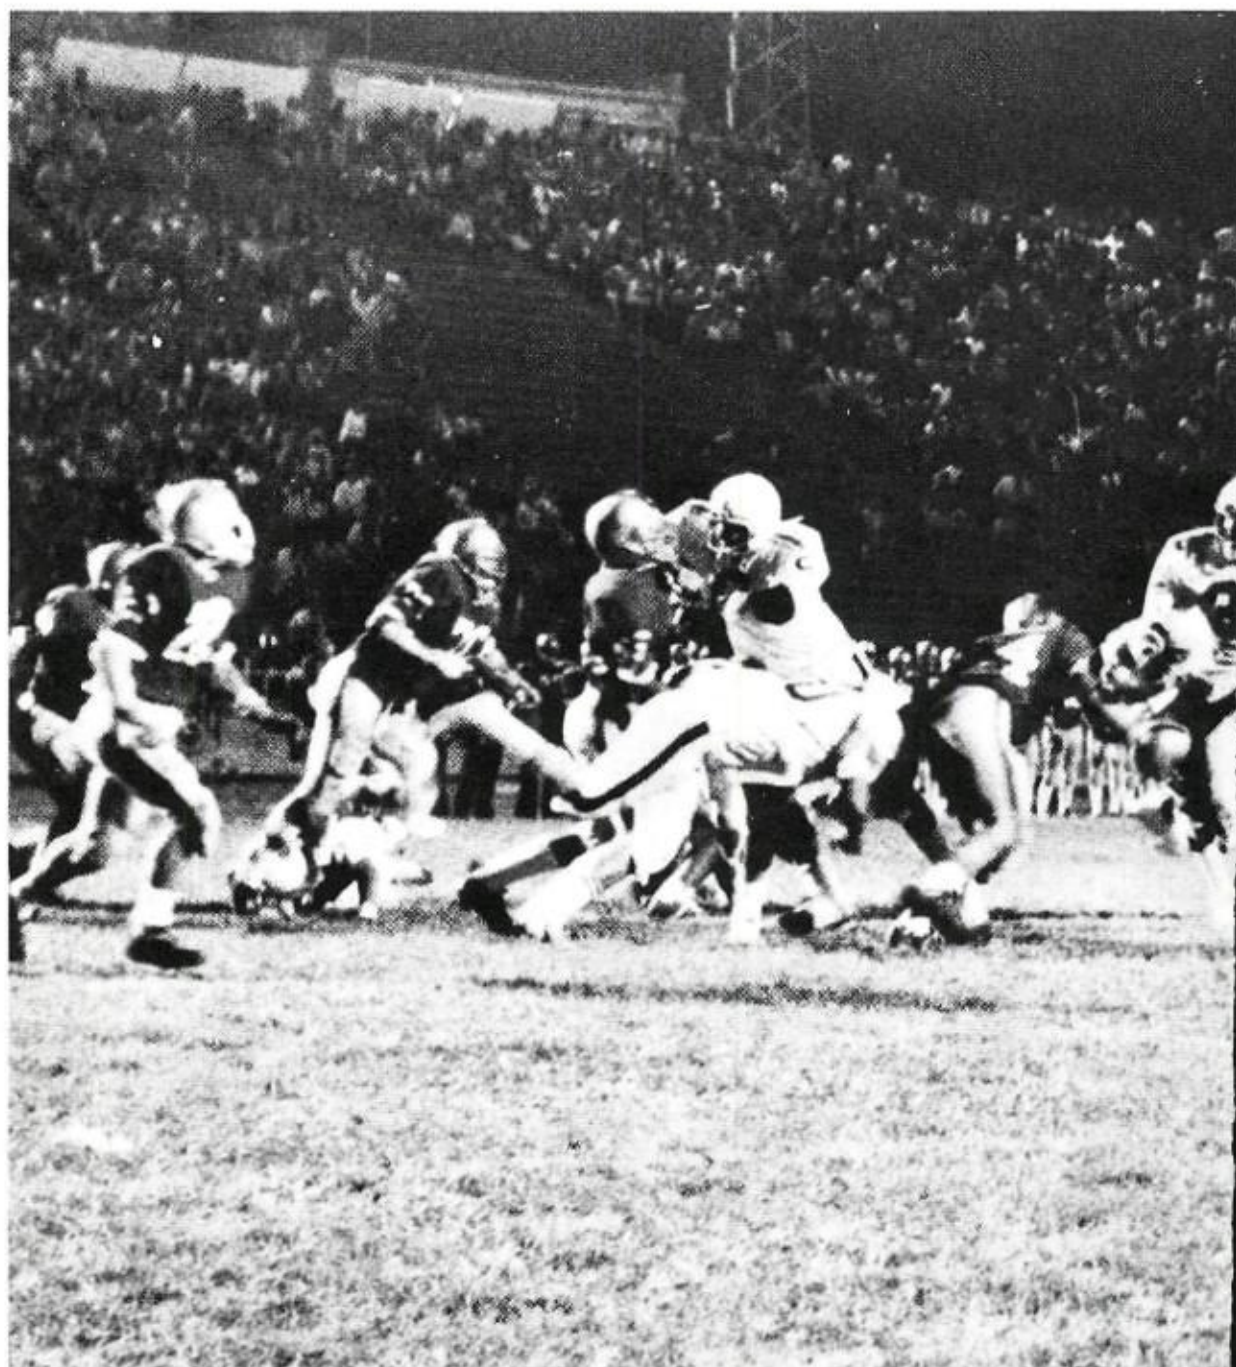

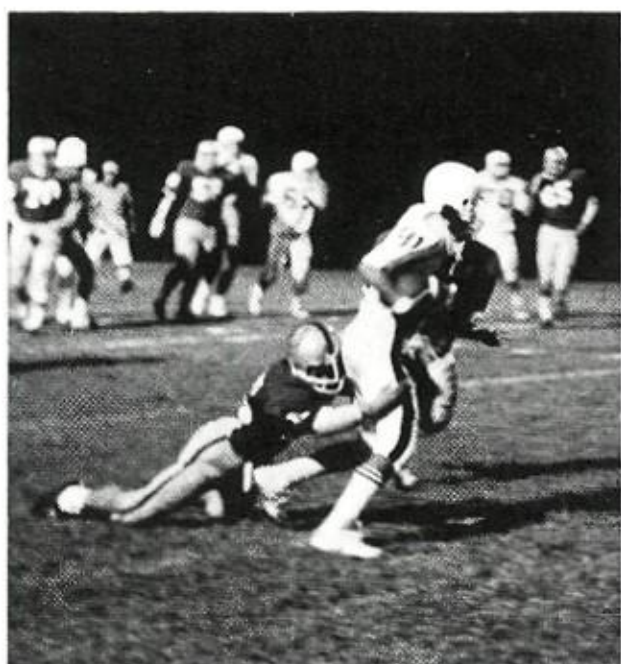

and then played brilliantly to almost stop the Bulls charge on the ground.

A quick offensive led by Elvis Hartsfield tallied for scores in all four periods, Hartsfield himself accounting twelve points. Backs Goodwin and Farris both lit up the board, each scoring on short plunges for the other two Owl scores.

Highlands ended an almost perfect season, nonetheless topping of the year undefeated 9-0-1 going into Bi-district play.

TOP LEFT: Bob Young guards his domain.
TOP RIGHT: A fitting end to district play.
MIDDLE LEFT: Brad Winkler and Mike Cordaro hustle for the ball.
BOTTOM LEFT: Jimbo does his thing.

Bobcats Finally Clawed To Death

The Mighty and heavily favored Owls went into their long awaited Bi-district game and found a determined bunch of Bobcats; but put it all together to defeat South San 27-17.

Elvis Hartsfield played a timed game, passing 11 times for 161 yards and scoring a touchdown from the one-yard line in the third quarter. He found Mel Castro 8 of 11 times for 137 of the 161 yards on the aerial attack. Castro also caught two that accounted for twelve of the 27 Owl points.

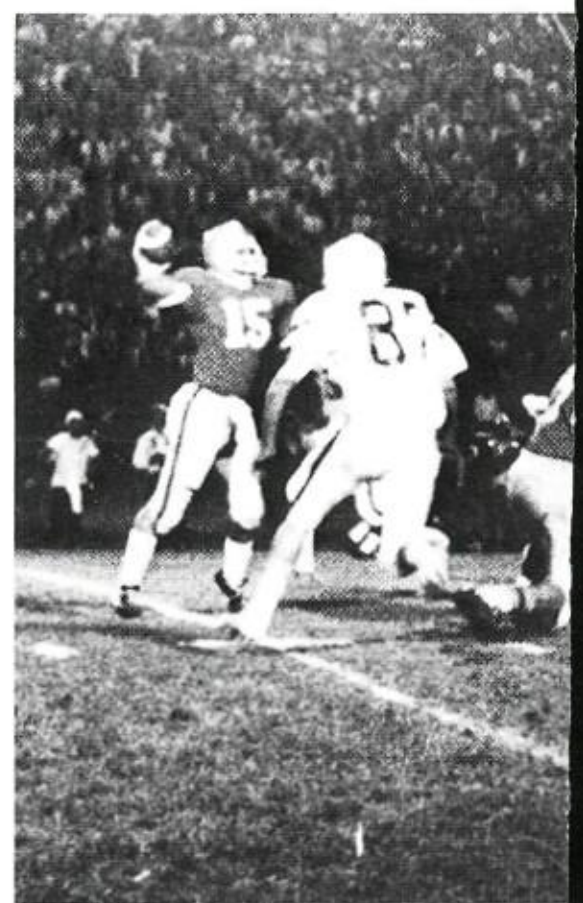

Backs Shelton Harris and Benny Goodwin found a determined Bobcat line, as their speed was held to a stand-

still. Harris scored once and accounted for only 50 yards of the ground.

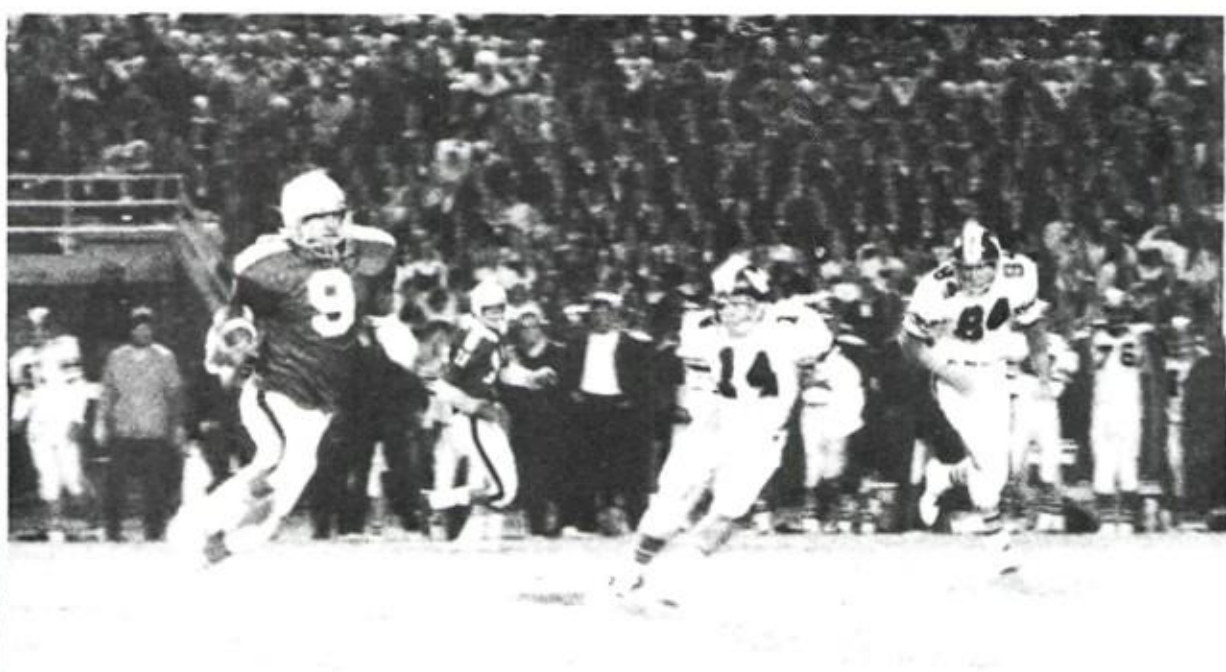

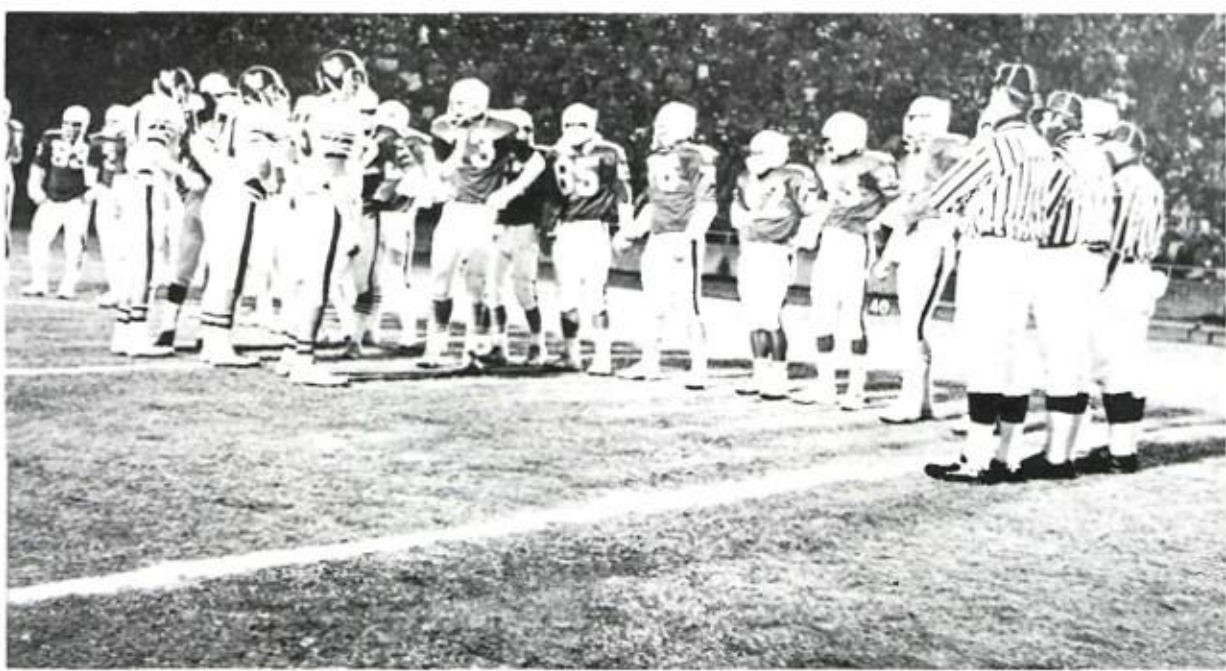

The Owl defense had only a mediocre night, holding South San to 142 yards rushing, and a brilliant 15 yards through the air, but allowed them 17 points and let the Bobcats come close in their determined upset bid.

The Owls closed the game off Bi-district champions, with a 10-0-1 undefeated record and looking ahead to the city championship against Churchill.

Owls End A Fantastic Season

The Mighty Maroon and White left the field for the last time during the 1974 season after losing the regional heartbreaker to the Churchill Chargers, 35-15.

The Owls never had a break in the below freezing wind at Alamo Stadium, as the northside bunch capitalized on every mistake Highlands made. Although the Owl receivers came up with a total of 223 yards with a fair aerial bombardment, the Churchill line held the ground attack to only 25 yards. To further complicate matters, Highlands couldn't get a first down until midway through the second quarter.

The Owls came alive in the second period and marched 69 yards in three minutes to put points on the board. The Owls wouldn't go down, as they scored again in the final quarter on a very dim and vain note.

The Owl defense never got started, as Churchill charged up and down the field, their line completely dominating the Maroon and White.

All heads left the field proud, as the 1974 Highlands Owl Football Squad proved the best in Highlands High School history. They won Bi-district honors, and, of course, runner-up city champions. They broke all records pertaining to statistics and captured a

very honorable 10-1-1 overall season record.

Highlands Split With Rough Riders

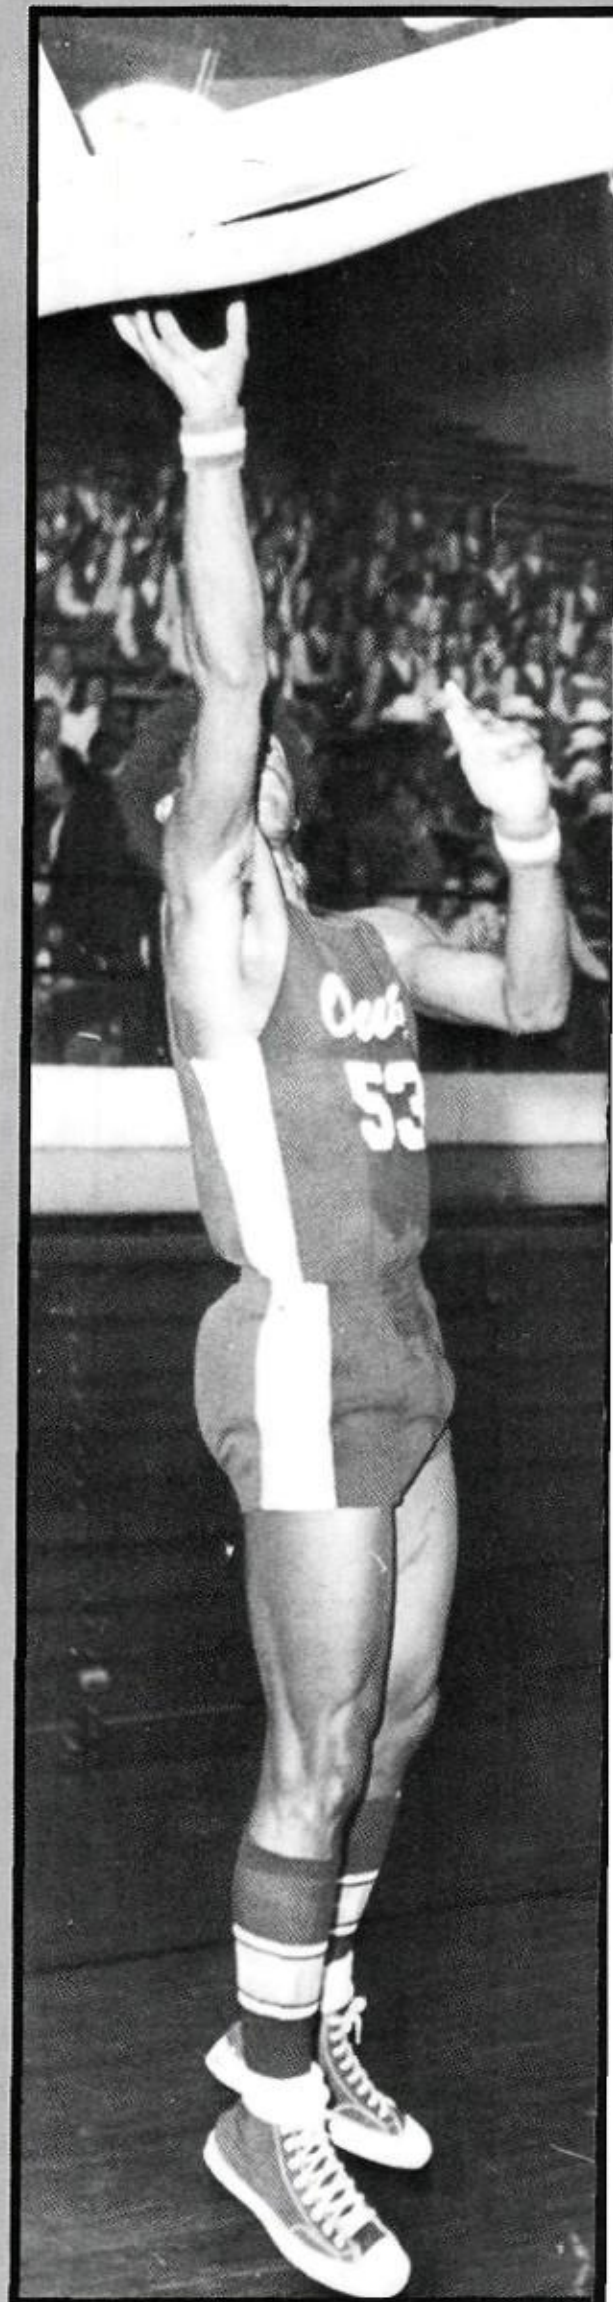

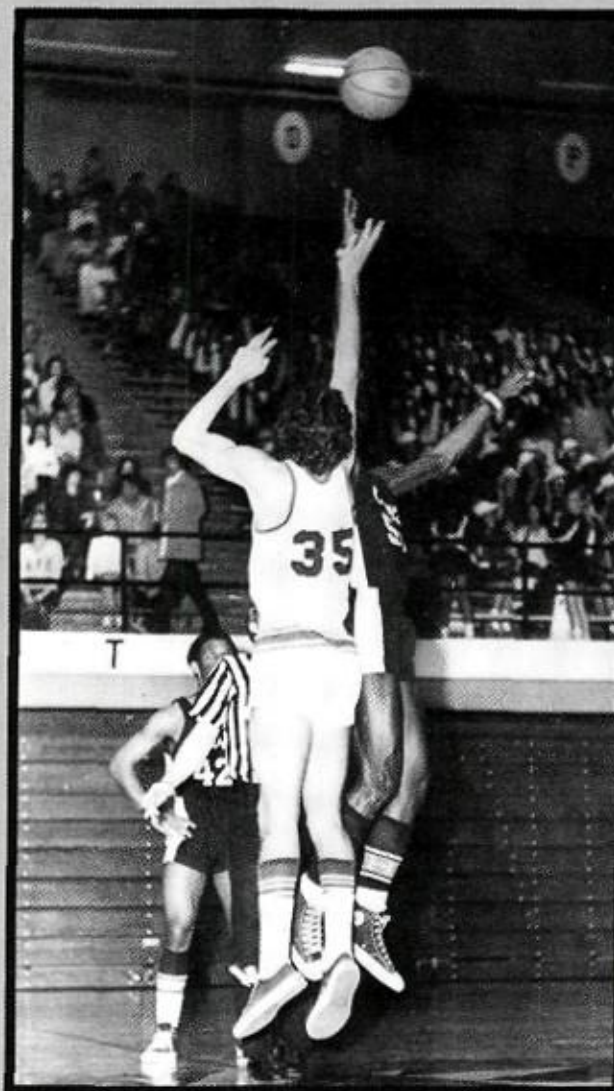

The Mighty Owls started off District 29-AAAA play in a fast crucial game by defeating the Roosevelt Rough Riders 62-59.

Highlands outlasted the Rough Riders down to the whistle as they were favored to defeat Roosevelt in their headline game. Jim Matheny led the game with a high of 28 points, followed by Johnny Bowens with 16 points and Williams with 11 points.

Highlands split its district slate with Roosevelt when they were upset 72-61.

The Owls won the first round of play on a perfect note, being rated No. 2 in the city. The defeat was Highlands' first loss in twelve starts. Matheny and Bowens were the Owls top scorers with 21 and 17 points, respectively.

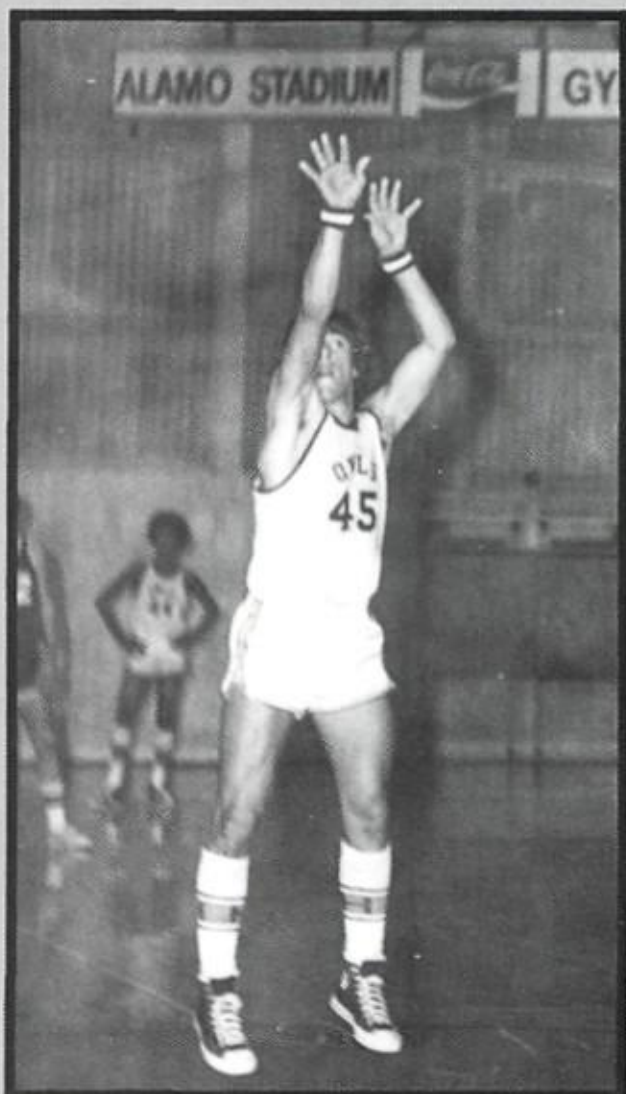

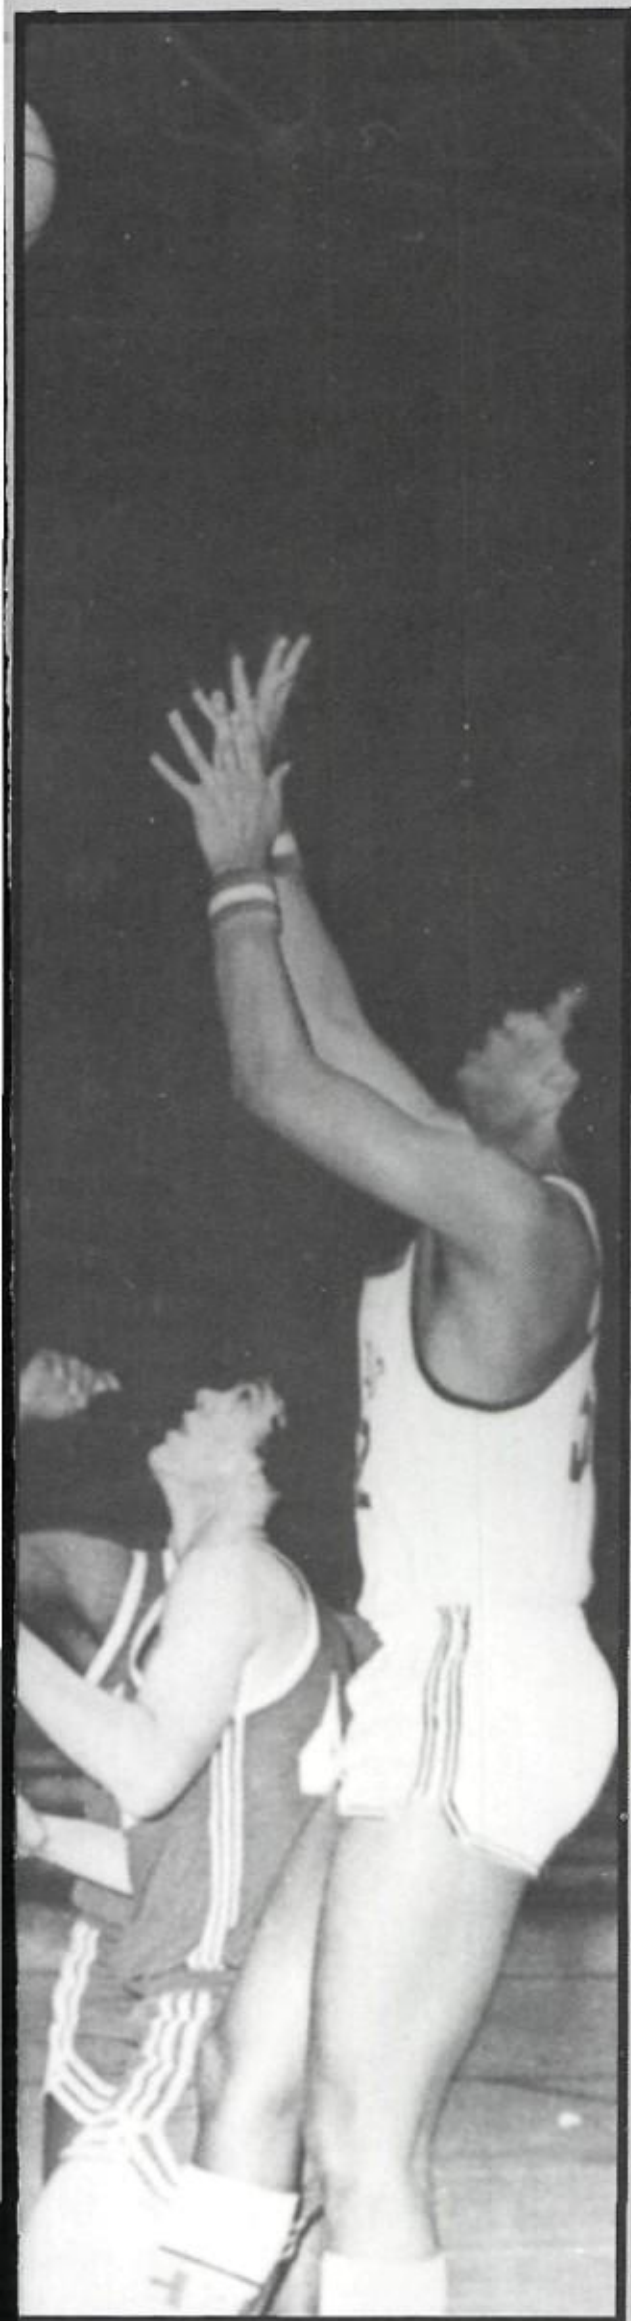

TOP LEFT: Jimmy Matheny gets above everybody.

TOP MIDDLE: Darrel Williams gets his thumbs down.

RIGHT: Tip-off is a way of life in basketball.

FAR RIGHT: Johnnie Bowens on the board.

Unicorns Pose No Contest

Highlands upped its district record to 2-0 as they stormed past the New Braunfels Unicorns in the second half to defeat them 76-59.

The Owls scored the first 17 points in the second half of the game to take the lead for keeps from a deadlock at halftime. "Jimbo" Matheny was Highlands leading scorer with 23 points.

The Owls squeezed past the Unicorns in their second look at each other 67-66.

Matheny again was the top man on the boards with 23 points, Bowens and Colby were the runners-up with 16 and 14 points, respectively.

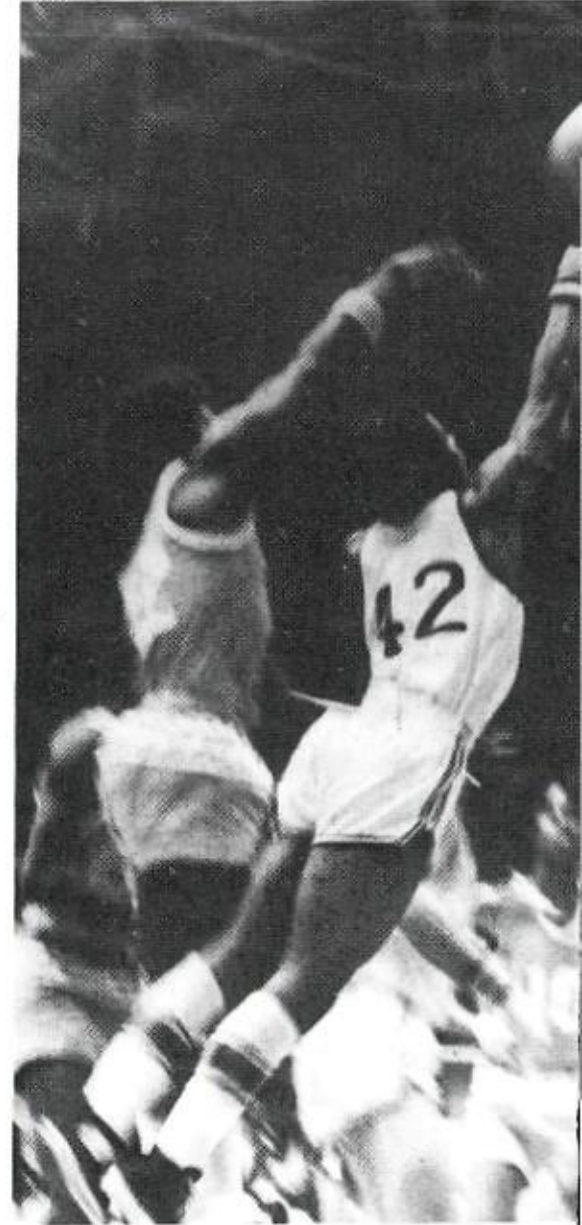

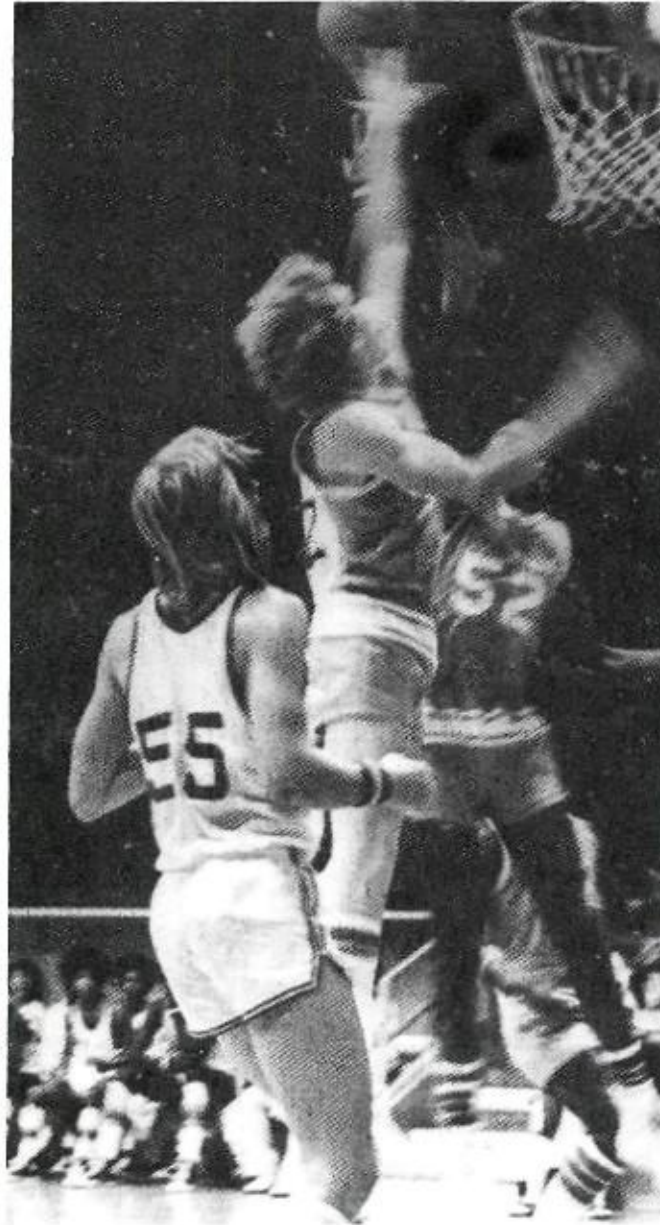

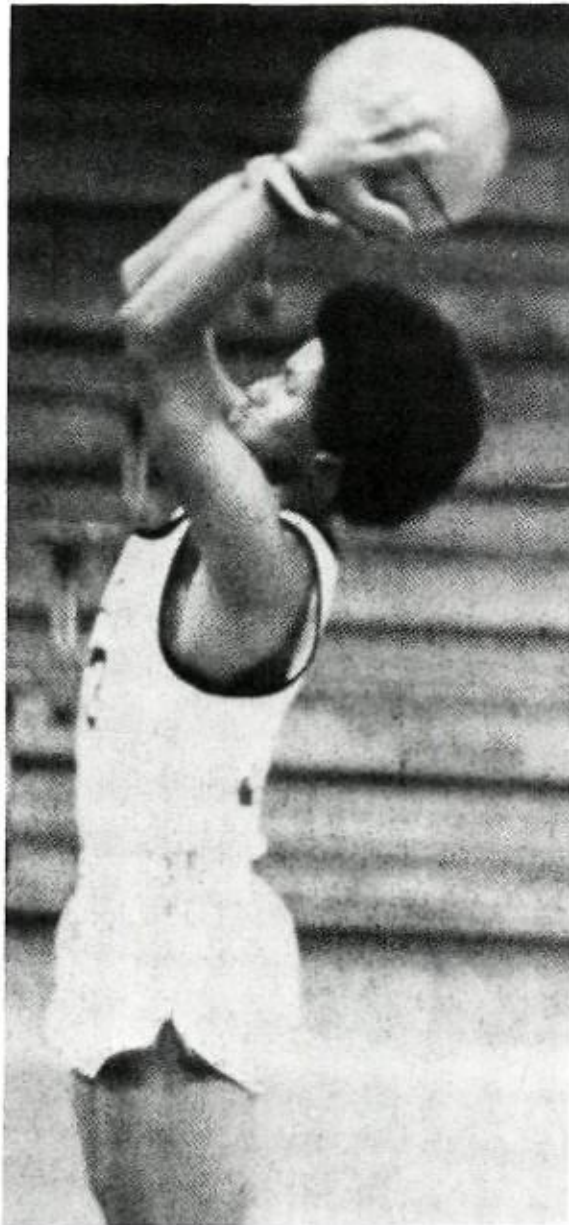

FAR LEFT: John Colby has a perfect aim all his own.

TOP MIDDLE: Colby holds hands with a Unicorn for the first time.

TOP RIGHT: Matheny gets slightly above everybody.

LEFT: Gary Holeman's hope lingers on and on.

Highlands Gore Matadors Twice

Highlands remained in a standoff tie with Sam Houston by storming over the Seguin Matadors 76-52.

Jimmy Matheny and Darrell Williams were the games high scorers with 18 points each. John Colby and Johnny Bowens split that number with 9 points each.

In their second meeting of the District 29-AAAA season, Highlands again stomped the Matadors, 72-53.

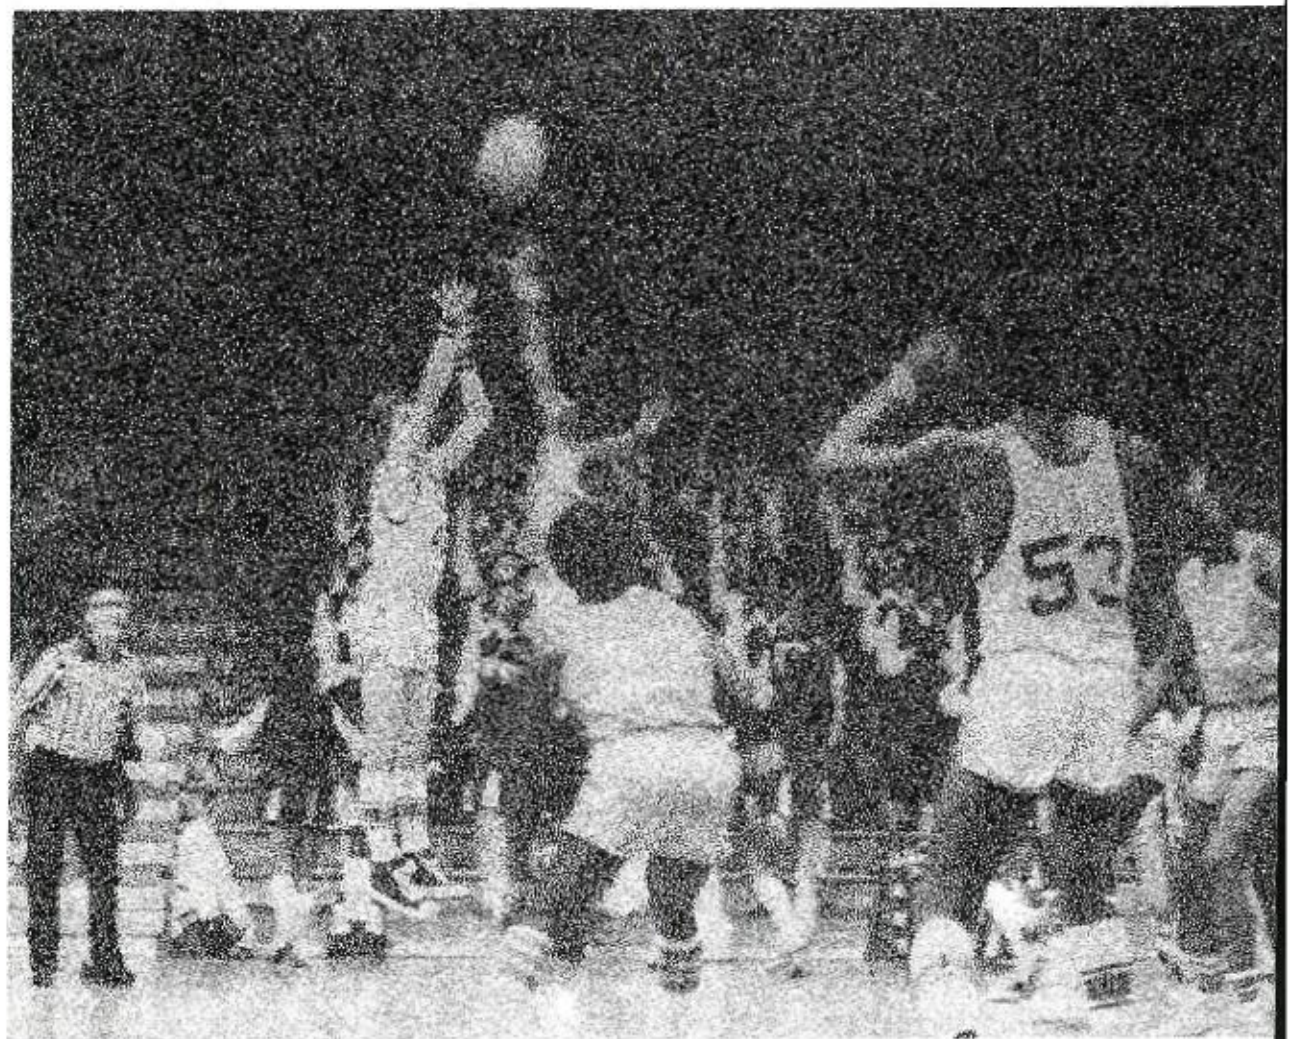

Johnny Bowens and Jimmy Matheny were the leading scorers for the Owls with 14 points each.

TOP LEFT: Rufus Lott concentrates on the board.

Indians Massacred On The Court

The Owls gained undisputed possession of first place in District 29-AAAA as they scalped the Sam Houston Cherokees 79-65.

Jim Matheny got 20 points and Darrell Williams arose to the occasion with 14 points of his own to help the Owls district bid.

Highlands took a clean sweep of games from the Cherokees as they beat Sam Houston for the second time 83-69.

Matheny was high on the boards with 25 points, followed by Bowens 18 points, and Williams 17 points.

TOP LEFT: Darrell Williams waits to set up a shot.

TOP MIDDLE: Johnnie Bowens adds to his game total.

TOP RIGHT: Clay Stolty comes up with a basketball and a Cherokee.

LEFT: Matheny gets his hand in for the tip-off.

Owls Clean Bulls' Pen 72-60 and 76-65

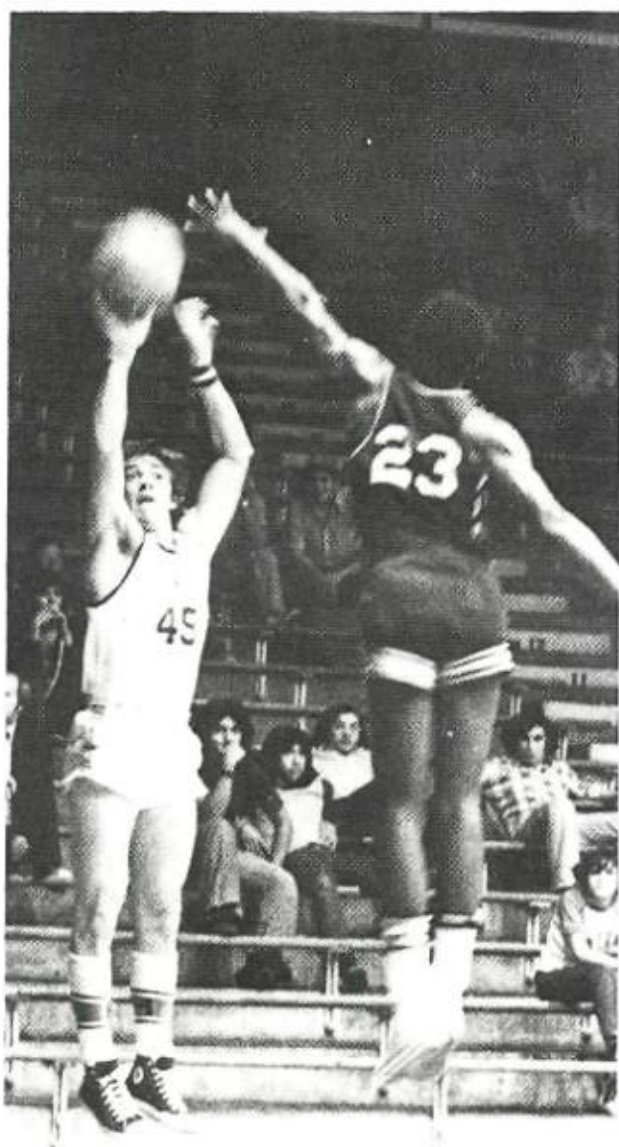

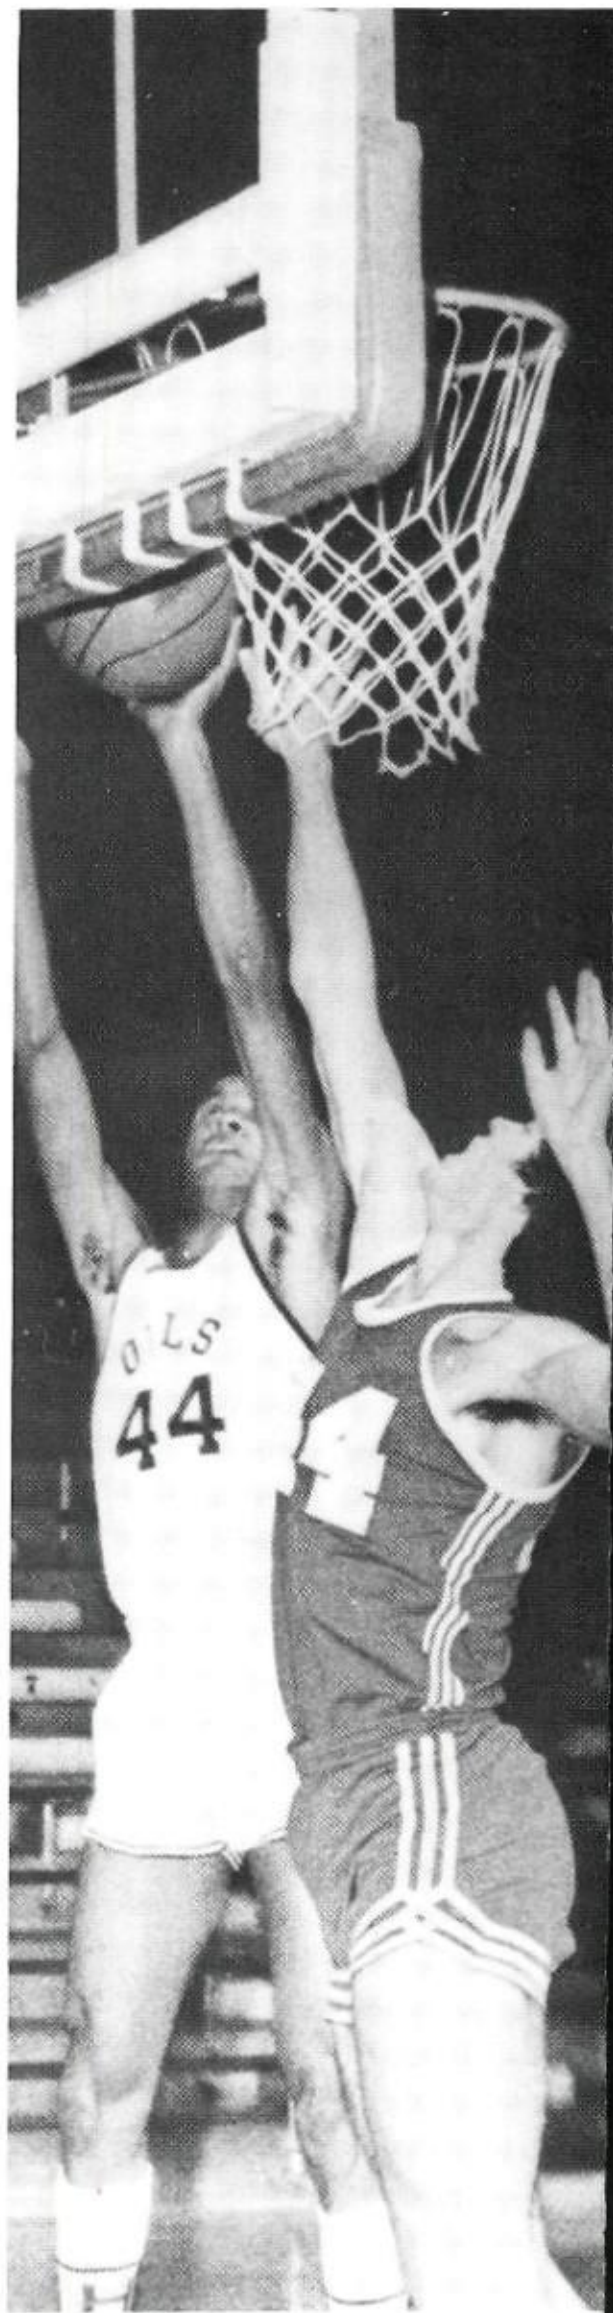

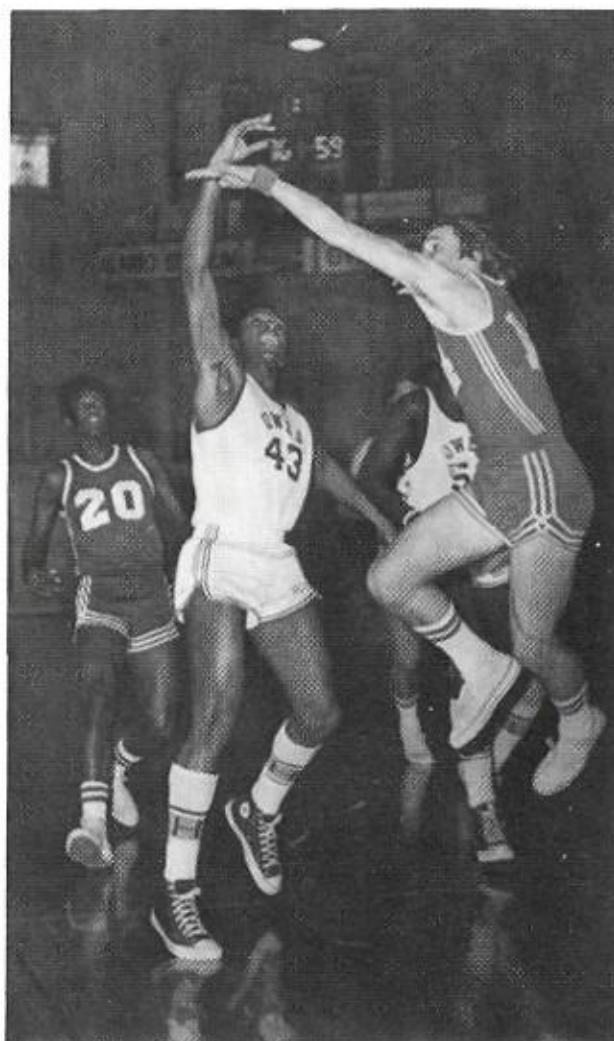

The Maroon and White Bunch, led by the fantastic shooting of Johnnie Bowens, stomped all over MacArthur 72-60. It was the Owls fifth district with no defeats.

Bowens hit the boards for 27 points, followed by Colby, 14 points, and Williams and Matheny with 10 points each.

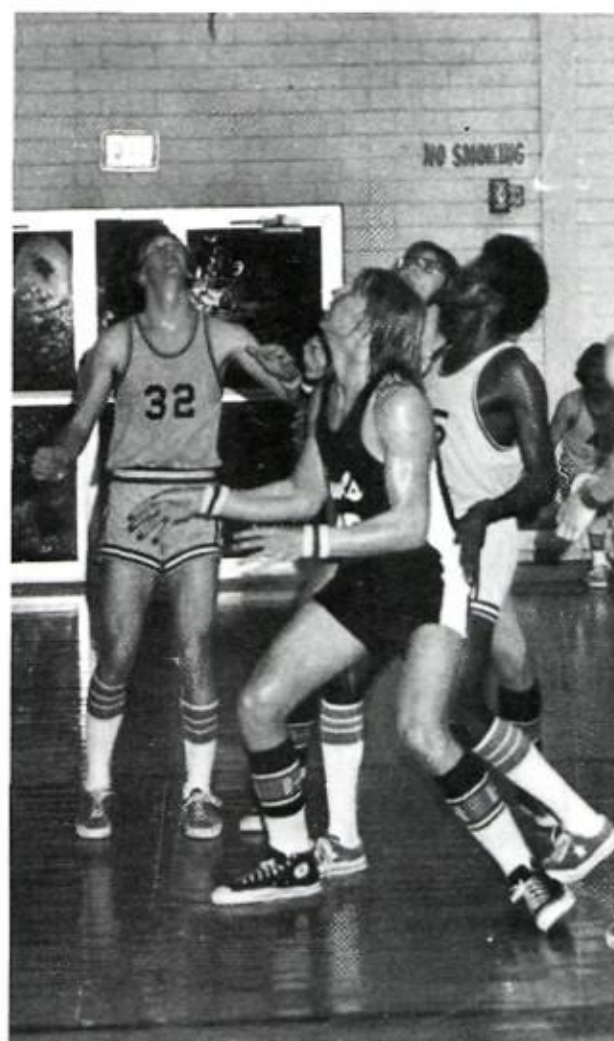

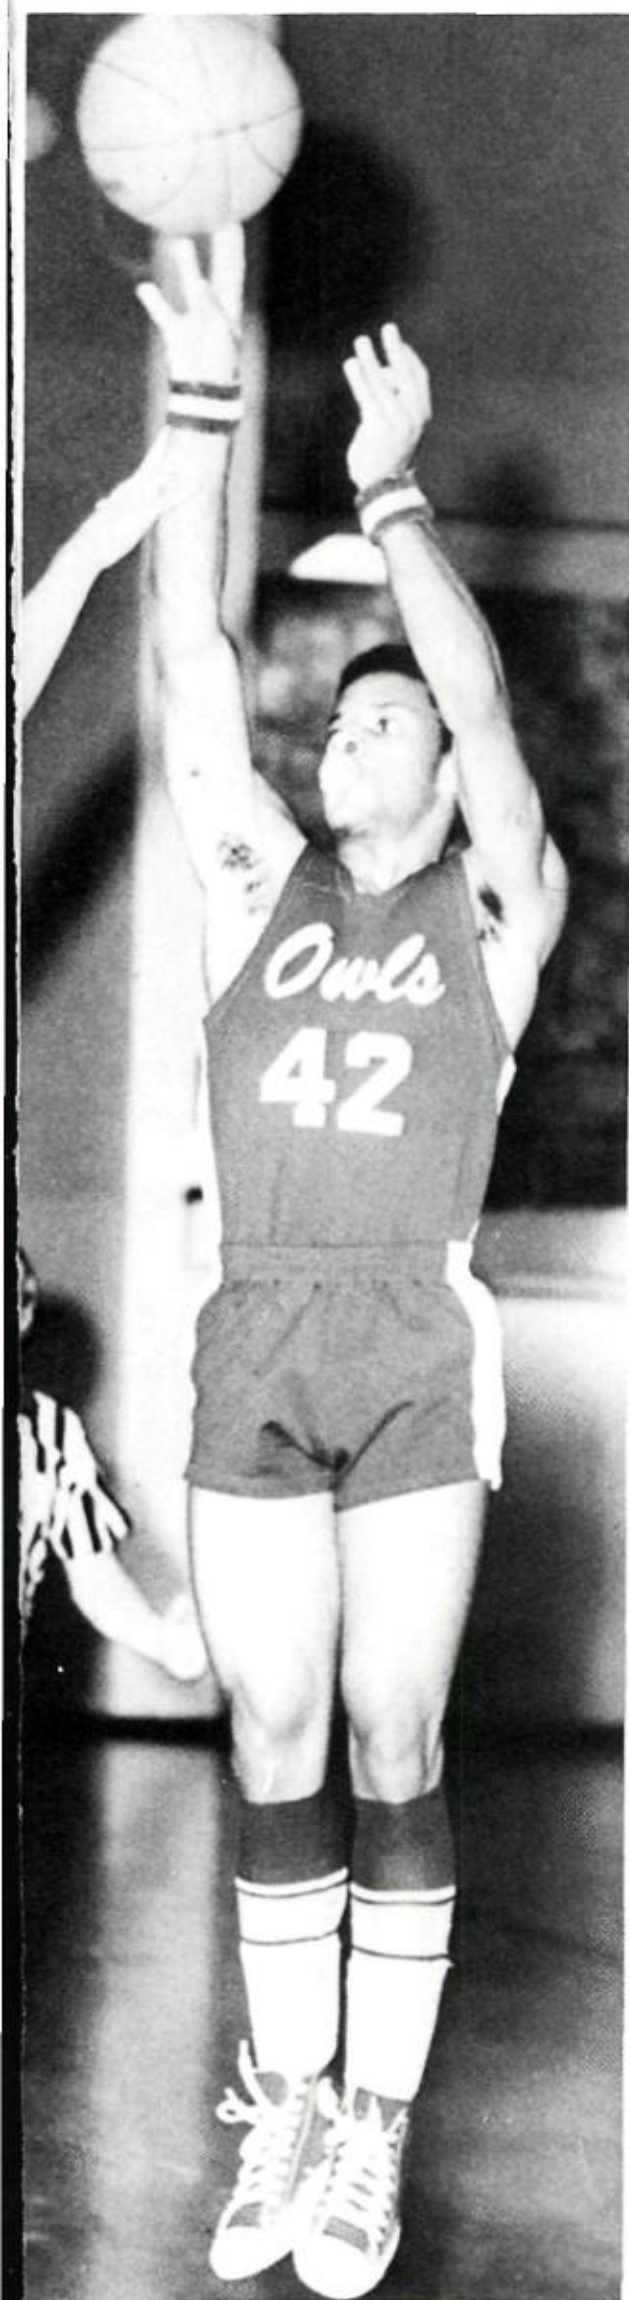

Highlands blasted itself into a tie for the second round lead by snuffing the Brahmas off the court, 76-65.

Johnnie Bowens and John Colby led the Owls to the net with 22 and 21 points, respectively.

RIGHT: Darrell Davis rolls a good hook shot.
FAR RIGHT: Edgar Evans "pushes" one through.
BELOW: John Colby squares off against a Brahma.

Owls Win 29-AAAA Championship

The Highlands Owls rolled the Judson Rockets off the court 87-62. The win sewed up the first round District 29-AAAA championship.

John Colby, Jimmy Matheny, and Johnnie Bowens led the scoring for the Owls with 20, 21, and 18 points, respectively.

The Owl Cagers sacked up the District 29-AAAA title, demolishing the Judson Rockets, 105-44. The win will advance Highlands into a play-off berth in bi-district.

Johnnie Bowens and Jim Matheny were high scorers for the Owls, with 14 points each. Six Owls hit double figures, and every player that set foot on the court put points on the board.

LEFT: It's almost got it made.

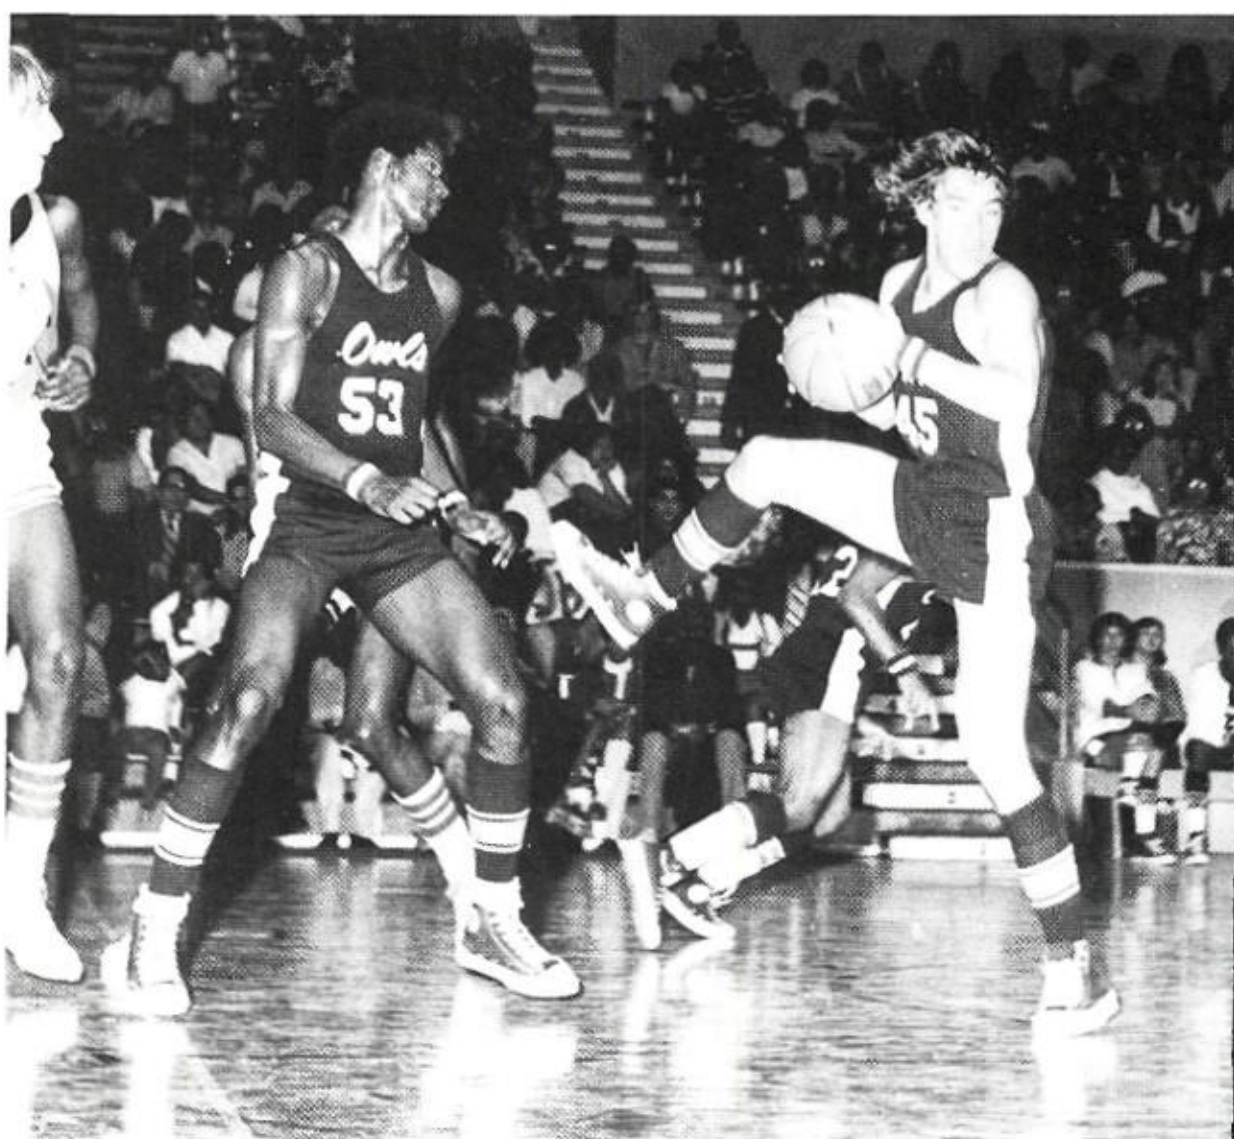

FAR LEFT: Darrell Williams shootin' straight up and down.

BOTTOM MIDDLE: Everybody wants the big round ball.

BELOW: Johnnie Bowens gets the biggest slice of the ball.

End To A Fantastic District Season

Highlands finished off its first round of play 7-0 by defeating the San Marcos Rattlers 68-58.

Jimmy Matheny led the charge for the Owls, scoring 24 points of his own. Colby and Williams followed with 17 and 14 points, respectively.

The mighty and victorious Owl Basketball Team then completed a superb district season, taking the lead in both rounds and winning the District 29-AAAA crown, by defeating the Rattlers again 91-75.

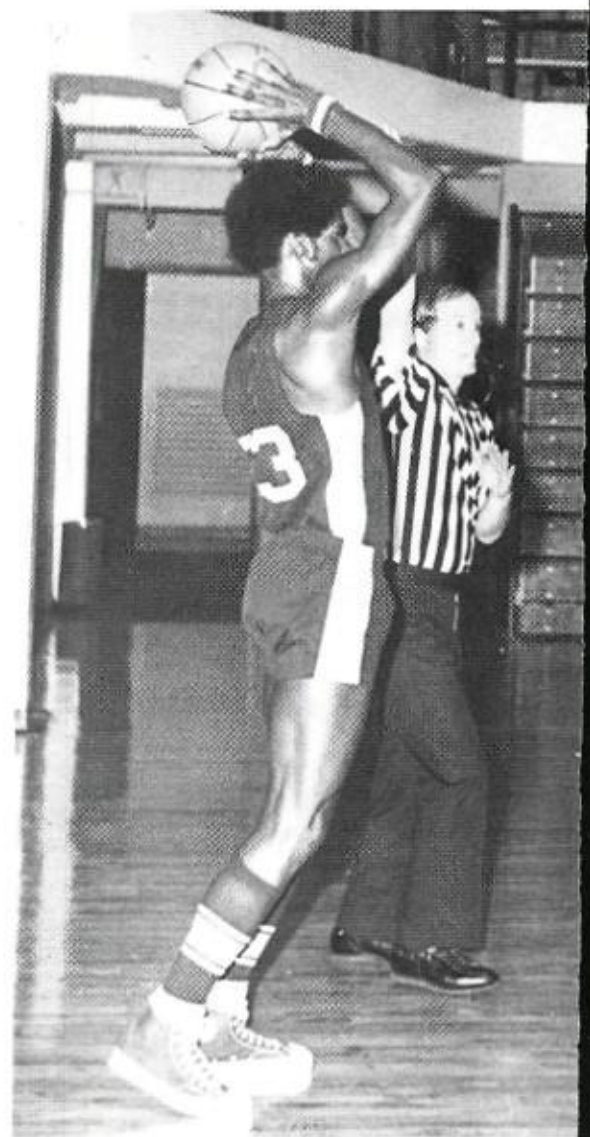

Johnnie Bowens led the scoring, along with four other Owls who hit the double figures. The next step for the Owls is a bi-district tune-up game with the state champs Houston Kashmuir in Houston before facing a bi-district foe in San Antonio.

TOP LEFT: John Colby sets up for a shot between two snakes.

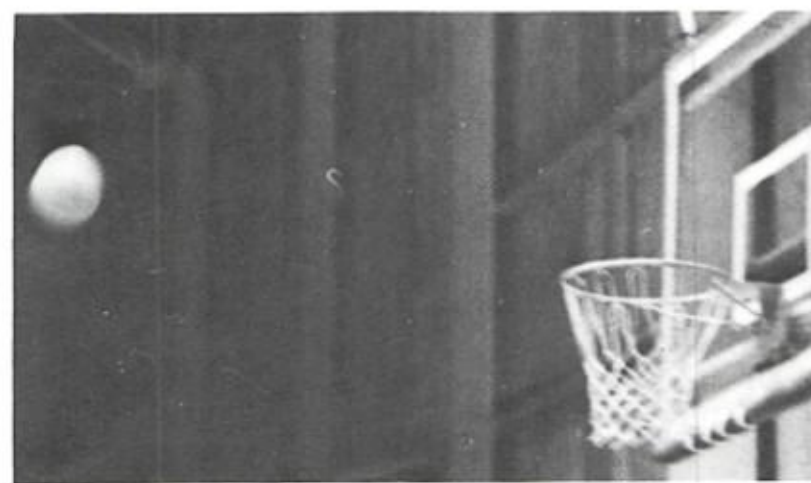

TOP RIGHT: Colby comes down with another rebound.

RIGHT: Clay Stolty is all arms.

FAR RIGHT: Johnnie Bowens puts one in play.

Q. And S. Elects New Members

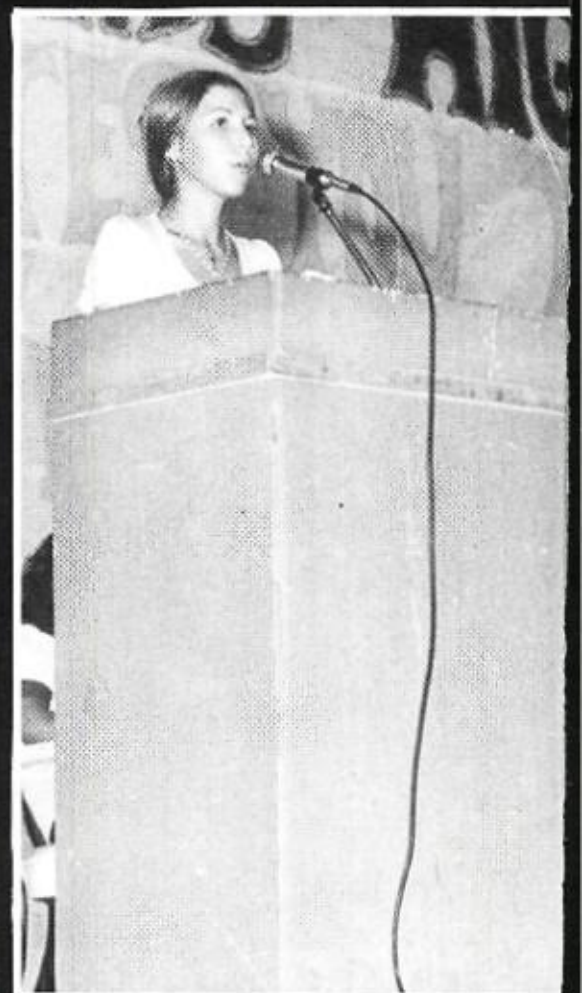

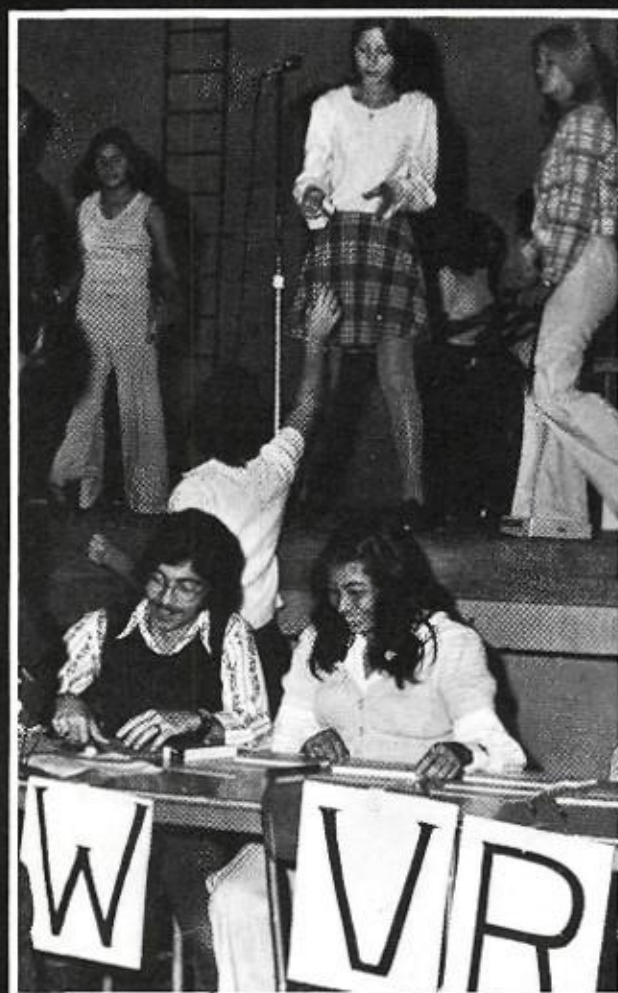

Student Government

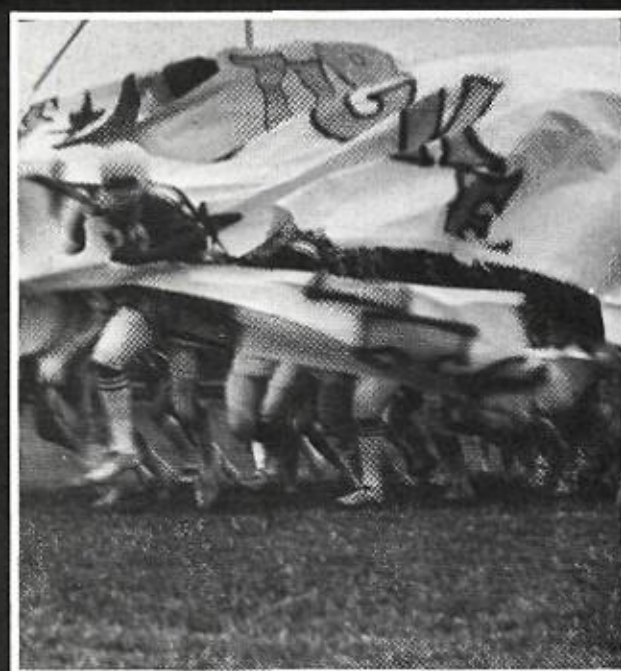

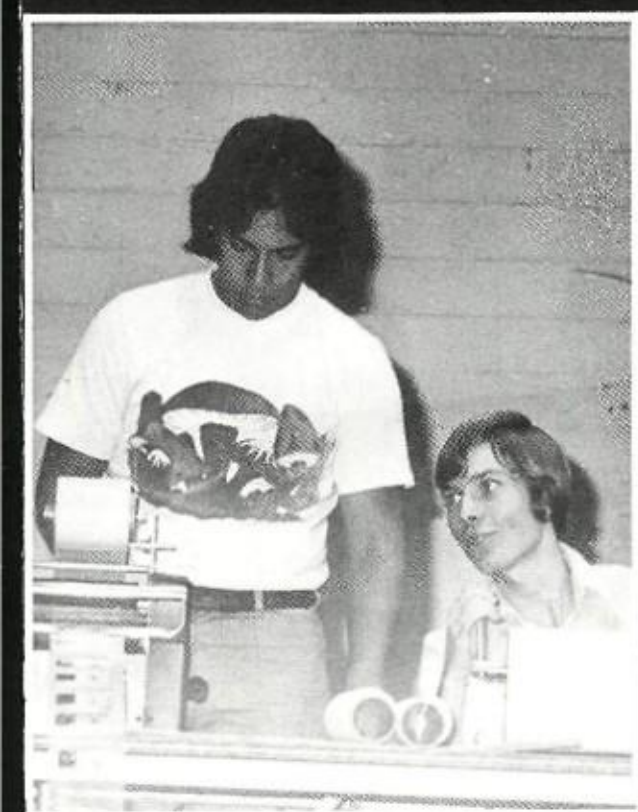

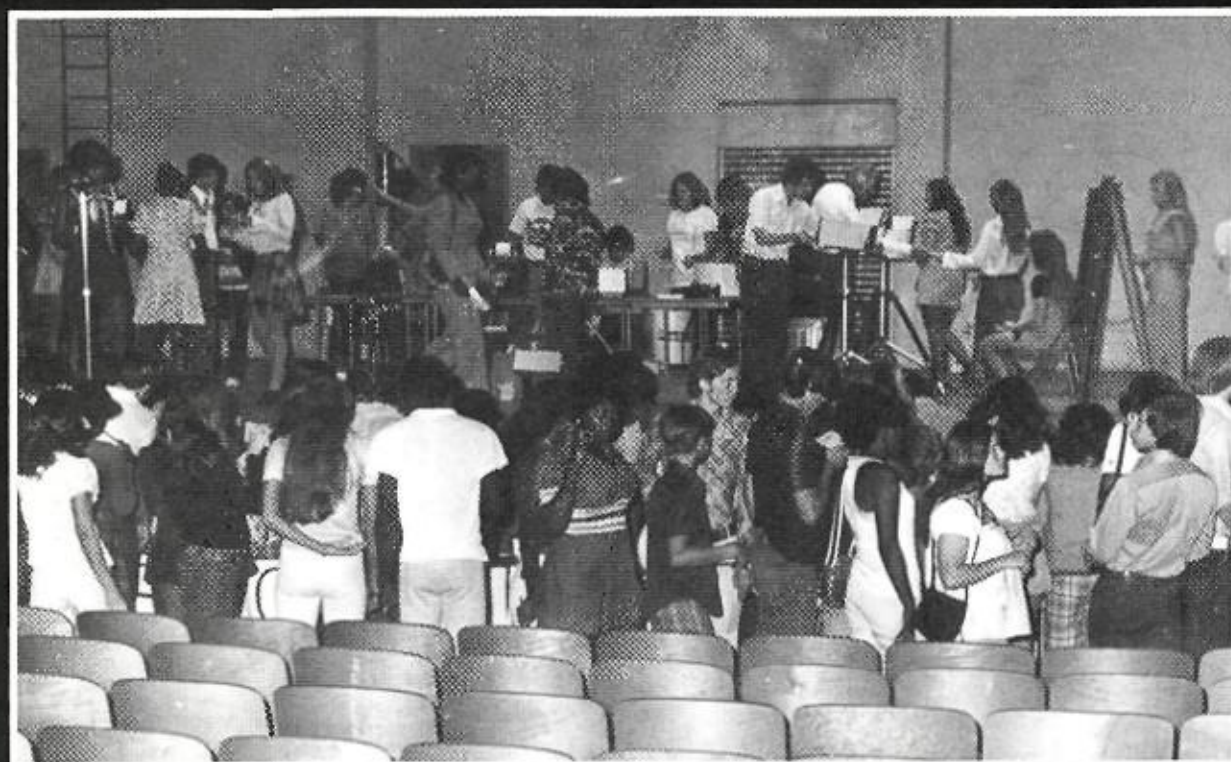

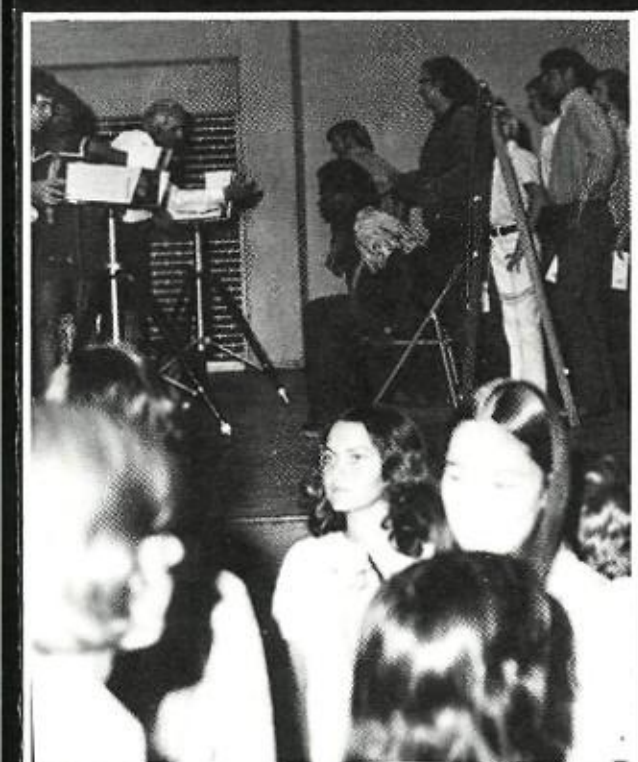

Some of the main purposes of Student Government are to coordinate school activities and promote school spirit and pride. Members of Student Government represent Highlands' students and develop a sense of leadership and responsibility which they attempt to transmit within the school.

Throughout the year, Student Government members work in the Student Store selling folders, notebooks and other school supplies. They sponsored one of the biggest events of the year during football season — Spirit Week. Other activities sponsored by Student Government include student I.D.'s and the selling of Spirit shirts.

Student Government Backs The Owls

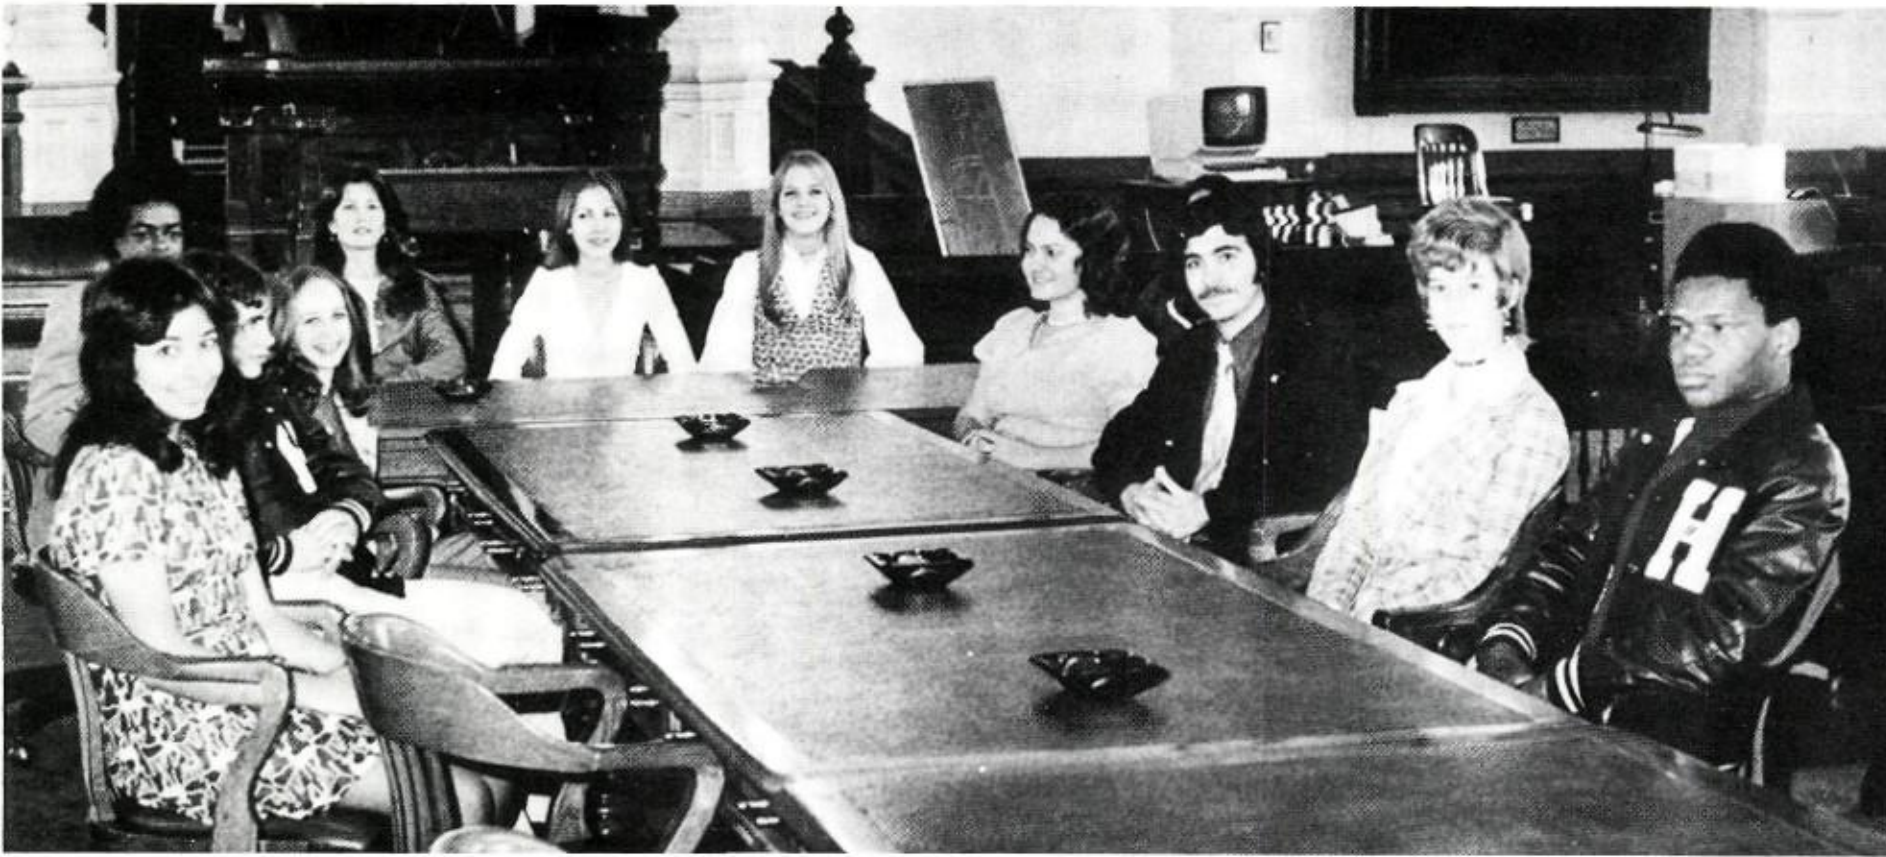

Spirit Week is one of the biggest projects for Student Government. Student Government sponsors activities such as teacher dress-up day, student dress-up day, and "Happy Days" where students dress up in the styles of the '20's, '30's, '40's, and '50's. Student Government also sponsored a teachers' tricycle race, and a pep rally at McCreless. A Spirit Mixer dance concluded the week's activities. Spirit Week was planned, coordinated, and carried out by the members themselves.

A Year Of Changes For Student Council

At the end of the first quarter, Student Government changed its name to Student Council, to be in accordance with the Texas Association of the Student Council Constitution which states that an organization calling itself Student Government cannot become a member. The name change brought about eligibility for participation in state conventions, summer workshops, and leadership training centers.

Stage Band Sets The Mood

The Stage Band, one of the main performing groups at Highlands, performed for many activities this year. Members provided entertainment at the Band Mexican Suppers. They played at various parent and district meetings and at scheduled concerts. The Stage Band also competed in the A&I Stage Band Festival and the Fiesta Stage Band Festival at Burbank High School.

This year's Stage Band was expanded by using more instrumentation such as flute, clarinet, and french horn, allowing them to perform a variety of music not covered in regular stage band music.

TOP: Mr. Lawrence Zoller leads the Stage Band as director. TOP RIGHT: The Flute section is a new addition to the Stage Band. CENTER RIGHT AND BOTTOM: Many hours of practice are required before perfection is achieved. LOWER CENTER, LEFT: The Stage Band performed new music at the Christmas concert. LOWER CENTER, RIGHT: Sam Rios provides the bass line.

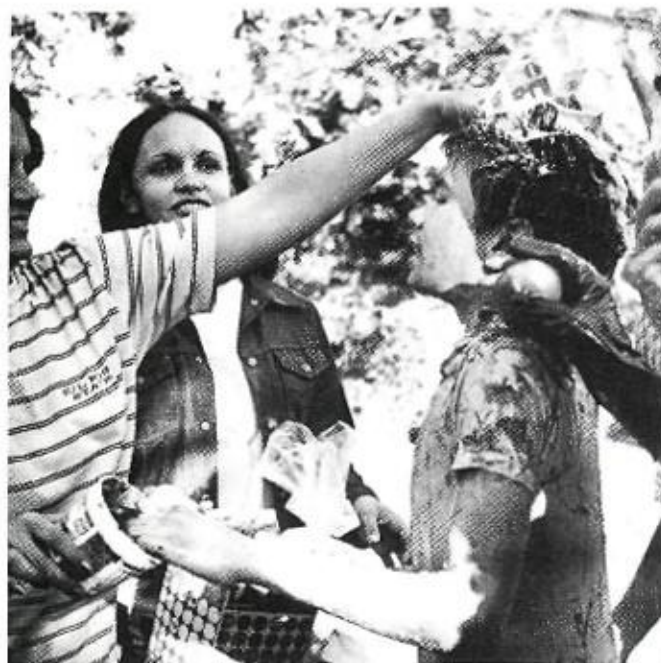

Although performances play a big part in the band program, practice plays an even larger part. Band members work hard toward a common goal of perfection and can't relax until after concert contest. Besides the regular band period, members come before school for many hours of practice.

TOP, CENTER AND BOTTOM RIGHT: The first group or Symphonic Band, shows their dedication by coming early in the mornings. They are under the direction of Mr. Byron Walters. ABOVE: Mr. Lawrence Zoller is the director of the second group or the Concert Band. BOTTOM LEFT: The Concert Band also comes early in the mornings to work for perfection on their concert music.

Initiation . . . A Night To Remember

One of the biggest traditions of the Highlands Band is initiation. This takes place the night before the first out of town game. The freshmen (first year band members) are taken to an unknown place and are initiated by the Senior band members. Afterwards, freshmen are taken to a carwash, where they are "cleaned-up" and are later taken home. This ends another "fun-filled" night of excitement.

ABOVE: Freshmen are inspected before leaving to initiation site. TOP RIGHT: Freshmen don't seem to have as much enthusiasm about initiation as the Seniors do. FAR RIGHT: Billy Goodenough's stomach has a leak! MIDDLE: Marlon and Mike Canales appear to be enjoying their plight. LOWER CENTER: Laura Staggs just got out of "The Bathtub." BOTTOM: Jerry Anderson has only started to join the fun.

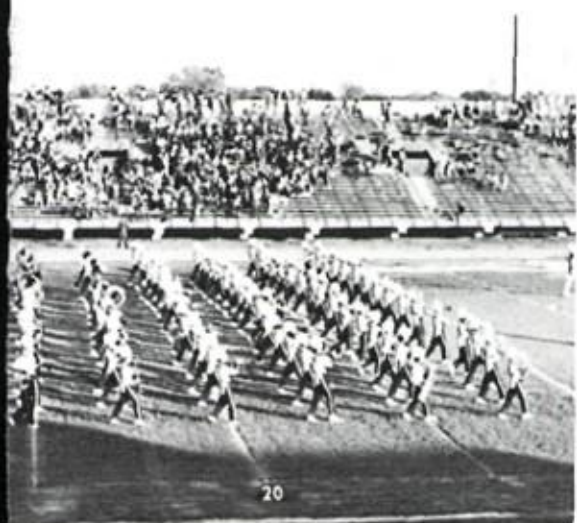

Highlands Band — Spirit, Pride And Unity

To Highlands Band members, band is more than just another four-letter word. The word, band, carries a lot of meaning with the members. Band members have a feeling of pride whether marching on the field or playing in a pep rally. Within the program, is a unity and closeness that in itself forms a band.

Throughout the year, many money-making projects are sponsored by the band. Two Mexican suppers were held. A haunted house was built, painted, and decorated by band members. A movie was shown in connection with the haunted house. Several burger bashes were held at local chains. Admission was charged at various concerts, and first year band members sold spirit ribbons. This money went for the band trip held at the end of the year.

Organization . . . It Is The Best Right on!

A Year With The Brigade

Being one of the largest spirit organizations at Highlands, the Brigade is constantly showing pride and loyalty in the school. Members generate interest by honoring the athletes in various ways. The Brigade performs in halftime shows and were more inspired by them than ever before. Movies were made of members at five of the football games. Once every five years, the Brigade is invited to march in the Battle of Flowers Parade and this was their year to march. At Christmas, a choir is formed which is under the direction of Mr. Lawrence Burnett.

In order to raise money, the Brigade sold Christmas cards, held burger bashes at local restaurants, and had the annual barbeque in September. There was a magazine subscription sale and the money raised went for the banquet held in May. A dance clinic was held at Highlands and dance teams from all over the state attended.

Brigade Clowns Around For The Spurs

On January 25, the Highlands Brigade performed a half-time for the Spurs Spirits game. Mr. Tim Shively extended the invitation to the Brigades. Almost 200 students and faculty members from Highlands enjoyed the show.

They did routines to recorded music. The dancers did a clown dance while the marchers wore ring-masters outfits and did a parachute routine.

ROTC, An Organization Training For The Future

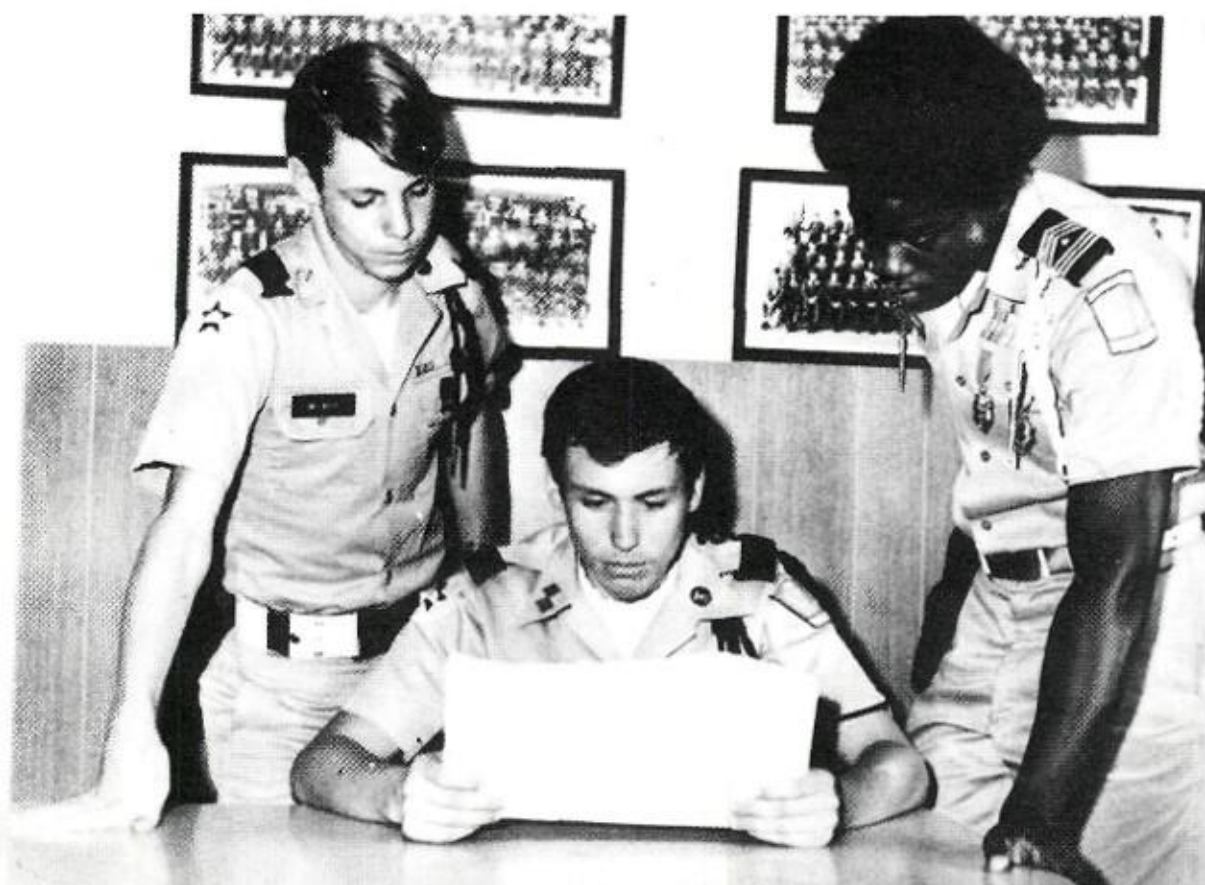

The ROTC is an involved organization which through its members aids Highlands with service and competition. This is noticed when members stand guard and usher at football games.

Yearly the ROTC has a Federal Inspection from officers at Fort Sam Houston. They also have Rifle team competition with other schools.

Through ROTC's dedication to Highlands High, we can breathe easier because they are on the job making our school a better place to be.

Choir Vocalizes Musical Leadership

The musical voice of Highlands High, the Highlands Choral Department was made up of three groups, the Girls' Choir, Mixed Choir, and Symphonic Chorale. They were active in many ways. Four concerts were held during the year. Concerts included a parent concert in October, a Fall-Xmas Concert, a spring concert, and a rock concert in April. Work projects for the year included a car wash, a cake sale, candy sales, paid concerts, and an old-fashioned carnival. Other activities were a Christmas Party and a Farewell Banquet.

Choir Sets Christmas Spirit

The Choral Department of Highlands presented their annual Christmas program along with the band at the student Christmas assembly on the 20th of December. They performed at an evening concert, too.

Choir Students Compete In Contests

This year seven choir students participated in the Texas Music Educators Associated Tryouts. They were Rodney Roberts, Jeff Wauson, Andy Ramirez, Sandy Williams, and Diane Hefner. Of these five, Rodney Roberts and Diane Hefner were chosen to be members of the area choir.

The Choir students participated in another contest, too. The University Interscholastic League Solo and Ensemble Contest. Nineteen choir students attended.

Throughout the year, the choir has many activities. These include four major concerts — a Fall Concert, a Christmas Concert, a Spring Concert, and a Rock Concert. In addition, the choir performs at many community activities.

This year members of the choir sang at nursing homes, at the different malls throughout the city, and at churches.

This year, the choir was one of four high schools in the city to be picked to make a tape of seasonal music to be aired during the Christmas holidays on KITE radio. The choir also played a major role in kicking off the first annual "Music In Our School Days," sponsored by the Music Educators National Conference.

Highland Players Work Hard To Entertain Students

The Highland Players is a group of young people who devote long hours of work to make their stage productions as successful as they can be. These people have one thing in common, a sense of purpose, and the purpose of the Highlands Players is to bring entertainment to the public. The Highland Players are nationally recognized as members of the International Thespian Society, The American School Association of High School Thespians, Southwest Theatre, and Texas Section Theatre Conference.

Thespians Present "Eclipse,"

The Thespians are a member of the National Honor Society of Dramatic Arts. They have been recognized by the International Thespian Office and were awarded superior ratings at the third International Theatre Association Convention in Muncie, Indiana this summer.

The Thespians' first production this year is the rock musical Eclipse, which was written by the cast themselves. Stage Production benefits make up lighting and sound.

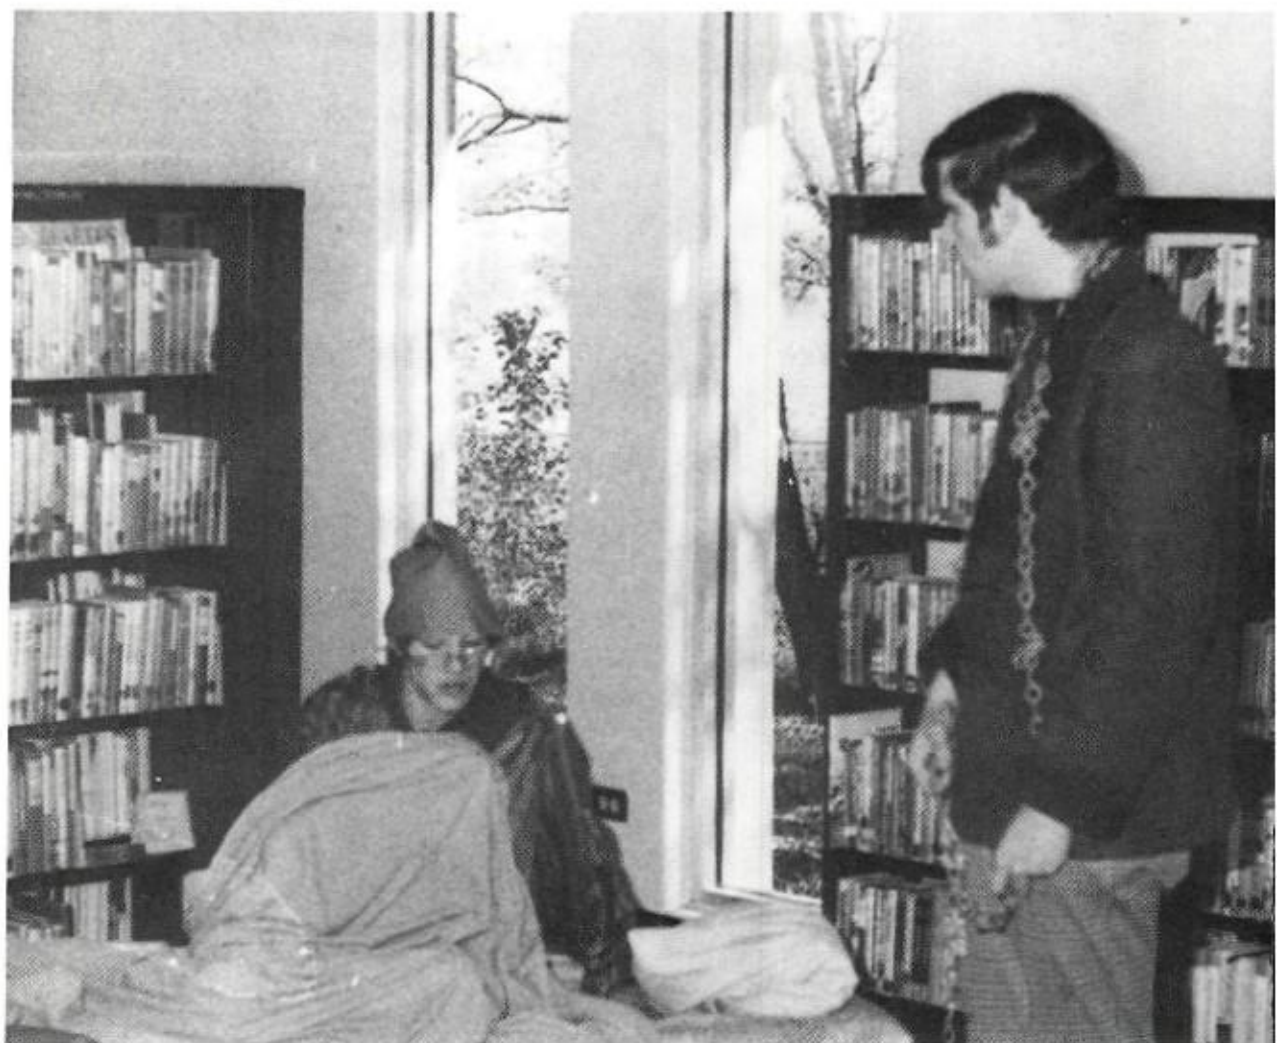

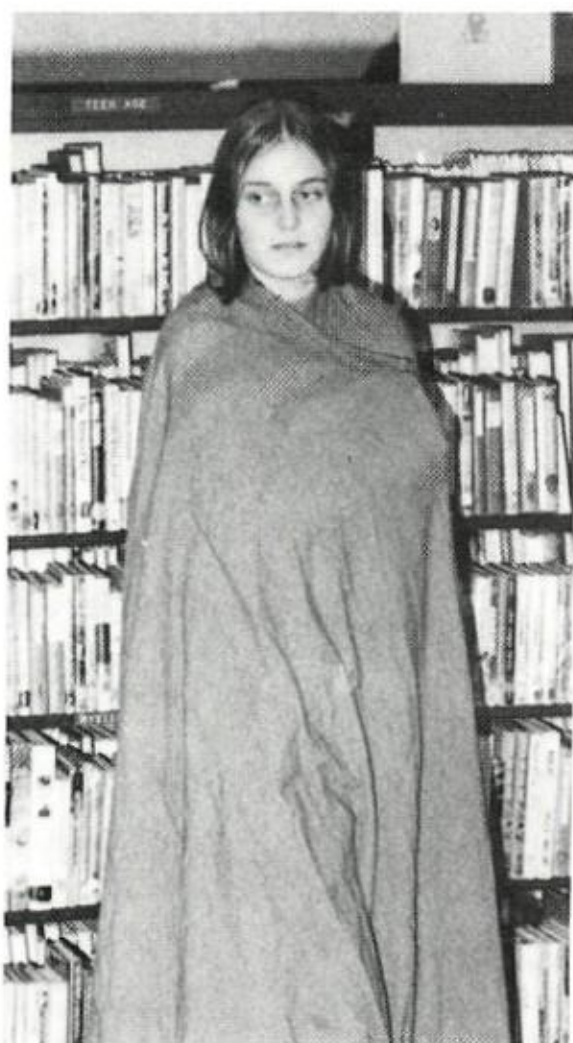

This year the Thespians have a new sponsor, Miss Mary Holm.

German Club Members Group Up

Before Enjoying Wurst At The Fest

The German Club is an organization here at Highlands that promotes the understanding of German culture. All the activities reflect the purpose of the club in that they have something to do with German life.

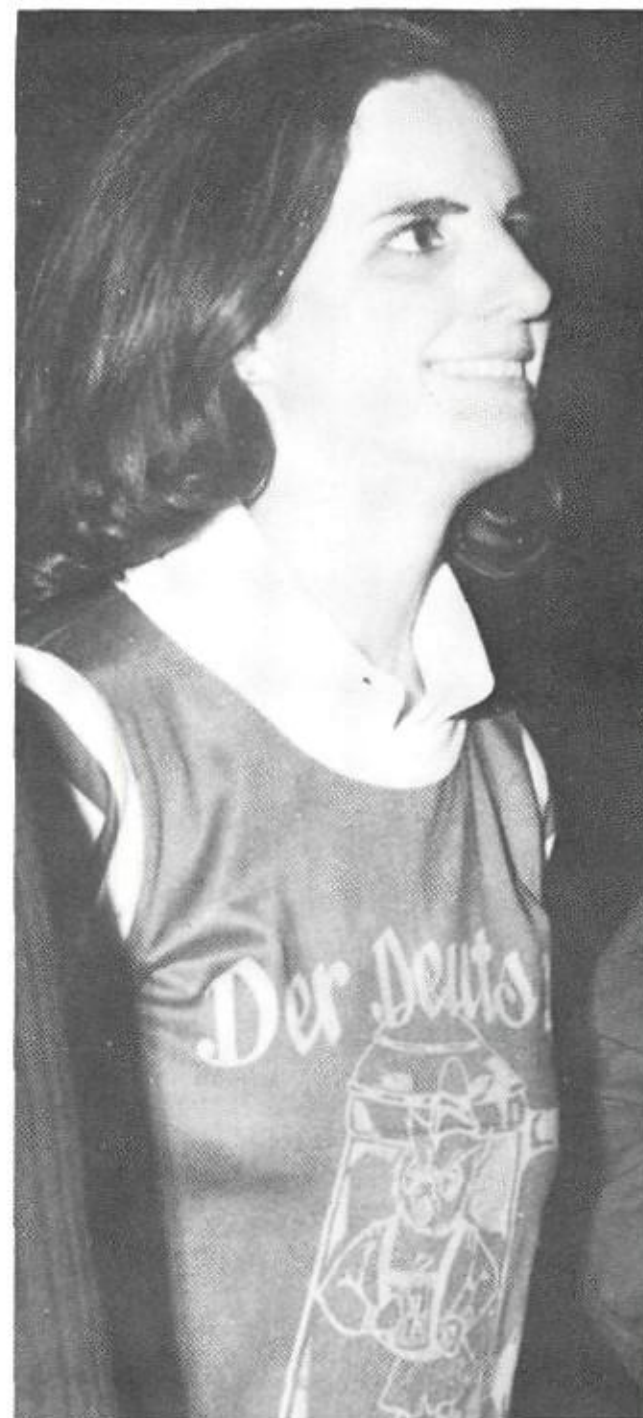

The club has one activity per month. These activities usually run parallel with activities occurring in Germany.

In November, the club attended Wurstfest in New Braunfels. While there, the members participated in the dancing and consumed German delicacies.

The club held a costume party during Fasching which is a time similar to Mardi Gras.

The club also sponsored a booth during Heritage Week which sold German pastries and foods.

The German Club sponsored a Bike-A-Thon on October 26 to raise money that helped to send the members to convention. The convention was held in Kingsville, Texas at A & I University. The members competed in events ranging from soccer to arts and crafts.

The members also put on a play entitled "Schnee Witcher" which translated means "Snow White." The play was spoken in all German and was presented to Mrs. Tyler's German students. Pat Zinsmeister had the starring role of Snow White. Liz Dickson played the wicked step-mother and Kathy Hughes the good queen, with Ronnie Castro playing the prince. The dwarfs were: Mark Steckly, Kathy Hughes, Sharon Zaiontz, Donnie Steinbach, Lloyd Lundschen.

Members Keep Active And Entertain In Starring Roles

Members Danced The Evening Awa

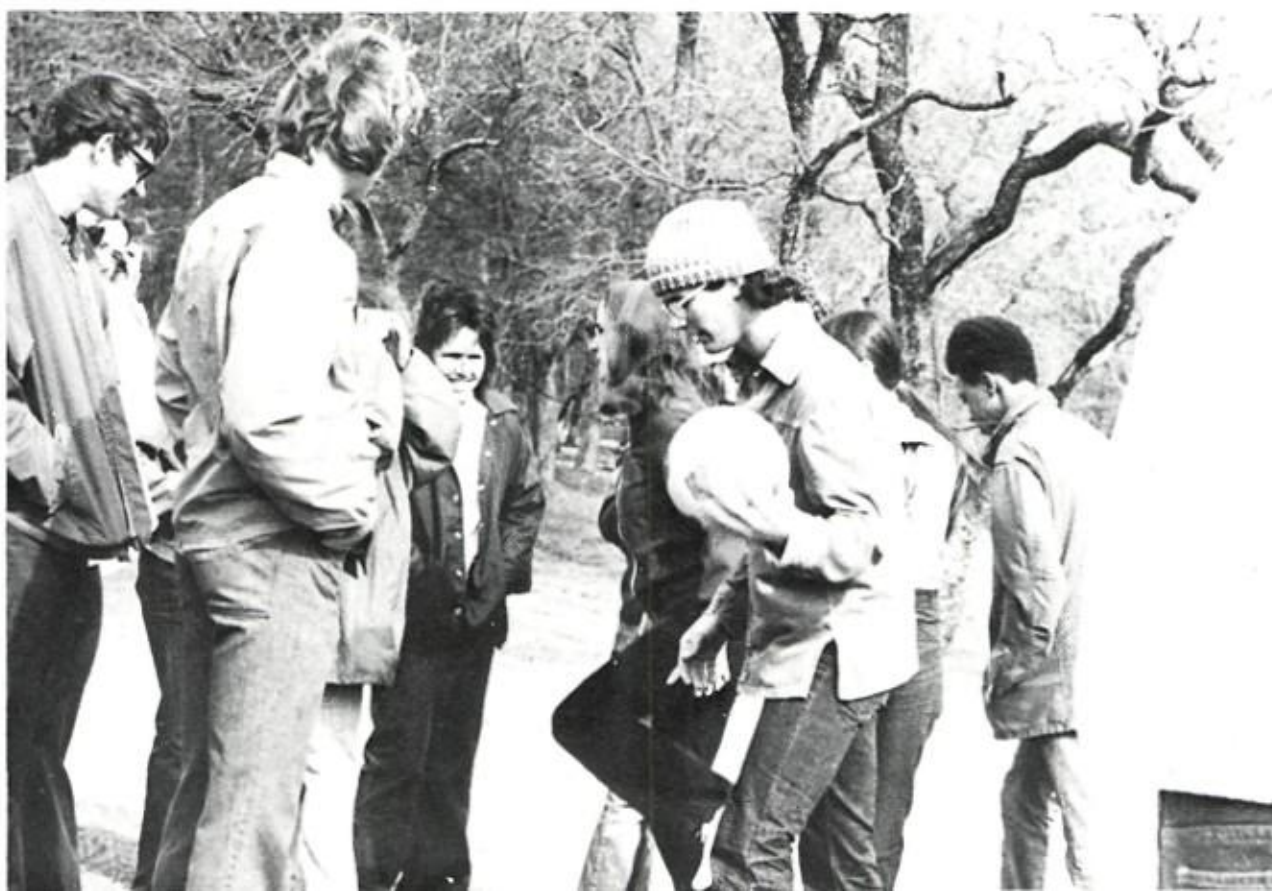

The German Club celebrated the Christmas holidays by having a Polka Party at the Community Room at McCreless Shopping City on December 13. Besides enjoying the polka, the members devoured a variety of foods. The room was gaily decorated with Christmas Cards and posters saying, "Fröhliche Weihnachten!"

Latin Club Learns About Different Cultures

Phos Estos, the Latin club, consists of students who are studying the Latin language. The purpose of the Latin club is to compete in city and state conventions. City conventions are held in February and state conventions are held in April. Throughout the year they have parties and participate in various school activities, such as Clean-Up, Green-Up day. They also dress up in Roman costumes and have Chariot races. In the spring, they have a banquet.

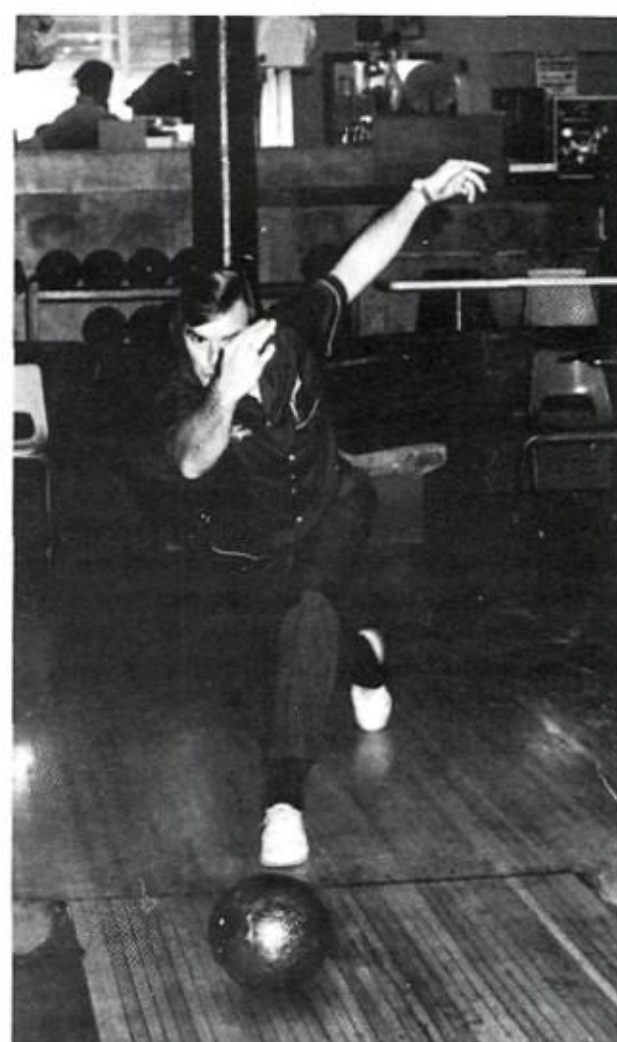

French Club Rallies To Success

This year, the French Club held several activities to raise money for their trip to New Orleans in May. The projects included a Car Rally in November, a January Pet Show, a spring Walkathon, a cake sale, and car washes. They also planned a Christmas Banquet.

The Bowling Club Keeps Rolling On

The Bowling Club was organized in 1971 to provide students with the opportunity to participate in a recreational activity and develop skills in a lifetime sport. The club was also organized to give students a chance to meet people with similar interests from other schools in our area and to test their bowling skills in open competition. The club has grown from about twenty to fifty or more members. This year the club meets every Wednesday afternoon at Goliad Bowling Lanes.

Kappa Gamma Tri-Hi-Y sponsored by the area YMCA is open to all girls attending Highlands. The girls open the year with a social quickly followed by initiation. Some of the girls activities include a Sweetheart Banquet, and a Father-Daughter picnic. The girls participated in many service projects one of which was taking canned goods to the needy. Candy sales as well as a Rock-A-Thon provided much of the money used for this year's activities. At the end of the year the girls take their annual trip to the coast, ending the year with a splash. Throughout the year the girls create memories which will last a lifetime.

Veri-Fedes opened the year with a social based on the original drama "As Veri-Fedes Turns." Following initiation and installation the club began plans for the year ahead. These plans included money-making projects such as a Rock-A-Thon, cake sales, and poster and stationery sales. Many service projects were also on the agenda. Some of these included visiting a neighborhood nursing home, as well as a local orphanage. The girls exchange small gifts a week before Christmas and Valentines Day, ending the week with a larger gift. The highlight of the year is the annual trip to the coast. A great finish to a great year.

Chi-Omega is an all girls club sponsored by the area YMCA. The club began a busy year with a social based on a circus theme, followed by initiation and installation. With the year now in full swing, old and new members alike joined in on the action. The club held many money-making projects, one of which was a spaghetti supper. The girls also participated in service projects entertaining twice at a local nursing home. The girls also held a Sweetheart and Mother-Daughter banquet. Throughout the year, the girls attended church and carried out the meaning of Chi-Omega . . . Christ forever.

Sigma Chi is sponsored by the area YMCA and is not affiliated with Highlands. It is an all-male club made up of Highlands students. The club is the first of its kind around HHS since 1966. Although this has been a year of organization, the members have taken time out to have fun. They participated in a volleyball tournament and swim party. Members also sponsored a dance which was their major money-making project. Officers met monthly with officers of the Tri-Hi-Y's and a representative from the YMCA to plan joint activities.

The Owls Are Concerned With

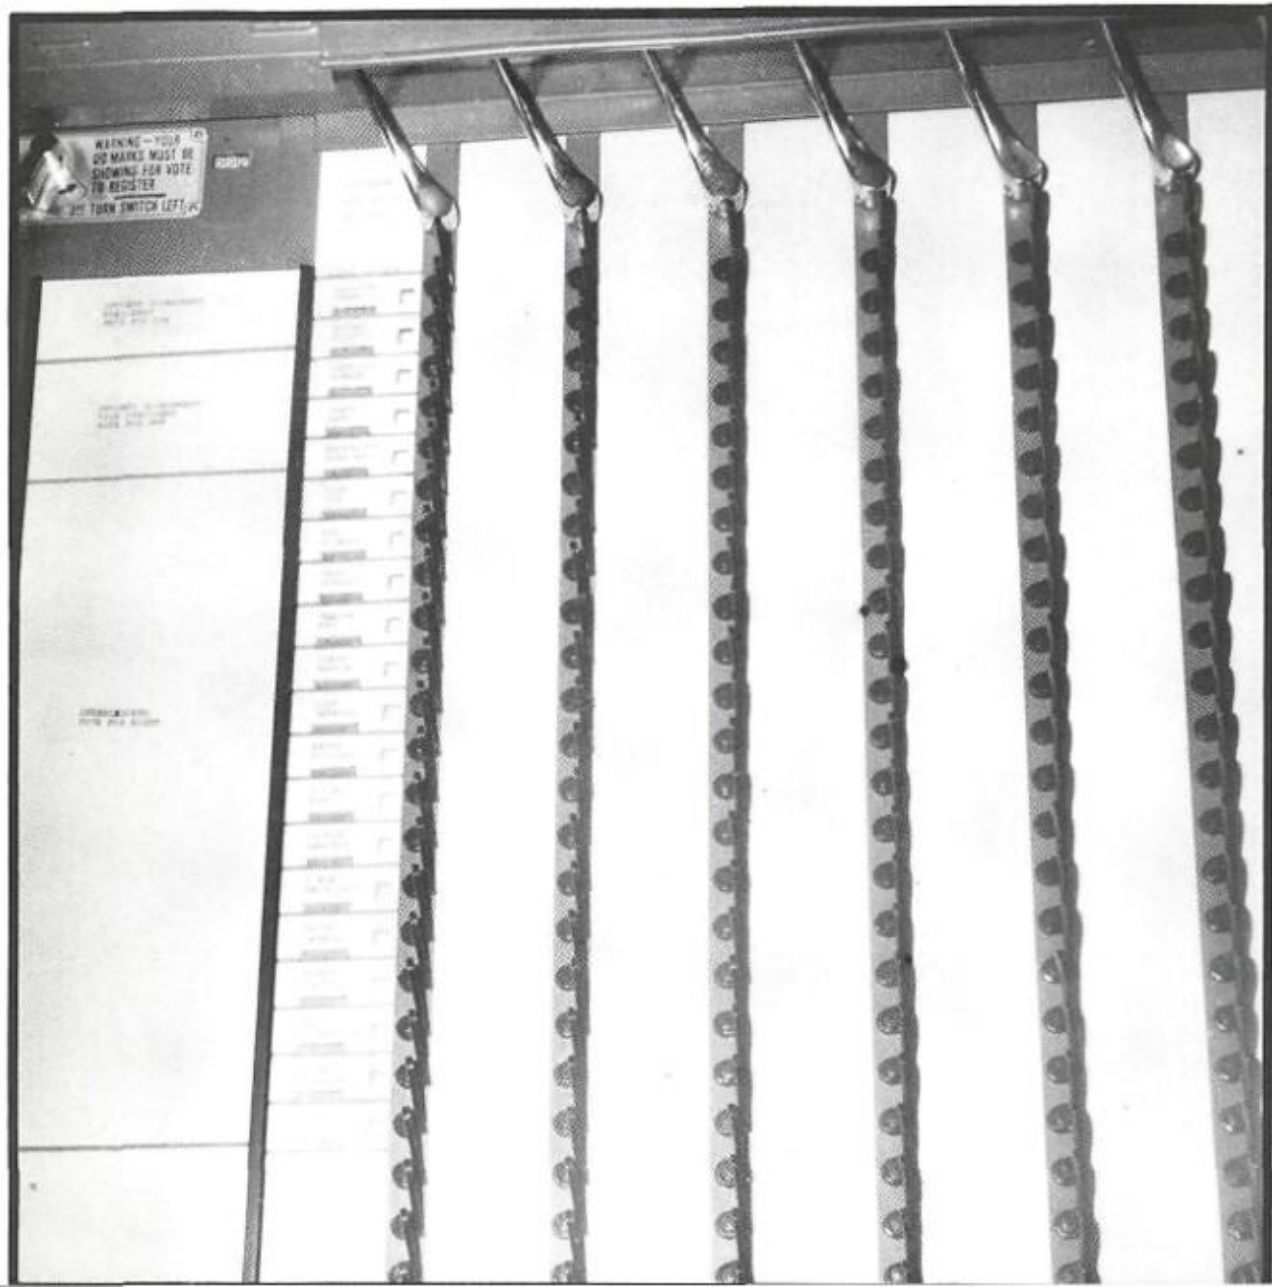

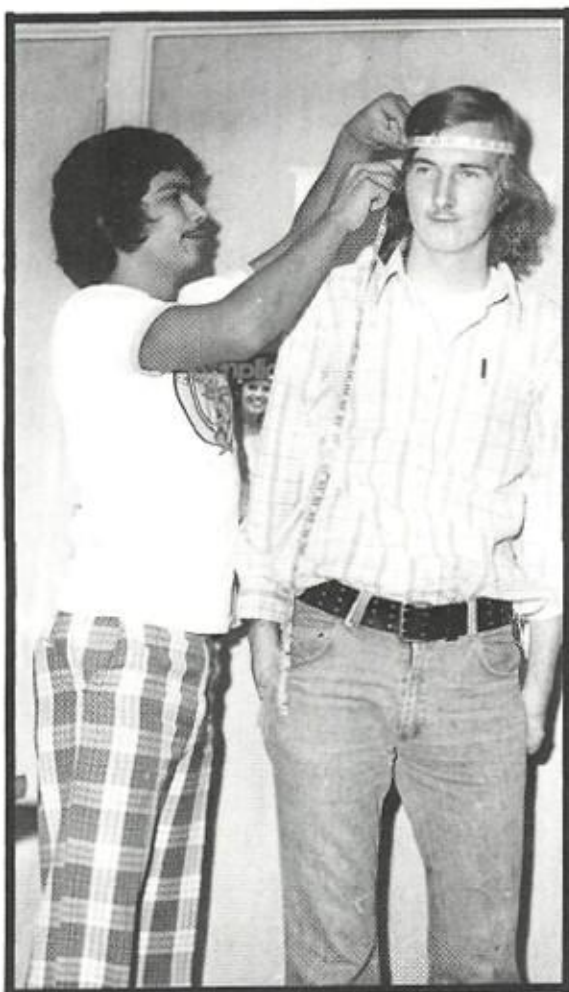

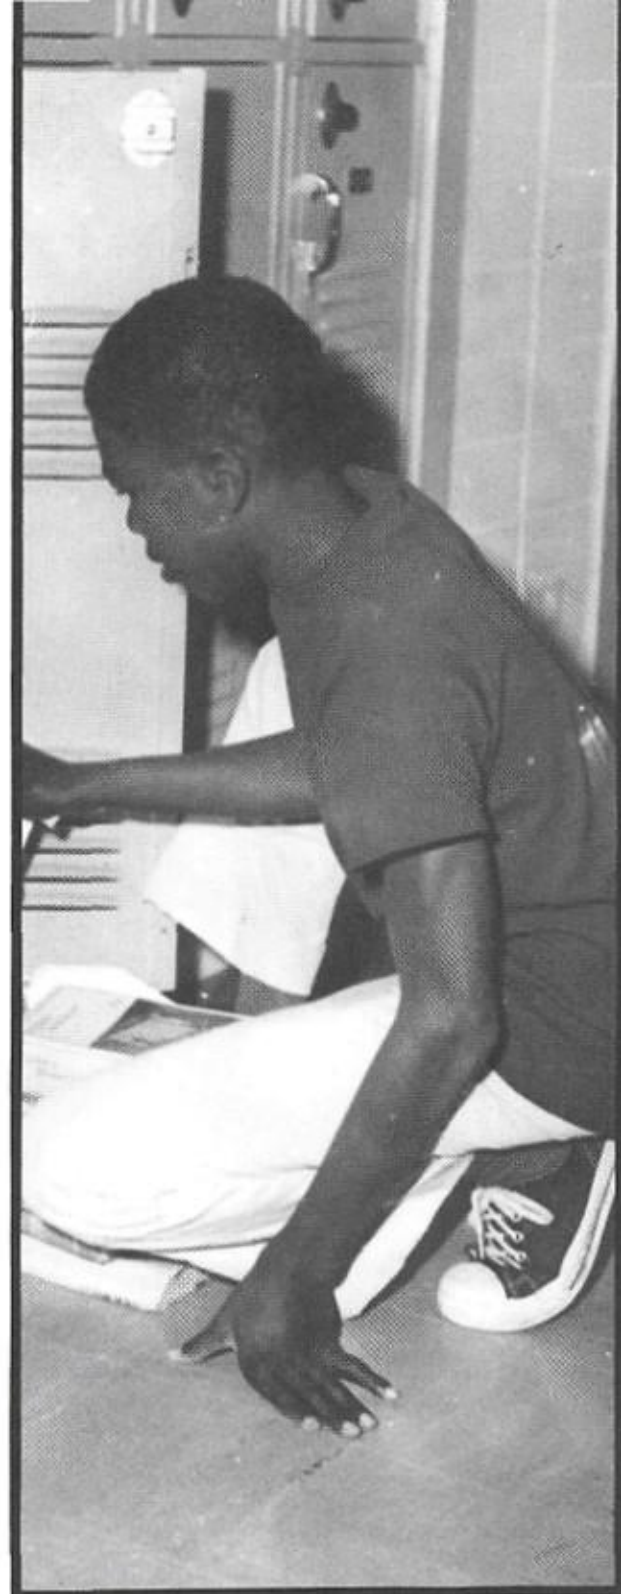

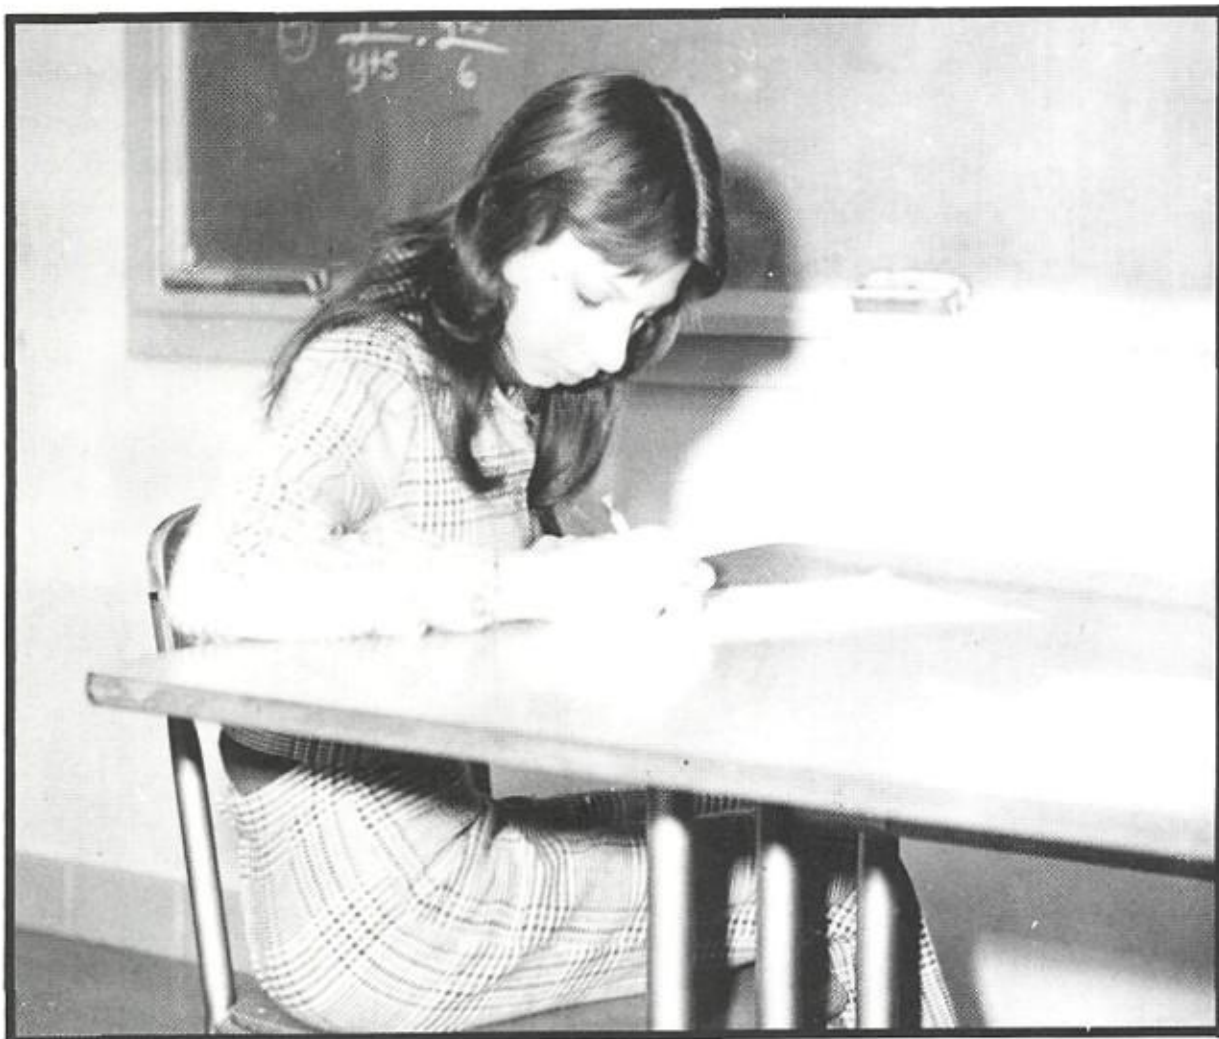

EDITOR-IN-CHIEF
CARA MENCK

CLOSING A YEAR

As Another Year With The Owls Draws To A Close

As another year with the Owls draws to a close, we can look around us and see all the activity that marks preparation for the ending of yet another school year.

Some look at the activities for the end of the year with sadness, others with happiness. All students, however, plan for the end in one way or another. Whether you are a freshman, sophomore, junior or senior, you are involved in some way.

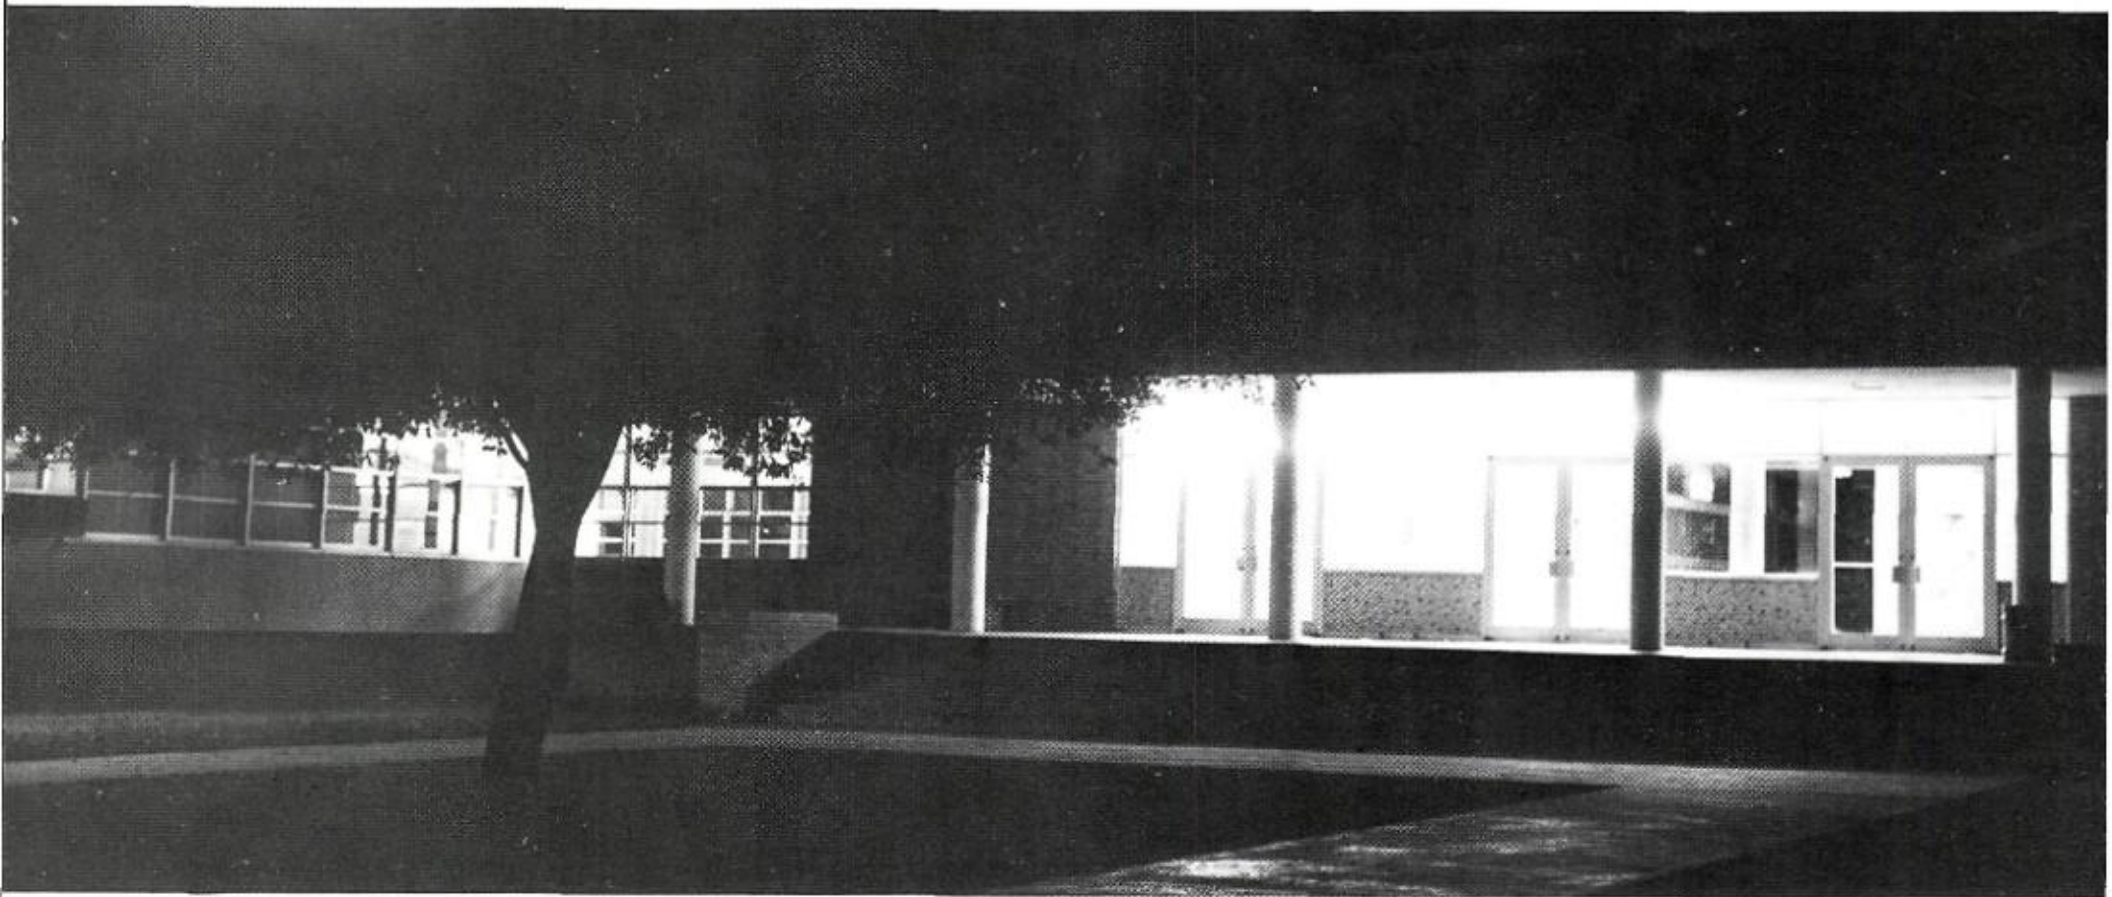

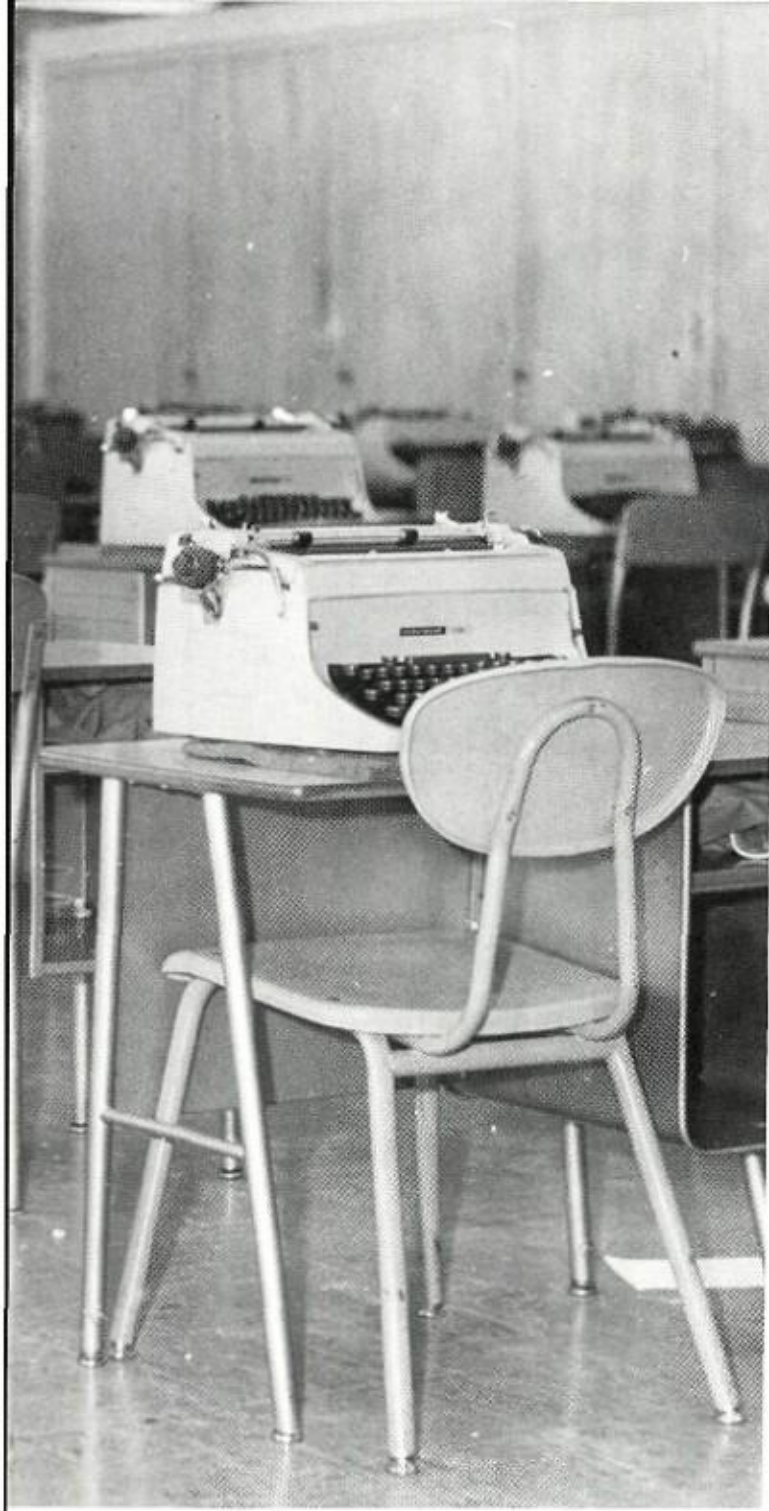

Seniors order their caps and gowns, and juniors order their senior rings. All classes participate in the elections for the coming year's officers and take the dreaded final exams.

We, with infinite joy, turn in those heavy, textbooks and walk the halls to our lockers once more to clean it out.

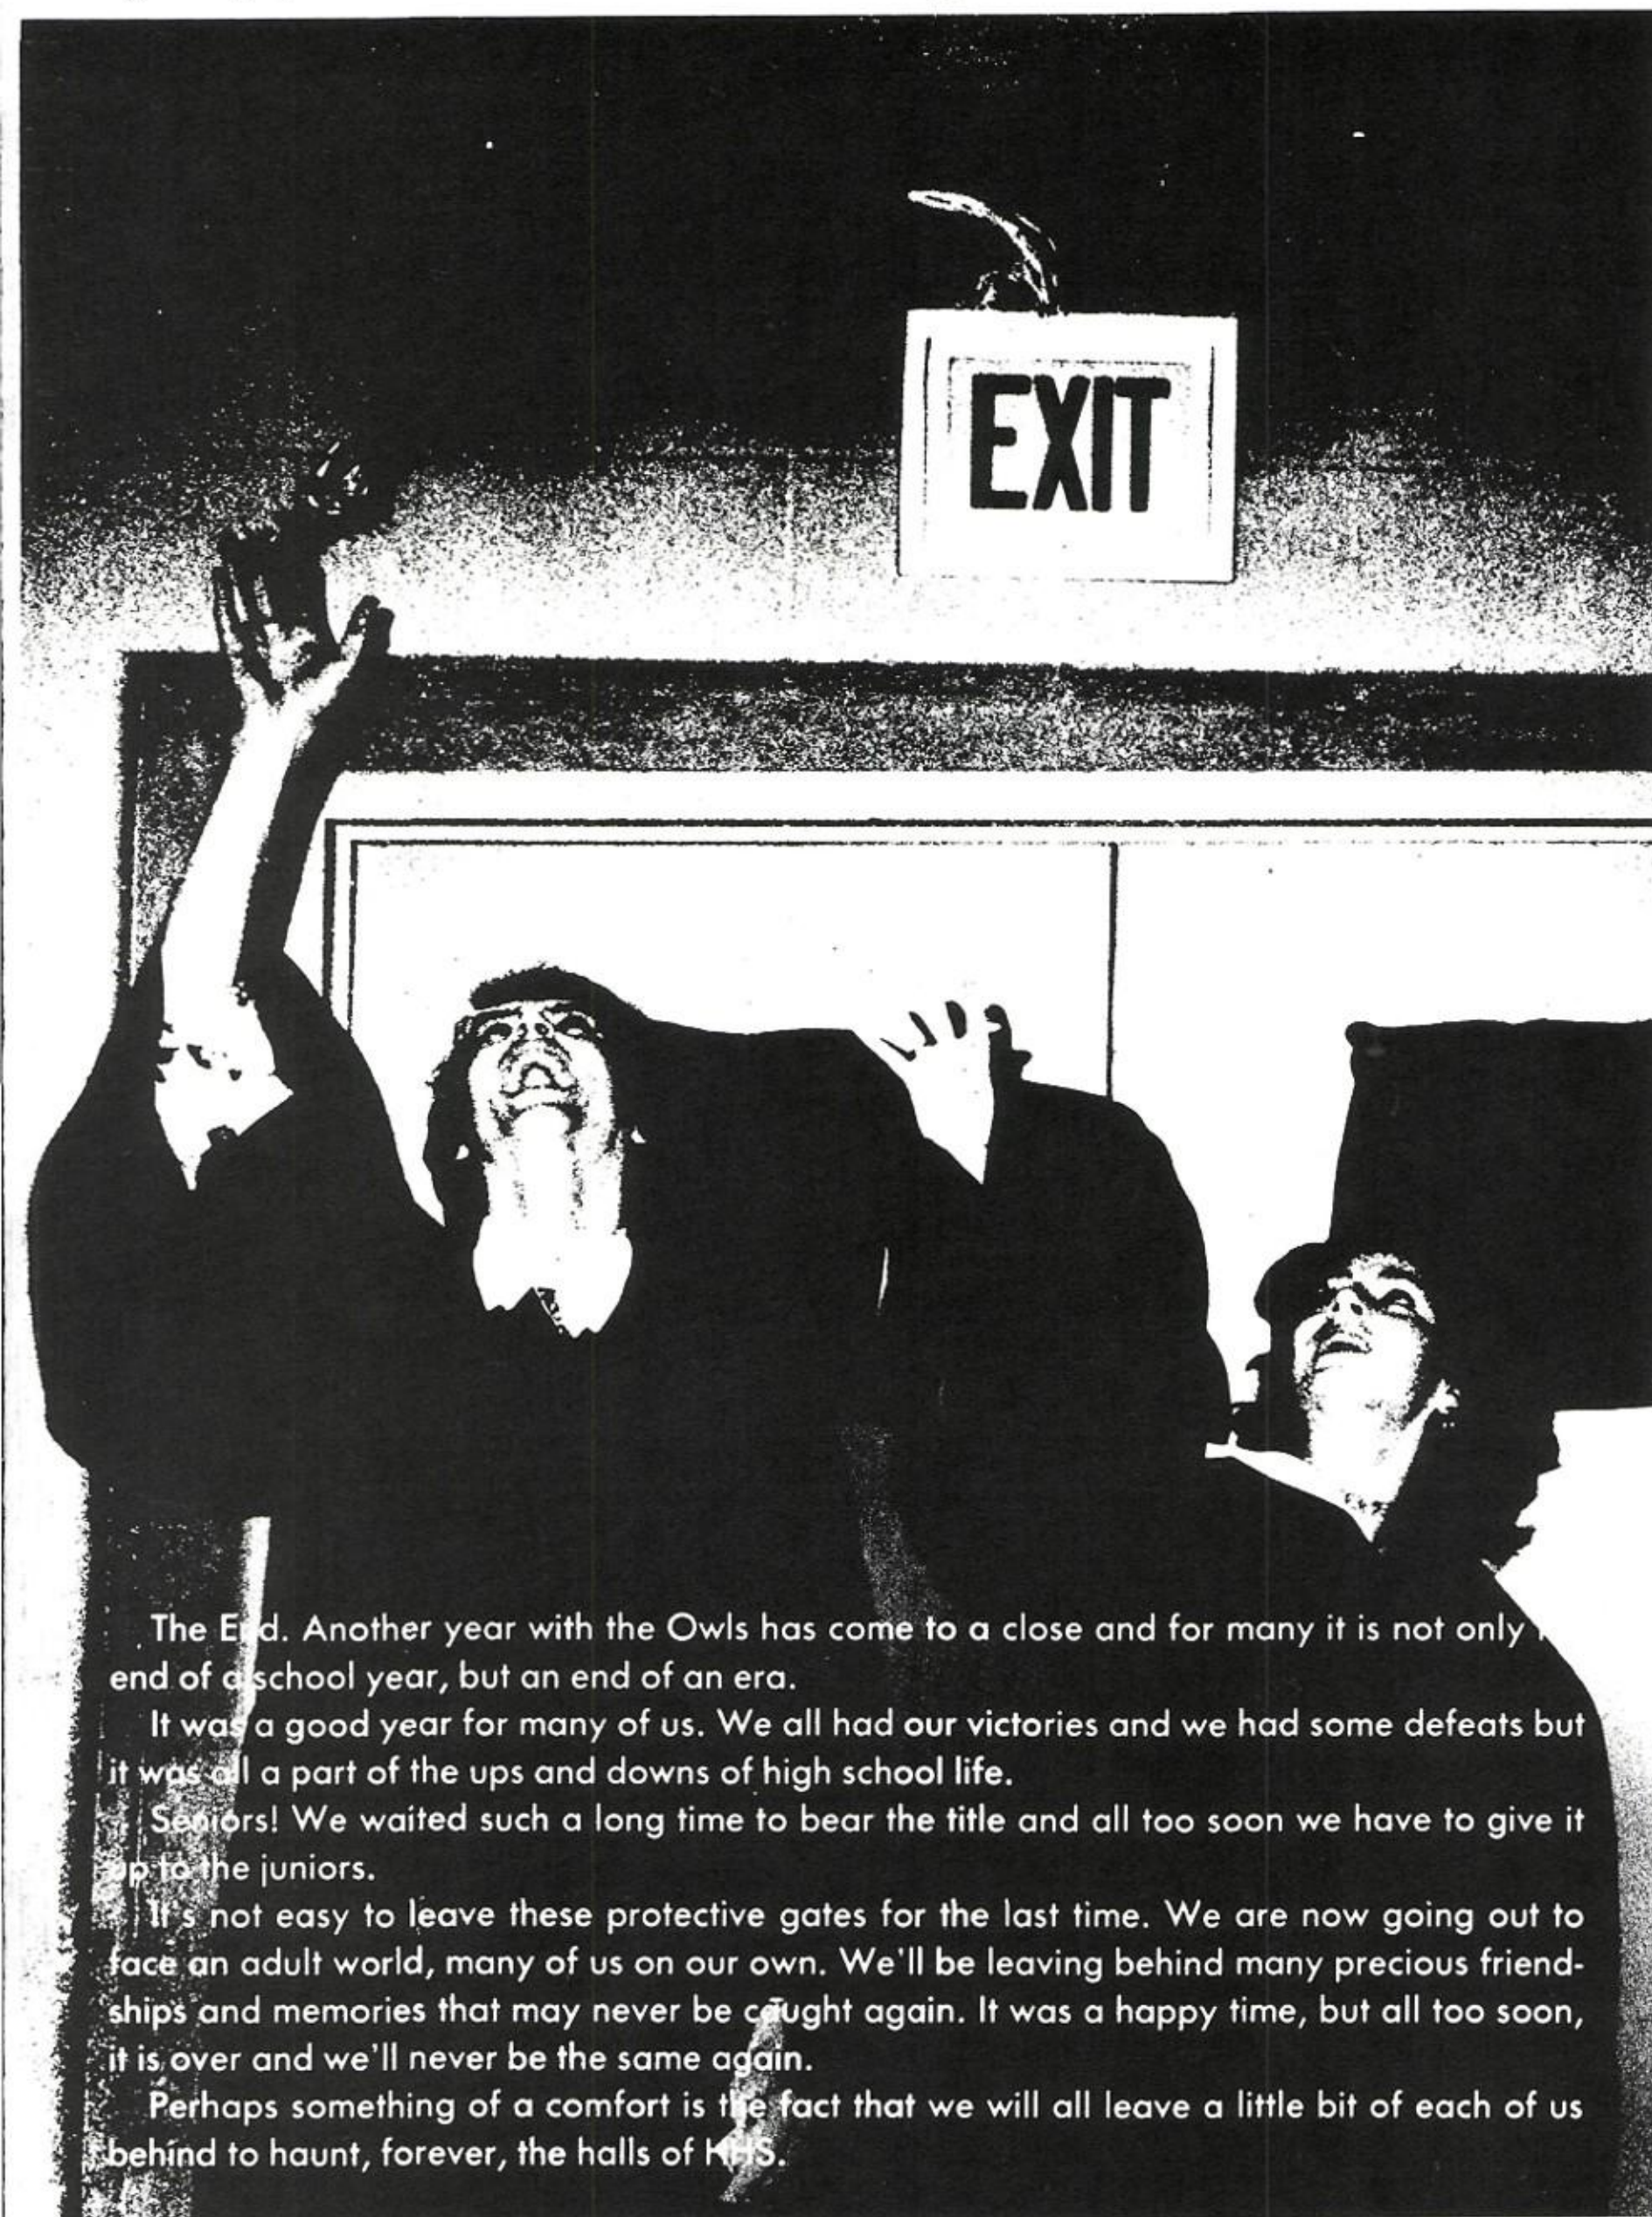

There's an endless number of things to do and everyone feels that they'll never get it all done, but all too soon the end is upon us.

We Find That What

May Appear To Be An Ending

The End. Another year with the Owls has come to a close and for many it is not only the end of a school year, but an end of an era.

It was a good year for many of us. We all had our victories and we had some defeats but it was all a part of the ups and downs of high school life.

Seniors! We waited such a long time to bear the title and all too soon we have to give it up to the juniors.

It's not easy to leave these protective gates for the last time. We are now going out to face an adult world, many of us on our own. We'll be leaving behind many precious friendships and memories that may never be caught again. It was a happy time, but all too soon, it is over and we'll never be the same again.

Perhaps something of a comfort is the fact that we will all leave a little bit of each of us behind to haunt, forever, the halls of HHS.

Is Only A New Beginning.

SPRING OF 1975

Senior Week Is Designated To Salute Seniors

Senior Week is specially designated to salute seniors at H.H.S. During this five day period, seniors participated in various activities planned each day. This year Senior Week was March 10-14.

TOP LEFT: Ice cream party in the Student Lounge. TOP RIGHT: A skating party at Carvel. MIDDLE LEFT: Carline Bush (2nd place) and Rosalinda Dela-Rosa (1st place) pose as winners of the locker contest. MIDDLE RIGHT: Donnie Steinbach and Delaine Meiers finish breakfast at Luby's during the Senior Breakfast where Bobby Warren of the San Antonio Spurs was guest speaker. RIGHT: Senior Class Officers and students put on a skit at a Senior assembly to demonstrate the activities to take place during Senior Week.

The second annual Heritage Week was held April 7th through the 11th, for the promotion of understanding different heritages with the theme "Reflections On Brotherhood" to base the week on. There were displays exhibited throughout the week in the student lounge and trophy cases. Also guest speakers and various other modes of entertainment were used to make the week successful.

Gonzalez with which brought Heritage Week to a memorable close. **BOTTOM LEFT:** Delores Flores and Juana Maldonado try to sell English delicacies during the Heritage Week Carnival held on Wednesday. **BOTTOM RIGHT:** German Club members entertain the student body with their display of their German heritage, through dancing. **BELOW:** Students proudly display exhibits depicting their Afro-American heritage.

"Reflections On Brotherhood" Promotes Understanding

Student Government Elects . . .

This year Henry B. Gonzales came to HHS to talk to the Student body about our heritage and brotherhood during Heritage Week. The student body elected Student Government representatives and cheerleaders for the 1975-76 school year. The HHS Band, Brigade, and ROTC participated in the Battle of Flowers Parade.

Jrs. And Srs. Experience Days Of Wine And Roses

The Turtle Creek Country Club on the north side of San Antonio was the scene for this year's Junior-Senior Prom held on Friday, April 18 from 8:00 to 12:00 pm. The band playing was Infinity, a local group capable of great variety in their music. The theme of the prom, Days of Wine and Roses, was carried out in centerpieces of paper roses in bottles. A small ceremony was held in which the sponsors of the Senior class were presented with bouquets of red roses. Each officer was presented with a ribbon placed around the neck to denote his or her office. About two-hundred couples attended.

MIDDLE RIGHT: The Junior class officers and their dates present at the prom are Judy Gavegan and Kenny Taylor, Cheryl Rodgers and Albert Valle, Penie Purcell and Mike Codaro, Vickie Lambert and Clark Magee, Janet Sawyer and Artie Kocian, and Norma Montalvo and Richard Monsivias. MIDDLE: Some students sit at a table and engage in conversation while others move to the beat of a slow and easy melody on the crowded dance floor. BOTTOM: The rotating refreshments table is a definite crowd gatherer as prom-goers get punch and snacks.

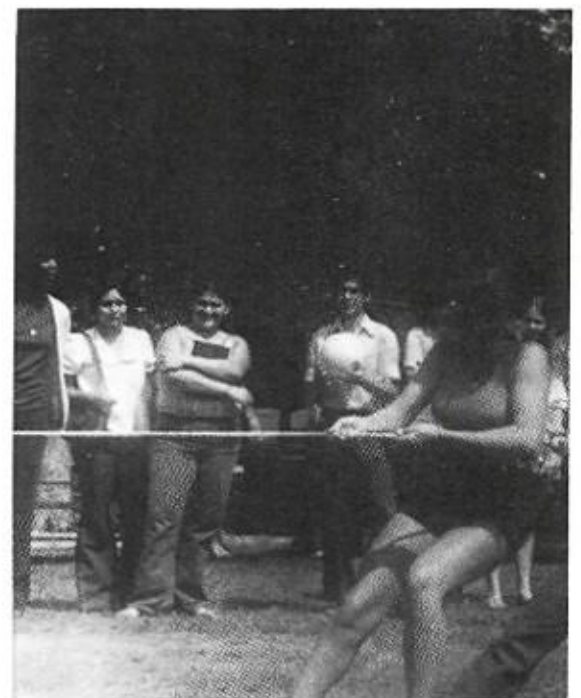

Juniors Celebrate With Year-End Picnic

The Junior class held their annual picnic Friday, May 9, at Raymond Russell Park. There were such activities as a sack race, egg toss, three legged race, banana eating contest, and tug of war.

Barbecue chicken was catered to members of the Junior class.

RIGHT: Judy Gavegan seems anxious to come in first place. BELOW: "Anyone for a game of football." LEFT: Many juniors like spectating. BOTTOM LEFT: Diane Speer and Lorraine Felan try to out tug the other team. BOTTOM RIGHT: Dolores wonders, "Do I dare?"

Seniors Hold Picnic At Landa Park

Friday, May 2, was the annual Senior class picnic at Landa Park. Most seniors wandered around the park on foot or by bikes until lunchtime. Desserts and drinks were provided. A pie eating contest was held before a water balloon toss. Seniors paddled canoes, swam, rode paddle boats and the train until it was time to board the buses and head back to Highlands.

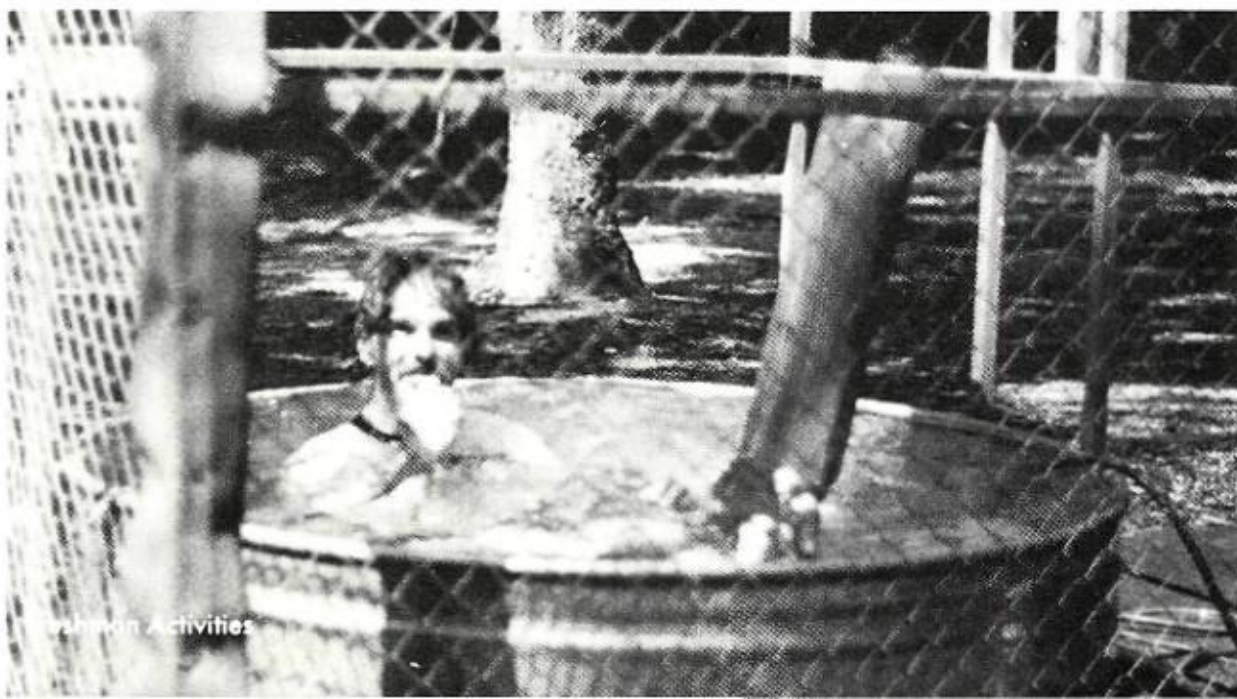

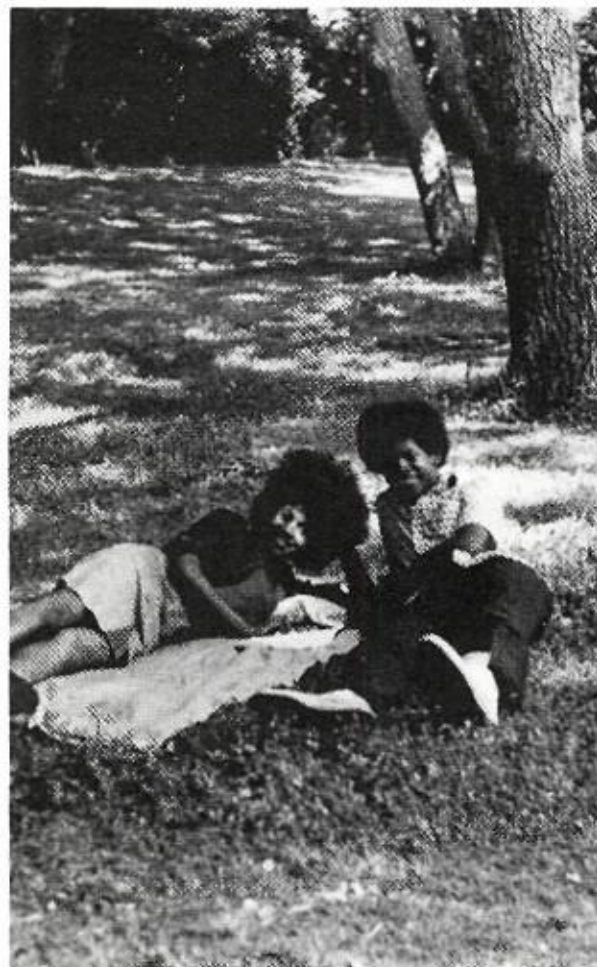

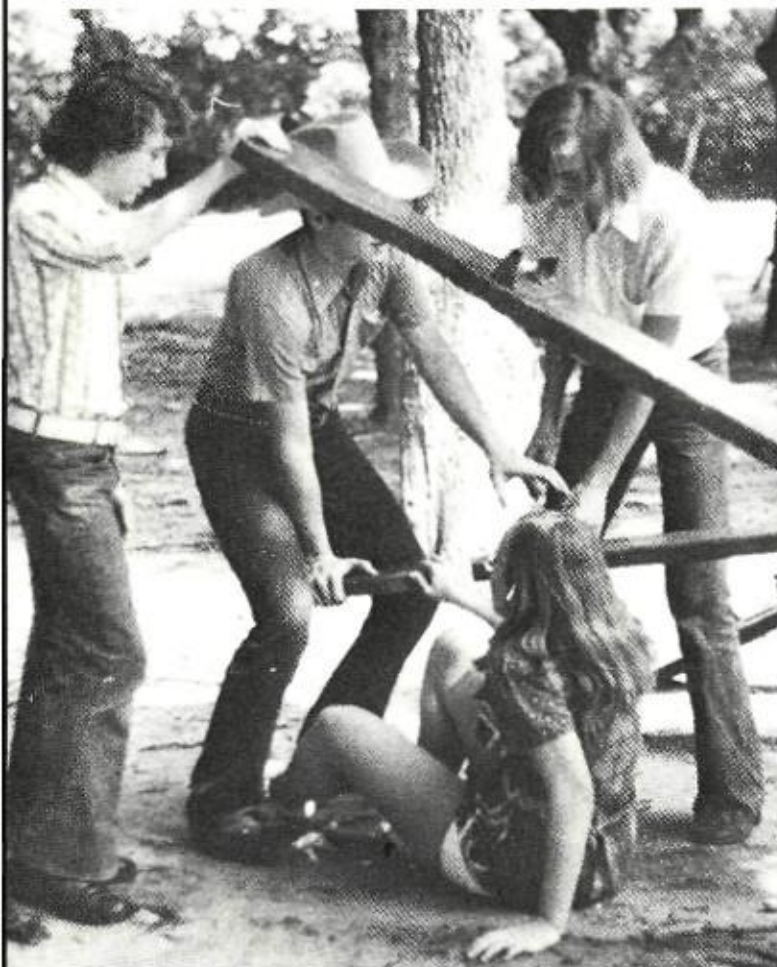

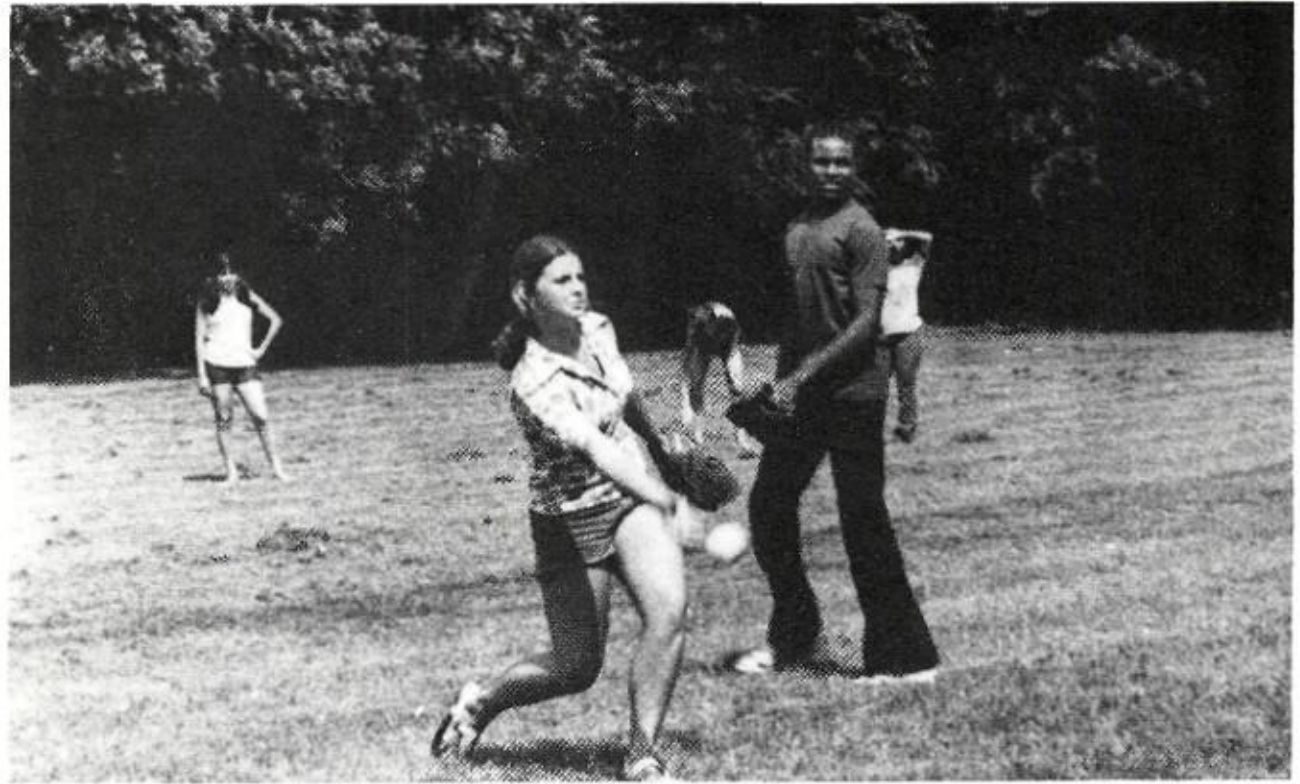

TOP LEFT: A few Seniors enjoy lunch and conversation in the picnic area of Wurst World. MIDDLE LEFT: The mini train attracted many Seniors throughout the day. MIDDLE RIGHT: Here is the catching end of the water balloon toss. BOTTOM LEFT: Even Mrs. Heston enjoys the little kiddies slide. Freshmen End First High School Year

The class of 1978 celebrated the end of school with a picnic at Comanche Park, on May 15th. The Freshmen played softball, had a dunking booth with Mr. Strader as the 'dunkee.'

Sophomores Have Spring Activities

This year the sophomores held their picnic at Comanche Park. They had an egg throwing contest, three legged race and a sack race. The sophomores tried something new this year. They had a banquet at Pecan Valley Country Club on May 16, 1975. Awards were given to the most spirited sophomore boy and girl and to the person with the highest score on the achievement tests.

Highlands Goes To State Play-Offs: Greatest Year In Owl History

The Owls captured the regional tournament, towering over both Jefferson and Brazoswood with the identical scores of 72-68.

John Colby and Clay Stolte led an exciting comeback with only 5 minutes left in the first game. Colby hit 14, while Stolte got 5 free-throws gathering 19 points between the two.

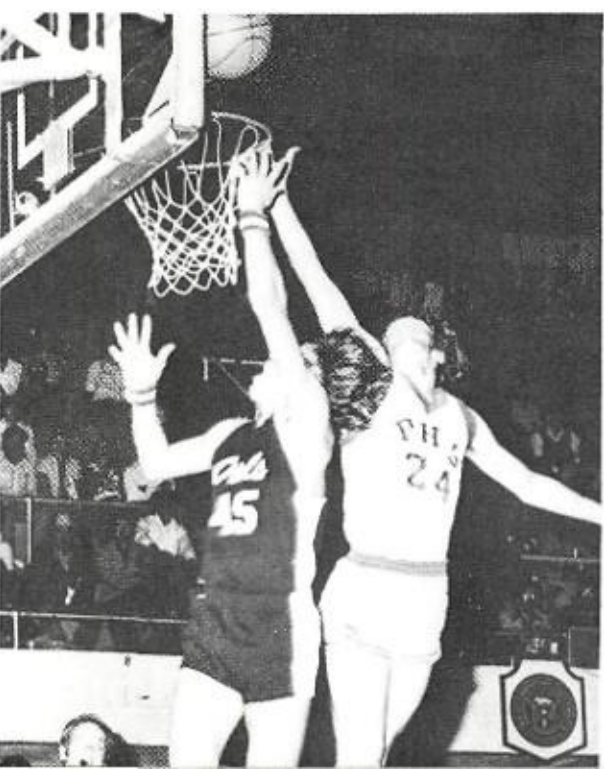

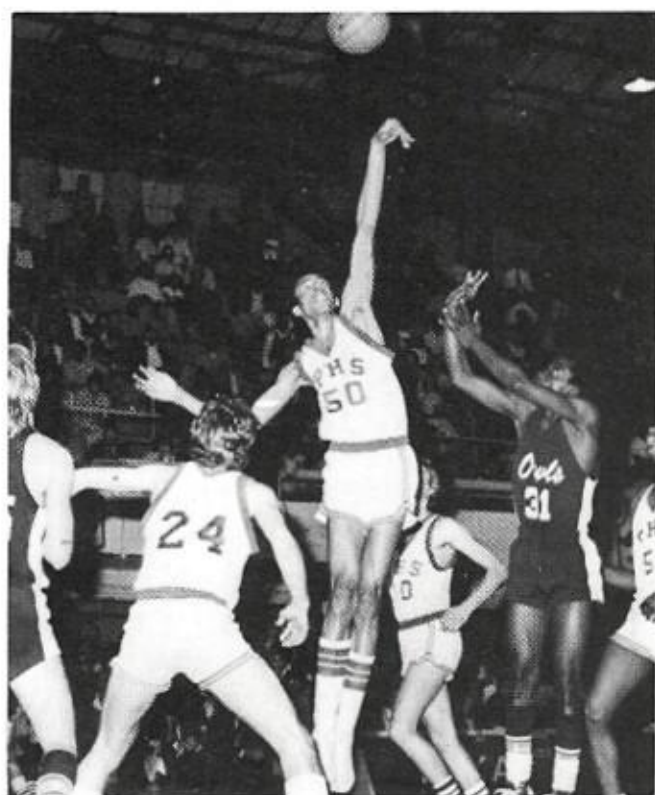

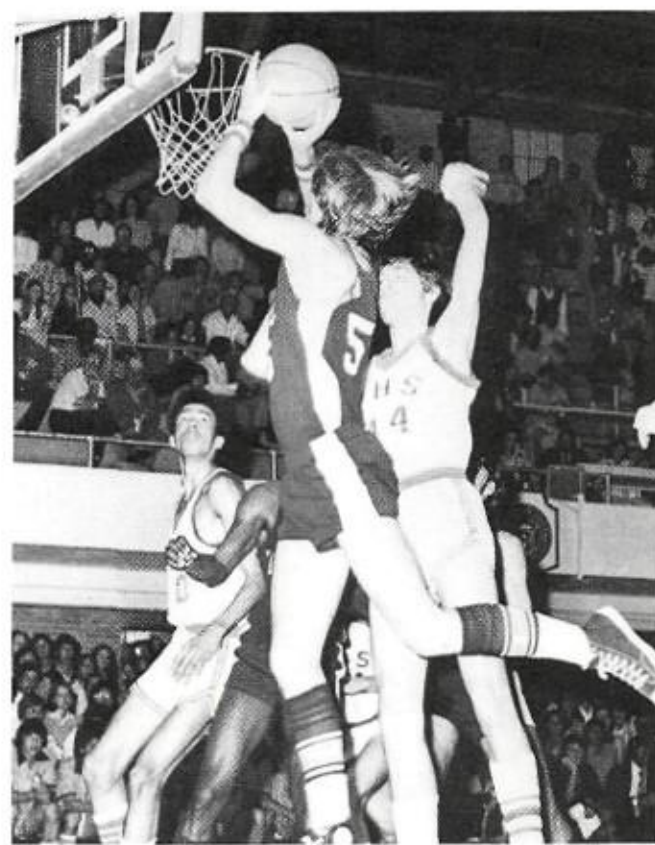

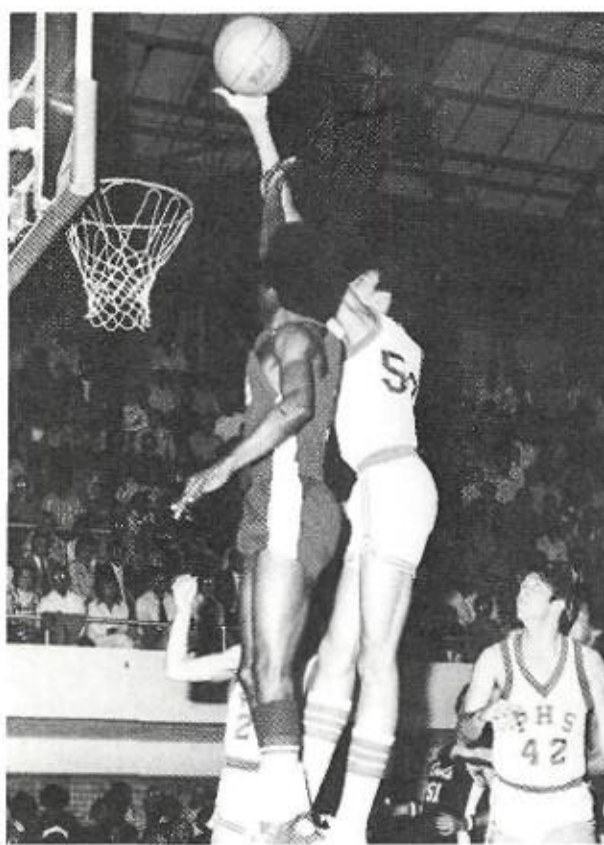

The next stop was the Jefferson Mustangs, who were favored in the game, but the Mean Maroon hit the first 2 points and stayed ahead until the finish. The Mustangs never led, but were always close. The victory was secured when a Mustang lay-up attempt rolled off the rim into the arms of Jim Matheny.

The season finally ended when the Owls were defeated by the Paschal Panthers of Fort Worth in the semifinals by a score of 82-65.

The Owls had a hard time and were always outscored. One fact was that Paschal's shooting average was better than the Owls. John Colby had an excellent game with 25 points, and Evans and Matheny trailed with 10 points.

Our Might Maroon have not only established themselves as one of the top 4 teams in Texas, but have left an imprint in the history of Highlands that will always be remembered.

Mile Relay Takes Sixth In Finals

On April 26, the Regional IV track meet was held at Buccaneer Stadium in Corpus Christi. The Owl thinclads participated in two entries. They were the 440 yard dash and the mile relay, with the relay taking sixth place in the meet.

Benny Goodwin ran the 440 yard dash for the Owls. He ran it in 52.2 seconds, but failed to place in the event.

The mile relay team was made up of John Bowens, John Eagleston, Edgar Evans, Benny Goodwin, and Wayland Davis as alternate. Their timing was 3:23.2, and it gave them sixth place in the final running.

In the San Antonio Invitational on April 19, the line-up was the same. This time Benny Goodwin ran the 440 yard dash in 50.5 seconds. Although it was a better timing, it was still not fast enough to place.

The mile relay ran with a time of 32.8 seconds and placed third in the preliminary rounds.

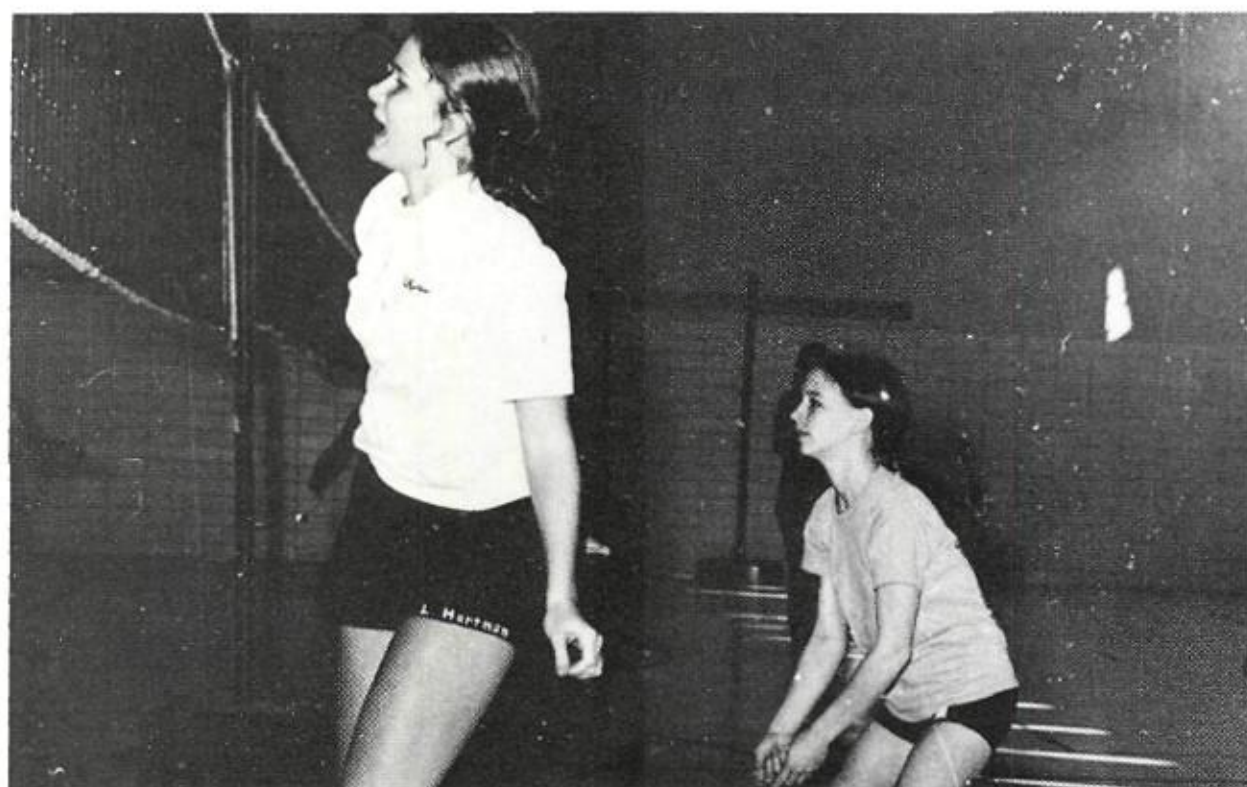

Though the Owls weren't among the top finalists, some of the participants did go to Regional; and following the Highlands tradition, we were again big Maroon winners.

Volleyball . . . Golf . . . Tennis

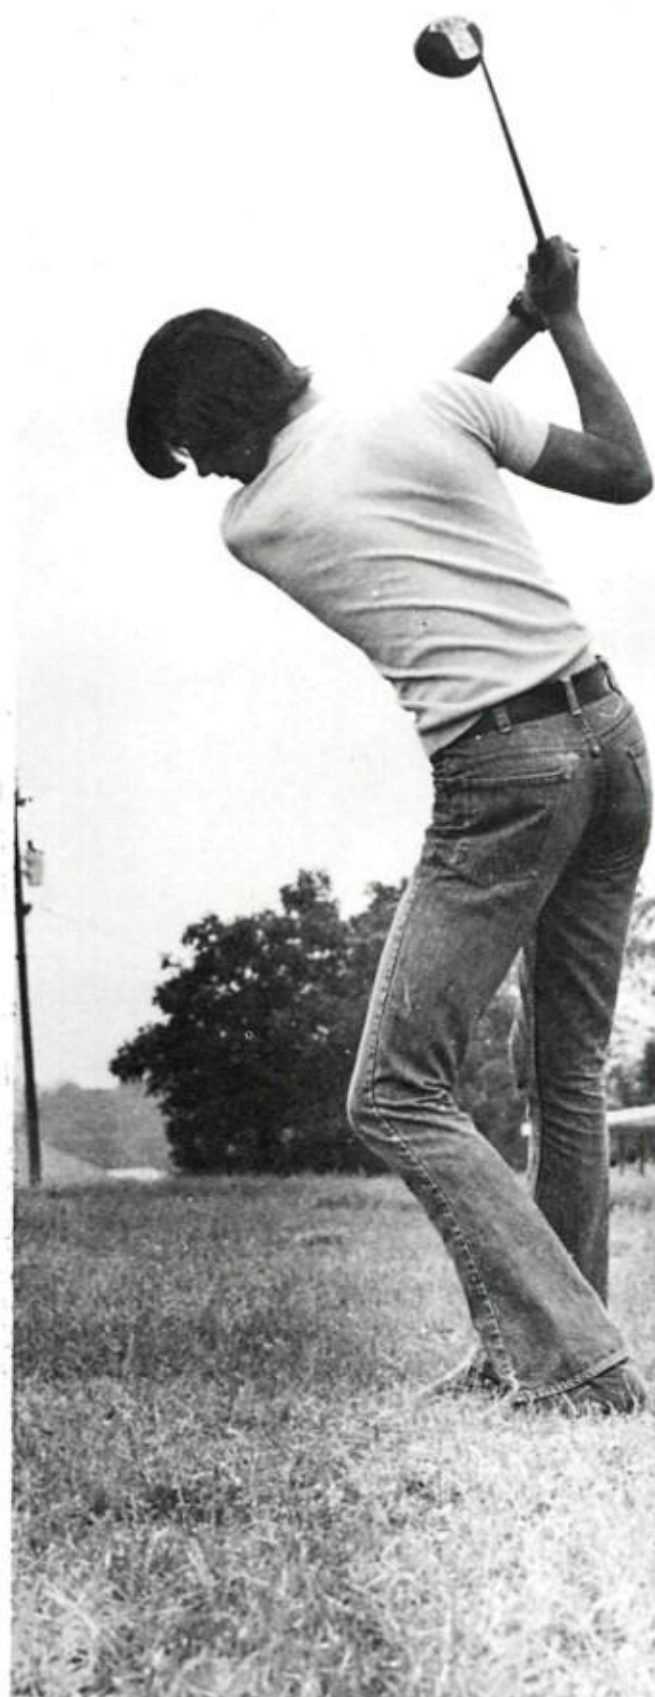

This has been an excellent year for the girls on the volleyball team. They were again district champs, but they unfortunately lost the bi-district game against Churchill, who eventually won the girls 4-A state title.

Means Fun For Everyone

The Owl golf team is making its plans now to win first next year after a fourth place finish in the District 29 AAAA tourney this year.

Tennis team members are looking for the future after a sixth place district finish this year. With several returning lettermen the Owls should be in top form for next year's matches.

Owls Lose To South San Bobcats In Bi-District Playoff.

Despite a winning spirit the Owl baseball team fell to the South San Bobcats by the score of 7-1 at V. J. Keefe field. Deep hits to center and left field were in vain as the Owls tried desperately to rally.

RIGHT: The Owls wait to take the field against South San. BELOW: Clay Stolte smashes one to deep center field.

Owls Clinch District Title For HHS

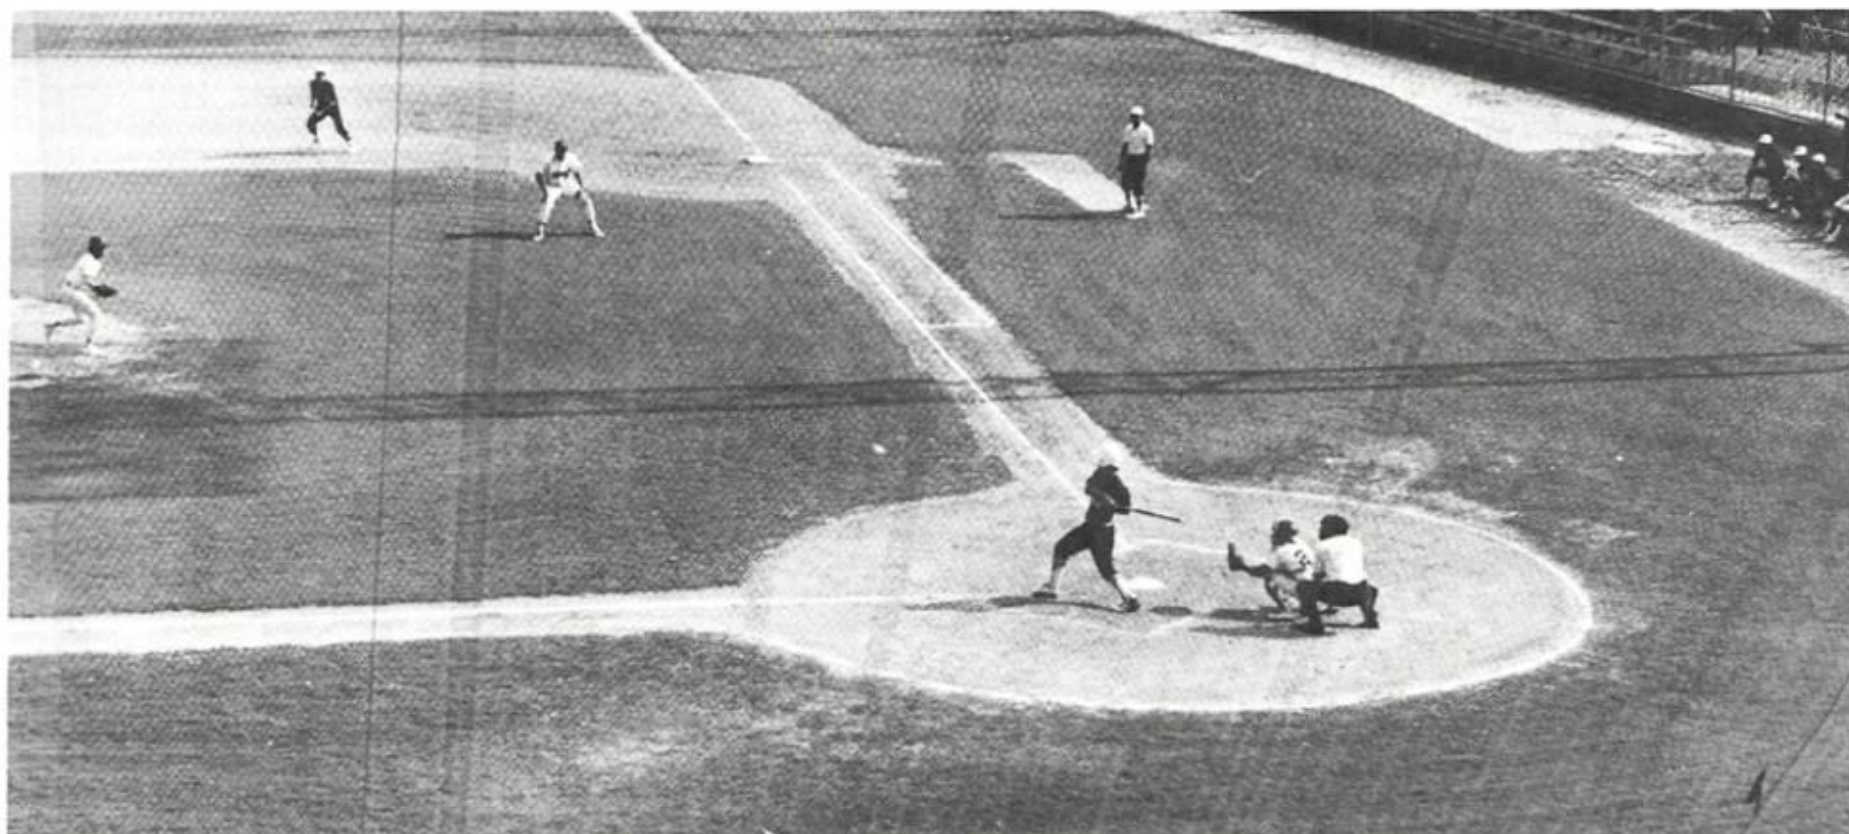

The Highlands Owls clinched the District title by shutting out Judson, 5-0, at Highlands on May 2.

The Owls went into playoffs, facing the South San Bobcats. The Owls finished 11-2 in district and 18-4 over all for the season. The Owls dropped a 3-1 decision to the Bobcats in the first game and a 7-1 score in the second contest as they were eliminated in Bi-District.

Five Owls baseball players were selected to the All-District. They were Duane Haynes, Mike Cordaro, Mel Castro, Richard Mudd, and John Colby.

Brigadoons Were Issued On May 23, 1975

Brigadoon distribution was held on Friday, May 23 in the school courtyard. A signing party was held after students received their yearbooks.

A sudden downpour surprised the students but their spirits were not dampened as over 1000 students picked up their yearbooks anyway.

This year the theme was "A Year With The Owls," which portrayed one of the most exciting years in Highlands' history.

Seniors Attend Their Last Assembly

This year's Senior Assembly was held on Monday, May 26. The seniors performed skits and were entertained by the Highlands Stage Band.

During the assembly, the class sponsors, Mr. Jerry Moore and Mrs. Terry Heston were presented with plaques from the class officers.

After the assembly the seniors received their graduation seating assignments.

Baccalaureate Provides Inspiration For Seniors

Baccalaureate was held on Sunday, May 25, in the school auditorium. This traditional program each year provides seniors with inspiration to face their futures.

Graduation night — a time for all seniors to reflect on their years at Highlands. All the good times spent with friends, favorite teachers, and three-dollar library fines are now just happy memories. It's time to look ahead to college, work, a career, and whether or not to visit lunch tomorrow. Tonight, there will be tears, hugs, parties and many congratulations. The worrying and uncertainty will be left until tomorrow. On this night, for the final time, they are **THE SENIORS OF 1975**.

The Class Of 1975 Departs With Many

Happy Memories

It has been a good year for Highlands — full of major victories that put HHS on the top of the list for San Antonio schools.

We not only boasted a fine championship athletic department that put a sense of pride in our hearts but we also had victories in our other clubs and organizations as well. It was this combination of winning that made HHS number one this year.

The best part of all is that all these fine events are pictured here for you to have always, and I certainly couldn't have done it alone.

It has been the combined effort of many fantastic hard working people who spent many long hours making this book a memorable and successful one. It is at this time that I would like to give these people my warmest thanks and appreciation.

I would like to thank Mr. James Whitcomb of the Texas Parks and Wildlife for the beautiful picture on our cover, Mr. Fred Harding for all his help and guidance, Mr. Gerald Hardrig for the Owl on the last page, Mrs. Janet Rogers for her assistance with our color prints and numerous other hints and help. Also Mr. Doug Altom of Taylor Publishing Company for his assistance in coming up with ideas in the design of the yearbook. A very special thanks goes to Mr. George Mahan for his patience and help and to our Mr. Gary Harlow for guiding and leading us. Finally, but most important my thanks goes to the 1975 Brigadoon Staff who gave so much of their time and energy to produce the kind of book Highland can take pride in.

It has been a hard and busy year for those of us who gave everything we've got to the betterment of HHS. It certainly has been "The Year Of The OWLS!!"

Hi Bill,
a guy I haven't
really known very good
this year, but the little time
I have known cool.

Bill,

It's really been great
having someone like
you in my classes -
crazy but ~~so~~ nice.
You could really take
the boredom out of Mrs.
Hurd's super boring
class Good luck
